[insert clever pick-up line here]

Nathan McKnight

January 11, 2020 2:22 AM

Should it be pirate related, or do we get to pick a new theme?

Jo Ross

January 11, 2020 2:26 AM

Oh, I think you should pick the theme

January 11, 2020 2:28 AM

Because mine would be insufferable... like, generative grammar or something

Nathan McKnight

January 11, 2020 2:30 AM

Chomsky seems pretty heavy for a first pick up line. I usually try to reserve that for the second or third pick up line.

Jo Ross

January 11, 2020 2:33 AM

Right? We could go lighter... Lovecraft perhaps? Or comparative epistemology?

Nathan McKnight

January 11, 2020 2:33 AM

Oh my. Swoon.

Jo Ross

January 11, 2020 2:33 AM

Lol. This is why you should pick the theme ;)

Nathan McKnight

January 11, 2020 2:35 AM

Actually I'm kind of interested in hearing a comparative epistemology themed pick up line

January 11, 2020 2:35 AM

That's pretty broad. My interest is piqued

Jo Ross

January 11, 2020 2:36 AM

Hmmm... Are pick up lines mere social constructs? Or is there some underlying evolutionary psychology?

Nathan McKnight

January 11, 2020 2:36 AM

I feel like you could write an entire thesis on that.

January 11, 2020 2:36 AM

I now want to study the history of pick up lines

Jo Ross

January 11, 2020 2:36 AM

The night is young

Nathan McKnight

January 11, 2020 2:37 AM

Lol, is it, though?

Jo Ross

January 11, 2020 2:37 AM

Jo Ross

Haha. I was just thinking that.

January 11, 2020 2:38 AM

Yeah

January 11, 2020 2:38 AM

What are the furthest bounds of the pick up line. Are there utterances that clearly could never be?

Nathan McKnight

January 11, 2020 2:39 AM

Ah, but is there such a thing?

January 11, 2020 2:41 AM

Dammit. I misread that in my compromised state and ruined my witty charm.

Jo Ross

January 11, 2020 2:44 AM

We're two beings who can't prove to one another that we even exist outside the solipsistic realm of our own minds... exchanging what we take to be patterned light, from which we believe we extrapolate a deeper meaning but who knows? Maybe I'm just a bot in some St. Petersburg slab building? Anyway, tell me more about this compromised state...

Nathan McKnight

January 11, 2020 2:50 AM

Well, I was lying in the dark drifting off to sleep, but couldn't resist responding to your message.

Jo Ross

January 11, 2020 2:53 AM

Jo Ross

I see. Well, I wouldn't want to keep you up past your bedtime, but it's nice to exchange words with you, Amanda Ross. I'm Nathan McKnight (née Bellomy) and this is me escalating from curious glances at random dance parties.

January 11, 2020 2:54 AM

Jo Ross

*correction: amazing dance parties

January 11, 2020 3:15 AM

Feel free to be obtuse at me further if you like: 810-777-2551 (I prefer unsolicited dick picks to be vetted before sending. Unsolicited Philip K Dick pics on the other hand...)

January 11, 2020 1:20 PM

I found one that includes the best of both worlds. I hope it's not too forward...

January 11, 2020 1:27 PM

	Also, I definitely crashed moments after sending my last message. I do want to mention that I quite enjoyed our chatting back and forth yesterday, though.		
	Jo Ross		
January 11, 2020 2:50 PM			
			Good choice! And I second that. :)
			Nathan McKnight
January 11, 2020 3:33 PM			
	Jo Ross		
January 11, 2020 5:55 PM			
			Ah yes, my favorite linguistics joke!
January 11, 2020 6:16 PM			
			The thing is though, unless uses both the reinforcing negative and the mathematical negative... nobody thought anything of it until some 17th century grammarians Decided it was only logical to be mathematical…
			Nathan McKnight
January 11, 2020 6:18 PM			
	Oh that's a good one.		
	Jo Ross		
January 11, 2020 7:01 PM			
			Jo Ross I think Chaucer once used a triple negative.
January 11, 2020 7:02 PM			
			So... how do you happen by such a variety of interests?
			Nathan McKnight
January 12, 2020 12:52 AM			
	This message was unsent		
January 12, 2020 12:57 AM			
	Part of my contribution to our banter has been the result of my obsession with all things literary, philosophical, and linguistic since college. The other part (I must come clean), I googled so I could be witty.		
	I sent you half of my message before it was finished.		
	Jo Ross		
January 12, 2020 1:13 AM			
			Hahah. I have to admit I googled one pirate joke because you knew all my best ones!
January 12, 2020 1:16 AM			
			I came to philosophy after years of resisting, so I'm not as well versed as I might be, and I approach literature mostly as a contrary writer type, but language and linguistics have been one of my most enduring interests
January 12, 2020 1:19 AM			

			And, of course, literature is the path to everything, so of course if you're as hyper literate as you come across, you're going to have at *least* passing familiarity with all of these subjects. It all comes together. Not to say I've got you all figured out, still mostly super intrigued.) Is there an area of linguistics that gets you going most? How about a niche field you feel like you're the only one who cares about?
January 12, 2020 6:06 PM			
			Jo Ross
			So, what should I do to try to impress you next? ;)
			Nathan McKnight
January 12, 2020 7:45 PM			
	I'm not sure if there's any sort of literary field that I am too deep into at the moment. I collect books, and I used to read pretty obsessively. I kind of got away from it though, which is unfortunate. I make things these days more than read things. I paint and draw, and before we moved I was into woodworking and refurbishing old furniture for a while. However, the garage space that I imagined any sort of workshop would be in is still currently filled with boxes full of stuff I almost certainly don't actually need.		
January 12, 2020 7:46 PM			
	As far as impressing me goes, you've already accomplished that. But by all means, don't let it keep you from continuing.		
	Jo Ross		
January 12, 2020 8:55 PM			
			So, you've moved on from consumer to creator. That's a pretty respectable trajectory. Personally, I wish someone had told me how little free time I would have as an adult! Not sure if I would have read less science fiction or more, but definitely would have read more nonfiction. Where did you move from/to?
January 12, 2020 8:59 PM			
			Seeing as we're both so easily impressed, I won't make it a point to wow/woo you with my erudition; I'm sure nerding out will probably just happen naturally along the way. But I did want to ask you about your passion for linguistics... that's a topic I never tire of. And also, what kind of painting do you do?
			Nathan McKnight
January 12, 2020 9:10 PM			
	Nathan McKnight		

	Currently, (this will either be endearing or really weird) I have been painting folk art pieces on salvaged slate roof tiles with my 90 year old neighbor. I also enjoy impromptu painting of various parts of my house. I moved from Pickerington to Lancaster, and while I'm not thrilled with the demographic and political climate of the area, the architecture is amazing. The house I bought is roughly 150 years old and I'm torn between restoring it and also making it as odd as possible. I think the result is a mixture of both.		
	Jo Ross		
January 12, 2020 11:53 PM			
			Is the cultural landscape of Lancaster much different from Pickerington? Apart from a stint in NYC, I'm a lifelong Columbusite, so everything between the outerbelt and the state borders is kind of a blur for me. Ask me about the geography of China, I'll give you a lecture, but I couldn't tell you whether Marysville is closer to Dayton or Gallipolis to save my knee. (Ha, that was supposed to say life, but I'm going to count it as a rare autocorrect win.)
January 12, 2020 11:54 PM			
			And I think endearing is the right description. Remind me to tell you about the 60-something guy I helped move...for a *year*.
			Nathan McKnight
January 12, 2020 11:55 PM			
	Oh I like both of those responses immensely.		
January 12, 2020 11:56 PM			
	And yes, Lancaster is a little too... Trumpy for my taste.		
	Jo Ross		
January 13, 2020 12:03 AM			
			I just spoke with Leah, to discuss her SoTC talk, she probably told you she's coming out for the first one. It'll be a nice baton-passing moment I think. I'm TAing Oceans for Spring 1, and it's reminding me I gotta get back for a visit myself.
			Thanks! I think it'll be a big hit here. How'd AoT go? Are you still running it? I gathered the local Astro on Tap was inactive, or even defunct, but I really don't know. I recently heard there's an Ecology on Tap here, but haven't heard much about it. Do you know the Columbus AoT folks? I wouldn't mind some cross promotion if they're up for it.
January 13, 2020 12:04 AM			
			Jo Ross
			Sorry! That was meant for my friend Brian!
January 13, 2020 12:05 AM			

			Haha. Yeah, Columbus is Trump enough. I can only imagine what it's like in Lancaster. Judging by my cousin, who lives there, I'd guess it's not pretty
January 13, 2020 12:06 AM			
			*Trumpy
			Nathan McKnight
January 13, 2020 12:12 AM			
	And yes, we've resigned ourselves to the realization that any social gatherings we attend will likely be out of town.		
	Ha! I was so confused. I was like, "Oh man. He thinks I'm a different Amanda."		
	Jo Ross		
January 13, 2020 12:13 AM			
			Oh, here I thought I was talking to Amanda Palmer this whole time!
January 13, 2020 12:17 AM			
			No, I'm pretty sure know who I'm talking to. At least I hope you're who I think you are! :) i don't know if we were formally introduced, but you've been hanging out with Cherie, right? At Trauma?
January 13, 2020 12:19 AM			
			And while we're pinning down basic facts, I guess I should ask... it's not a problem that I'm leaning into the flirting here, is it?
			Nathan McKnight
January 13, 2020 12:30 AM			
	Yes, we've been introduced. I believe when we met your beard was decked out in some very impressive glitter and you looked absolutely amazing. And no, I don't believe it is an issue, although from what I understand we are both fairly new, so I'm not 100% sure of the etiquette yet. It is a non issue for me personally, though.		
	Jo Ross		
January 13, 2020 12:33 AM			
			Yeah, I gather the Cuddlefish pretty much fend for themselves. I'm just trying to judge whether your use of the plural pronoun has been meant as a subtle hint :)
January 13, 2020 12:35 AM			
			And thank you! I'm still finding sparkly bits. You looked pretty fabulous yourself. Very... noticeable.... Your profile pic is from that night isn't it
			Nathan McKnight
January 14, 2020 9:23 PM			
	Almost everything I say is a subtle hint in one way or another... and yes, it is. I have since considered changing it a few times, but I haven't found a picture that I like as well so far. Isn't yours from that night as well?		
	Jo Ross		

January 14, 2020 9:26 PM			
			How very intriguing. “Around subjects” is my favorite dance move. Also... Yes, my profile pic was for some time because... well, obviously. But I recently changed it.
			Nathan McKnight
January 14, 2020 9:42 PM			
	Hm. I will have to start making people take my picture so I can find a worthy successor.		
	Jo Ross		
January 14, 2020 10:05 PM			
			You can’t force inspiration
			Nathan McKnight
January 16, 2020 10:21 PM			
	This is true.		
January 16, 2020 10:22 PM			
	Are you going to the screening tomorrow?		
	Jo Ross		
January 16, 2020 10:26 PM			
			I want to! Since I have to put the prospectus together tonight, I’ll definitely check the timing to see if I can make it. How about yourself?
			Nathan McKnight
January 16, 2020 10:29 PM			
	I was considering going since so many people have committed to it and pace sent me an invite. It really all boils down to where the kids will be tomorrow evening.		
January 16, 2020 10:29 PM			
	I should know sometime tomorrow if I’ll attend.		
	Jo Ross		
January 16, 2020 10:30 PM			
			Ahhh. I keep thinking the best way to get our target demographic in the door is to offer child care. :)
January 16, 2020 10:30 PM			
			But I hope to see you there.
			Nathan McKnight
January 16, 2020 10:32 PM			
	Usually it isn’t a problem since they are a bit older, but the older ones are hanging out with their dad, which would leave the youngest home alone if we went out. I’m hoping the others decide to come back to the house.		
January 16, 2020 10:32 PM			
	I hope to see you there as well. It has been quite nice chatting with you over the past week.		
	Jo Ross		
January 16, 2020 10:35 PM			
			I agree. It would be fun to chat in person.
January 16, 2020 10:36 PM			

			If you do make it, I'll buy you a beer (or make you a drink if I can can get behind the bar without feeling like I'm offending the bartender)
			Nathan McKnight
January 16, 2020 10:37 PM			
	that would be wonderful. But only if you let me do the same sometime.		
	Jo Ross		
January 16, 2020 10:44 PM			
			I accept.
January 16, 2020 10:44 PM			
			Nathan McKnight
January 16, 2020 10:45 PM			
	Perfect. I hope to see you tomorrow.		
	Jo Ross		
January 16, 2020 10:48 PM			
			And if we don't manage to get a little time to converse tomorrow, maybe I can convince you together and do something else sometime soon? I know Lancaster is a bit of a drive, but if there's a day you don't have the kids...
			Nathan McKnight
January 16, 2020 10:51 PM			
	I would love that. I believe next weekend is the meeting. Will you be attending? We will be at that for sure. I am curious whether plans will be made to venture out somewhere afterwards. If not, we could always make them depending on how long the meeting lasts.		
	Jo Ross		
January 16, 2020 11:39 PM			
			Next weekend, one of my best friends is visiting from New York, my former sex on tap cohost, but I took the weekend off, so we'll be out and about and you are totally welcome to join, whether or not we make it to the meeting. She's got to meet the Cuddlefish. To deny that would be cruel to all parties. But not sure the meeting is the right context. What day is the meeting?
			Nathan McKnight
January 17, 2020 8:17 PM			
	Speaking of, did you plan to go to the Enchanted Creature Ball? I think tickets are very limited and was thinking about buying them soon to avoid missing out.		
	I believe it is Saturday evening. I will double check. I'm sad to say that Jason just arrived home, so we have definitely missed the screening. Did you attend? I heard that tickets were limited, and a lot of people didn't get to go.		
	Jo Ross		
January 17, 2020 9:43 PM			
			Ooo.... That sounds intriguing. I don't know anything about it.
January 17, 2020 9:43 PM			
			Jo Ross

			But yes, after managing the crowd, I got to come back in for the panel. It was pretty great. I think the gang is going to plan another outing to see the documentary soon
			Nathan McKnight
January 17, 2020 10:00 PM			
	I wish I could've been there. I'm so happy for Pace. I'm sure he did a fantastic job.		
January 17, 2020 10:01 PM			
	You should look into it. The event is posted on the Cuddlefish page. It's a costume party!		
	Jo Ross		
January 17, 2020 10:21 PM			
			He did! There were a lot of speakers, but he definitely stood out.
			Nathan McKnight
January 18, 2020 11:29 PM			
January 18, 2020 11:31 PM			
	Welp... remember how you'd asked me if there were any aspects of linguistics that I felt as though I was the only one who cared about? It has happened.

	I commented " Iambic all this trimeter".... and no one got it.

	Lol, I suppose there is a slight possibility it wasn't funny.

January 19, 2020 11:39 AM

			I had to have Liz explain the poetics to me, but the bad lip reading is right up my alley. :)
January 19, 2020 11:40 AM			
			Ever read any Anthony Burgess nonfiction?
			Nathan McKnight
January 19, 2020 8:57 PM			
	Have you seen the inauguration one?		
January 19, 2020 8:59 PM			
	Nonfiction, no.		
	Jo Ross		
January 19, 2020 9:16 PM			
			I don't think so, but now I know what I'm doing for the next 5 minutes or so

January 19, 2020 9:18 PM

Jo Ross

If you're interested, I highly recommend Burgess's book, A Mouthful of Air: On language and languages, especially English. He was a polyglot and linguist with a lot of interesting things to say, although I found his philosophy on dubbing movies into English somewhat questionable.

January 19, 2020 9:22 PM

He thought it was jarring to see mouths moving contrary to the sounds, so he tried to find... shall we say... "poetic" ...ways to paraphrase. I remember finding the examples he gave fairly puzzling.

January 19, 2020 9:31 PM

The inauguration was great. But I think Eye of the Sparrow will always be closest to my heart

Jo Ross

January 19, 2020 9:43 PM

Anytime ;)

January 21, 2020 9:37 AM

So... if we actually manage to hang out sometime soon, should we come straight out of the gates with pirate jokes? Or choose another theme?

Nathan McKnight

January 21, 2020 6:20 PM

I'm just going to let nature take its course. See what unfolds. It will likely depend on our level of sobriety the next time our paths cross.

Jo Ross

January 22, 2020 9:53 AM

Haha, well we don't *have* to script it out... I'm really just fishing for more about your interests.

Nathan McKnight

January 22, 2020 6:06 PM

Ah, sneaky sneaky. I think it might be your turn though

Jo Ross

January 22, 2020 7:43 PM

Ohh... ok. Well, what do you want to know about my interests?

January 23, 2020 12:59 PM

			I'll narrow it down to the general areas for you… Apart from being interested in pretty much everything… I have a special fondness for all sorts of science, especially geology, paleontology, planetotology... Linguistics in languages, especially minority languages and the relationships between language families… writing, mostly fiction… since I started working at the museum of natural history New York, I realized how much I like cultural anthropology... there's also epistemology and history of science… History in general…Teaching, especially museum education… Of course ethnobotany and ethnopharmacology… The nature of consciousness… The potentials for life on other planets… stage performance, especially educational and comedy…Politics sometimes, mostly far left politics… all sorts of music, the more obscure the better. I'm starting to get more interested in cinema and filmmaking. Cooking, especially medieval and historical cooking. As for literature... I read or listen to lots of academic stuff on all of the foregoing. Haven't been reading as much fiction lately, but science fiction, experimental, weird stuff
January 23, 2020 3:21 PM			
			Jo Ross
			This reminds me of shrinky dinks
			Nathan McKnight
January 24, 2020 7:00 PM			
	So, based on your very comprehensive list of things, I have deduced that when we do cross paths again, we will never run out of things to talk about.		
	Jo Ross		
January 24, 2020 8:03 PM			
			Are you going to be at the meeting tomorrow?
			Nathan McKnight
January 24, 2020 8:10 PM			
	Yes, will you?		
	Jo Ross		
January 24, 2020 8:10 PM			
			I will
			Nathan McKnight
January 24, 2020 8:10 PM			
	I recall you saying a friend would be in from out of town, but Jason and I were considering staying out of there was an after event		
January 24, 2020 8:11 PM			
	*if		
	Jo Ross		
January 24, 2020 8:12 PM			
			Jo Ross

			We've been debating whether it makes sense to invite our friend, because she'd have really good input and the cuddlerfishes would love her. But I think we're leaning towards me being the Liz & Nathan delegate, with the option for heading out afterwards with Leah (our friend), and bringing whomever wants to join
January 24, 2020 8:13 PM			
			I don't think I've met Jason, by the way. Maybe saw him at New Year's?
January 24, 2020 8:19 PM			
			Does that sound fun?
			Nathan McKnight
January 24, 2020 9:07 PM			
	It does! I do think you may have met Jason at the NYE sparkle party. If I were to join you, he would most likely be happy to tag along. Do you know where you are considering going? If you tell the group, we may end up with quite a congregation.		
	Jo Ross		
January 24, 2020 10:09 PM			
			Jo Ross
			Nope, no idea really. Really depends on what Leah is in the mood for. We often opt for the Bottle Shop when it's just us, but I'm always trying to find ways to impress my New York friends when they're in town lol
			Nathan McKnight
January 24, 2020 10:15 PM			
	Yes well, whatever we do, I am sure we would have a wonderful time. Let me know if you come up with any specific ideas. Otherwise, improv it is.		
	Jo Ross		
January 24, 2020 10:34 PM			
			Will do. And if you have any suggestions, let me know. I was thinking Somewhere In Particular, or the Denmark. But that's because I like fancy drinks.
			Nathan McKnight
January 25, 2020 9:54 PM			
	I'm not sure if you're still doing anything, but I believe we are going to have a drink at strong water with Cherie, Adam, and a few others.		
January 25, 2020 9:55 PM			
	Then I think we are going to Dan and Kelly's		
	Jo Ross		
January 25, 2020 10:07 PM			
			Hey! Our friends flight got delayed, then moved back again… So we just picked her up, and we were planning to head to Kelly and Dan's, And either hang there for a drink before going out somewhere else… Or just hang there.
January 25, 2020 10:08 PM			

			But let me know what your plans are. I think we are all definitely game to go out
			Nathan McKnight
January 25, 2020 10:11 PM			
	We're currently at strong water, but I think we're just having a drink and going to kelly and dan's		
	Jo Ross		
January 25, 2020 10:32 PM			
			Sounds good!
January 26, 2020 3:13 AM			
			So, how'd you think the meeting went?
			Nathan McKnight
January 26, 2020 11:49 AM			
	I think it went well. I thought it might get a little grumpy because of some of the disagreements that surfaced right before we all met up, but it didn't. I think the next one will produce a much more complete concept, but I think everyone is on the same page now and that the air was cleared on some important stuff that was bothering people. What are your thoughts?		
	Jo Ross		
January 27, 2020 5:37 AM			
			I think so too. I wasn't as worried, because the group size and the preceding conversations laid good groundwork of expectations. I would love to have spent more time talking about what the Cuddlefish are. Sounded like you've spent more time around the group than I have.
January 27, 2020 5:38 AM			
			I thought the bracelet discussion on FB was interesting
			Nathan McKnight
January 27, 2020 9:01 AM			
	I'm not sure why that would be too much work. I suppose it might just be the novelty of having signal bracelets.		
	Same. Not sure I love the idea. When I've been out in the past, introductions included questions such as, "may I kiss/hug/touch you?"		
	Jo Ross		
January 29, 2020 11:06 PM			
			Oh my god, what a great weekend. But I'm glad it's over!
January 29, 2020 11:06 PM			
			So exhausted
			Nathan McKnight
January 30, 2020 1:35 AM			
	Ha! Clearly, considering the implication that it just ended and it is Wednesday. I wish I could have seen you and Kelly host last night! One of the kids came down with the flu, and now, consequently, so have I.		
	Jo Ross		
January 31, 2020 10:18 PM			

		Oh no, that sucks. I've also had this cough for what seems like weeks.
January 31, 2020 10:20 PM		
		Yeah, I'm kinda playing catch up now. Took on too many projects. On the plus side, one of my grad students in an ocean systems class gave me something to think about today in their response to our first discussion question: "The geosphere is Earth's terra firma."
January 31, 2020 10:24 PM		
		Jo Ross
		That's basically just a pile of synonyms. Or is it a heap of synonyms?
		Nathan McKnight
January 31, 2020 10:27 PM		
	And do you have many projects left?	
	Jo Ross	
January 31, 2020 10:30 PM		
		Hahahaha. Well... this class lasts seven weeks. We won't do another SoT until March. Then there's the novel.
		Nathan McKnight
January 31, 2020 10:30 PM		
	Ah yes, the novel.	
	Jo Ross	
January 31, 2020 10:32 PM		
		Jo Ross
		"Ah yes, the novel." ...I definitely just read that in my own internal voice.
		Nathan McKnight
February 1, 2020 10:00 PM		
	For some reason that makes me proud of my response	
	Jo Ross	
February 1, 2020 10:48 PM		
		Jo Ross
		Oh yes, talk Nathan to me ;)
		Nathan McKnight
February 1, 2020 11:27 PM		
	Don't make me blush!	
	Jo Ross	
February 2, 2020 12:11 AM		
		If you blush that easily, there's no challenge!
		Nathan McKnight
February 2, 2020 12:16 AM		
	I blush easily, but there's definitely a challenge.	
	Hm. I'm trying to decide whether to refrain from being overtly inappropriate or not.	
February 2, 2020 12:18 AM		
	I'll leave it at that.	
	Jo Ross	
February 2, 2020 12:38 PM		
		Haha. Hmmm. If I can sway that decision....

February 2, 2020 12:40 PM

Let's just put it this way

February 2, 2020 12:40 PM

Nathan McKnight

February 2, 2020 1:36 PM

Nathan McKnight

Ha! Well executed. I'll keep that in mind.

Jo Ross

February 2, 2020 2:14 PM

So... what all goes into this decision?

Nathan McKnight

February 2, 2020 6:32 PM

Last night, it was alcohol.

Jo Ross

February 2, 2020 6:34 PM

Ok. Intriguing... so, what you're saying is, you're holding back. The alcohol dropped your defenses and you started to say what you're really thinking...

Nathan McKnight

February 2, 2020 6:34 PM

The general thing I was bashfully attempting to say, is that I blush quite easily, but my more carnal activities are usually not for the faint of heart. Which is an odd mix.

Jo Ross

February 2, 2020 6:39 PM

Sadly, you can't hear the sound I'm making...

February 2, 2020 6:42 PM

It doesn't really translate into words.... but let's just say I'm curious as to how much your interests converge with my own.

February 2, 2020 6:44 PM

Because "not for the faint of heart" can mean a lot of things. Most of which I'm probably game for.

February 2, 2020 6:51 PM

This could be a fun guessing game...

Nathan McKnight

February 2, 2020 6:53 PM

I would say you probably guessed that correctly

February 2, 2020 6:54 PM

You are also correct in that I am rather disappointed I didn't hear the sound you made...

Jo Ross

February 2, 2020 6:58 PM

So, I propose a game.

Nathan McKnight

February 2, 2020 6:58 PM

	I suppose i should probably ask you, since you were considerate enough to ask me, is it acceptable that I am flirting with you?		
	Jo Ross		
February 2, 2020 6:59 PM			
			:) thank you for asking. And yes, it's quite above board... although it's nice to keep the specifics private
February 2, 2020 7:01 PM			
			I'm pleasantly surprised how nice it is to see the words "I am flirting with you". Coyness is fun. But so is brazenness
			Nathan McKnight
February 2, 2020 7:01 PM			
	I tend to switch between the two from time to time.		
	Jo Ross		
February 2, 2020 7:02 PM			
			Switch. Check
			Nathan McKnight
February 2, 2020 7:02 PM			
	Ha!		
February 2, 2020 7:02 PM			
	...but true...		
	Jo Ross		
February 2, 2020 7:02 PM			
			You're making the guessing too easy!
February 2, 2020 7:02 PM			
			Lol
February 2, 2020 7:03 PM			
			So, is that the general area you're alluding to? Or is there more?
February 2, 2020 7:04 PM			
			I was just breaking down all the possibilities in my mind...
February 2, 2020 7:04 PM			
			That was option B
			Nathan McKnight
February 2, 2020 7:05 PM			
	Expand		
	Jo Ross		
February 2, 2020 7:05 PM			
			Jo Ross
			Oh, believe me
February 2, 2020 7:05 PM			
			Sad I can't laugh react your laugh react
			Nathan McKnight
February 2, 2020 7:06 PM			

	I mean, that general area applies, but it's really not what I was alluding to specifically.		
	Jo Ross		
February 2, 2020 7:07 PM			
			Shall I give you my concept map and we can zero in from there?
			Nathan McKnight
February 2, 2020 7:08 PM			
	As much as the gradual unfolding is extremely fun, I also have a hedonistic desire to say yes. I suppose you'll have to figure out which impulse of mine you should cater to.		
February 2, 2020 7:09 PM			
	The length of the game is up to you. It is, after all, your game		
	Jo Ross		
February 2, 2020 7:09 PM			
			Zeroing in complete
February 2, 2020 7:09 PM			
			:D
			Nathan McKnight
February 2, 2020 7:10 PM			
	Speaking of, you did not outline the rules of this game...		
February 2, 2020 7:10 PM			
	Or the concept, although I may already have an idea of that.		
	Jo Ross		
February 2, 2020 7:10 PM			
			Ok... I was going to give you the general areas that came to mind, and let you tell me which were closest
			Nathan McKnight
February 2, 2020 7:11 PM			
	What are you going to do if every one is a positive response?		
	Jo Ross		
February 2, 2020 7:11 PM			
			I feel like I've already got a pretty good read. But perhaps there's more.
February 2, 2020 7:11 PM			
			Ahh
February 2, 2020 7:11 PM			
			Um...
February 2, 2020 7:12 PM			
			I'm not a religious person, but if everything is in the affirmative, I might be inspired to say a little prayer is gratitude
February 2, 2020 7:12 PM			
			*of gratitude

			Nathan McKnight
February 2, 2020 7:13 PM			
	I toiled my way through deciphering that.		
February 2, 2020 7:13 PM			
	Okay, shoot.		
	Jo Ross		
February 2, 2020 7:13 PM			
			Hahah hahah. Something tells me toil isn't the worst thing
			Nathan McKnight
February 2, 2020 7:13 PM			
	Are we doing a scale of one to ten?		
	Jo Ross		
February 2, 2020 7:13 PM			
			I accept your provision
			Nathan McKnight
February 2, 2020 7:14 PM			
	Are you also answering with a scaled response?		
	Jo Ross		
February 2, 2020 7:14 PM			
			Jo Ross
			So, without further ado (and no adieu whatsoever)
February 2, 2020 7:14 PM			
			I could
			Nathan McKnight
February 2, 2020 7:15 PM			
	I will let you decide whether or not you would like to.		
February 2, 2020 7:15 PM			
	I accept this game		
	Jo Ross		
February 2, 2020 7:15 PM			
			I appreciate your consideration
February 2, 2020 7:17 PM			
			Yes Dmitri, you are agreed and I am agreed. We are both agreed. Nobody is more agreed than the other. (Too obtuse a reference?)
February 2, 2020 7:17 PM			
			~~Ado~~
February 2, 2020 7:18 PM			
			Ok, so the first area, which I shall christen Option A
			Nathan McKnight
February 2, 2020 7:19 PM			
	Drat. I do not know that one.		
February 2, 2020 7:19 PM			

	Alright, option A		
	Jo Ross		
February 2, 2020 7:19 PM			
			No matter. The game is afoot ...those things that are, shall we say, especially suited to the poly lifestyle, which I presume more or less applies to us both
			Nathan McKnight
February 2, 2020 7:19 PM			
	Yes, you would be correct		
	Jo Ross		
February 2, 2020 7:20 PM			
			That sound again
			Nathan McKnight
February 2, 2020 7:21 PM			
	As a side note- regardless of how the game ends, I do so hope that I have the opportunity to cause you to make that sound in person so that I can hear it properly.		
	Jo Ross		
February 2, 2020 7:22 PM			
			Press is made by navigating hopes and fears...
February 2, 2020 7:23 PM			
			I learned that from my tenure at cosi :)
February 2, 2020 7:23 PM			
			*progress
			Nathan McKnight
February 2, 2020 7:23 PM			
	Touché		
	Jo Ross		
February 2, 2020 7:23 PM			
			Jo Ross
			Touchy
February 2, 2020 7:23 PM			
			Jo Ross
			So, that's a 100 on the scale. Noted
February 2, 2020 7:24 PM			
			Wait, wait... point of order
			Nathan McKnight
February 2, 2020 7:24 PM			
	You've widened my margins considerably here		
	Jo Ross		
February 2, 2020 7:24 PM			
			Ha. What margins had you assumed?
February 2, 2020 7:24 PM			
			Binary?
			Nathan McKnight
February 2, 2020 7:25 PM			

	The one through ten allows for a general idea. When it is applied between one and one hundred, you're giving me the leeway to be quite meticulous in my answers.		
	Jo Ross		
February 2, 2020 7:26 PM			
			That's not a bad thing
			Nathan McKnight
February 2, 2020 7:26 PM			
	I give it an eighty seven. And a half.		
February 2, 2020 7:26 PM			
	Kidding.		
February 2, 2020 7:26 PM			
	That's not an answer.		
	Jo Ross		
February 2, 2020 7:26 PM			
			Let's say 1 - 10,000
			Nathan McKnight
February 2, 2020 7:26 PM			
	I need an egg timer.		
February 2, 2020 7:26 PM			
	I'm going to agonize forever.		
February 2, 2020 7:27 PM			
	Nathan McKnight		
	You've just unwittingly lengthened the game by hours		
	Jo Ross		
February 2, 2020 7:27 PM			
			Now you know something about me
February 2, 2020 7:27 PM			
			Jo Ross
			Nathan McKnight
February 2, 2020 7:27 PM			
	Hm. Sneaky sneaky.		
	Jo Ross		
February 2, 2020 7:28 PM			
			So, I think this game needs higher stakes
			Nathan McKnight
February 2, 2020 7:28 PM			
	Oh?		
	Jo Ross		
February 2, 2020 7:28 PM			
			I mean, where's the fun in just saying, "I like this, you like that"?
February 2, 2020 7:29 PM			
			See how I extended the game again
February 2, 2020 7:29 PM			
			There's no 'terse' in writers

			Nathan McKnight
February 2, 2020 7:30 PM			
	I have a very suggestive response to that rhetorical question, but I would prefer you propose whatever it is you're thinking		
	Jo Ross		
February 2, 2020 7:30 PM			
			Oh no, I wouldn't want to run roughshod over your suggestions
February 2, 2020 7:30 PM			
			Unless that's what you're into
February 2, 2020 7:31 PM			
			And, to be honest, I hadn't gotten far beyond the initial premise of higher stakes
			Nathan McKnight
February 2, 2020 7:32 PM			
	That was more to add a little dash to the challenge that I almost ruined by getting too enthusiastic. What would be the challenge in freely sharing all of my suggestive responses versus alluding to them and not expecting you to come up with a grand prize for this very inventive game that you have concocted?		
February 2, 2020 7:33 PM			
	I may not have mentioned this, and you will learn without me telling you outright, but I am, in fact, a brat.		
	Jo Ross		
February 2, 2020 7:33 PM			
			Oh, I see. I mean, my first thoughts weren't especially creative. Something along the lines of ideas drawn from a hat
February 2, 2020 7:34 PM			
			I've picked up on that, and I give it a 9,005 out of 10k
			Nathan McKnight
February 2, 2020 7:35 PM			
	Nathan McKnight		
	Ah, and the game is back on track!		
	Jo Ross		
February 2, 2020 7:35 PM			
			Maybe more of a 7,998... to allow room for other things
February 2, 2020 7:35 PM			
			Ok, proceeding to option B?
			Nathan McKnight
February 2, 2020 7:35 PM			
	What other things?		
February 2, 2020 7:36 PM			
	As a general rule- there is always room for more.		

	Jo Ross		
February 2, 2020 7:36 PM			
			Hahahah. I see what you did there
			Nathan McKnight
February 2, 2020 7:37 PM			
	Good		
	Jo Ross		
February 2, 2020 7:38 PM			
			Anyway, bratty is fantastic. But might be edged out slightly by... hmmm. I'll have to come up with a suggestive innuendo.
February 2, 2020 7:38 PM			
			Moving on?
			Nathan McKnight
February 2, 2020 7:39 PM			
	Tease		
	Jo Ross		
February 2, 2020 7:39 PM			
			Gotta keep up the mystery
			Nathan McKnight
February 2, 2020 7:39 PM			
	Perhaps I'll figure it out eventually. Moving on!		
	Jo Ross		
February 2, 2020 7:40 PM			
			Ok, option B we've already touched upon.
			Nathan McKnight
February 2, 2020 7:40 PM			
	Ooo		
February 2, 2020 7:40 PM			
	Sorry. I harbor the humor of a 14 year old.		
	Jo Ross		
February 2, 2020 7:40 PM			
			Hmmm
			Nathan McKnight
February 2, 2020 7:40 PM			
	Jo Ross		
February 2, 2020 7:40 PM			
			Lol.
February 2, 2020 7:41 PM			
			My mind is always in the gutter
			Nathan McKnight
February 2, 2020 7:41 PM			
	If there is a way to turn a sentence into a sex joke, I'm doing it in my head if I'm not doing it out loud.		
	Jo Ross		
February 2, 2020 7:41 PM			
			Or in text
			Nathan McKnight
February 2, 2020 7:41 PM			

	I'll try to keep it to a minimum for the sake of the game.		
	Jo Ross		
February 2, 2020 7:42 PM			
			Ok.. option B includes areas we've explored, but falls along a spectrum from. Let's call it mind games... and physical games.
February 2, 2020 7:43 PM			
			I think option C is kind of the far end of that spectrum. Physical games. Plus gear
			Nathan McKnight
February 2, 2020 7:44 PM			
	I'm listening.		
	Jo Ross		
February 2, 2020 7:44 PM			
			And things that rhyme with gear
			Nathan McKnight
February 2, 2020 7:44 PM			
	Ha!		
	Jo Ross		
February 2, 2020 7:44 PM			
			And things that rhyme with splain
			Nathan McKnight
February 2, 2020 7:45 PM			
	Just for the record, I see what you are doing here... and I fully intend to create an expectation in which you wrote out every question in detail. You know... for clarity's sake. And for my personal enjoyment.		
	Jo Ross		
February 2, 2020 7:45 PM			
			There's a little inside joke in that that I'll have to explain sometime lol
February 2, 2020 7:45 PM			
			Hmmmm
February 2, 2020 7:45 PM			
			Derail or detail?
			Nathan McKnight
February 2, 2020 7:45 PM			
	See option B		
	Jo Ross		
February 2, 2020 7:46 PM			
			Jo Ross
			Lol. Rhymes with rail and tail
			Nathan McKnight
February 2, 2020 7:46 PM			
	Subsection: mind games.		
	Jo Ross		
February 2, 2020 7:46 PM			
			9768
			Nathan McKnight
February 2, 2020 7:47 PM			

	The scaled answers are getting fuzzy here. Are you rating things that rhyme with rail and tail, or mind games?		
	Jo Ross		
February 2, 2020 7:48 PM			
			Maybe you'll find out one of these day's. If you behave
February 2, 2020 7:48 PM			
			*days
			Nathan McKnight
February 2, 2020 7:48 PM			
	By the way, I give all of this so far a solid 8,987.		
	I most definitely will not.		
	Jo Ross		
February 2, 2020 7:48 PM			
			Solid
			Nathan McKnight
February 2, 2020 7:48 PM			
	Hopefully very solid.		
	Jo Ross		
February 2, 2020 7:49 PM			
			I like that you bite the bait
			Nathan McKnight
February 2, 2020 7:49 PM			
	We don't know that until the end of the game.		
February 2, 2020 7:49 PM			
	Well, maybe not the end.		
	Jo Ross		
February 2, 2020 7:49 PM			
			Hahah. Oh, I have a pretty good idea
February 2, 2020 7:49 PM			
			Only the beginning
			Nathan McKnight
February 2, 2020 7:49 PM			
	Midway, probably.		
February 2, 2020 7:50 PM			
January 4, 2022 12:00 AM			
February 2, 2020 7:50 PM			
	Lol the first quadrant.		
February 2, 2020 7:51 PM			
	I just audibly laughed at my own ridiculousness.		
	Jo Ross		
February 2, 2020 7:51 PM			
			Jo Ross
			Lol. If it's endgame, in an existential sense, we're talking about, that might be a tad beyond my bondaries
February 2, 2020 7:51 PM			

			My, what nice quadrants you have
			Nathan McKnight
February 2, 2020 7:51 PM			
	Same		
February 2, 2020 7:52 PM			
	Nathan McKnight		
	I'm blushing again!		
	Jo Ross		
February 2, 2020 7:52 PM			
			Hahah. I've known people who like to toe that line a little close for comfort.
February 2, 2020 7:52 PM			
			This is turning out to be the inception of guessing games
February 2, 2020 7:53 PM			
			*unfotunate word choice
February 2, 2020 7:53 PM			
			Ok, option D?
			Nathan McKnight
February 2, 2020 7:54 PM			
	Ok, so, if you'd like my input, (yes I know there's a reference there) I do enjoy... um... discomfort? But nothing that would... tow the line too close to the endgame.		
February 2, 2020 7:54 PM			
	Probably.		
	Jo Ross		
February 2, 2020 7:54 PM			
			Gotcha.
			Nathan McKnight
February 2, 2020 7:54 PM			
	Option D		
February 2, 2020 7:54 PM			
	Although, we didn't actually throw in scales for option C		
	Jo Ross		
February 2, 2020 7:55 PM			
			I think option D actually kind of goes along with what we've been discussing.
			Nathan McKnight
February 2, 2020 7:55 PM			
	I am unclear on subcategories.		
	Jo Ross		
February 2, 2020 7:55 PM			
			Oh, right! Gimme your ratings!
			Nathan McKnight
February 2, 2020 7:55 PM			
	I believe it was the result of you sidestepping my indication of specifics.		

February 2, 2020 7:56 PM

Jo Ross

February 2, 2020 7:57 PM

Option D is the kind of thing that requires reaction videos. And I'll just say, most of that area would be pretty close to my boundaries. But who knows?

:) was i sidestepping?

So, in a brash effort to pull back the curtain of all of our vague innuendos, may I ask, what role do you see yourself in in regards to these sorts of exchanges?

February 2, 2020 8:00 PM

Traditionally.

February 2, 2020 8:00 PM

Historically.

			Nathan McKnight
February 2, 2020 8:03 PM			
	But I am guessing that fades away in certain settings. That could be inaccurate, in which case, my apologies.		
	I have made a deduction, Mr. McKnight. You are just as, and possibly more, bashful than I am.		
	Jo Ross		
February 2, 2020 8:03 PM

February 2, 2020 8:06 PM

February 2, 2020 8:12 PM			
	Perfect. Thank you.		
	Jo Ross		
February 2, 2020 8:13 PM			
			Because you asked nicely
			Nathan McKnight
February 2, 2020 8:13 PM			

	Just out of curiosity, what would happen if you did not win?		
	Jo Ross		
February 2, 2020 8:13 PM			
			You little mind gamer
			Nathan McKnight
February 2, 2020 8:13 PM			
	I always ask nicely.		
February 2, 2020 8:13 PM			
	For everything.		
	Jo Ross		
February 2, 2020 8:13 PM			
			Oh. Well... I suppose that would be a nice surprise
February 2, 2020 8:13 PM			
			But you'd have to prove yourself
			Nathan McKnight
February 2, 2020 8:14 PM			
	So, I would have to do the same exact thing that you would have to do? Fair.		
February 2, 2020 8:15 PM			
	And for the record, I am quite scrappy.		
	Jo Ross		
February 2, 2020 8:15 PM			
			I'm an enlightened man. I only rig the game to make it more fun ;)
			Nathan McKnight
February 2, 2020 8:15 PM			
	That face again.		
	Jo Ross		
February 2, 2020 8:16 PM			
			Yeah? You think I'd be left with scratches? I don't bruise easily
February 2, 2020 8:16 PM			
			Speaking of rigging...
			Nathan McKnight
February 2, 2020 8:16 PM			
	Please. I don't scratch.		
February 2, 2020 8:17 PM			
	I am, however, well versed in rigging.		
February 2, 2020 8:18 PM			
	I don't scratch or hit.		
	Jo Ross		
February 2, 2020 8:18 PM			
			Very nice. You'll have to teach me a few things. I'm more versed with climbing knots, but those have wider applications
			Nathan McKnight
February 2, 2020 8:18 PM			

	I'll tech you if you teach me.		
	Jo Ross		
February 2, 2020 8:18 PM			
			Ok. But you don't obey either?
			Nathan McKnight
February 2, 2020 8:19 PM			
	Although, I am not entirely sure you'd be able to utilize some of the things I do more frequently.		
	Jo Ross		
February 2, 2020 8:19 PM			
			I'll teach you, and then I'll see if you pass the exam
February 2, 2020 8:19 PM			
			Hmmm... that's interesting.
February 2, 2020 8:19 PM			
			Try me
February 2, 2020 8:19 PM			
			I'm pretty flexible
			Nathan McKnight
February 2, 2020 8:20 PM			
	I don't listen very well. I tend to be more of a defiant while making eye contact kind of gal.		
	Jo Ross		
February 2, 2020 8:20 PM			
			I noticed you make very nice eye contact.
			Nathan McKnight
February 2, 2020 8:20 PM			
	If you're frustrated, I'm winning.		
	Jo Ross		
February 2, 2020 8:20 PM			
			Low decibel. Low pitch.
February 2, 2020 8:20 PM			
			A little ragged
February 2, 2020 8:21 PM			
			I might let you win
			Nathan McKnight
February 2, 2020 8:21 PM			
	And here is the statement that will render your "win" null: you may win, but you won't win when you wanted to. And if I wanted it all along, you didn't really win, now did you?		
	Jo Ross

	Jo Ross		
February 2, 2020 8:23 PM			
			Lol. I guess you'll just have to follow the link...
February 2, 2020 8:23 PM			
			Also, I like that you're in night mode and I'm in day mode
February 2, 2020 8:24 PM			
February 2, 2020 8:25 PM			
			But what if *I* wanted it all along?
			Nathan McKnight
February 2, 2020 8:27 PM			
	I followed the link and changed my settings and it still hasn't taken me to whatever you sent. You *are* teasing me!		
February 2, 2020 8:27 PM			
	The day night contrast seems appropriate.		
	Jo Ross		
February 2, 2020 8:27 PM			
			Hahah. I see you're frustrated
February 2, 2020 8:27 PM			
			I'll just say the image I shared had a zoom
			Nathan McKnight
February 2, 2020 8:27 PM			
	And there is no question. You wanted it all along. But you aren't in charge of when you get the thing we both may be wanting.		
	Jo Ross		
February 2, 2020 8:28 PM			
			Jo Ross
			I'm curious just who's behind pikachu anyway
February 2, 2020 8:29 PM			
			Well... the only way to find out is to let it run its course and see where the chips fall
			Nathan McKnight
February 2, 2020 8:29 PM			
	Safewords?		
	Jo Ross		
February 2, 2020 8:29 PM			
			I think we're zeroing in on something very specific you're looking for.
February 2, 2020 8:29 PM			
			Toaster
			Nathan McKnight
February 2, 2020 8:30 PM			
	North		
	Jo Ross		

February 2, 2020 8:30 PM			
			Lol
			Nathan McKnight
February 2, 2020 8:30 PM			
February 2, 2020 8:30 PM			
	Something *I'm* looking for?		
	Jo Ross		
February 2, 2020 8:31 PM			
			Jo Ross
			Is that your safe word, or is that your code word for the side you like to be on?
			Nathan McKnight
February 2, 2020 8:31 PM			
	Lol Are you making fun of my safeword?		
	Jo Ross		
February 2, 2020 8:31 PM			
			No ma'am
			Nathan McKnight
February 2, 2020 8:32 PM			
	Oh. Ma'am?		
	Jo Ross		
February 2, 2020 8:32 PM			
			Lol
			Nathan McKnight
February 2, 2020 8:32 PM			
	Hm		
	Jo Ross		
February 2, 2020 8:32 PM			
			You prefer sir?
			Nathan McKnight
February 2, 2020 8:32 PM			
	I will remember that you know when to call me that.		
	Jo Ross		
February 2, 2020 8:33 PM			
			Jo Ross
			Nathan McKnight
February 2, 2020 8:33 PM			
	You can use either. The difference might let me know how you're feeling at the moment.		
	Jo Ross		
February 2, 2020 8:34 PM			
			I don't blush easily. But...
			Nathan McKnight
February 2, 2020 8:35 PM			
	Now I feel quite accomplished		
February 2, 2020 8:35 PM			
	Ah, the rigging. The tie that I am most adept in is a harness.		
February 2, 2020 8:35 PM			

	I'm guessing you don't need to know how to rig one.		
	Jo Ross		
February 2, 2020 8:36 PM			
			Mmm. I'm more adept at wrist and ankle binding. But I learn well
			Nathan McKnight
February 2, 2020 8:37 PM			
	I can do those, but I have not yet had a partner that was interested enough in experiencing it to do it fluidly.		
	Jo Ross		
February 2, 2020 8:37 PM			
			Ahh, fluidity
			Nathan McKnight
February 2, 2020 8:38 PM			
	I have also never attempted to show a male partner how to tie a harness, as it proved to be... redundant?		
February 2, 2020 8:38 PM			
	However, I wouldn't be opposed		
	Jo Ross		
February 2, 2020 8:39 PM			
			Well, I'm all ears. And the other body parts
			Nathan McKnight
February 2, 2020 8:39 PM			
	Ooh, excellent answer		
February 2, 2020 8:40 PM			
	So wait, is the game over? Did we win?		
	Jo Ross		
February 2, 2020 8:40 PM			
			Lol. Is that obscure reference?
			Nathan McKnight
February 2, 2020 8:41 PM			
	I am learning that with you, obscure references are the goal, but alas, it was not. More a juvenile joke.		
	Jo Ross		
February 2, 2020 8:41 PM			
			Lol. No, I just notice them now and then
February 2, 2020 8:42 PM			
			I like building a shared vocabulary
February 2, 2020 8:42 PM			
			And I think we both won at that tonight
			Nathan McKnight
February 2, 2020 8:43 PM			
	Well, I certainly hope that our flirting is acceptable. Because I definitely did it.		
	Jo Ross		
February 2, 2020 8:43 PM			
			Yeah you did

			Nathan McKnight
February 2, 2020 8:43 PM			
	Psh, you did		
	Jo Ross		
February 2, 2020 8:44 PM			
			Well... I think we've learned some things. Though I'm not sure we have each other entirely pegged
			Nathan McKnight
February 2, 2020 8:45 PM			
	Do you want me to take that? Or should I leave it?		
	Jo Ross		
February 2, 2020 8:46 PM			
			I mean, we both seem to be picking up what the other is putting out there
			Nathan McKnight
February 2, 2020 8:46 PM			
	I'll leave it, then. It has been noted and filed, though.		
	Jo Ross		
February 2, 2020 8:47 PM			
			I'm going to need a Rolodex to keep track
			Nathan McKnight
February 2, 2020 8:47 PM			
	You have no idea		
	Jo Ross		
February 2, 2020 8:47 PM			
			Oh really
February 2, 2020 8:47 PM			
			Go on
			Nathan McKnight
February 2, 2020 8:48 PM			
	What we discussed was fun, but it was very linear. We discussed one category and it's subcategories.		
	Jo Ross		
February 2, 2020 8:48 PM			
			So, on a scale of 0 to 8.5, how deeply have we plumbed your depths at this point?
			Nathan McKnight
February 2, 2020 8:48 PM			
	Perhaps a 3?		
	Jo Ross		
February 2, 2020 8:48 PM			
			Noted
			Nathan McKnight
February 2, 2020 8:49 PM			
	Wait, did you just say plumbed my depths?		
February 2, 2020 8:49 PM			
	I'll stop		
February 2, 2020 8:49 PM			

	I can't help it		
	Jo Ross		
February 2, 2020 8:49 PM			
			I said and I did. And I shall
February 2, 2020 8:49 PM			
			No, you can't
			Nathan McKnight
February 2, 2020 8:49 PM			
	Awful confident, aren't we?		
	Jo Ross		
February 2, 2020 8:50 PM			
			You might have to knock me down a notch or two
February 2, 2020 8:50 PM			
			I'm just giving you an easy target
February 2, 2020 8:50 PM			
February 2, 2020 8:51 PM			
			Now, I wonder what subcategory we should aim for next time...
			Nathan McKnight
February 2, 2020 8:51 PM			
	You really are.		
February 2, 2020 8:51 PM			
	Category		
February 2, 2020 8:51 PM			
	With subcategories		
February 2, 2020 8:51 PM			
	Is that a notch?		
	Jo Ross		
February 2, 2020 8:52 PM			
			No, more of a fine tune adjustment
			Nathan McKnight
February 2, 2020 8:52 PM			
	How many notches are we talking?		
February 2, 2020 8:52 PM			
	I need to pace myself		
	Jo Ross		
February 2, 2020 8:53 PM			
			Yes. But I figure next time we can move that 3 to a 5 at least
			Nathan McKnight
February 2, 2020 8:54 PM			
	I mean, all additional things will be deeper depth plumbing.		
	Jo Ross		
February 2, 2020 8:54 PM			

			Lol
February 2, 2020 8:54 PM			
			I certainly hope so
			Nathan McKnight
February 2, 2020 8:55 PM			
	I'm seriously considering making the prompt "go deeper" part of our exchange during these types of conversations.		
	Jo Ross		
February 2, 2020 8:55 PM			
			Shared vocabulary. A very cerebral pleasure
			Nathan McKnight
February 2, 2020 8:56 PM			
	As long as that's okay, of course.		
	Jo Ross		
February 2, 2020 8:56 PM			
			Are you asking permission?
			Nathan McKnight
February 2, 2020 8:56 PM			
	I often do		
	Jo Ross		
February 2, 2020 8:56 PM			
			That requires some sort of salutation
			Nathan McKnight
February 2, 2020 8:56 PM			
	Nathan McKnight		
	And nicely, I might add		
	Jo Ross		
February 2, 2020 8:56 PM			
			Ma'am
			Nathan McKnight
February 2, 2020 8:56 PM			
	Yes sir		
	Jo Ross		
February 2, 2020 8:56 PM			
			Better
			Nathan McKnight
February 2, 2020 8:57 PM			
	Sir and please I'm assuming will get me quite far		
February 2, 2020 8:57 PM			
	Or deep		
	Jo Ross		
February 2, 2020 8:57 PM			
			And maybe warm and moist
			Nathan McKnight
February 2, 2020 8:58 PM			
	I only rely on my actions to do that if I am alone. That part is your responsibility.		
February 2, 2020 8:59 PM			
	Well, for the purposes of this conversation		

Jo Ross

February 2, 2020 8:59 PM

Well, we'll have to see what actions I decide to take

February 2, 2020 8:59 PM

I'm making a list

February 2, 2020 9:00 PM

And I'm quite good at visualizing

Nathan McKnight

February 2, 2020 9:01 PM

Nathan McKnight

You have figured out one of many ways to pique my interest

Jo Ross

February 2, 2020 9:01 PM

And verbalizing. Now that we've scratched the surface a bit

February 2, 2020 9:01 PM

Give me a hint as to another?

February 2, 2020 9:03 PM

I mean, you piqued my interest a while ago. But I can see there's a lot going on in there, so I'm on the edge of my seat to see how far down the rabbit hole we can go

Nathan McKnight

February 2, 2020 9:03 PM

I am currently musing over this statement, because it is dominant, and yet, I am sure you'll take exactly the actions that I decide you will.

February 2, 2020 9:03 PM

Am I the rabbit?

Jo Ross

February 2, 2020 9:04 PM

You're a sexy, sexy metaphor my dear

Nathan McKnight

February 2, 2020 9:05 PM

I would apply that response to you as well.

Jo Ross

February 2, 2020 9:07 PM

Oh... to change the subject... because I know some people are very particular, and you've seen me bearded... where would you put yourself on a scale of 3 to 16 with regards to appreciation of beards?

February 2, 2020 9:08 PM

*youve only seen me bearded

Nathan McKnight

February 2, 2020 9:11 PM

This question is different, because it is a reflection of preferences to personal appearances.

	Jo Ross		
February 2, 2020 9:11 PM			
			Yes
			Nathan McKnight
February 2, 2020 9:11 PM			
	I do like beards. But I do not require beards.		
February 2, 2020 9:12 PM			
	I give beards a general rating of 15		
	Jo Ross		
February 2, 2020 9:12 PM			
			Ok. Well, then I won't put any particular effort into growing it back out again. It'll be back in a week or two anyway
February 2, 2020 9:12 PM			
			Or maybe I will...
			Nathan McKnight
February 2, 2020 9:12 PM			
	Did you shave it off?		
	Jo Ross		
February 2, 2020 9:13 PM			
			About three hours ago
			Nathan McKnight
February 2, 2020 9:13 PM			
	Oh my goodness.		
February 2, 2020 9:13 PM			
	May I see?		
	Jo Ross		
February 2, 2020 9:13 PM			
			Maybe
			Nathan McKnight
February 2, 2020 9:13 PM			
	...		
February 2, 2020 9:14 PM			
	Please?		
February 2, 2020 9:14 PM			
	Sir		
	Jo Ross		
February 2, 2020 9:14 PM			
			That's better
			Nathan McKnight
February 2, 2020 9:14 PM			
	I'm sorry. I don't know what I was thinking.		
	Jo Ross		
February 2, 2020 9:15 PM			
			I mean, flirting is one thing... but bathtub pics might require another check in on the indiscretion meter
			Nathan McKnight
February 2, 2020 9:16 PM			
	Oh, Are you in the bathtub?		

	Jo Ross		
February 2, 2020 9:16 PM			
			Wouldn't you like to know
			Nathan McKnight
February 2, 2020 9:16 PM			
	I would.		
February 2, 2020 9:16 PM			
	Pictures is a whole new plateau to reach, isn't it?		
	Jo Ross		
February 2, 2020 9:17 PM			
			I mean, this has been a pretty slow motion game
February 2, 2020 9:17 PM			
			I might have to demand something in return
			Nathan McKnight
February 2, 2020 9:20 PM			
	Oh, that's too bad. I was going to send a picture.		
	Jo Ross		
February 2, 2020 9:20 PM			
			Well... as it happens, that's exactly what I was going to demand.
February 2, 2020 9:20 PM			
			Tit for tat
			Nathan McKnight
February 2, 2020 9:20 PM			
	But, the level of picture...		
February 2, 2020 9:22 PM			
	Wait, demand?		
February 2, 2020 9:22 PM			
	Or ask for... politely.		
	Jo Ross		
February 2, 2020 9:22 PM			
			A fair exchange, m'lady
February 2, 2020 9:23 PM			
			What level of picture did you have in mind?
			Nathan McKnight
February 2, 2020 9:25 PM			
	I wish we had a wheel. With random levels printed on it.		
	Jo Ross		
February 2, 2020 9:25 PM			
			Oh, I like that
			Nathan McKnight
February 2, 2020 9:25 PM			
	But we don't!		
February 2, 2020 9:26 PM			

	Sad.		
	Jo Ross

			https://images.app.goo.gl/GB1EeBLjHg8y3bFYA
February 2, 2020 9:27 PM			
			Can you see that one?
			Nathan McKnight
February 2, 2020 9:28 PM			
	Yes!		
	Jo Ross		
February 2, 2020 9:28 PM			
			Ok, let it spin and the number of pepperonis on the leading wheel when you screenshot it is the level
			Nathan McKnight
February 2, 2020 9:29 PM			
	Oooo, inventive. I like it.		
February 2, 2020 9:29 PM			
	Do I spin, or do you?		
	Jo Ross		
February 2, 2020 9:30 PM			
			We could both. But that would risk a very uneven exchange
			Nathan McKnight
February 2, 2020 9:30 PM			
	Wait, what do the number of pepperonis signify? We need a system!		
February 2, 2020 9:31 PM			
	Like, what is three pepperonis?		
February 2, 2020 9:31 PM			
	This is ridiculous and hilarious		
	Jo Ross		
February 2, 2020 9:31 PM			
			Well, it looks like the scale is like, 0.1 to 2.7
February 2, 2020 9:32 PM			
			So, either 0.1 is the tamest picture possible, and 2.7 is full on junk shot... or whoever goes first sets the baseline and the second one is determined relatively
February 2, 2020 9:33 PM			
			Do you have a preference?

February 2, 2020 9:34 PM			
			I mean, keep flirting and there's no limit to the levels of ridiculous we could achieve
			Nathan McKnight
February 2, 2020 9:34 PM			
	This is wildly entertaining to me.		
	Jo Ross		
February 2, 2020 9:35 PM			
			Lol. I'm glad you can appreciate it :)
			Nathan McKnight
February 2, 2020 9:35 PM			
	Let's do it exactly the way you outlined and spin separately. And I am fully acknowledging that we both have the ability to cheat by taking numerous screenshots and picking the one we want. And I'm trusting that you aren't going to do that.		
	Jo Ross		
February 2, 2020 9:35 PM			
			There's a lot of moving parts here
			Nathan McKnight
February 2, 2020 9:35 PM			
	I'll know.		
February 2, 2020 9:35 PM			
	By which I mean I won't know at all. But... I'll know.		
	Jo Ross		
February 2, 2020 9:36 PM			
			I'll play fair. I promise
			Nathan McKnight
February 2, 2020 9:36 PM			
	Ok fine. Same.		
February 2, 2020 9:36 PM			
	You go first		
	Jo Ross		
February 2, 2020 9:36 PM			
			I think I can turn on the time stamp if you want
			Nathan McKnight
February 2, 2020 9:36 PM			
	I do not have the investment required to do that		
February 2, 2020 9:37 PM			
	This is so funny. Spin!		
	Jo Ross		
February 2, 2020 9:37 PM			
			Ok. So many moving oats. It's a trust thing too
February 2, 2020 9:37 PM			
			Here we go
			Nathan McKnight
February 2, 2020 9:37 PM			
	All the oats.		

February 2, 2020 9:37 PM

Do it

Jo Ross

February 2, 2020 9:37 PM

Lol parts

Nathan McKnight

February 2, 2020 9:38 PM

I know, silly.

Jo Ross

February 2, 2020 9:38 PM

Done. My eyes were closed, I don't even know what it is yet

February 2, 2020 9:38 PM

February 2, 2020 9:38 PM

Two! Two pepperonis ah ah ah

Nathan McKnight

February 2, 2020 9:38 PM

Is that two pepperonis??

February 2, 2020 9:38 PM

It's two pepperonis!!!

Jo Ross

February 2, 2020 9:38 PM

Or... 1.9

February 2, 2020 9:38 PM

Omg two pepperonis!!!!

Nathan McKnight

February 2, 2020 9:39 PM

Our scales are so fine tuned...

Jo Ross

February 2, 2020 9:39 PM

Jo Ross

Fuck!!! What does it all mean!!??

Nathan McKnight

February 2, 2020 9:39 PM

You made me spit my vape smoke

February 2, 2020 9:39 PM

I coughed.

Jo Ross

February 2, 2020 9:39 PM

Liz is probably wondering why the intermittent laughing from the bathtub

Nathan McKnight

February 2, 2020 9:40 PM

I'm cracking up

Jo Ross

February 2, 2020 9:40 PM

So.. you spit now?

February 2, 2020 9:40 PM			
			*spin!
February 2, 2020 9:40 PM			
			Lol
			Nathan McKnight
February 2, 2020 9:40 PM			
	Um, I definitely don't		
February 2, 2020 9:40 PM			
	Oh wait, yes, okay, I do.		
	Jo Ross		
February 2, 2020 9:40 PM			
			Show me the pepperonis
			Nathan McKnight
February 2, 2020 9:41 PM			
	Motherfucker		
February 2, 2020 9:41 PM			
February 2, 2020 9:41 PM			
	This is rigged		
	Jo Ross		
February 2, 2020 9:41 PM			
			Lol. Ok, it's fair
			Nathan McKnight
February 2, 2020 9:42 PM			
	What would the 6:35 one be?		
	Jo Ross		
February 2, 2020 9:42 PM			
			Wait, is that the exact same slice!!?
			Nathan McKnight
February 2, 2020 9:42 PM			
	YES		
	Jo Ross		
February 2, 2020 9:42 PM			
			Hahah
February 2, 2020 9:43 PM			
			Man, getting two pics of precisely the same risquéness will be a challenge in itself!
			Nathan McKnight
February 2, 2020 9:43 PM			
	I feel like we both clicked the gif, closed our eyes, squinted, and screenshot in the same timeframe.		
	Jo Ross		
February 2, 2020 9:43 PM			
			I didn't squint! Are you admitting to cheating!? That's a 0.6 pepperoni demerit
			Nathan McKnight
February 2, 2020 9:43 PM			
	This may be a good opportunity to gauge the disparity between what we think the universe demands as far as our scales go.		

February 2, 2020 9:44 PM

I squished my eyes shut really tight

Jo Ross

February 2, 2020 9:44 PM

I didn't know the universe was judging me

Nathan McKnight

February 2, 2020 9:44 PM

Ugh, really?

February 2, 2020 9:44 PM

I'm pretty sure it might be.

February 2, 2020 9:45 PM

So... what is a two pepperoni picture?

Jo Ross

February 2, 2020 9:45 PM

Jo Ross

Well, the universe is telling me I better get out of the tub and get my phone to a charger. So... let me find an angle quick

February 2, 2020 9:45 PM

Um... are we doing the 2.7 = junk shot scale??

February 2, 2020 9:46 PM

Or the first picture posted sets the scale?

Nathan McKnight

February 2, 2020 9:46 PM

Bahaha wait! This isn't fair! I have more stuff than you!

Jo Ross

February 2, 2020 9:46 PM

Not more. Just better. Well, from my pov

February 2, 2020 9:47 PM

But I'm at a disadvantage since I'm in the tub

Nathan McKnight

February 2, 2020 9:47 PM

Ok I'm going to spend this intermission carefully selecting my picture.

Jo Ross

February 2, 2020 9:48 PM

Ok. I tried to take a couple of varying degrees. Reconvene in 5 min?

Nathan McKnight

February 2, 2020 9:48 PM

Deal

February 2, 2020 9:53 PM

February 2, 2020 9:53 PM

I think that's a solid two pepperoni picture.

Jo Ross

February 2, 2020 9:56 PM

			Oh damn. I have to take some much more solid pics
February 2, 2020 9:56 PM			
			Gimme a min
			Nathan McKnight
February 2, 2020 9:57 PM			
	I didn't mean to inadvertently set a standard.		
February 2, 2020 9:58 PM			
	Did I over reach on the two pepperoni expectation? I figured the .7 remaining pepperonis were the junk.		
February 2, 2020 9:59 PM			
	Lol... so unceremonious		
	Jo Ross		
February 2, 2020 10:00 PM			
February 2, 2020 10:01 PM			
			Jo Ross
			Well, that escalated quickly
			Nathan McKnight
February 2, 2020 10:03 PM			
	By all means, I am not neglecting to address my level of pleasant surprise about other things, but you, *sir* are one of those guys who can definitely get away with shaving your beard just fine.		
	Jo Ross		
February 2, 2020 10:05 PM			
			I'm chalking it all up to a pent up desire to show each other our junk on both of our parts ;)
February 2, 2020 10:05 PM			
			I said parts
February 2, 2020 10:05 PM			
			And I'm not disappointed
			Nathan McKnight
February 2, 2020 10:06 PM			
	But now our pictures are disproportionate.		
February 2, 2020 10:07 PM			
	You did say parts		
	Jo Ross		
February 2, 2020 10:07 PM			
			Jo Ross
			I mean, I guess I was thinking 2.7 was, like, a close-up
			Nathan McKnight
February 2, 2020 10:07 PM			
	Although I suppose if you'd sent a topless picture I would have disappointed.		
	Jo Ross		
February 2, 2020 10:09 PM			

			There's a long way to go from a 2.0 blurry softy to... you know, veiny glory
February 2, 2020 10:10 PM			
			I mean, our pictures are pretty much equivalent. Our junk just has different placement
			Nathan McKnight
February 2, 2020 10:13 PM			
	So, our two pepperoni scale falls close in the spectrum. That's a good thing.		
February 2, 2020 10:13 PM			
	Although... you did get to cheat.		
	Jo Ross		
February 2, 2020 10:13 PM			
			I didn't cheat!
			Nathan McKnight
February 2, 2020 10:14 PM			
	Well, you got a handicap.		
	Jo Ross		
February 2, 2020 10:14 PM			
			How's that?
			Nathan McKnight
February 2, 2020 10:14 PM			
	You had to retake your picture.		
February 2, 2020 10:14 PM			
	So.		
February 2, 2020 10:14 PM			
	Once you saw mine.!		
	Jo Ross		
February 2, 2020 10:14 PM			
			Ahhh. Well, you would have been disappointed
			Nathan McKnight
February 2, 2020 10:14 PM			
	Which means my two pepperonis were your three pepperonis...		
	Jo Ross		
February 2, 2020 10:15 PM			
			And if it's between disappointment and upping the ante....
			Nathan McKnight
February 2, 2020 10:15 PM			
	Just sayin...		
	Jo Ross		
February 2, 2020 10:15 PM			
			I have to get out the Rolodex to decode at this point
			Nathan McKnight
February 2, 2020 10:15 PM			
	I wish you could see the face I'm making.		
	Jo Ross		
February 2, 2020 10:15 PM			
			There's a way to do that...

			Nathan McKnight
February 2, 2020 10:15 PM			
	Huh. Really?		
	Jo Ross		
February 2, 2020 10:16 PM			
			I mean, it would be a .5 pepperoni picture, but I'd like to see that face
			Nathan McKnight
February 2, 2020 10:16 PM			
	And ruin the challenge? Never.		
	Jo Ross		
February 2, 2020 10:17 PM			
			Hahah. Is the challenge that I have to make you make that face? Challenge accepted
February 2, 2020 10:17 PM			
			I actually can't even guess the face you're making right now. There are so many possibilities
			Nathan McKnight
February 2, 2020 10:18 PM			
	Would you like a real time photo?		
	Jo Ross		
February 2, 2020 10:18 PM			
			Is it a good face?
February 2, 2020 10:18 PM			
			Oh... was that not real time?
			Nathan McKnight
February 2, 2020 10:18 PM			
	Oh no. I definitely cheated.		
	Jo Ross		
February 2, 2020 10:19 PM			
			Lol. You got my off guard, don't know how to take a selfie face lol
			Nathan McKnight
February 2, 2020 10:19 PM			
	Same. I'm awful at it.		
February 2, 2020 10:20 PM			
	I must say, in my opinion you did an impeccable job. I'll send you a real time photo if you'd like.		
	Jo Ross		
February 2, 2020 10:20 PM			
			I would
			Nathan McKnight
February 2, 2020 10:20 PM			
	Especially since I'm not in trouble for cheating		
	Jo Ross		
February 2, 2020 10:20 PM			
			It might require punishment of some kind
February 2, 2020 10:20 PM			
			I'm not ruling that out
			Nathan McKnight

February 2, 2020 10:20 PM			
February 2, 2020 10:21 PM			
	Too late. You already let it slide.		
February 2, 2020 10:21 PM			
	You're not very strict.		
	Jo Ross		
February 2, 2020 10:21 PM			
			Jesus Christ
			Nathan McKnight
February 2, 2020 10:22 PM			
	Where?!		
	Jo Ross		
February 2, 2020 10:22 PM			
			I'm feeling the spirit
February 2, 2020 10:22 PM			
			Don't tell me you're not good at taking selfies
February 2, 2020 10:22 PM			
			That's a lie
			Nathan McKnight
February 2, 2020 10:22 PM			
	Don't scare me like that.		
	Jo Ross		
February 2, 2020 10:22 PM			
			Jo Ross
			Lol
February 2, 2020 10:22 PM			
			You're ridiculous.
			Nathan McKnight
February 2, 2020 10:23 PM			
	I try		
	Jo Ross		
February 2, 2020 10:23 PM			
			My usual response to someone taking the Lord's name in vain is "You can call me Nathan."
			Nathan McKnight
February 2, 2020 10:24 PM			
	Mine is "yes?"		
February 2, 2020 10:24 PM			
	Unoriginal, I know.		
	Jo Ross		
February 2, 2020 10:24 PM			
			I like tour sense of humor. And your other things too
			Nathan McKnight
February 2, 2020 10:24 PM			
	Same		
February 2, 2020 10:24 PM			

	Don’t worry. I deciphered it.		
	Jo Ross		
February 2, 2020 10:24 PM			
			:)
			Nathan McKnight
February 2, 2020 10:25 PM			
	Brains.		
	Jo Ross		
February 2, 2020 10:25 PM			
			I like those too
			Nathan McKnight
February 2, 2020 10:25 PM			
	I’m afraid I probably am not as good as you at the specific references, but I play a mean game of witty banter.		
	Jo Ross		
February 2, 2020 10:26 PM			
			Yes, you do.
February 2, 2020 10:26 PM			
			References don’t take brains anyway
			Nathan McKnight
February 2, 2020 10:26 PM			
	To an extent they do. Retaining knowledge is quite admirable.		
	Jo Ross		
February 2, 2020 10:27 PM			
			So, how many tries did it take to get that contemporaneous shot?
			Nathan McKnight
February 2, 2020 10:27 PM			
	Which one? The selfie?		
	Jo Ross		
February 2, 2020 10:27 PM			
			Yes
			Nathan McKnight
February 2, 2020 10:28 PM			
	Hm. I can show you the others if you’d like .		
February 2, 2020 10:28 PM			
	But that was the one I picked		
	Jo Ross		
February 2, 2020 10:28 PM			
			I wouldn’t turn them down
			Nathan McKnight
February 2, 2020 10:29 PM			
	Bam.		
February 2, 2020 10:29 PM			
February 2, 2020 10:30 PM			
	Lol you now have the behind the scenes version		
	Jo Ross		
February 2, 2020 10:30 PM			

			I mean, apparently it's not possible to take a bad photo of you
			Nathan McKnight
February 2, 2020 10:30 PM			
	Ha! Looking at them in succession makes me feel like the girls who use Snapchat filters		
February 2, 2020 10:31 PM			
	Oh it definitely is possible		
	Jo Ross		
February 2, 2020 10:32 PM			
			Lol. Looking at them in succession gives me a rather different feeling
			Nathan McKnight
February 2, 2020 10:32 PM			
	Well good		
February 2, 2020 10:34 PM			
	I would like to take this opportunity to say that I appreciate the fact that our bedrooms are both a mess.		
February 2, 2020 10:34 PM			
	Well, not a mess... but equally cluttered.		
	Jo Ross		
February 2, 2020 10:35 PM			
			Lol. No, I'll call this a mess.
			Nathan McKnight
February 2, 2020 10:36 PM			
	Shhh! It's clutter!		
	Jo Ross		
February 2, 2020 10:36 PM			
			Liz and I are both deep in biting off more work than we can chew lol
February 2, 2020 10:36 PM			
			It's.... eclectic
			Nathan McKnight
February 2, 2020 10:36 PM			
	Yes. That.		
	Jo Ross		
February 2, 2020 10:37 PM			
			I was just looking back to see if there were any other behind the scenes pics I could share to return the favor
			Nathan McKnight
February 2, 2020 10:37 PM			
	And I can relate on the biting off more Than you can chew thing. Jas is currently in his final semester five classes deep at OSU and I'm working full time trucking.		
	Jo Ross		
February 2, 2020 10:38 PM			
			Ah, yes the... what was it, Linoleumwerks? What's Jason studying?

February 2, 2020 10:38 PM			
			*yes, my autocorrect sometimes goes German on me
February 2, 2020 10:38 PM			
			*linoleum
			Nathan McKnight
February 2, 2020 10:39 PM			
	Ha! Sort of. I transport cabinet making supplies.		
	Jo Ross		
February 2, 2020 10:39 PM			
			Where does your usual route take too?
			Nathan McKnight
February 2, 2020 10:39 PM			
	He's is studying sustainable community development.		
	Jo Ross		
February 2, 2020 10:39 PM			
			*you
February 2, 2020 10:39 PM			
			Nice
			Nathan McKnight
February 2, 2020 10:39 PM			
	All over. North of Dayton, east of Athens, south of caimbridge.		
	Jo Ross		
February 2, 2020 10:40 PM			
			Ok. So, not too far
			Nathan McKnight
February 2, 2020 10:40 PM			
	I don't usually go farther than two hours out of Columbus one way		
February 2, 2020 10:40 PM			
	I'm home nightly.		
	Jo Ross		
February 2, 2020 10:41 PM			
			You drive a big rig? Or a pickup? Or something in between?
			Nathan McKnight
February 2, 2020 10:46 PM			
	I drive this:		
February 2, 2020 10:46 PM			
February 2, 2020 10:48 PM			
	So something in between. It's not a sleeper cab trailer, but it's close.		
	Jo Ross		
February 2, 2020 10:48 PM			
			Nice. Class C?
			Nathan McKnight
February 2, 2020 10:48 PM			
	B		

	Jo Ross		
February 2, 2020 10:48 PM			
			You got me beat lol
			Nathan McKnight
February 2, 2020 10:49 PM			
	Not really. Maybe as far as driving bigass vehicles goes...		
	Jo Ross		
February 2, 2020 10:49 PM			
			Outclassed i should say. License-wise
February 2, 2020 10:50 PM			
			I only ever had a class c
			Nathan McKnight
February 2, 2020 10:51 PM			
	I am actually currently looking into a position that will help me to secure my class A.		
February 2, 2020 10:51 PM			
	Did you drive for a living at some point?		
	Jo Ross		
February 2, 2020 10:52 PM			
			Sort of. My first job at the Museum involved driving what were basically Winnebagos decked out as museums all around New York
February 2, 2020 10:52 PM			
			City
February 2, 2020 10:53 PM			
			It was drive drive, teach teach, drive drive
			Nathan McKnight
February 2, 2020 10:57 PM			
	That sounds intriguing. Did you like it?		
	Jo Ross		
February 2, 2020 11:01 PM			
			Yeah, it was fun and really unique.
February 2, 2020 11:01 PM			
			It was a good introduction to parts of the city even the townies rarely see
February 2, 2020 11:39 PM			
February 2, 2020 11:39 PM			
			Ok, I gave up trying to match your selfie game. You're too good. But here are a few attempts
			Nathan McKnight
February 2, 2020 11:40 PM			
	Oh my. I like all of those.		
February 2, 2020 11:41 PM			
	You get a free pass on beard requirements. I cannot stress this enough.		
February 2, 2020 11:41 PM			

	Not that I require things...		
February 2, 2020 11:41 PM			
	Just... you look really good. That's all.		
February 2, 2020 11:41 PM			
	I'm blushing again.		
	Jo Ross		
February 2, 2020 11:42 PM			
			Lol. Well, the beard comes and goes and sometimes reconfigures itself
			Nathan McKnight
February 2, 2020 11:42 PM			
	Well. The beard is not the focus.		
	Jo Ross		
February 2, 2020 11:43 PM			
			I also do not require you to grow a beard
			Nathan McKnight
February 2, 2020 11:44 PM			
	Really? Well in that case I guess I'll shave.		
February 2, 2020 11:44 PM			
	If you insist.		
	Jo Ross		
February 2, 2020 11:44 PM			
			I mean, it's up to you
			Nathan McKnight
February 2, 2020 11:44 PM			
	Thank you.		
February 2, 2020 11:45 PM			
	You've left me in a compromising mood.		
	Jo Ross		
February 2, 2020 11:45 PM			
			You've left me in a.... mood
			Nathan McKnight
February 2, 2020 11:46 PM			
	Good. Goodnight, Sir.		
	Jo Ross		
February 2, 2020 11:46 PM			
			Goodnight
February 2, 2020 11:46 PM			
			Happy driving
			Nathan McKnight
February 2, 2020 11:47 PM			
	Thank you.		
	Jo Ross		
February 2, 2020 11:53 PM			
			My pleasure. Dream dirty ;)
			Nathan McKnight
February 2, 2020 11:53 PM			
	Nathan McKnight		

	Based on our interactions tonight, it is likely that I will.		
	Jo Ross		
February 3, 2020 7:55 AM			
			What if... late last night, I got I touch with Jason, and he let me into your bedroom, whereupon I creeped ever so carefully, under your sheets and proceeded to delicately, almost imperceptibly, lick your barely protruding minora, just brushing them with the tip of my tongue... and, over the course of long minutes, whilst your breathing deepened and groggy, almost voiceless non-syllables started escaping your heartbreakingly adorable lips... just as your mind emerges from dream, you have only a second to wonder what's happening, and that's when, salivating fiercely, I give in to the desire to taste you more deeply. Still so so slow, I run my tongue all the way up between your outer and inner left labia, pausing to make you wonder if this surprise tongue in the dark will give your clit a tap. It will not. Not just yet. Then down runs the tongue, a brisk slide down the crevice on the right. A little taste for your pussy juices at the lower apex of your now-engorged vulva. You still aren't sure what's going on down there, but a series of feather soft licks now carefully separate your folds, exposing your sleepy inner warmth to the mix of my hot breath and the cool predawn air. This time, when I reach the tiny tented gathering of rippled flesh that is your subclitoral frenulum, I flex my tongue to put pressure there, right at the spot where it feels like all of the electricity in your entire nervous system is going to release in an actual arc of snapping static if I go any further. But I pull back, brush your lips with mine, and while my surprisingly soft fingers dance along your taint, I lick again from bottom to top, deeper into your hole, bringing my tongue back to that electric focal point, flexing tip of tongue again but this time a bit more firmly so as to tug your clit gently, pulling your breath downwards—and that sound—with the sparkle-flutter gathering of pure shiny near-orgasm right there at the contact point of my tongue and your pussy... right... on.... the..... tearful..... edge..... So. What do you do now?
			Nathan McKnight
February 3, 2020 8:02 AM			
	I made the face again.		
February 3, 2020 8:02 AM			
	There was a zoom.		
February 3, 2020 8:03 AM			
	I plan to give this my full attention before I even attempt a response, but I am afraid you'll have to wait for that.		
	Jo Ross		
February 3, 2020 8:06 AM			

			You don’t need to respond. You can just lay back and enjoy the fantasy I was enjoying as I woke up
February 3, 2020 8:07 AM			
			Funny, I think I assumed the zoom means butt stuff...
			Nathan McKnight
February 3, 2020 8:09 AM			
	Well it definitely does now		
	Jo Ross		
February 3, 2020 8:09 AM			
			I picture a different face for this. Less of an OH! and more of a whimpery little lip thing, eyebrows almost angry, pained.
			Nathan McKnight
February 3, 2020 8:10 AM			
	You are making my work day much more enjoyable. More difficult to concentrate, but much more enjoyable		
	Jo Ross		
February 3, 2020 8:12 AM			
			You hit the road in the wee hours eh? I was hoping you’d wake up to that ;)
February 3, 2020 8:33 AM			
			maybe i should record an audio file so you can listen on the road... but i wouldn't want to interrupt your podcasts or music or whatever your road jam might be...
			Nathan McKnight
February 3, 2020 11:40 AM			
	I’m currently riding along with another human, so that might actually be quite fun. Trying to pretend to concentrate on her talking about her cats while there’s all sorts of debauchery coming through my ear buds		
	Jo Ross		
February 3, 2020 11:42 AM			
			Hmmm. Looks like the file is too large to send
February 3, 2020 11:43 AM			
			Maybe email?
			Nathan McKnight
February 3, 2020 1:17 PM			
	Oh my. You made the audio file? Am I going to get to hear the sound?		
February 3, 2020 1:20 PM			
	amandapanda740@gmail.com		
	Jo Ross		
February 3, 2020 4:38 PM			
			I did. And it’s sent.
February 3, 2020 4:38 PM			
			And you shall
			Nathan McKnight

February 3, 2020 7:34 PM			
	I think I just made the face and the sound simultaneously.		
February 3, 2020 7:35 PM			
	You have an exquisite voice.		
	Jo Ross		
February 3, 2020 7:35 PM			
			I hate my voice lol
February 3, 2020 7:36 PM			
			But I bet it's exquisite to see/hear that face/sound.... something to look forward to I hope...
			Nathan McKnight
February 3, 2020 7:37 PM			
	Everyone hates their voice.		
	Jo Ross		
February 3, 2020 7:37 PM			
			I know. I'm a unique flower. Just like everyone else :)
			Nathan McKnight
February 3, 2020 7:37 PM			
	I think quite the opposite though. You have, (I cannot stress this enough) an excellent voice.		
February 3, 2020 7:38 PM			
	It seems more and more probable that you will see/hear that face/sound.		
	Jo Ross

			Nathan McKnight
February 3, 2020 7:39 PM			
	No. At least not today you aren't.		
February 3, 2020 7:40 PM			
	Maybe tomorrow though.		
	Jo Ross		
February 3, 2020 7:40 PM			
			Haha. Not likely. The ice has broken
February 3, 2020 7:40 PM			
			Spectacularly I might ass
February 3, 2020 7:40 PM			
			*add lol
			Nathan McKnight
February 3, 2020 7:41 PM			
	Also, you did a spectacular job at that audio recording. I am probably going to listen to that numerous times. I hope that's alright.		
	You have no idea.		

February 3, 2020 7:41 PM

Lol, both.

Jo Ross

February 3, 2020 7:41 PM

Mission accomplished

February 3, 2020 7:41 PM

Jo Ross

I'm sure you have a spectacular ass

Nathan McKnight

February 3, 2020 7:41 PM

Nathan McKnight

That may end up being one of the most useful recordings I will have ever been sent.

Jo Ross

February 3, 2020 7:42 PM

Lol

February 3, 2020 7:42 PM

Did you make it to the end ;)

Nathan McKnight

February 3, 2020 7:43 PM

I'm not even going to pretend that I've already attempted it, because I am definitely going to quite literally do exactly what we are alluding to. But I'll let you know.

February 3, 2020 7:44 PM

You will be going about your day sometime within the next week, and you'll receive a message that will probably say something along the lines of "almost"

Jo Ross

February 3, 2020 7:44 PM

Do send the details if you like. Maybe a recording....

February 3, 2020 7:45 PM

Lol

February 3, 2020 7:45 PM

Almost made it to the end, or almost made it to the... apex?

February 3, 2020 7:47 PM

I can't say I haven't gotten a bit of use out of this conversation myself... twice

Nathan McKnight

February 3, 2020 7:48 PM

Oh, really?

February 3, 2020 7:48 PM

When you say that, is that counting lasts night's exchanges?

Jo Ross

February 3, 2020 7:49 PM			
			Yes
			Nathan McKnight
February 3, 2020 7:49 PM			
	And I absolutely meant the end of the recording		
February 3, 2020 7:49 PM			
	I'm no quitter.

February 3, 2020 7:50 PM			
			Hahhaah. That's a wholly different story. Might be fun to write
			Nathan McKnight
February 3, 2020 7:50 PM			
	And, just for the record, you've made it all too easy to reach the apex.		
February 3, 2020 7:51 PM			
	That won't be a problem at all.		
	Jo Ross		
February 3, 2020 7:51 PM			
			Smiling out loud
February 3, 2020 7:51 PM			
			The folks in the bar must be wondering who I'm talking to
			Nathan McKnight
February 3, 2020 7:56 PM			
	Do you think so?		
	Jo Ross		
February 3, 2020 7:56 PM			
			To be honest, I rarely get there when I'm alone without the help of, um... audio-visual assistance. But.... that was not the case today. The thoughts you filled my head with have pretty much kept me on the edge all day long.
			Nathan McKnight
February 3, 2020 7:57 PM			
	I'd be happy to give you audio visual assistance sometime. You know... if you find that your thoughts are not enough at some point.

Would you like to see an example of some of the rigging I was referring to last night?

February 3, 2020 8:00 PM

Not the rigging I do, but what was done?
Jo Ross

February 3, 2020 8:00 PM

And how
Nathan McKnight

February 3, 2020 8:00 PM

That I can do, I was actually referring to a photograph.
Jo Ross

February 3, 2020 8:01 PM

AV support, we can call it
Nathan McKnight

February 3, 2020 8:01 PM

I should warn you... I'm not dressed in it.

February 3, 2020 8:01 PM

So.

February 3, 2020 8:01 PM

It's probably like... 2.4 pepperonis?
Jo Ross

February 3, 2020 8:02 PM

Oh my! I'm not sure if I can... Fuck that. Yes please

February 3, 2020 8:03 PM

Hahah... that reminds me.... Liz found this at work today:

February 3, 2020 8:03 PM

Jo Ross

February 3, 2020 8:04 PM

So, where's this photograph of which you speak? Are you teasing me?
Nathan McKnight

February 3, 2020 8:06 PM

You did ask nicely.

	Jo Ross		
February 3, 2020 8:08 PM

February 3, 2020 8:10 PM			
February 3, 2020 8:11 PM			
			Yeah. I'm getting very impatient
			Nathan McKnight
February 3, 2020 8:11 PM			
	You look slightly pained. I'm sorry.		
February 3, 2020 8:11 PM			
	(I'm not)		
	Jo Ross		
February 3, 2020 8:12 PM			
			No, that's exactly what you're going for I have no doubt
			Nathan McKnight
February 3, 2020 8:12 PM			
	It gets worse.		
	Jo Ross		
February 3, 2020 8:13 PM			
			What are you trying to do to me? I can't stay in this restroom all night

February 3, 2020 8:13 PM

February 3, 2020 8:14 PM

Luckily there's nobody looking over my shoulder

Nathan McKnight

February 3, 2020 8:22 PM

Aw, I will try to control myself.

February 3, 2020 8:22 PM

So. No videos then.

Jo Ross

February 3, 2020 8:35 PM

Jo Ross

No, no, no. I want to see what happens when all the rules are suspended. What would you do if there were no judgement, no consequences?

February 3, 2020 8:35 PM

You'll get no judgement from me

February 3, 2020 8:35 PM

Ever

Nathan McKnight

February 3, 2020 8:35 PM

Consequences?

February 3, 2020 8:36 PM

Of course you do.

February 3, 2020 8:36 PM

I don't want to put you in a compromising situation.

Jo Ross

February 3, 2020 8:36 PM

You know, like nosy people looking over my shoulder. I mean, I can enforce my own consequences for sufficiently naughty behavior....

Nathan McKnight

February 3, 2020 8:36 PM

I'll be good. I got carried away.

Jo Ross

February 3, 2020 8:37 PM

Please don't

February 3, 2020 8:37 PM

Consider this a safe space

Nathan McKnight

February 3, 2020 8:39 PM

Hm. I am hoping that by the time you happen to find me somewhere, you will be so bothered that I will, in fact, be the rabbit.

February 3, 2020 8:40 PM

	I'd like to hear that sound quite close, and hot on my neck.		
	Jo Ross		
February 3, 2020 8:40 PM

February 3, 2020 9:12 PM			
			Jo Ross
February 3, 2020 9:18 PM			
			So, may i inquire as to the nature of your arrangements with Jason?
			Nathan McKnight
February 3, 2020 9:28 PM			
	They vary from scenario to scenario. We talk to whoever we'd like, and if we think it might become more... involved. We have a discussion.		
February 3, 2020 9:31 PM			
	There is much more to it, but that is the basic gist. We also date people together. We are currently seeing cherie, as I'm sure you have gathered. And, I should also probably add that if I were considering becoming more closely involved with anyone in the group, I would probably feel out how she would feel about that. It would not be the same as my considerations with Jason, but it would exist.		
	Jo Ross		
February 3, 2020 9:31 PM			
			Ok. Pretty similar here
February 3, 2020 9:32 PM			
			Fair enough
			Nathan McKnight
February 3, 2020 9:33 PM			
	I have mentioned to Jason that we have been talking. I haven't spoken to him about our more recent conversations, or any details about things we've talked about, really, but he does know we talk fairly often.		
February 3, 2020 9:33 PM			
	And he does know that they are flirtatious conversations		
	Jo Ross		
February 3, 2020 9:35 PM			
			That's about the level I'm keeping Liz informed At the moment. If it went further I would feel the need to discuss it with her in more detail, of course.
February 3, 2020 9:36 PM			

			She know I was hoping to hang out with you guys after the meeting, and was willing to let our plans move in that direction.
February 3, 2020 9:37 PM			
			*knows
February 3, 2020 9:39 PM			
			But with friends in town, I had to make sure not to let myself get too wrapped up in attention towards you
			Nathan McKnight
February 3, 2020 9:41 PM			
	Oh, I understand completely. Your friend was quite charming, by the way. I had forgotten to mention that. I thought the night went well.		
February 3, 2020 9:41 PM			
	You and I are on the same page in this regard.		
	Jo Ross		
February 3, 2020 9:43 PM			
			I really had a great time. Leah is one of my best friends
			Nathan McKnight
February 3, 2020 9:46 PM			
	She seemed wonderful.		
	Jo Ross		
February 3, 2020 9:56 PM			
			Liz and I haven't dated anybody together, except Leah
February 3, 2020 9:56 PM			
			Although, I always have a hard time parsing the term "dating" in a poly context
			Nathan McKnight
February 3, 2020 10:00 PM			
	Yes, I understand what you mean. I use it as an exceedingly general term.		
February 3, 2020 10:01 PM			
	It usually encompasses any non platonic interaction as far as my purposes go.		
	Jo Ross		
February 3, 2020 10:32 PM			
			My feeling is, anybody outside of my relationship with Liz is essentially a friend with benefits or an occasional lover. It ends up being, either when we get together, maybe we'll do stuff or, we get together to do stuff.
February 3, 2020 10:34 PM			
			Dating, to me, implies a certain level of continuity. Which may or may not be present in my other relationships.
			Nathan McKnight
February 3, 2020 10:59 PM			

	Hm, okay I can get on board with that. I would say we are dating Cherie. There is a level of continuity there. And, unbeknownst to me initially, a level of expectation. To clarify, I had shown, and been shown a mutual interest with someone in the group, and she was nonplussed. That was expressed, and I discontinued the endeavor. I am only telling you that because you are the only other person in our circle that I have shown an active interest in and conversed with on a level beyond casual pleasantries. To be honest, I'm not sure what reaction I would receive, which is something I've thought about and have yet to attempt to address in any way. I would not share all of this, except that it may be a factor in... things.		
	Jo Ross		
February 3, 2020 11:05 PM			
			Interesting. Hmmm. Well, I would be surprised if Cherie had any issue with... this. We kind of dated for a while not long ago, but I got the sense that she was looking for something in particular, and I really wasn't looking for whatever it was she had in mind. We're still very cozy when we see each other, but we don't do out of our way to hang out very often.
February 3, 2020 11:07 PM			
			Anyway, I like Cherie a lot and she seems to like me pretty well too, so...
			Nathan McKnight
February 3, 2020 11:09 PM			
	Yes, I'm not sure if the response was specific to the other person involved, or if it was the general situation. I like her quite a bit, and don't want to upset her, of course. I'm sure if we end up getting to a point where that needed navigated, I could do so and see where she stood on the subject.		
	Jo Ross		
February 3, 2020 11:10 PM			
			That seems reasonable
February 3, 2020 11:15 PM			
			The only thing I might speculate is if she felt some sense that I was moving in on her territory. But again, we're pretty sweet on each other generally and, also she's kind of been flirty with Liz lately, so I would hope that she doesn't have super strong boundaries about mutual inter-relationship
			Nathan McKnight
February 3, 2020 11:23 PM			

	That is partially my concern. I have not been entwined with the group for very long, and my introduction has been as her... friend. She started seeing Jason shortly after her and I began spending time together, but their interaction is a bit less than hers and mine. I am not sure if that is how she feels. There were other factors involved, but really the only way to know her true thoughts on it would be to see how she reacted to my sharing that I had an interest in someone, which would not be difficult for me to do if the need arose.		
	Jo Ross		
February 3, 2020 11:53 PM			
			Alright, we'll see what arises and play it by ear
February 3, 2020 11:53 PM			
			Nathan McKnight
February 3, 2020 11:55 PM			
	I'm going to be transparent in saying that the notification that you'd sent a photo made me look over my shoulder before opening my messenger app.		
	Jo Ross		
February 3, 2020 11:56 PM			
			Lol
February 3, 2020 11:58 PM			
February 4, 2020 12:00 AM			
			Nathan McKnight
February 4, 2020 12:01 AM			
	I know this sounds quite cliche, which I try to avoid as much as possible, but you have very comely eyes.		
	Jo Ross		
February 4, 2020 12:01 AM			
			Aww
			Nathan McKnight
February 4, 2020 12:01 AM			
	...amongst other attributes.		
	Jo Ross		
February 4, 2020 12:04 AM			
			By the way, in case it comes up, or in case you might wonder... although i have a lot of appreciation for Cherie, my interest has always been very casual.
			Nathan McKnight
February 4, 2020 12:09 AM			
	Your level of interest in any human is of no interest to me. That sounds flippant, because we are messaging, but it is not meant to be so at all. Unless I am causing someone else I care for negative feelings or problems, I am content to focus on whomever I'm interacting with and have no concerns outside of that. I'm not sure if that response is relevant to what you meant, but it is an accurate statement regardless.		
	Jo Ross		

February 4, 2020 12:11 AM			
			No worries. I was just trying to undercut any temptation there might be to make comparisons. :)
			Nathan McKnight
February 4, 2020 12:19 AM			
	I don't tend to keep track of hypothetical or conceived hierarchies when it comes to poly relationships aside from NPs. That's why I was slightly perplexed by the previous situation I shared. I am new to this particular group of friends and don't want to cross any underlying boundaries.		
	Jo Ross		
February 4, 2020 12:27 AM			
			Yeah, to me each relationship is it's own organism.
			Nathan McKnight
February 4, 2020 12:30 AM			
	Exactly		
February 4, 2020 12:32 AM			
	The only time I make note of "levels" of relationships outside of an original partnership (if it exists) is if a potential partner goes out of their way to make a note of it and its nature.		
	Jo Ross		
February 4, 2020 12:32 AM			
			I haven't quite had to deal with too many relationships between relationships, so trying to determine who might feel how about what is something I'm trying to be sensitive to because my instinct is if there's a thing here it shouldn't have influence in or be influenced by other things elsewhere. But I know that's not realistic
February 4, 2020 12:37 AM			
			With the exception of my primary partner, I think more in terms of styles or qualities of relationships rather than levels. And such qualities aren't really equatable to one another. I guess what I'm getting at is... I don't think of relationships as falling into categories like "in-group poly secondary" and "out-group poly primary", etc. I think in terms of this is what I have with this person, and that is what I have with that person
			Nathan McKnight
February 4, 2020 12:41 AM			
	We are very much on the same page. My initial response was confusion, but it does make sense. Sometimes it's difficult to keep in mind that everyone functions in a different way, and quantifies their relationships differently. I tend to think of things on more of a pragmatic than emotional level, (although each relationship has levels of emotion) and often that does not line up with other people's approach and I have to check myself.		
February 4, 2020 12:41 AM			

	I am tripping over my own words at this point...		
	Jo Ross		
February 4, 2020 12:41 AM			
			Yeah, same here lol
			Nathan McKnight
February 4, 2020 12:45 AM			
	I hope none of what I've said has come across as calloused.		
	Jo Ross		
February 4, 2020 12:45 AM			
			Not at all.
			Nathan McKnight
February 4, 2020 12:46 AM			
	Ah. Good.		
February 4, 2020 12:50 AM			
	Not to totally change the subject, but I've looked at your photo again and decided that you have the eyes of a hunting cat.		
	Jo Ross		
February 4, 2020 12:50 AM			
			You feeling like a rabbit again!
February 4, 2020 12:51 AM			
			?
			Nathan McKnight
February 4, 2020 12:51 AM			
	Ha!		
	Jo Ross		
February 4, 2020 12:51 AM			
			And which photo I might ask
			Nathan McKnight
February 4, 2020 12:55 AM			
	That statement was not necessarily meant to serve as a personal reference, although it would work. You just have the gaze of something that has focused on a target it has every intention of...		
February 4, 2020 12:56 AM			
	Consuming?		
February 4, 2020 12:56 AM			
	Doing whatever it wants to do, I suppose.		
February 4, 2020 12:57 AM			
	Jo Ross		
February 4, 2020 12:57 AM			
			You don't have the eyes of a rabbit. You have a magnificent eyes... but I haven't pinpointed what part of the animal kingdom they come from...
			Nathan McKnight
February 4, 2020 12:57 AM			
	Perhaps I'm my own animal.		
	Jo Ross		
February 4, 2020 12:58 AM			

			A unique quarry
			Nathan McKnight
February 4, 2020 12:59 AM			
	If I had to assign a particular hunting cat, I think for you, I might pick a panther.		
	Jo Ross		
February 4, 2020 12:59 AM			
			I can identify
February 4, 2020 12:59 AM			
			Maybe an ocelot
			Nathan McKnight
February 4, 2020 12:59 AM			
	Lol the messenger app is now attempting to help me search showtimes for the movie Cats.		
	Jo Ross		
February 4, 2020 1:00 AM			
			Hahahah
			Nathan McKnight
February 4, 2020 1:00 AM			
	Oh, yes. An ocelot fits as well.		
	Jo Ross		
February 4, 2020 1:00 AM			
			Jo Ross
			Thanks Facebook! Always so helpful
			Nathan McKnight
February 4, 2020 1:02 AM			
	Hm. Well, I may turn in. I'll put that video in my pocket.		
	Jo Ross		
February 4, 2020 1:02 AM			
			Well, maybe you'll get to see my gaze find a suitable target one of these days
February 4, 2020 1:02 AM			
			Sleep tight
February 4, 2020 1:02 AM			
			You could put that video in my pocket
February 4, 2020 1:03 AM			
			Speaking of targeted gazes
			Nathan McKnight
February 4, 2020 1:03 AM			
	We will see. Maybe as a prize for one of your wildly entertaining games...		
February 4, 2020 1:03 AM			
	But only if you win, of course.		
	Jo Ross		
February 4, 2020 1:04 AM			
			I'll have to make sure I cheat next time ;)
			Nathan McKnight
February 4, 2020 1:04 AM			
	I'll know!		

	Jo Ross		
February 4, 2020 1:04 AM			
			You want to share it... I can tell... I think you just want something in return
			Nathan McKnight
February 4, 2020 1:05 AM			
	It's definitely a three pepperoni video.		
February 4, 2020 1:06 AM			
	I want to take this opportunity to say how much I like the level of ridiculousness there is to that particular bit of shared vocabulary we've cultivated.		
	Jo Ross		
February 4, 2020 1:06 AM			
			Jo Ross
			Wait, that's like .3 pepperonis off the charts
			Nathan McKnight
February 4, 2020 1:06 AM			
	I KNOW		
February 4, 2020 1:06 AM			
	I'm now stifling audible giggling		
	Jo Ross		
February 4, 2020 1:06 AM			
			I'll give you a few pepperonis off the chart
			Nathan McKnight
February 4, 2020 1:06 AM			
	Oh my...		
February 4, 2020 1:07 AM			
	I'm blushing again		
February 4, 2020 1:07 AM			
	And giggling		
	Jo Ross		
February 4, 2020 1:07 AM			
			I can't blush.... all the blood is occupied elsewhere
			Nathan McKnight
February 4, 2020 1:08 AM			
	Ugh. I made that sound.		
	Jo Ross		
February 4, 2020 1:08 AM			
			We did it in stereo then :D
			Nathan McKnight
February 4, 2020 1:08 AM			
	Mine does not sound like yours, but it is somehow the same sound.		
	Jo Ross		
February 4, 2020 1:08 AM			
			Oh, I want to hear it so bad
			Nathan McKnight
February 4, 2020 1:10 AM			

	Speaking of, just so you know... I am going to listen to the file you sent. With my eyes closed. And I am going to make that sound.		
	Jo Ross		
February 4, 2020 1:12 AM			
			I'm just astonished right now how a simple text has managed to make me hard as a rock
			Nathan McKnight
February 4, 2020 1:12 AM			
	I like that you typed that several times before you thought of something to send.		
February 4, 2020 1:13 AM			
	Goodnight.		
	Jo Ross		
February 4, 2020 1:14 AM			
			A well-placed word and I'd probably be dripping precum
February 4, 2020 1:14 AM			
			Have fun. I certainly will
			Nathan McKnight
February 4, 2020 1:14 AM			
	You're not?		
	Jo Ross		
February 4, 2020 1:14 AM			
			Yet
			Nathan McKnight
February 4, 2020 1:15 AM			
	You're tempting me to send the video in my pocket.		
	Jo Ross		
February 4, 2020 1:15 AM			
			That sound
			Nathan McKnight
February 4, 2020 1:15 AM			
	Same.		
	Jo Ross		
February 4, 2020 1:16 AM			
			I mean, I was literally just touching myself looking at your three dots as you typed
			Nathan McKnight
February 4, 2020 1:16 AM			
	Are you still?		
	Jo Ross		
February 4, 2020 1:16 AM			
			Jo Ross
			Well, the dots went away
			Nathan McKnight
February 4, 2020 1:17 AM			
	You're not supposed to make me laugh while I'm preoccupied.		
	Jo Ross		
February 4, 2020 1:17 AM			

			Just have to find a way to keep your mouth occupied with other things I guess
			Nathan McKnight
February 4, 2020 1:18 AM			
	I have the resources to do that, you know...		
	Jo Ross		
February 4, 2020 1:18 AM			
			I'm sure
			Nathan McKnight
February 4, 2020 1:18 AM			
	And what do you think of that?		
	Jo Ross		
February 4, 2020 1:18 AM			
			Depends on the resource.
			Nathan McKnight
February 4, 2020 1:19 AM			
	Expand		
	Jo Ross		
February 4, 2020 1:19 AM			
			Mostly... the options are sound inducing
February 4, 2020 1:19 AM			
			Well, are we talking... natural or human-made resource
			Nathan McKnight
February 4, 2020 1:20 AM			
	That is up to you.		
	Jo Ross		
February 4, 2020 1:22 AM			
			Oh, I see. We're looking for a gag I take it? Or more of a gag... reflex?
February 4, 2020 1:24 AM			
			Because that's more what I had in mind
			Nathan McKnight
February 4, 2020 1:25 AM			
	I think we may be thinking the same thing.		
	Jo Ross		
February 4, 2020 1:26 AM			
			Oh, there's that precum
			Nathan McKnight
February 4, 2020 1:26 AM			
	You have made me decidedly terrible at going to bed, Sir.		
	Jo Ross		
February 4, 2020 1:26 AM			
			I wouldn't want to harm your sleep cycle
			Nathan McKnight
February 4, 2020 1:27 AM			
	But what about other things?		
	Jo Ross		
February 4, 2020 1:27 AM			
			I might do a bit of harm if you fight back
			Nathan McKnight

February 4, 2020 1:27 AM			
	I mean... I would.		
	Jo Ross		
February 4, 2020 1:28 AM			
			Jo Ross
			That's the spirit.
February 4, 2020 1:28 AM			
			And if out mass and out muscle you...
February 4, 2020 1:29 AM			
			Because you're kind of a tiny creature
February 4, 2020 1:30 AM			
			I'd just track you by your pheromones and pounce
			Nathan McKnight
February 4, 2020 1:31 AM			
	I believe you have an email.		
	Jo Ross		
February 4, 2020 1:31 AM			
			I wish you could see my face
			Nathan McKnight
February 4, 2020 1:31 AM			
	So do I.		
	Jo Ross		
February 4, 2020 1:32 AM			
			I fully intend to see some of your many faces
			Nathan McKnight
February 4, 2020 1:32 AM			
	Non sexy disclaimer: I may have accidentally sat on my dog in that video.		
February 4, 2020 1:33 AM			
	Sexy disclaimer: some of my many faces are in that video.		
	Jo Ross		
February 4, 2020 1:33 AM			
			Jo Ross
			Damnit, I wasn't expecting a snuff film!
February 4, 2020 1:33 AM			
			Oh. Ok, worth it
February 4, 2020 1:34 AM			
			Were any rabbits harmed in the making?
			Nathan McKnight
February 4, 2020 1:34 AM			
	Also, apparently laughing while also being on the verge of getting off is a regular occurrence with you. I will keep this in mind moving forward.		
	Unfortunately not.		
	Jo Ross		
February 4, 2020 1:35 AM			

			Hahah. I like the idea of overwhelming you with several uncontrollable urges at once
February 4, 2020 1:36 AM			
			Hmmmm. No video *pout*
			Nathan McKnight
February 4, 2020 1:36 AM			
	I am somehow often a victim to that sort of thing.		
	Jo Ross		
February 4, 2020 1:36 AM			
			Lucky you
			Nathan McKnight
February 4, 2020 1:37 AM			
	It is in my mailbox of sent items. Perhaps the file is large enough that you will just have to wait for it to come through. It is roughly four minutes long.		
February 4, 2020 1:37 AM			
	Hm. That's so sad for you. I'm watching it now.		
	Jo Ross		
February 4, 2020 1:38 AM			
			You're killing me
			Nathan McKnight
February 4, 2020 1:38 AM			
	Slowly? I hope slowly.		
	Jo Ross		
February 4, 2020 1:39 AM			
			What email did I send that audio from?
			Nathan McKnight
February 4, 2020 1:39 AM			
	Ha!		
February 4, 2020 1:39 AM			
	Hm...		
February 4, 2020 1:39 AM			
	Gosh, I don't know.		
	Jo Ross		
February 4, 2020 1:39 AM			
			You brat
			Nathan McKnight
February 4, 2020 1:39 AM			
	It's a mystery		
February 4, 2020 1:40 AM			
	We'll never know.		
February 4, 2020 1:40 AM			
	Sad		
	Jo Ross		
February 4, 2020 1:40 AM			
			That's a hard spanking
			Nathan McKnight

February 4, 2020 1:40 AM			
	You're catching on.		
February 4, 2020 1:40 AM			
	Good job		
	Jo Ross		
February 4, 2020 1:40 AM			
			And maybe some butt stuff
			Nathan McKnight
February 4, 2020 1:40 AM			
	Only if you win it		
	Jo Ross		
February 4, 2020 1:41 AM			
			"you in it" is exactly what you'll be saying
			Nathan McKnight
February 4, 2020 1:42 AM			
	I cannot believe I sent you this video. I'm watching it. Good lord.		
	Jo Ross		
February 4, 2020 1:42 AM			
			Jo Ross
			Oh god, I can't wait
			Nathan McKnight
February 4, 2020 1:43 AM			
	Wanna screenshot?		
	Jo Ross		
February 4, 2020 1:43 AM			
			I do
February 4, 2020 1:44 AM			
			And I found it, but I don't see an attachment
			Nathan McKnight
February 4, 2020 1:45 AM			
	Oh dear.		
February 4, 2020 1:45 AM			
	Now what will you do?		
February 4, 2020 1:45 AM			
February 4, 2020 1:45 AM			
February 4, 2020 1:46 AM			
	I definitely sent the attachment.		
	Jo Ross		
February 4, 2020 1:46 AM			
			I might have a hard time cleaning my phone
			Nathan McKnight
February 4, 2020 1:46 AM			
	Psh.		
	Jo Ross		
February 4, 2020 1:46 AM			
			Very nice

February 4, 2020 1:47 AM			
			So... Dropbox?
			Nathan McKnight
February 4, 2020 1:47 AM			
	Did you find the video?		
February 4, 2020 1:47 AM			
	No?		
	Jo Ross		
February 4, 2020 1:47 AM			
			Ah... looks like it's still downloading
February 4, 2020 1:48 AM			
			I want that pepperoni
			Nathan McKnight
February 4, 2020 1:49 AM			
	Shit. I really did send it, but the outcome of it disappearing into some Bermuda Triangle of the email abyss was going to work heavily in favor of me being a total brat.		
February 4, 2020 1:49 AM			
	I cannot believe I sent you that		
	Jo Ross		
February 4, 2020 1:50 AM			
			Yeah, I'm relishing your bashfulness now at least as much as you're relishing torturing me
February 4, 2020 1:50 AM			
			I can't wait to record the sound.
			Nathan McKnight
February 4, 2020 1:50 AM			
	Um... once you watch that my bashfulness will be a weak facade.		
	Jo Ross		
February 4, 2020 1:51 AM			
			Of course, all the other ones were just an imitation you know
			Nathan McKnight
February 4, 2020 1:52 AM			
	Oh, I'm well aware that once I actually hear the sound, it will it be the same as the one you sent me in your very alluring audio file. I was actually thinking that as I listened to it.		
February 4, 2020 1:52 AM			
	*not		
	Jo Ross		
February 4, 2020 1:53 AM			
			Nope, looks like it you won't get to hear the real thing because it doesn't seem to have come through
			Nathan McKnight
February 4, 2020 1:53 AM			

	The only thing that seems better than actually hearing the sound, is the way it will sound when I stifle it.		
	Jo Ross		
February 4, 2020 1:54 AM			
			And what, pray tell did you have in mind
			Nathan McKnight
February 4, 2020 1:54 AM			
	Don't worry. I would do it nicely. The way I say please. With my mouth.		
	Jo Ross		
February 4, 2020 1:56 AM			
			That's not as dirty as I was hoping for.... but exactly what I want most
February 4, 2020 1:56 AM			
			Wait, wait...
February 4, 2020 1:56 AM			
			I was asking how you planed to stifle... not how you planned to elicit
			Nathan McKnight
February 4, 2020 1:58 AM			
	I can do it any way you'd like. But the idea of you breathing hard, and making that sound, and me covering your mouth with mine, just as you cum, and causing you to attempt to hold it in, because you would, and struggling to do so, is quite satisfying to think about.		
	Jo Ross		
February 4, 2020 1:59 AM			
			Mmmmmm. I don't have words to reply properly. But you've got all of my spidey senses activated
			Nathan McKnight
February 4, 2020 2:01 AM			
	Another thing that is satisfying to think about is how it is very likely that the next time we see each other it will be in a crowded room at a party, and we will smile at each other and say hello and kiss, and it is likely that no one will know about any of this.		
February 4, 2020 2:01 AM			
	A casual hello that is not so casual to those giving it to each other.		
	Jo Ross		
February 4, 2020 2:02 AM			
			Well... it might be very hard to make that kiss look casual
			Nathan McKnight
February 4, 2020 2:02 AM			
	Perhaps.		
February 4, 2020 2:02 AM			
	Hard to say, really.		
	Jo Ross		

February 4, 2020 2:02 AM

So hard

Nathan McKnight

February 4, 2020 2:02 AM

Exactly

Jo Ross

February 4, 2020 2:03 AM

I mean, in the circles we run in, we could probably get away with a pretty elaborate greeting....

February 4, 2020 2:04 AM

Without making anybody anything other than perhaps horny

Nathan McKnight

February 4, 2020 2:04 AM

So you never got my video? Or are you giving me a feigned win?

This is true.

Jo Ross

February 4, 2020 2:05 AM

Nope, it doesn't seem to be attached

February 4, 2020 2:05 AM

Try nathanjbellomy@gmail.com

Nathan McKnight

February 4, 2020 2:05 AM

Because as a general rule, I don't like being let to win. I suppose win isn't the right term.

Jo Ross

February 4, 2020 2:05 AM

I have no idea how iCloud mail works.

Nathan McKnight

February 4, 2020 2:06 AM

Ah, that is the one I used

February 4, 2020 2:06 AM

Oh wait, I'm the one I sent it to is the iCloud one

Jo Ross

February 4, 2020 2:07 AM

I apparently sent you the audio from my phone, so your reply came via iCloud, which

February 4, 2020 2:10 AM

Must be a big video. No attachment shown

February 4, 2020 2:11 AM

I bet your server has some kind of limit

Nathan McKnight

February 4, 2020 2:11 AM

Too bad. I tried.

Jo Ross

February 4, 2020 2:12 AM

Jo Ross

			Do you think anyone would mind if, in lieu of a geeeting, we just recreated it next time we meet
			Nathan McKnight
February 4, 2020 2:13 AM			
	They might.		
	Jo Ross		
February 4, 2020 2:13 AM			
			I'm starting to suspect you're pulling my leg
February 4, 2020 2:13 AM			
			This really requires extra punishment.
			Nathan McKnight
February 4, 2020 2:14 AM			
	I am absolutely not. But I am grinning.		
February 4, 2020 2:14 AM			
	Jo Ross		
February 4, 2020 2:14 AM			
			I'd kill just to hear the audio at this point
			Nathan McKnight
February 4, 2020 2:15 AM			
	Huh. It really is sad.		
	Jo Ross		
February 4, 2020 2:15 AM			
			It looks like you were having fun there
			Nathan McKnight
February 4, 2020 2:15 AM			
	Well, as a condolence, the audio is whatever music was playing at the moment.		
February 4, 2020 2:16 AM			
	I'm afraid you'd have to hear the sound in person. My apologies.		
	Jo Ross		
February 4, 2020 2:17 AM			
			I'm just going to have to make sure I win when I see you next. And then I shall exact my revenge
			Nathan McKnight
February 4, 2020 2:17 AM			
	I'm not a loud person. But there is a sound.		
	Jo Ross		
February 4, 2020 2:17 AM			
			Oh, that's adorable
			Nathan McKnight
February 4, 2020 2:18 AM			
	Oh. It's not adorable.		
	Jo Ross		
February 4, 2020 2:18 AM			
			Oh yeah? What adjective would you use?
			Nathan McKnight
February 4, 2020 2:18 AM			
	It is adorable until it is not.		
	Jo Ross		
February 4, 2020 2:19 AM			

		Oh, that's even better
February 4, 2020 2:19 AM		
		Watching your cute face turn to.... pained?
		Nathan McKnight
February 4, 2020 2:20 AM		
	It is... it is not adorable. It turns into something else. I've had it described to me and the words adorable were not used.	
February 4, 2020 2:20 AM		
	Well.. the word.	
February 4, 2020 2:20 AM		
	Look at me worrying over grammar.	
	Jo Ross	
February 4, 2020 2:20 AM		
		Or words.... without much ado, rabble
		Nathan McKnight
February 4, 2020 2:21 AM		
	Thank you.	
	Jo Ross	
February 4, 2020 2:21 AM		
		Yeh. You're going to have to sit on adorable edge of the abyss for a good long time before I let you cum.
February 4, 2020 2:22 AM		
		Remember that audio...
February 4, 2020 2:22 AM		
		That's about three licks worth.
February 4, 2020 2:22 AM		
		This can be maintained for hours
		Nathan McKnight
February 4, 2020 2:22 AM		
	You're awful confident of how well you can resist your own vices... Sir.	
	Jo Ross	
February 4, 2020 2:23 AM		
		See... that is my vice
		Nathan McKnight
February 4, 2020 2:23 AM		
	Oh I'm aware. I may not have been as quick to say so, but I think I may have very well have you pegged.	
	Jo Ross	
February 4, 2020 2:24 AM		
		I might hurt you a little, if you ask nicely.... but the real torture has nothing to do with pain
February 4, 2020 2:24 AM		
		Jo Ross
		Lol! *blush*

			Nathan McKnight
February 4, 2020 2:25 AM			
	I'm afraid you may be the victim of this statement far beyond what I will be.		
	Jo Ross		
February 4, 2020 2:25 AM			
			Ohhh just you try....
			Nathan McKnight
February 4, 2020 2:26 AM			
	You're going to be so... so... sorry.		
February 4, 2020 2:26 AM			
	As in, I may make you apologize.		
	Jo Ross		
February 4, 2020 2:26 AM			
			Those aren't tears of sorrow
			Nathan McKnight
February 4, 2020 2:26 AM			
	Very nicely.		
February 4, 2020 2:26 AM			
	Politely.		
February 4, 2020 2:26 AM			
	And say please.		
	Jo Ross		
February 4, 2020 2:27 AM			
			Hmmm. We'll see who's the master torturer
			Nathan McKnight
February 4, 2020 2:27 AM			
	May I ask, do you know how to say pleas and thank you?		
	Jo Ross		
February 4, 2020 2:27 AM			
			You didn't ask whether you were allowed to ask, young lady
			Nathan McKnight
February 4, 2020 2:28 AM			
	I don't. Unless I'm made to. So. Do you?		
	Jo Ross		
February 4, 2020 2:28 AM			
			Depends on my mood.
			Nathan McKnight
February 4, 2020 2:29 AM			
	Evasiveness? Hm.		
	Jo Ross		
February 4, 2020 2:29 AM			
			I know how to make you say please and thank you
			Nathan McKnight
February 4, 2020 2:30 AM			
	That is not what I asked.		
	Jo Ross		
February 4, 2020 2:31 AM			

			This little verbal tête-â-tête is all very amusing.... but when it comes to brute force....
			Nathan McKnight
February 4, 2020 2:32 AM			
	Oh I'm fully aware that this dynamic will go in whatever direction you make it go. Just testing the waters. If you want to put me in my place I'm fine with that. But you'll have to put me there. It's the switch in me.		
	Jo Ross		
February 4, 2020 2:33 AM			
			I could wrap my fingers all the way around any of your limbs. And probably both wrists in one hand
			Nathan McKnight
February 4, 2020 2:34 AM			
	But you've forgotten...		
February 4, 2020 2:34 AM			
	I'm scrappy.		
	Jo Ross		
February 4, 2020 2:34 AM			
			I have several places I may put you.
			Nathan McKnight
February 4, 2020 2:34 AM			
	You'll have to do it, though.		
	Jo Ross		
February 4, 2020 2:34 AM			
			Jo Ross
			And I'm scooby ;P
February 4, 2020 2:34 AM			
			Oh, do it I will
			Nathan McKnight
February 4, 2020 2:35 AM			
	Have you gotten that email yet?		
February 4, 2020 2:35 AM			
	No?		
February 4, 2020 2:35 AM			
	Sad.		
February 4, 2020 2:35 AM			
	... just out of curiosity.		
February 4, 2020 2:35 AM			
	Are you frustrated yet?		
	Jo Ross		
February 4, 2020 2:35 AM			
			Let me just say.... those little pink undies the other day didn't look like they would provide much of an impediment....
			Nathan McKnight
February 4, 2020 2:36 AM			
	Oh I'm not relying on those.		

	Jo Ross		
February 4, 2020 2:36 AM			
			Good, because they're coming off immediately
			Nathan McKnight
February 4, 2020 2:37 AM			
	Says you. You'll have to get them off.		
February 4, 2020 2:37 AM			
	Those are purely pretense		
	Jo Ross		
February 4, 2020 2:37 AM			
			Oh, you think this is frustration. Awww. I think you've misread me
			Nathan McKnight
February 4, 2020 2:38 AM			
	You made me giggle again.		
	Jo Ross		
February 4, 2020 2:38 AM			
			I'll make you giggle and wiggle and all sorts of fun things
February 4, 2020 2:38 AM			
			Whether you like it or not
			Nathan McKnight
February 4, 2020 2:38 AM			
	I'm hoping so.		
February 4, 2020 2:40 AM			
	Okay, now I really actually have to go to sleep. In fifteen minutes... But I have to say goodnight now.		
	Jo Ross		
February 4, 2020 2:40 AM			
			Oh, I'm sure you're hatching plans now
			Nathan McKnight
February 4, 2020 2:40 AM			
	I might be.		
	Jo Ross		
February 4, 2020 2:41 AM			
			Lol. Ok. Goodnight. If you make any interesting noises in the next fifteen minutes, record them for me. If you would be so kind
			Nathan McKnight
February 4, 2020 2:41 AM			
	I would, but you probably wouldn't get the attachment.		
	Jo Ross		
February 4, 2020 2:41 AM			
			Jo Ross
			Wan wah
February 4, 2020 2:41 AM			
			You're just stacking up debts little rabbit
			Nathan McKnight
February 4, 2020 2:42 AM			

	Maybe it'll come through in the night and you'll wake up to it?		
February 4, 2020 2:42 AM			
	Perhaps...		
February 4, 2020 2:42 AM			
	I'm okay with it.		
	Jo Ross		
February 4, 2020 2:42 AM			
			Hhhhhhhhh
			Nathan McKnight
February 4, 2020 2:42 AM			
	The sound... ?		
February 4, 2020 2:43 AM			
	That reminds me. I have a podcast to listen to while I fall asleep...		
	Jo Ross		
February 4, 2020 2:43 AM			
			One of many, my dear. One of many
			Nathan McKnight
February 4, 2020 2:43 AM			
	Goodnight, Sir.		
	Jo Ross		
February 4, 2020 2:45 AM			
February 4, 2020 2:46 AM			
			Don't forget, you promised a three pepperoni video tonight. So... I think that's at least a fifteen pepperoni picture
February 4, 2020 2:46 AM			
			The math works out
			Nathan McKnight
February 4, 2020 2:49 AM			
	Ah, but I did my part. The Internet seems to have failed us.		
	Jo Ross		
February 4, 2020 2:50 AM			
			Where there's a will...
			Nathan McKnight
February 4, 2020 2:50 AM			
	But fifteen pepperonis is beyond the scope of man!		
	Jo Ross		
February 4, 2020 2:51 AM			
			My dost thou protest. Fifteen point five now.
February 4, 2020 2:52 AM			
			There's always another pepperoni higher
			Nathan McKnight
February 4, 2020 2:53 AM			

	See what your inbox looks like in the morning. I'll submit your request to the board		
	Jo Ross		
February 4, 2020 2:55 AM			
			Hahaha. Ok. Take a vote. But I'm really looking forward to that 15 pep pic. We're talking hard core. Embarrassing. Bodily fluids where they don't belong. Props.
			Nathan McKnight
February 4, 2020 2:55 AM			
	I might have something...		
February 4, 2020 2:55 AM			
	We'll take a vote. I'll let you know how it goes. Lol		
	Jo Ross		
February 4, 2020 2:56 AM			
			Get your ass in bed
			Nathan McKnight
February 4, 2020 2:57 AM			
	Yes Sir		
	Jo Ross		
February 4, 2020 2:57 AM			
			Good rabbit
February 4, 2020 3:01 AM			
			A 12 Peperoni pic says you don't make it all the way to the end, btw
February 4, 2020 11:25 PM			
			Spoink
			Nathan McKnight
February 5, 2020 8:09 AM			
	Ghesundheit		
February 5, 2020 8:12 AM			
	Did you have a fair evening yesterday? I'm afraid I worked overtime and crashed shortly after my late arrival home.		
	Jo Ross		
February 5, 2020 9:57 AM			
			I did. Sorry for keeping you up so late!
February 5, 2020 9:58 AM			
			I'm taking a sick day today just to get my sleep cycle back on track
February 5, 2020 10:27 AM			
			Jo Ross
			".....it's whom!"
			"Who's in my bed??"
			Oh... I just realized. You might be my first opportunity to put into practice the strict grammarian routine.
			Nathan McKnight
February 5, 2020 7:17 PM			

Oh how I envy you for this comment.

February 5, 2020 7:18 PM

I am, for the first time today, sitting down and not driving or lifting very heavy things.

February 5, 2020 7:19 PM

I also apologize for keeping you up so late. I believe it may have been a collaborative endeavor.

Jo Ross

February 5, 2020 9:15 PM

Jo Ross

Well, in that case, I'm going to have to put "keeping me up late" on the naughty list

Nathan McKnight

February 6, 2020 6:38 PM

I think your list is going to end up being quite long. Possibly never ending.

February 6, 2020 6:39 PM

I believe I must have a slight cold. Last night I fell asleep at nine. Cherie and I are supposed to venture out tomorrow night. I hope I can keep up.

Jo Ross

February 6, 2020 7:53 PM

Already is...

February 6, 2020 7:53 PM

Everybody at work is sick, Leah and Liz got sick...

February 6, 2020 7:55 PM

I could give you my home remedy. But Theraflu is probably more effective as long as you aren't drinking alcohol for a couple days :)

Nathan McKnight

February 7, 2020 8:42 AM

Apparently I look like I'm dying. My boss just sent me home and told me to "stop touching things"

February 7, 2020 8:42 AM

I have not cancelled with Cherie. I am still functioning under the delusion that I can go out tonight.

Jo Ross

February 7, 2020 8:43 AM

Jo Ross

Oh no. I'm sorry to hear that. And also happy snow day. ...did you ask your boss if they'll pay for levitation lessons!

Nathan McKnight

February 7, 2020 8:44 AM

I couldn't for fear that speaking would cause him to spray me with Lysol.

	Jo Ross		
February 7, 2020 2:39 PM			
			So, you're home alone, I take it?
February 7, 2020 2:40 PM			
			;)
			Nathan McKnight
February 7, 2020 2:41 PM			
	I am mostly. There is one small human somewhere in the house, but they are, no doubt, attached to some screen wielding device		
February 7, 2020 2:41 PM			
	Oooo!		
February 7, 2020 2:41 PM			
	I CAN LISTEN TO YOUR AUDIO RECORDING		
	Jo Ross		
February 7, 2020 2:41 PM			
February 7, 2020 2:42 PM			
			Have you gotten all the way through it yet?
February 7, 2020 2:42 PM			
			Lol... Incidentally I've been
			Nathan McKnight
February 7, 2020 2:43 PM			
	....		
	Jo Ross		
February 7, 2020 2:43 PM			
			Sorry, hit return to fast
			Nathan McKnight
February 7, 2020 2:43 PM			
	We all do it		
	Jo Ross		
February 7, 2020 2:44 PM			
			I've been setting up airplay for the monitors in the film center to play the Oscars on Sunday… So I've had to be very careful not to accidentally click on the wrong media file...
February 7, 2020 2:44 PM			
			I should say, any of the wrong files
February 7, 2020 2:46 PM			
			Embarrassing. It usually takes me quite a long time to... hit the send button. As you will no doubt have noticed.
			Nathan McKnight
February 7, 2020 2:49 PM			
	Oh my. Expand on the other "files"		
February 7, 2020 2:49 PM			
	Are you at work at the moment?		

February 7, 2020 3:33 PM			
	Almost.		
February 7, 2020 3:34 PM			
	I believe I caved somewhere around “an actual arc of snapping static if I go any further”		
	Jo Ross		
February 7, 2020 3:42 PM			
			Yes!
February 7, 2020 3:42 PM			
			I think you’ve got a ways to go. I added a little at the end from what I wrote
February 7, 2020 3:43 PM			
			And also, yes. (No exclamation point.)
			Nathan McKnight
February 7, 2020 3:43 PM			
	Oh I listened to the rest. It appears to be a “to be continued” story.		
	Jo Ross		
February 7, 2020 3:44 PM			
			Oh, you know the exactly the media files I’m talking about
February 7, 2020 3:44 PM			
			Lucky for you you didn’t send that video... yet ;)
			Nathan McKnight
February 7, 2020 3:45 PM			
	How does it make you feel that you are going about your workday while someone is lying under warm blankets listening to the growl of your low voice and breathing hard?		
	Jo Ross		
February 7, 2020 3:45 PM			
			But of course. Gotta have a cliffhanger
February 7, 2020 3:46 PM			
			Mmmmmmm. Well, now that I have a second to reflect, it’s staring make me.... the last word of of your question
			Nathan McKnight
February 7, 2020 3:46 PM			
	Good.		
	Jo Ross		
February 7, 2020 3:48 PM			
			At the moment, I am heading out to pick up some stuff from the electronics store… Maybe I’ ll listen to that recording i made on the way. Haven’t listen to it since I made it
			Nathan McKnight
February 7, 2020 3:52 PM			
	It’s a good recording...		
February 7, 2020 3:52 PM			
	I can attest		

	Jo Ross		
February 7, 2020 3:54 PM			
			Well, I hope it's... effective anyway.
			Nathan McKnight
February 7, 2020 3:54 PM			
	It was quite effective		
	Jo Ross		
February 7, 2020 3:55 PM			
			Full disclosure, I think that was the eighth take. And there still a couple of things that bothered me about it. I like to take my time and make sure I get the details the way I want them.
February 7, 2020 3:59 PM			
			… Once I got it all pinned down, bound up nice and tight, I had to work it over thoroughly until I was almost almost there. And then start over again, It's on getting it a little closer
February 7, 2020 4:01 PM			
			*each time
			Nathan McKnight
February 7, 2020 4:03 PM			
	You, sir, sound like me.		
February 7, 2020 4:03 PM			
	I am also choosing to apply that description to dirty innuendos as well		
	Jo Ross		
February 7, 2020 4:03 PM			
			That makes me feel all warm and gooey inside
February 7, 2020 4:03 PM			
			Among other feelings
			Nathan McKnight
February 7, 2020 4:04 PM			
	So, if I'm not mistaken, I believe I recall you mentioning something about air drop?		
	Jo Ross		
February 7, 2020 4:05 PM			
			But of course I know that…
February 7, 2020 4:05 PM			
			I did.
February 7, 2020 4:05 PM			
			There's also Dropbox
			Nathan McKnight
February 7, 2020 4:06 PM			
	Although I feel a bit sheepish, because I fear the hesitation has lead to an unfounded level of anticipation on your part to which I can't properly deliver		
	Jo Ross		
February 7, 2020 4:08 PM			

			But I have no doubts as to your ability to deliver, and I'm pretty forgiving. If at first you don't succeed...
			Aww. Isn't it always that way?
			Nathan McKnight
February 7, 2020 4:09 PM			
	Ah, in that case, let me see what I can do.		
February 7, 2020 4:09 PM			
	How long will you be on this work errand?		
	Jo Ross		
February 7, 2020 4:17 PM			
			Maybe an hour.
			Nathan McKnight
February 7, 2020 4:52 PM			
	Just please keep in mind no animals were actually harmed in the making of that film.		
	Well, I'd say I can't believe I sent that, but I sent it numerous times. So..		
	Jo Ross		
February 7, 2020 5:41 PM			
			I like the way you move.
February 7, 2020 5:42 PM			
			I might have to leave work a little early to take a closer look ;)
			Nathan McKnight
February 7, 2020 6:02 PM			
	It's embarrassing. Let's never talk about it again.		
	Jo Ross		
February 7, 2020 6:11 PM			
			So, does that mean the next time I see you, I will get to see you blush right away? Because you know exactly what I will be thinking about...
			Nathan McKnight
February 7, 2020 6:12 PM			
	Aaaaaand I'm blushing		
February 7, 2020 6:12 PM			
	Fuck		
	Jo Ross		
February 7, 2020 6:16 PM			
			Damn, I had to stop at home to pick up some tools. I wonder if there's time to.....
			Nathan McKnight
February 7, 2020 6:16 PM			
	Tools...		
	Jo Ross		
February 7, 2020 6:16 PM			
			I handed you that ;)
February 7, 2020 6:20 PM			

			If this makes you blush, I'm worried about how you'd react to some of the things I have in mind... but that video is a work of art, and suspect you're capable of much, much more shameful things
			Nathan McKnight
February 7, 2020 6:21 PM			
	Did you just say you handed me your.. tools?		
	Jo Ross		
February 7, 2020 6:21 PM			
			Maybe if you ask nicely
			Nathan McKnight
February 7, 2020 6:21 PM			
	Are you planning to go to the thing cherie posted tonight?		
February 7, 2020 6:22 PM			
	I always ask nicely. For everything.		
	Jo Ross		
February 7, 2020 6:22 PM			
			I hadn't seen it. Not sure how late I'll have to work, but...
February 7, 2020 6:23 PM			
			If you ask for everything, you might get it
			Nathan McKnight
February 7, 2020 6:24 PM			
	I believe Adam and Patrick rsvp'd. I am cheries date, so I may not be able to be as social as if I' d gone alone, but if you happen to be there with a friend, we will probably see each other. Although, it may end up being not a very lively party. I've not heard of the DJ, so I don't know what to expect or how long we will stay.		
	Jo Ross		
February 7, 2020 6:26 PM			
			Hmm. I'm tempted.
February 7, 2020 6:26 PM			
			Likely I'll be working until 9 or so, and I know Liz is too busy to go out tonight
			Nathan McKnight
February 7, 2020 6:33 PM			
	Perhaps I can give you an update on how the night is going. I will be a bit sparkly, but if I keep my wits about me well enough I may send you a message. I don't hunk we will be arriving to the venue until closer to ten regardless.		
February 7, 2020 6:34 PM			
	Jason was too busy to attend as well.		
	Jo Ross		
February 7, 2020 6:41 PM			
			Alright, let me know. Looking unlikely, but if I can get a little work done, maybe I'll connect up with friends. I'd love to get a little sparkly myself. :)

February 7, 2020 6:42 PM			
			Feel free to send some action selfies if you like!
			Nathan McKnight
February 7, 2020 6:44 PM			
	I may be able to do that		
	Jo Ross		
February 7, 2020 6:45 PM			
			As long as you're not too embarrassed
			Nathan McKnight
February 7, 2020 6:46 PM			
	Lol well, I mean, I am. But I won't be when I do it. Just immediately after		
	Jo Ross		
February 7, 2020 6:52 PM			
			I hope you're feeling better by the way
			Nathan McKnight
February 7, 2020 7:18 PM			
	I'm drowning my illness in DayQuil and drugs like a big girl.		
February 7, 2020 7:18 PM			
	Thank you, though.		
	Jo Ross		
February 7, 2020 7:19 PM			
			Like a bad girl
			Nathan McKnight
February 7, 2020 7:20 PM			
	Ha! Yes. Exactly like a sick bad girl.		
	Jo Ross		
February 7, 2020 7:20 PM			
			Sicko
			Nathan McKnight
February 7, 2020 7:21 PM			
	Don't tell anyone		
	Jo Ross		
February 7, 2020 7:21 PM			
			I promise. But you'll know I know
			Nathan McKnight
February 7, 2020 7:21 PM			
	Oh. I want you to know.		
	Jo Ross		
February 7, 2020 7:31 PM			
			Well... I will say, my curiosity about what further twists you have in store is pretty high. So, I'll have to probe that subject in more depth sometime.
February 7, 2020 7:32 PM			
			Jo Ross
			Maybe I'll send *you*'a video later ;)
February 7, 2020 7:34 PM			
			...if you're out *really* late, maybe we can catch Saturday Morning Cartoons at the Film Center in the morning! :D

			Nathan McKnight
February 7, 2020 8:29 PM			
	I will definitely be up there all night. We got a hotel room. However, I don't know how much loitering I will be able to do tomorrow. I have a "interview" in which I will be going in to drive a split transmission dump truck for a potential job		
February 7, 2020 8:30 PM			
	By the end of the day, I should be evenly covered in glitter, rhinestones, Grease, and mud.		
	Jo Ross		
February 7, 2020 9:12 PM			
			You'll definitely get hired if you go in looking like that!
February 7, 2020 10:29 PM			
			https://www.youtube.com/watch?v=ZdQweZuxR3E
			https://m.youtube.com/watch?v=ZdQweZuxR3E
February 7, 2020 10:30 PM			
			That's a video—from me, to you.
			Nathan McKnight
February 7, 2020 10:50 PM			
	I can only imagine how entertaining that will be.		
February 7, 2020 10:50 PM			
	We are headed to Callahan's now. Princess and Patrick are meeting us as well		
	Jo Ross		
February 7, 2020 10:50 PM			
			Cool. I'm just leaving work
February 7, 2020 10:51 PM			
			You accepting datecrashers? ;)
			Nathan McKnight
February 7, 2020 10:52 PM			
	Apparently so		
February 7, 2020 10:56 PM			
	I told her I mentioned it told you about it and asked if you were coming		
	Jo Ross		
February 7, 2020 10:57 PM			
			Hmmm. I mean, I'm pretty exhausted. Been at work since 10am. But I can stay for a beer or two. Just don't tempt me to take an adderall... because I might.
February 7, 2020 10:57 PM			
			;)
			Nathan McKnight
February 7, 2020 11:02 PM			
	If I had one, I would definitely try to be a bad influence on you		

	Jo Ross		
February 7, 2020 11:04 PM			
			I do, but I wouldn't want to be the reason you didn't get the job…
February 7, 2020 11:08 PM			
			Alright, heading that way
			Nathan McKnight
February 7, 2020 11:26 PM			
	We're here		
	Jo Ross		
February 7, 2020 11:26 PM			
February 7, 2020 11:26 PM			
			Just found parking.
February 8, 2020 12:32 AM			
February 8, 2020 2:00 AM			
			All right, I'm going to grade in my car, on my phone. Let me know when you leave. If nobody gets an F, everybody gets an A
			Nathan McKnight
February 8, 2020 2:12 AM			
	Nathan!!		
February 8, 2020 2:14 AM			
	May we please take you to the hotel with us? It has WiFi and everyone is going to hang out there and you can grade your papers in a place where you can pee if you need to		
	Jo Ross		
February 8, 2020 2:15 AM			
			Hey. Just let me know when you are planning to leave
February 8, 2020 2:17 AM			
			And that's how long it'll take me to grade.
			Nathan McKnight
February 8, 2020 2:21 AM			
	Where is your car?		
	Jo Ross		
February 8, 2020 2:22 AM			
			I'm done. Heading back to the bar
February 8, 2020 10:41 AM			
			Wishing you a truck luck.
			Nathan McKnight
February 8, 2020 10:54 AM			
	Did you get a parking ticket?		
February 8, 2020 10:54 AM			
	Also, I have fantastic luck. They postponed until next week. Sick kids		
	Jo Ross		
February 8, 2020 10:54 AM			

			I did not.
February 8, 2020 10:54 AM			
			Nice!!
			Nathan McKnight
February 8, 2020 10:54 AM			
	It's going to be a fantastic day!		
	Jo Ross		
February 8, 2020 10:54 AM			
			Congratulations
			Nathan McKnight
February 8, 2020 10:54 AM			
	It appears I will be able to go home and curl up in the bed after all		
	Jo Ross		
February 8, 2020 10:55 AM			
			I tend to have very good luck. Maybe some of it rubbed off on you.
			Nathan McKnight
February 8, 2020 10:55 AM			
	Amongst other things…		
	Jo Ross		
February 8, 2020 10:55 AM			
			Indeed.
			Nathan McKnight
February 8, 2020 10:55 AM			
	By the way, You're absolutely covered in glitter		
	Jo Ross		
February 8, 2020 10:56 AM			
			Of course I am. I did mention my congenital luck, after all
			Nathan McKnight
February 8, 2020 10:57 AM			
	You did happen to land on your feet last night, didn't you?		
	Jo Ross		
February 8, 2020 10:57 AM			
			Jo Ross
			I'll take "words ending in '-genital'l for $200
			Nathan McKnight
February 8, 2020 10:57 AM			
	And I get to think about you sitting in your car giving everyone a B at 2 o'clock in the morning		
February 8, 2020 10:58 AM			
	Poor grace		
February 8, 2020 10:58 AM			
	What do you think poor Grace would say she knew why she got a B?		
February 8, 2020 10:58 AM			
	If		
	Jo Ross		
February 8, 2020 10:58 AM			

			Mostly on my feet now. I feel like I need to turn in my bartending license after all those spilled drinks
February 8, 2020 10:59 AM			
			Hahahah.
			Nathan McKnight
February 8, 2020 10:59 AM			
	I only saw two of them actually happen		
	Jo Ross		
February 8, 2020 11:00 AM			
			Gail, actually. For a second there, I thought you were talking abut my boss, Grace with whom I was texting this morning
			Nathan McKnight
February 8, 2020 11:00 AM			
	Lol		
	Jo Ross		
February 8, 2020 11:00 AM			
			That's two more than I saw. If I'd seen them, I probably wouldn't have dropped them
			Nathan McKnight
February 8, 2020 11:01 AM			
	Snappy come back. With quick wit like that you can probably keep your bartending license despite a few spilled drinks		
	Jo Ross		
February 8, 2020 11:02 AM			
			I'll keep my fingers crossed.
February 8, 2020 11:03 AM			
			So... I take it Cherie doesn't mind us flirting?
			Nathan McKnight
February 8, 2020 11:03 AM			
	Ha!		
February 8, 2020 11:03 AM			
	I guess that was an effective way to find out, wasn't it?		
February 8, 2020 11:03 AM			
	Much more enjoyable than simply asking		
	Jo Ross		
February 8, 2020 11:04 AM			
			Lol. Did you guys talk about it, or did that just happen organically?
February 8, 2020 11:04 AM			
			And yes, very enjoyable.
February 8, 2020 11:04 AM			
			And educational
			Nathan McKnight
February 8, 2020 11:06 AM			
	It actually happened quite organically		

February 8, 2020 11:06 AM			
	Apparently your luck did rub off quite a bit		
	Jo Ross		
February 8, 2020 11:06 AM			
			I'm not much for astrology, but I am year of the rabbit.
			Nathan McKnight
February 8, 2020 11:07 AM			
	What a coincidence... Weren't we just talking about rabbits?		
February 8, 2020 11:08 AM			
	Hm..		
February 8, 2020 11:08 AM			
	Seemed like we were…		
February 8, 2020 11:11 AM			
	Upon waking, I realized this has taken on an entirely new reference.		
	Jo Ross		
February 8, 2020 11:18 AM			
			Right!!? I was trying to find the words to ask if that was a coincidence last night, but I feel like I didn't get it across
			Nathan McKnight
February 8, 2020 11:19 AM			
	It was absolutely a 100% coincidence. I had absolutely no idea she was even going to be bringing that. Her and I have never used it before. The only other time that we have used one was a trauma when it was done to us by someone else		
	Jo Ross		
February 8, 2020 11:26 AM			
			Well.... now I'm wondering what other premonitions we should dream up and see if they enter the world?
			Nathan McKnight
February 8, 2020 11:27 AM			
	That had been my plan from the beginning		
February 8, 2020 11:28 AM			
	I will admit, I did not expect such a specific and efficient fulfillment of my expectations, but I'm definitely not complaining.		
	Jo Ross		
February 8, 2020 11:29 AM			
			Specific and efficient.
February 8, 2020 11:29 AM			
			Exactly
			Nathan McKnight
February 8, 2020 11:29 AM			
	We can make this real weird		
February 8, 2020 11:29 AM			

	Lol		
	Jo Ross		
February 8, 2020 11:29 AM			
			Wait... you mean your plan was to have me write a story involving specific things that would later come to pass?
February 8, 2020 11:30 AM			
			Jo Ross
			That's top notch event coordination
			Nathan McKnight
February 8, 2020 11:31 AM			
	My plan is to dream of the most interesting premonitions I can think of and see if they enter the world		
	Jo Ross		
February 8, 2020 11:31 AM			
			Should we make this weird...? thinking... done thinking. Yes. Yes we should
			Nathan McKnight
February 8, 2020 11:31 AM			
	Although based on the past 24 hours, the way you put it actually seems to be working out fine		
	Jo Ross		
February 8, 2020 11:31 AM			
			May I be of assistance
			Nathan McKnight
February 8, 2020 11:31 AM			
	Oh absolutely		
February 8, 2020 11:32 AM			
	In fact, I might insist		
	Jo Ross		
February 8, 2020 11:32 AM			
			Alright. The game is afoot.
February 8, 2020 11:32 AM			
			As if you would need to
			Nathan McKnight
February 8, 2020 11:32 AM			
	I would do it politely		
February 8, 2020 11:32 AM			
	Nicely		
	Jo Ross		
February 8, 2020 11:33 AM			
			Ok. Polite doing it. Check
February 8, 2020 11:33 AM			
			Maybe less polite next time?
			Nathan McKnight
February 8, 2020 11:34 AM			
	I'll either do it very nicely, or on the other end of the spectrum, you would have to make me do it.		

February 8, 2020 11:34 AM

Or I would make you?

February 8, 2020 11:34 AM

As you said, the game is afoot.

Jo Ross

February 8, 2020 11:37 AM

Well, that's a game I would be interested in playing. Probably not with other friends present. At least not right away

Nathan McKnight

February 8, 2020 11:44 AM

Hm, are you sure, that means if you lose the game, you are losing to me directly.

February 8, 2020 11:45 AM

Although, does anyone really lose games like that? I suppose not.

February 8, 2020 11:46 AM

On a scale of 1-5,000, where did the subject matter of last night fall?

So, speaking of games, I believe it's tome for you to rate Option.... E? Subsection.... R?

February 8, 2020 11:49 AM

Not the experience itself, but the content.

Jo Ross

February 8, 2020 11:57 AM

Oh.... that is a great question

February 8, 2020 12:02 PM

...3898

...when considered as a rider to OpA.SubA: Polynormal

OpE.SubR: Eclectic Boogaloo

I'm going to say, for

February 8, 2020 12:03 PM

(Or 7796, metric)

February 8, 2020 12:06 PM

I'd almost stay it's my new favorite kink. But I think that title has to go to my rapidly developing serendipity fetbush

February 8, 2020 12:06 PM

Jo Ross

*fetish! Lol

Nathan McKnight

February 8, 2020 12:51 PM

Nathan McKnight

Huh. I was going to give it a 3899.

February 8, 2020 12:55 PM

	So, in light of the unexpected opportunity of a nap, I texted Mr Vick, who was a partner at Callahan's and took him up on his offer to bartend at Granero Lounge tonight. It seems I will be working at five. I'm going to get some much needed beauty sleep and see if I can spread this glitter around even more.		
	In a separate note, when I recounted our night, Jason said, "Ah. Nathan. You've been working towards that for a little while now, haven't you?" Apparently I am an easy read.		
	Jo Ross		
February 8, 2020 1:48 PM			
			Oh, wait... so, you do bartend?
February 8, 2020 2:04 PM			
			Anyway... given our apparently similar dispositions, it's probably upon shaky ground that I assume you are not suggesting another night of debauchery?
			Nathan McKnight
February 8, 2020 3:01 PM			
	You're assuming that I'm not suggesting another night of it?		
February 8, 2020 3:02 PM			
	And I *did* bartend. Years ago for quite a while. I suppose we will see if it is like riding a bike. Vick was warned.		
February 8, 2020 3:06 PM			
	On an unrelated but very important note... I very much liked that sound in person.		
	Jo Ross		
February 8, 2020 3:35 PM			
			You still didn't hear the real thing...
February 8, 2020 3:38 PM			
			Ok, I knew it was a foolish assumption. So... I would very much like to see you again. Wondering if I can arrange that, but maybe.
February 8, 2020 3:47 PM			
			Did you have anything in mind?
			Nathan McKnight
February 8, 2020 3:47 PM			
	Oh my. Getting dolled up before you've even had a chance to clean up last nights mess is quite challenging. I'm putting new glitter atop old glitter.		
February 8, 2020 3:47 PM			
	I may have some things in mind.		
February 8, 2020 3:48 PM			
	Or, I'm sorry, by all means, did you have anything in mind?		
	Jo Ross		

February 8, 2020 3:54 PM			
			I'll have to see what Liz thinks. We had tentatively planned to Watch a movie at home, if she's not too busy with the projects she's working on. But if she is… I may feel the need to give her some private time.
February 8, 2020 3:54 PM			
			When were you thinking?
			Nathan McKnight
February 8, 2020 4:26 PM			
	Oh, were you Referring to tonight?		
February 8, 2020 4:26 PM			
	Come to think of it, I'm not entirely sure what my availability is. I would imagine I'll be closing this bar, then again, perhaps not? I didn't think to ask.		
February 8, 2020 4:27 PM			
	Nathan McKnight		
	If you do see me tonight, I will warn you in advance, I look like a cotton candy fever dream.		
February 8, 2020 4:34 PM			
	I also definitely don't want to take away from time that you have set aside to spend with Liz. We have plenty of days to choose from you know		
February 8, 2020 4:40 PM			
	Now, I know there was a group of cuttlefish going out after Sarah's baby shower, but I cannot remember where Cherie said they were going. I'm also not sure that she is going to end up accompanying them. I think she may have Athena tonight. I'm not sure what to expect out of this bar, but if a group of you happened in I wouldn't be sad about it. Unless of course it's embarrassing, in which case I would let you know In advance		
February 8, 2020 4:41 PM			
	Oh! It's head cleaner. That's where they're going tonight		
	Jo Ross		
February 8, 2020 5:51 PM			
			That sounds delicious
			Nathan McKnight
February 8, 2020 5:52 PM			
	Tonight is going to be interesting.		
	Jo Ross		
February 8, 2020 5:52 PM			
			I don't easily embarrass lol
February 8, 2020 5:52 PM			
			Oh yeah?
			Nathan McKnight

February 8, 2020 5:52 PM			
	Lol yes		
February 8, 2020 5:52 PM			
	Did I tell you where I am?		
	Jo Ross		
February 8, 2020 5:52 PM			
			How's that
February 8, 2020 5:52 PM			
			You mentioned the name, but I don't know it
			Nathan McKnight
February 8, 2020 5:52 PM			
	It's granero lounge		
February 8, 2020 5:52 PM			
	Yes, neither did I. It is directly across the street from North market		
	Jo Ross		
February 8, 2020 6:26 PM			
			Gotcha. Is it busy?
			Nathan McKnight
February 8, 2020 6:27 PM			
	Not yet. There's a frat party coming in at 8 (?) ish? And then Latina night starts at 10. According to sad Annie it is going to get extremely busy		
	Jo Ross		
February 8, 2020 6:28 PM			
			Is that her name, or your nickname for her?
			Nathan McKnight
February 8, 2020 6:39 PM			
	It is my nickname for her. Well, it was a half hour ago. Now her nickname is Darlene.		
February 8, 2020 6:40 PM			
	I have renamed sad Annie "Darlene". Bc she is the mirror image of Darlene from Roseanne in attitude and appearance.		
February 8, 2020 6:40 PM			
	The night is going, but I am not.		
	I asked her how old she was.		
	I told her this and she said "what's Roseanne?"		
	Jo Ross		
February 8, 2020 6:50 PM			
			Hahah. She's 24, right?
February 8, 2020 6:52 PM			
			Oh, and yes I was talking about tonight. I both worrying and hoping you mentioning being back in town was going to be an invitation
			Nathan McKnight
February 8, 2020 6:53 PM			
	How did you know?		

February 8, 2020 6:53 PM			
	Darling, you have an open invitation		
	Jo Ross		
February 8, 2020 7:54 PM			
			Duly noted
February 8, 2020 7:55 PM			
			Can’t wait for next time.
February 8, 2020 7:56 PM			
			We were planning to throw some weird ideas out there right?
February 8, 2020 7:56 PM			
			You first.
			Nathan McKnight
February 8, 2020 8:03 PM			
	Make me		
	Jo Ross		
February 8, 2020 9:52 PM			
			spank How hard is too hard?
			Nathan McKnight
February 8, 2020 10:36 PM			
	Dear god		
February 8, 2020 10:36 PM			
	It’s like lord of the flies here		
February 8, 2020 10:36 PM			
February 8, 2020 10:43 PM			
	I’ve segued from frat party to Latino night seamlessly.		
	Jo Ross		
February 8, 2020 10:53 PM			
			Lol.
February 8, 2020 10:54 PM			
			That sounds like an improvement
			Nathan McKnight
February 8, 2020 11:02 PM			
	It actually is. By quite a bit		
	Jo Ross		
February 9, 2020 7:06 AM			
			Omg. I went to bed at a reasonable hour and got a full night’s sleep
			Nathan McKnight
February 9, 2020 10:44 AM			
	You’re so lucky....		
February 9, 2020 10:44 AM			
	I went to bed at six.		
February 9, 2020 12:00 PM			

	So I still haven't heard the real sound?		
	Jo Ross		
February 9, 2020 2:37 PM			
			Nope, just my impersonation if myself. I guess you'll just have to make me make it sometime soon
			Nathan McKnight
February 9, 2020 2:42 PM			
	So you... faked it? Shame.		
February 9, 2020 2:42 PM			
	I will do my best.		
	Jo Ross		
February 9, 2020 2:43 PM			
			Oh, you thought I actually recorded myself having an orgasm when I was making that recording?
February 9, 2020 2:44 PM			
			Oh, wait. Sorry, different noise
			Nathan McKnight
February 9, 2020 2:44 PM			
	Lol, no. I was more referring to the sounds you made at the hotel. Although, I was unaware that sound was representative of you having an orgasm		
February 9, 2020 2:44 PM			
	So..		
February 9, 2020 2:45 PM			
	Does this mean you're asking me to give you an orgasm?		
	Jo Ross		
February 9, 2020 2:46 PM			
			Ah, well I guess you did make me make some sounds
February 9, 2020 2:47 PM			
			Hmmm... I guess I am. if that's not too forward :) and let me give you one first
			Nathan McKnight
February 9, 2020 2:50 PM			
	I think we may have surpassed the point of being too forward.		
February 9, 2020 2:50 PM			
	Possibly		
	Jo Ross		
February 9, 2020 2:54 PM			
			Hmmm. Sounds like a challenge
			Nathan McKnight
February 9, 2020 2:57 PM			
	Sort of. In a way, if you think about it, you've already given me one. Or, well... you definitely helped.		

	Jo Ross		
February 9, 2020 2:58 PM			
			Mmmmm. Only one? I'll have to work on that
February 9, 2020 2:59 PM			
			I meant, a challenge to see what it would take to cross the line into "too forward"
February 9, 2020 3:02 PM			
			Just wondering how far I could push your boundaries via text...
			Nathan McKnight
February 9, 2020 3:05 PM			
	By all means, try me.		
	Jo Ross		
February 9, 2020 3:09 PM			
			Well... I think we were going to work on going down some of those other paths in Options A, B, and E...
February 9, 2020 3:10 PM			
			And C
February 9, 2020 3:14 PM			
			Which of those am I likeliest to find out something new about your interests?
			Nathan McKnight
February 9, 2020 3:16 PM			
	Can you give me a short synopsis of the specifics of each one? I remember each of them, (I think) but I'd like to give you the most accurate answer possible		
	Jo Ross		
February 9, 2020 3:16 PM			
			Very conscientious
			Nathan McKnight
February 9, 2020 3:19 PM			
	I try.		
	Jo Ross		
February 9, 2020 3:21 PM			
			Ok... as I recall, A was things especially suited to the poly lifestyle—various group configurations. B was mind games and rough stuff, C involves props of varying degrees of complexity, D was cringeworthy, mop and bucket territory and E was niche and exotic specialties
February 9, 2020 3:21 PM			
			Did I miss anything important?
			Nathan McKnight
February 9, 2020 3:52 PM			
	I'm sure you did, but neither of us will know what it is until we stumble upon it during some future conversation, I'm sure.		
	Jo Ross		
February 9, 2020 3:53 PM			

			… Or some other future endeavor
			Nathan McKnight
February 9, 2020 3:54 PM			
	Hm. I would say there are surprises in all of the options, but most of them likely lie somewhere between B and C.		
	Correct.		
	Jo Ross		
February 9, 2020 5:04 PM			
			Hmm. Well. We did touch upon those areas... are you referring to variations/depths of what we've already covered? Or somewhere further afield?
February 9, 2020 5:04 PM			
			We could do another spinner activity to see how many we each have to share...
February 9, 2020 5:06 PM			
			Ropes, check. Switch play, check. What else did we already touch on?
			Nathan McKnight
February 9, 2020 5:40 PM			
	Sigh. I'm so juvenile. I'm thinking of things you've already touched on.		
February 9, 2020 5:42 PM			
	Nathan McKnight		
	I'm not sure if this counts, as it's more a specific example and less a general topic, but I'm having a custom harness set made. I figure it will come in handy for personal use as well as general costume fun at events. The original purpose behind its design was purely utilitarian, though.		
February 9, 2020 5:50 PM			
	Oh my goodness, I just remembered we took pictures! Ha!		
February 9, 2020 5:51 PM			
	Jo Ross		
February 9, 2020 7:35 PM			
			Oh! Yay!
February 9, 2020 7:47 PM			
February 9, 2020 7:48 PM			
			That reminds me.... because you expressed skepticism...
			Nathan McKnight
February 9, 2020 7:54 PM			
	Oh my... it's so... big		
	Jo Ross		
February 9, 2020 7:54 PM			
			And tingly
			Nathan McKnight

February 9, 2020 7:54 PM			
	I *really* want to put that in my lips.		
February 9, 2020 7:54 PM			
	Mostly because you said that it was unsuccessful		
February 9, 2020 7:55 PM			
	I want to see exactly what that chapstick is like		
February 9, 2020 7:55 PM			
	*on		
February 9, 2020 7:55 PM			
	Or in. Whatever.		
February 9, 2020 8:15 PM			
	There is something that I should tell you before we become any more involved than we have been.		
	Jo Ross		
February 9, 2020 8:16 PM			
			Alright.
			Nathan McKnight
February 9, 2020 8:17 PM			
	I am hsv positive. It is why I would not let you go down on me the other night.		
February 9, 2020 8:18 PM			
	I don't actively engage in actual sexual things without telling my partners		
	Jo Ross		
February 9, 2020 8:18 PM			
			Thanks for letting me know. I'm also hsv positive, but my understanding is that it is not transmissible when there isn't an active outbreak.
			Nathan McKnight
February 9, 2020 8:19 PM			
	Correct, and I wasn't experiencing one, but I don't have any sex that directly transmits bodily fluids without the other partner being aware that I carry it.		
February 9, 2020 8:20 PM			
	Doing so feels wrong		
February 9, 2020 8:20 PM			
	Can I say something without sounding awful?		
	Jo Ross		
February 9, 2020 8:21 PM			
			That's the right practice. I think I was a little carried away. I did tell Cherie in the past, so I may have just been in an "it's all good mindset"
February 9, 2020 8:21 PM			
			Sure. Give me your worst

			Nathan McKnight
February 9, 2020 8:21 PM			
	I'm so glad you have herpes		
February 9, 2020 8:21 PM			
	Lol		
	Jo Ross		
February 9, 2020 8:21 PM			
			Hahahah ahhh
February 9, 2020 8:21 PM			
			Hahah hahah
February 9, 2020 8:21 PM			
			Hahahah
February 9, 2020 8:21 PM			
			Haha
February 9, 2020 8:21 PM			
			Ha
			Nathan McKnight
February 9, 2020 8:21 PM			
	I audibly laughed		
	Jo Ross		
February 9, 2020 8:21 PM			
			H
February 9, 2020 8:21 PM			
			Hah
			Nathan McKnight
February 9, 2020 8:21 PM			
	A lot		
	Jo Ross		
February 9, 2020 8:21 PM			
			Hhhhhhhhh
			Nathan McKnight
February 9, 2020 8:22 PM			
February 9, 2020 8:22 PM			
	Hey, Nathan.		
	Jo Ross		
February 9, 2020 8:22 PM			
			That's me
			Nathan McKnight
February 9, 2020 8:22 PM			
	I'm going to fuck you.		
	Jo Ross		
February 9, 2020 8:22 PM			
			Don't make me collapse in front of people
			Nathan McKnight
February 9, 2020 8:23 PM			

	If we continue the practices we have engaged in thusfar, I will absolutely be making you collapse in front of people.		
	Jo Ross		
February 9, 2020 8:23 PM			
			And I you
			Nathan McKnight
February 9, 2020 8:24 PM			
	Perfect		
	Jo Ross		
February 9, 2020 8:29 PM			
			The president of the film center is going to think I'm purposely ignoring him
February 9, 2020 8:32 PM			
			I realized… I need to add an Option F: Exhibitionism / Public
February 9, 2020 8:33 PM			
			That's it's own realm... and I think you might me an embarrassment fetishist.
February 9, 2020 8:33 PM			
			And yes, that is my professional opinion
			Nathan McKnight
February 9, 2020 8:34 PM			
	I have a fetlife account and am self classified as an exhibitionist.		
February 9, 2020 8:34 PM			
	Too forward?		
February 9, 2020 8:34 PM			
	Maybe too forward.		
	Jo Ross		
February 9, 2020 8:49 PM			
			Depends.
February 9, 2020 8:50 PM			
			How forward is "duh?"
			Nathan McKnight
February 9, 2020 8:50 PM			
	Jo Ross		
February 9, 2020 8:51 PM			
			Hahah
February 9, 2020 8:51 PM			
			Nice twist
February 9, 2020 8:51 PM			
			Jo Ross
			^^^what she said
			Nathan McKnight
February 9, 2020 8:51 PM			

	I feel so unrefined using gifs as responses but they're so funny...		
	Jo Ross		
February 9, 2020 8:52 PM			
			The fact of using gifts may not be refined… But the choice of gifs can very well be
February 9, 2020 8:52 PM			
			*gift is German for "poison" btw
			Nathan McKnight
February 9, 2020 8:53 PM			
	Well, they're not wrong.		
	Jo Ross		
February 9, 2020 8:58 PM			
			Beware of Germans eating Gift
			Nathan McKnight
February 9, 2020 8:58 PM			
	That made me picture a sign in a college dorm.		
February 9, 2020 8:59 PM			
	It's probably residual from the frat party debacle.		
	Jo Ross		
February 9, 2020 8:59 PM			
			How's that go?
			Nathan McKnight
February 9, 2020 9:00 PM			
	Ugh. Did you ever watch Game of Thrones?		
	Jo Ross		
February 9, 2020 9:18 PM			
			Jo Ross
			Noooo... I got about six episodes in and decided I liked more magic in my soft core porn
			Nathan McKnight
February 9, 2020 9:28 PM			
	Oh really? What did you opt for?		
	Jo Ross		
February 9, 2020 9:33 PM			
			Conquest (1996)
February 9, 2020 9:35 PM			
			Also... Fetlife: Aelffin. On Fetlife, maybe we can finally stop holding back so much....
			Nathan McKnight
February 9, 2020 9:36 PM			
	You've made a horrid mistakes do forgotten I'm a brat. Away I go to stalk your profile.		
February 9, 2020 9:36 PM			
	Ugh. I can't type. It's ruining my wit.		
February 9, 2020 9:38 PM			
	The snappy delivery is 90% of the charm and I'm failing at it. In all fairness, I've slept perhaps 5 hours in the past 72. May I please have a free pass?		

February 9, 2020 9:45 PM

I'm reading through your profile.

February 9, 2020 9:46 PM

Hm. Light BDSM and cooking? But wait, there's more...

Jo Ross

February 9, 2020 9:50 PM

Not necessarily at the same time. But not necessarily not either

Nathan McKnight

February 9, 2020 9:50 PM

Oh I'd like them at the same time.

February 9, 2020 9:51 PM

You're looking for a princess by day?

Jo Ross

February 9, 2020 9:51 PM

Fetlife seems to be a bit of a desert, so I haven't Put a lot of time into it… Maybe I just don't know the right people…

February 9, 2020 9:51 PM

Also, I think this version of the profile is tailored for something specific…

February 9, 2020 9:51 PM

I am?

February 9, 2020 9:51 PM

Ok

February 9, 2020 9:52 PM

Sure

Nathan McKnight

February 9, 2020 9:52 PM

I actually never get on anymore. It was originally for event planning, but that fell flat, as there wasn't many people I cared to even plan with.

February 9, 2020 9:52 PM

*event

February 9, 2020 9:52 PM

Lol hey, I'm just reading from the profile here...

Jo Ross

February 9, 2020 9:53 PM

What sort of event planning did you habe in mind?

Nathan McKnight

February 9, 2020 9:53 PM

I used to be involved in modeling and I was also a photographer.

Jo Ross

February 9, 2020 9:53 PM

			Pretty sure i wrote that Profi in a fit of some kind
			Nathan McKnight
February 9, 2020 9:54 PM			
	Don't we all?		
	Jo Ross		
February 9, 2020 9:54 PM			
			I noticed the pics with you with the camera
February 9, 2020 9:54 PM			
			I'd been meaning to ask
			Nathan McKnight
February 9, 2020 9:54 PM			
	I may have friended you		
February 9, 2020 9:55 PM			
	Although, I don't feel that your photos are an even pepperoni exchange.		
	Jo Ross		
February 9, 2020 9:55 PM			
			Jo Ross
			Lol. "Profi" is German slang for both " professional footballer" (soccer), and "prophylactic". ...Which leads to a lot of really goofy jokes
February 9, 2020 9:56 PM			
			Hahah. How many peps does a Fetlife profile warrant?
			Nathan McKnight
February 9, 2020 9:56 PM			
	Yours or mine?		
	Jo Ross		
February 9, 2020 9:56 PM			
			And also, traditional pepperoni, for the little cups of grease?
February 9, 2020 9:57 PM			
			Hmmm
			Nathan McKnight
February 9, 2020 9:57 PM			
	Oooh. Stop it, You're making me want meat.		
	Jo Ross		
February 9, 2020 9:57 PM			
			I haven't seen yours (*hint*)
			Nathan McKnight
February 9, 2020 9:58 PM			
	Nathan McKnight		
	That's your own fault. I told you I friended you several comments ago		
	Jo Ross		
February 9, 2020 9:58 PM			
			Describe what sort of meat you're looking for. In detail. I'll accept no less than three well-constructed paragraphs. (incl. topic sentence)

			Nathan McKnight
February 9, 2020 9:59 PM			
	Your professor is showing.		
February 9, 2020 10:00 PM			
	You're not checking your messages because you're stalking my fetlife page. You're looking at pictures of me fucking dildos and hanging from ceilings. Shame on you.		
	Jo Ross		
February 9, 2020 10:01 PM			
			Jo Ross
			I am???
February 9, 2020 10:01 PM			
			I wish!!!
February 9, 2020 10:02 PM			
			Still at work. Can't :(
February 9, 2020 10:07 PM			
			This is stupid, but I'm tempted to tell you what my Fetlife password is, only because you might (or might not) appreciate it
February 9, 2020 10:08 PM			
			I'll change it immediately, of course
			Nathan McKnight
February 9, 2020 10:08 PM			
	I find those messages wildly amusing

February 9, 2020 10:08 PM			
	I'm also guessing it's something ridiculously pretentious

	I made a sound. Not the same as the sounds that I made Friday night, but a notable sound, nonetheless.		
	Jo Ross		
February 9, 2020 10:10 PM			
			Oh yeah? What sort of sound? "ugh"?

February 9, 2020 10:10 PM			
			Jo Ross
			We'll always have the Red Roof Inn :D
			Nathan McKnight
February 9, 2020 10:11 PM			
	It was a good sound. Hm. I guess you'll just have to make me make it again.		
	Jo Ross		
February 9, 2020 10:11 PM			
			Well... if it's that easy, I'll have to make you make it several times in succession
			Nathan McKnight
February 9, 2020 10:11 PM			
	Nathan McKnight		
	I'm picturing you saying that drunkenly in your very studious blazer in a 1940's film.		
February 9, 2020 10:12 PM			
	I'm in a pencil skirt and my hair looks amazing.		
February 9, 2020 10:12 PM			
	Please do.		
	Jo Ross		
February 9, 2020 10:16 PM			
			But I have a different blazer tonight
			Nathan McKnight
February 9, 2020 10:16 PM			
	Oh really? May I see it?		
February 9, 2020 10:17 PM			
	I just want to make sure I'm fantasizing accurately...

			Nathan McKnight
February 9, 2020 10:18 PM			
	Oh my.		
February 9, 2020 10:18 PM			
	Would you do me a favor, please?		
	Jo Ross		
February 9, 2020 10:18 PM

February 9, 2020 10:18 PM			
			Yes
February 9, 2020 10:18 PM			
			Yes, you may rub my velvet
			Nathan McKnight
February 9, 2020 10:18 PM			
	I noticed that you were apologizing profusely about your attire the other night and explaining how you'd just come from work....		
	Jo Ross		

February 9, 2020 10:19 PM			
			Profusely? That's a bit strong I think
			Nathan McKnight
February 9, 2020 10:19 PM			
	Is it?		
	Jo Ross		
February 9, 2020 10:19 PM			
			I just felt too professional when I was in a mood for anything but
			Nathan McKnight
February 9, 2020 10:19 PM			
	My apologies, you were exceedingly apologetic about the blazer.		
February 9, 2020 10:20 PM			
	Redundant.		
February 9, 2020 10:20 PM			
	Anyway...		
	Jo Ross		
February 9, 2020 10:20 PM			
			Jo Ross
			I apologize for you having to apologize about my apologies
			Nathan McKnight
February 9, 2020 10:20 PM			
	That was a very kind response. Thank you for placating me.		
February 9, 2020 10:21 PM			
	The point is, I happened to like it quite a bit. Your outfit, I mean. It matches your demeanor quite well. The whole thing is extremely endearing.		
	Jo Ross		
February 9, 2020 10:24 PM			
			Aww. You know what that says thigh?
February 9, 2020 10:24 PM			
			*though
February 9, 2020 10:24 PM			
			It says you don't know me very well... yet
			Nathan McKnight
February 9, 2020 10:24 PM			
	Would you like me to expand?		
February 9, 2020 10:24 PM			
	I'll tell you my exact thoughts.		
February 9, 2020 10:28 PM			

	You have the persona of one who has just unwittingly wandered onto a stage, only to have the house lights come up and reveal an audience. However you have an undertone that suggests the initial impression you give is inaccurate, and *that* is what makes it so attractive. Because I don't think you are that person when you're alone with someone. The contrast is the best part.		
	Jo Ross		
February 9, 2020 10:36 PM			
			So interesting... I'm going to have to pick this apart to really do the answer justice.
			Nathan McKnight
February 9, 2020 10:38 PM			
	I have additional thoughts on it, but I was happy with it as a brief assessment.		
	Jo Ross		
February 9, 2020 10:39 PM			
			I will say... the professorial thing comes naturally, but rarely do I find I someone upon whom I can use it to impress
February 9, 2020 10:40 PM			
			And also... I never stumble onto stage. I do sumbles stumbtime offstage
February 9, 2020 10:40 PM			
			You know what I mean
			Nathan McKnight
February 9, 2020 10:42 PM			
	Well that was ironic.		
	Jo Ross		
February 9, 2020 10:46 PM			
			Not entirely sure what you were referring to there… But depending, I might have a quibble with your definition of irony… Not that I am… Grading you or anything
			Nathan McKnight
February 9, 2020 10:49 PM			
	I am not sure why, but that one made me blush.		
	Jo Ross		
February 9, 2020 10:56 PM			
			That one?
			Nathan McKnight
February 9, 2020 11:11 PM			
	Yes. That one.		
	Jo Ross		
February 9, 2020 11:28 PM			
			Lol. Nobody knows what irony is
			Nathan McKnight
February 9, 2020 11:30 PM			
	Expand		
	Jo Ross		
February 9, 2020 11:31 PM			
			Well, I mean... I don't either

February 9, 2020 11:33 PM			
			Although... I did write the post-irony section of the post-irony Wikipedia page.
February 9, 2020 11:34 PM			
			Post-ironically using a quote dismissing post-irony to demonstrate the concept of post-irony.!

February 9, 2020 11:39 PM			
	Ugh. Why is that attractive? I'm unsure if you are aware of the effects of the seemingly benign things that you say, or if it is intentional.		
	I wasn't saying it in a facetious way. I was saying it in a "that figures" way.		
February 9, 2020 11:39 PM			
	I could police this comment in a very satisfying way. This is that way.		
	Jo Ross		
February 10, 2020 12:31 AM			
			I wish I knew
February 10, 2020 12:31 AM			
			Yes, officer?
February 10, 2020 1:58 AM			
			I mean... I'm curious to learn more about the effects of the things I say... intentional? Some of it, to be sure. It's not like I've stopped trying to impress you but you'd appear to have a... unique... sense of what's impressive. Really, it's that that I like playing with.
			Nathan McKnight
February 10, 2020 7:20 AM			
	Does this help?		
	The simplest answer that immediately comes to mind is the phrase, "Talk nerdy to me".		
	Jo Ross		
February 10, 2020 7:49 AM			
			Oh, got it... I was reading between the lines too hard.
February 10, 2020 7:50 AM			
			Amanda Ross: A Bad Lip-Reading

Nathan McKnight

February 10, 2020 7:52 AM

Please, elaborate on what you might've been thinking while overthinking.

Jo Ross

February 10, 2020 7:54 AM

Jo Ross

I would, but at this time of morning I'm basically just free associating

February 10, 2020 7:55 AM

Actually, I think I woke up today with the thought "Amanda Ross: A Bad Lip-Reading" and worked backwards until it made sense for this context

February 10, 2020 7:57 AM

I should have worked backwards a little farther—that would be a great title for the audio recording

February 10, 2020 7:57 AM

I'll work you backwards

February 10, 2020 7:57 AM

Please and thank you

Nathan McKnight

February 10, 2020 7:59 AM

Aw, look how polite your disorientation is making you...

February 10, 2020 7:59 AM

Nathan McKnight

you know what happens when you asked nicely.

February 10, 2020 8:00 AM

By the way, I will be voice dictating most of his conversation while I drive, so I'm hoping at least half of it makes sense

Jo Ross

February 10, 2020 8:00 AM

Except I only stopped free associating when I hit a wall trying to figure out the opposite of "please and thank you"

February 10, 2020 8:01 AM

Hahah. Siri dictation is the reason for virtually all of my grammar errors

Nathan McKnight

February 10, 2020 8:08 AM

Ha, same. Alcohol is a close second.

Jo Ross

February 10, 2020 8:11 AM

Lol. Same

February 10, 2020 8:12 AM

1) Siri 2) Sleepiness/Sleep Deprivation 3) Alcohol 4) Dramatic effect

February 10, 2020 8:15 AM

Oh, just remembered I have a new Fetlife friend... so, what's going on that Tron looking photo?

It's kind of a turn on to think of the sound of your voice dictating to me from afar.

February 10, 2020 8:15 AM

*in

Nathan McKnight

February 10, 2020 8:21 AM

Are you teasing me about my special effects?

Jo Ross

February 10, 2020 8:21 AM

No, I'm asking where you took it.

Nathan McKnight

February 10, 2020 8:23 AM

I was in a tanning booth. The lights were kinda cool, so I took a picture.

Jo Ross

February 10, 2020 8:23 AM

Ah. That was what I suspected, but it also kind of reminded me of one of those vacuum bed things

Nathan McKnight

February 10, 2020 8:24 AM

Vacuum beds? Tell me more.

Jo Ross

February 10, 2020 8:25 AM

It's like a sheet of latex or something. This is hard to describe

February 10, 2020 8:26 AM

It's like a vacuum pack sealer for packaging people

February 10, 2020 8:26 AM

For sexual purposes

February 10, 2020 8:34 AM

Oh, there is also something I should tell you. Before we move on any further now that I think about it

February 10, 2020 8:42 AM

Liz and I are trying to limit our exposure to hpv for a period of time because of it being a cervical cancer risk

February 10, 2020 8:47 AM

Which basically means hand stuff is a-ok but other contact is technically out of bounds for a little while longer. That said.... we have both made exceptions

Nathan McKnight

February 10, 2020 8:49 AM			
	I am going to assume that means our interactions should be limited to hand stuff until you directly tell me otherwise.		
	Jo Ross		
February 10, 2020 8:49 AM			
			That's the gist, yes
February 10, 2020 8:51 AM			
			For perhaps two more months I believe is the plan
			Nathan McKnight
February 10, 2020 8:51 AM			
	Ooh this is actually going to be kind of fun.		
	Jo Ross		
February 10, 2020 8:51 AM			
			I know, right?
			Nathan McKnight
February 10, 2020 8:52 AM			
	I feel like it is possible that within the next two months I could end up being in actual physical anguish.		
	Jo Ross		
February 10, 2020 8:53 AM			
			You mean, trembling with desire for more ?
February 10, 2020 8:59 AM			
			But no, we'll just have to get to know each other's bodies in great visual and tactile detail before we get to experience non-hand flesh on flesh action
February 10, 2020 9:00 AM			
			I'm fairly confident I could get you off with just one finger if I had to...
			Nathan McKnight
February 10, 2020 9:08 AM			
	Oh really? Well aren't you sure of yourself.		
	Jo Ross		
February 10, 2020 9:10 AM			
			Yes. I'm fairly certain. Unless you're one of those girls who absolutely can't get off without beating your cervix to within an inch of its life... in which case I'll have to employ some tools
February 10, 2020 9:12 AM			
			Either way... the one-finger challenge is going to be fun
			Nathan McKnight
February 10, 2020 9:13 AM			
	I can go either way, really. Depends on my mood. Based on the scenario that is currently unfolding, you may be able to do it with one hand tied behind your back. Pent-up energy will probably get you pretty far in this case.		
	Jo Ross		
February 10, 2020 9:16 AM			

			I’m a big fan of slow build. So... let’s find some time where you can relax, and let me explore you for a good hour or so. But no more than one of my fingers gets to touch your nethers
February 10, 2020 9:18 AM			
			We’ll see how close we can get you. And how long we can keep you there before....
February 10, 2020 9:19 AM			
			adding a second finger
February 10, 2020 9:21 AM			
			Of course, all other body contact outside of those proscribed limits will be thoroughly explored as well
			Nathan McKnight
February 10, 2020 9:22 AM			
	I think I can accept those terms.		
	Jo Ross		
February 10, 2020 9:23 AM			
			You needn’t accept.... if you have to be forced into submission, that’s just how it’ll have to be
			Nathan McKnight
February 10, 2020 9:33 AM			
	Hm, that might have to wait, because you will definitely we’d both hands.		
February 10, 2020 9:33 AM			
	*need.		
February 10, 2020 9:33 AM			
	Darn it.		
	Jo Ross		
February 10, 2020 9:34 AM			
			Oh no, I mean all the hands can go all of the places... except one
February 10, 2020 9:35 AM			
			And they most certainly will
			Nathan McKnight
February 10, 2020 9:36 AM			
	You think you can pin me down? Really?		
	Jo Ross		
February 10, 2020 9:36 AM			
			Once I’ve gotten you under control, lying still, doing only what I tell you to do... or make you do... then the real challenge starts.
February 10, 2020 9:36 AM			
			Yes, I can pin you down
			Nathan McKnight
February 10, 2020 9:37 AM			
	You’ll have to prove that. You might be surprised.		

February 10, 2020 9:37 AM			
	Nathan McKnight		
	Confession: that is actually one of my favorite things.		
	Jo Ross		
February 10, 2020 9:38 AM			
			I don't doubt it'll be a challenge to get you pinned down... But that's not my goal. My goal is to work you until you give in completely, lie back, and do only as I command
			Nathan McKnight
February 10, 2020 9:38 AM			
	You're going to need more than an hour to accomplish that.		
	Jo Ross		
February 10, 2020 9:39 AM			
			It might *start* with pinning you down.
February 10, 2020 9:39 AM			
			Well, the clock begins once you are under my control
			Nathan McKnight
February 10, 2020 9:39 AM			
	I'm afraid your stuttering charm may have given me a false hope that you're not very strict.		
	Jo Ross		
February 10, 2020 9:39 AM			
			Lol. Depends on my mood
February 10, 2020 9:40 AM			
			I'm not very strict by nature. But I can be extremely strict in practice
February 10, 2020 9:40 AM			
			You know what's lucky for me, but sad for you?
			Nathan McKnight
February 10, 2020 9:41 AM			
	What?		
	Jo Ross		
February 10, 2020 9:42 AM			
			Today being my first full day off in three weeks, home alone... I can spend it however I please
			Nathan McKnight
February 10, 2020 9:42 AM			
	Oh my goodness.		
	Jo Ross		
February 10, 2020 9:42 AM			
			Wish you could join :/
			Nathan McKnight
February 10, 2020 9:43 AM			
	You know what's lucky for me, but sad for you?		
February 10, 2020 9:43 AM			
	Same.		
	Jo Ross		
February 10, 2020 9:43 AM			

			Oh?
			Nathan McKnight
February 10, 2020 9:43 AM			
	I'm currently lying in bed		
February 10, 2020 9:43 AM			
	Alone all day		
	Jo Ross		
February 10, 2020 9:43 AM			
			And I'm currently sitting on the edge of my bed
February 10, 2020 9:43 AM			
			Trying to decide what to get out of the cabinet
			Nathan McKnight
February 10, 2020 9:43 AM			
	You should lie down. It's much more comfortable.		
February 10, 2020 9:44 AM			
	I already picked mine.		
	Jo Ross		
February 10, 2020 9:44 AM			
			Mai I see
February 10, 2020 9:44 AM			
			*may
			Nathan McKnight
February 10, 2020 9:44 AM			
	It's the one I brought to the hotel.		
	Jo Ross		
February 10, 2020 9:45 AM			
			Oh, very nice. I still want to see that in action up close
			Nathan McKnight
February 10, 2020 9:45 AM			
	Jo Ross		
February 10, 2020 9:45 AM			
			That's not what I call "in action"
			Nathan McKnight
February 10, 2020 9:46 AM			
	I have an Arsenal, however, this one is by far my favorite.		
February 10, 2020 9:46 AM			
	Aren't you bossy.		
	Jo Ross		
February 10, 2020 9:46 AM			
			Jo Ross
			I can't tell you how pleased i am that you also consider this an acceptable way to spend your day off :D
February 10, 2020 9:47 AM			
			Do you look forward to alone time like I do?

February 10, 2020 9:47 AM			
			Nathan McKnight
February 10, 2020 9:47 AM			
	You're awful confident, you know. Expecting a free ride to your vehicle. Thinking you get porn just for asking. You didn't even say please. You're going to have to convince me.		
February 10, 2020 9:47 AM			
	I absolutely do.		
February 10, 2020 9:48 AM			
	I know this may come as a shock, but while I attempt to function as an upstanding citizen, I am, in fact, a huge pervert.		
	Jo Ross		
February 10, 2020 9:48 AM			
			Jo Ross
			Please, Miss... spare a shilling or some pornography for the downtrodden?
February 10, 2020 9:49 AM			
			I love that about you
February 10, 2020 9:49 AM			
			Among other things
February 10, 2020 9:50 AM			
			It can be a challenge... work/life/perversion balance
February 10, 2020 9:52 AM			
			Well... maybe I could propose a trade.
			Nathan McKnight
February 10, 2020 9:53 AM			
	The mental image triggered by this also supports the blazer. You just have a newsboy hat on now.		
	Jo Ross		
February 10, 2020 9:53 AM			
			Hahah
			Nathan McKnight
February 10, 2020 9:53 AM			
	A trade, you say?		
February 10, 2020 9:54 AM			
	Hey, hold on...		
	Jo Ross		
February 10, 2020 9:54 AM			
			I'm absolutely going to get naked except for my blazer and courier cap
February 10, 2020 9:54 AM			
			To what?
			Nathan McKnight

February 10, 2020 9:54 AM			
	I've already sent you porn. You're actually in the deficit here.		
	Jo Ross		
February 10, 2020 9:55 AM			
			Oh, that's true. I did send you the King of Pepperoni Video though...
			Nathan McKnight
February 10, 2020 9:55 AM			
	Oh my gosh, I totally forgot that existed and haven't watched it.		
	Jo Ross		
February 10, 2020 9:56 AM			
			How far behind am I? I was going to say... we each get to request something specific and whatever the request is, it has to be honored. And photographically documented
			Nathan McKnight
February 10, 2020 9:56 AM			
	I can't believe this, but I'm actually going to postpone watching actual pornography so I can instead watch something that, based on the thumbnail, features... the Pink Panther?		
	Jo Ross		
February 10, 2020 9:57 AM			
			Nah, the king of pepperoni isn't acrually as good as it sounds
February 10, 2020 9:57 AM			
			Lol
February 10, 2020 9:57 AM			
			Jo Ross
			Turn off the pink panther and show me the pink ;)
			Nathan McKnight
February 10, 2020 9:58 AM			
	Ooh, I like this game. Although, based what I know about both of our tendencies, we are going to end up averaging about eight takes before we're satisfied enough to send the results. This could take all day.		
	Jo Ross		
February 10, 2020 9:59 AM			
			And actually... since we're both kind of Exhibitionisten, I think getting to share porn is the reward, not the punishment. Which means, you've been the lucky one in our exchanges thus far
			Nathan McKnight
February 10, 2020 9:59 AM			
	Nathan McKnight		
	I'm lying here musing over how our conversations went from linguistics to bondage at the first subtle sexual innuendo. It didn't take but a feather to top the scale quite drastically.		
	Jo Ross		
February 10, 2020 10:00 AM			

			Lol. True enough. Let's do this... a time limit. We each have five minutes to deliver upon the request. And failure to do so adds to the naughty list I, for later
			Nathan McKnight
February 10, 2020 10:01 AM			
	True, I suppose. Speaking of, when did you go through my fetlife account? Was it this morning? Last night while I slept?		
	Jo Ross		
February 10, 2020 10:01 AM			
			This morning. Really just glanced at it.
February 10, 2020 10:01 AM			
			And in*really* liked what I saw
			Nathan McKnight
February 10, 2020 10:01 AM			
	Oh no, I don't know about that one. What are the repercussions?		
	Jo Ross		
February 10, 2020 10:02 AM			
			Well have to wait and see
February 10, 2020 10:03 AM			
			Ok. The clock is ticking. Let's start with this: you have five minutes to deliver a request, which I then have to honor—no matter how onerous—using the remainder of the five minutes
			Nathan McKnight
February 10, 2020 10:05 AM			
	I think the time should start once I've made the request		
February 10, 2020 10:07 AM			
	The request is, I would like to see what you've chosen from the cabinet.		
	Jo Ross		
February 10, 2020 10:07 AM			
February 10, 2020 10:09 AM			
			Well, I hinktest that I fulfilled your request before you even made it
February 10, 2020 10:09 AM			
			*think!
			Nathan McKnight
February 10, 2020 10:09 AM			
	You have the hat!		
	Jo Ross		
February 10, 2020 10:09 AM			
			That's like a minute off your tuner
			Nathan McKnight
February 10, 2020 10:09 AM			
	What is in your mouth?		
	Jo Ross		
February 10, 2020 10:09 AM			

		It’s not quite a newsboy hat
		Nathan McKnight
February 10, 2020 10:09 AM		
	Close enough	
February 10, 2020 10:09 AM		
	Impressive	
	Jo Ross	
February 10, 2020 10:09 AM		
		Your request is in my mouth
		Nathan McKnight
February 10, 2020 10:10 AM		
	I believe you’re cheating, slightly.	
February 10, 2020 10:10 AM		
	Noted.	
	Jo Ross	
February 10, 2020 10:10 AM		
		How so?
		Nathan McKnight
February 10, 2020 10:11 AM		
	It is your turn	
	Jo Ross	
February 10, 2020 10:11 AM		
		Jo Ross
		Because I knew what your request was going to be, then gave it to you preemptively?
February 10, 2020 10:11 AM		
		Ok... the request is... find something that isn’t a sex toy. And make it a sex toy for the purposes of the photo.
February 10, 2020 10:11 AM		
		Four minutes on the clock
February 10, 2020 10:12 AM		
		Hurry!
February 10, 2020 10:12 AM		
		Times a wasting
		Nathan McKnight
February 10, 2020 10:12 AM		
	Omg stop!	
	Jo Ross	
February 10, 2020 10:12 AM		
		Here you are, reading messages when you should be fulfilling
		Nathan McKnight
February 10, 2020 10:12 AM		
	I just briefly considered using a chip bag clip on my nipple.	
	Jo Ross	
February 10, 2020 10:13 AM		
		Lol. Do it!

			Nathan McKnight
February 10, 2020 10:13 AM			
	No, that's my backup of time runs out.		
	Jo Ross		
February 10, 2020 10:13 AM			
			We're at less than three minutes
February 10, 2020 10:13 AM			
			Less reading and replying, more perversion and Exhibitionismus!!
February 10, 2020 10:14 AM			
			Doch! Siri!?? Aber warum!!!???
February 10, 2020 10:16 AM			
			Ist dieses Diskutieren ziemlich so typisch eine deutschsprachiger??
February 10, 2020 10:16 AM			
			Tick... fucking tock... no time for perfectionism
February 10, 2020 10:16 AM			
			;)
			Nathan McKnight
February 10, 2020 10:17 AM			
February 10, 2020 10:17 AM			
	Bam. Paintbrush		
	Jo Ross		
February 10, 2020 10:17 AM			
			Jo Ross
			Mmmm. I'll paint *your* brush lol
			Nathan McKnight
February 10, 2020 10:18 AM			
	My turn. I would like to see the last thing you sexually inserted into your body. The last photo definitely doesn't count.		
	Jo Ross		
February 10, 2020 10:18 AM			
			Hmmm.
			Nathan McKnight
February 10, 2020 10:18 AM			
	Well, the last thing that you own.		
	Jo Ross		
February 10, 2020 10:19 AM			
			I have to think about
February 10, 2020 10:19 AM			
			No, never mind. That's actually too easy
			Nathan McKnight
February 10, 2020 10:19 AM			
	That's too bad you have four minutes.		
	Jo Ross		
February 10, 2020 10:20 AM			
			Nathan McKnight

February 10, 2020 10:20 AM

Dammit

February 10, 2020 10:21 AM

Wait, Are we playing under the rule of five total minutes for the question and the response?

Jo Ross

February 10, 2020 10:22 AM

You're up. Lick your finger, insert it into a non-mouth orifice of your choice... and give me a closeup

February 10, 2020 10:22 AM

No, that was just the first one. Unless you like it this way

Nathan McKnight

February 10, 2020 10:22 AM

Seriously considering putting my finger in my nose right now.

February 10, 2020 10:22 AM

Just seeing if I could cheat and wait four minutes to ask you my next question.

Jo Ross

February 10, 2020 10:23 AM

Actually, the way we're going, we might need either tighter time constraints or more elaborate requests

Nathan McKnight

February 10, 2020 10:23 AM

I feel like the elaborate requests are in the post.

Jo Ross

February 10, 2020 10:23 AM

You could.

February 10, 2020 10:23 AM

What do you mean?

Nathan McKnight

February 10, 2020 10:24 AM

I definitely don't want to lick my finger and put it in my ear.

February 10, 2020 10:24 AM

They're on the way.

Jo Ross

February 10, 2020 10:24 AM

The question is meant to see what your first inclination is. Don't think, just do

February 10, 2020 10:25 AM

I think I might have to get more strict about these time limits

February 10, 2020 10:25 AM

Slide that finger into something right now. Go!

Nathan McKnight

February 10, 2020 10:25 AM			
	Jo Ross		
February 10, 2020 10:26 AM			
			Oh yes
February 10, 2020 10:26 AM			
			You know where my second finger is going after I've gotten you all worked up...
			Nathan McKnight
February 10, 2020 10:27 AM			
	I have no clue.		
	Jo Ross		
February 10, 2020 10:27 AM			
			Ok. It's better that way anyhow
February 10, 2020 10:28 AM			
			I do believe it's my turn in the barrel
			Nathan McKnight
February 10, 2020 10:29 AM			
	I would like to see a picture of your favorite and most sensitive spot. And I meant that very specifically. Not a general area, but I would like a picture of your finger on the exact place that comes to mind.		
February 10, 2020 10:31 AM			
	Told you you're not very strict...		
February 10, 2020 10:33 AM			
	You're also down to less than three minutes		
	Jo Ross		
February 10, 2020 10:33 AM			
			Nathan McKnight
February 10, 2020 10:34 AM			
	Perfect		
	Jo Ross		
February 10, 2020 10:34 AM			
			Ok. I want to see the spot where my one finger will be the most frustrating for you
			Nathan McKnight
February 10, 2020 10:34 AM			
	Are we permitted to multitask while we play this game?		
	Jo Ross		
February 10, 2020 10:35 AM			
			Define
			Nathan McKnight
February 10, 2020 10:35 AM			
	Can't. I am preoccupied fulfilling your request		
	Jo Ross		
February 10, 2020 10:36 AM			
			If by "multitask "you mean "masturbate "...
			Nathan McKnight
February 10, 2020 10:36 AM			

	Which, by the way, was not very kind at all. You are cataloging things to use against me		
	Jo Ross		
February 10, 2020 10:36 AM			
			Yes, it's a requirement
February 10, 2020 10:36 AM			
			I'm not trying to be kind
February 10, 2020 10:39 AM			
			Show me what you got
			Nathan McKnight
February 10, 2020 10:39 AM			
February 10, 2020 10:39 AM			
	Just along the edge. Not inside where I'd like it to be.		
	Jo Ross		
February 10, 2020 10:39 AM			
			So... stage right..
February 10, 2020 10:40 AM			
			Very much along the edge
February 10, 2020 10:40 AM			
			Duly cataloged
			Nathan McKnight
February 10, 2020 10:40 AM			
	I'm quickly realizing that actually being able to angle the camera correctly is where the five minute allotment is helpful.		
February 10, 2020 10:40 AM			
	Unfair.		
	Jo Ross		
February 10, 2020 10:41 AM			
			Yeah, but no perfectionist tendencies allowed today
			Nathan McKnight
February 10, 2020 10:42 AM			
	I'd like to see a photo of your favorite thing to use when you're having your alone time, being used in whatever way you use it		
	Jo Ross		
February 10, 2020 10:45 AM			
			Hmmm. Does "favorite thing" have to be not part of my body?
			Nathan McKnight
February 10, 2020 10:46 AM			
	The only requirement is that it is your favorite thing		
February 10, 2020 10:46 AM			
	Two minutes		
February 10, 2020 10:47 AM			

One minute?

February 10, 2020 10:47 AM

Gosh you're a risk taker

Jo Ross

February 10, 2020 10:48 AM

Nathan McKnight

February 10, 2020 10:48 AM

Oh my

Jo Ross

February 10, 2020 10:48 AM

Not very novel, I know… But those are two of my favorite things

Nathan McKnight

February 10, 2020 10:48 AM

That was close. It actual came through a second late

February 10, 2020 10:49 AM

I'm afraid you've fallen outside of our time parameter by a mere second.

February 10, 2020 10:49 AM

Now what?

Jo Ross

February 10, 2020 10:49 AM

Oh? I don't know… What do you think should happen?

Nathan McKnight

February 10, 2020 10:49 AM

Did you just lose the game?

February 10, 2020 10:49 AM

Wait... did I just beat you at your own game?

Jo Ross

February 10, 2020 10:50 AM

Hmmm. Is that what you want?

Nathan McKnight

February 10, 2020 10:50 AM

Hm. I do like that picture though.

Jo Ross

February 10, 2020 10:50 AM

Or would you rather another challenge

February 10, 2020 10:51 AM

Need to up the ante. You don't seem embarrassed enough

Nathan McKnight

February 10, 2020 10:51 AM

Nathan McKnight

I mean, I'm winning the game so far, so...

February 10, 2020 10:51 AM

February 10, 2020 10:52 AM			
	What's the challenge?		
	Jo Ross		
February 10, 2020 10:52 AM			
			I don't mind you winning now and then
February 10, 2020 10:52 AM			
			So, the game still on?
			Nathan McKnight
February 10, 2020 10:52 AM			
	You're trying to get me to agree to the challenge before I know what it is? This sounds like a trap.		
	Jo Ross		
February 10, 2020 10:54 AM			
			Ok. Last video you masturbated to. Bring it up, kiss the screen on the sexiest part… Look directly into the camera, And you have to send the very first picture you take. No multiple tanks
February 10, 2020 10:54 AM			
			*takes
February 10, 2020 10:54 AM			
			Chop chop
			Nathan McKnight
February 10, 2020 10:55 AM			
	A screenshot of the sexiest part of the last video I masturbated to?		
	Jo Ross		
February 10, 2020 10:56 AM			
			No... a photo of you kissing your computer/tv screen
			Nathan McKnight
February 10, 2020 10:57 AM			
	But... I'm... busy.		
	Jo Ross		
February 10, 2020 10:57 AM			
			On the sexiest part of the last porn you got off to
			Nathan McKnight
February 10, 2020 10:57 AM			
	Lol		
	Jo Ross		
February 10, 2020 10:57 AM			
			Oh I see
			Nathan McKnight
February 10, 2020 10:58 AM			
	Leaving the bedroom seems terribly unpalatable at this moment		
	Jo Ross		
February 10, 2020 10:58 AM			
			Jo Ross
			I mean, maybe we could come up with a different challenge
February 10, 2020 10:59 AM			

		I kind of want to make you uncomfortable…
February 10, 2020 10:59 AM		
		Jo Ross
		I could be strict… But I don't think you're ready for that ass
February 10, 2020 10:59 AM		
		*yet!
February 10, 2020 10:59 AM		
		Lol
		Nathan McKnight
February 10, 2020 10:59 AM		
	I am afraid, sir, that under other circumstances I would comply, but I believe you may be the one who fell short of the time restraints.	
February 10, 2020 11:00 AM		
	Restraints	
	Jo Ross	
February 10, 2020 11:00 AM		
		I see
		Nathan McKnight
February 10, 2020 11:00 AM		
	I can accept punishments, however, I have been a very good girl and followed all the rules and restrictions	
	Jo Ross	
February 10, 2020 11:00 AM		
		hmmm... Since leaving the bedroom makes you uncomfortable, I'm going to keep that in the challenge… But I will give you two choices
February 10, 2020 11:02 AM		
		You can either comply with the earlier challenge, or you can take whatever you're doing right now, go into another room in the house of your choice, And continue on the floor of that room
		Nathan McKnight
February 10, 2020 11:02 AM		
	Nathan, you'll have to excuse me for a moment. I am about to cum.	
	Jo Ross	
February 10, 2020 11:02 AM		
		Stop'
February 10, 2020 11:02 AM		
		No coming yet
February 10, 2020 11:02 AM		
		Hold it there
		Nathan McKnight
February 10, 2020 11:02 AM		
	Ugh.	

February 10, 2020 11:02 AM			
	Fine		
February 10, 2020 11:03 AM			
	I'm not happy.		
	Jo Ross		
February 10, 2020 11:03 AM			
			If you want… You're allowed to come in the fulfillment of this request
			Nathan McKnight
February 10, 2020 11:03 AM			
	Are pictures required?		
	Jo Ross		
February 10, 2020 11:03 AM			
			I mean… I just might actually
			Nathan McKnight
February 10, 2020 11:04 AM			
	You're not being very specific.		
	Jo Ross		
February 10, 2020 11:04 AM			
			Yes
			Nathan McKnight
February 10, 2020 11:04 AM			
	It might take me a moment. Because *someone* is demanding.		
	Jo Ross		
February 10, 2020 11:04 AM			
			Yep. Picture. You on the floor Where are you getting cozy with a computer screen.
			Nathan McKnight
February 10, 2020 11:05 AM			
	It's not a computer screen. It is my phone.		
	Jo Ross		
February 10, 2020 11:05 AM			
			Works for me
			Nathan McKnight
February 10, 2020 11:05 AM			
	It has to be the floor? Can it be the couch?		
	Jo Ross		
February 10, 2020 11:06 AM			
			The choices are either bring up the video and kiss it... Or go masturbate on the floor somewhere.
February 10, 2020 11:06 AM			
			And yes, pictures are required
			Nathan McKnight
February 10, 2020 11:07 AM			
	Bossy.		
	Jo Ross		
February 10, 2020 11:07 AM			
			spank
February 10, 2020 11:07 AM			

			That's for talking back
February 10, 2020 11:09 AM			
			If you simply must cum, you may. But I'd really like you to wait until you're good and uncomfortable , physically or emotionally
February 10, 2020 11:09 AM			
			Hurry
February 10, 2020 11:12 AM			
February 10, 2020 11:12 AM			
			Waiting
February 10, 2020 2:58 PM			
			Duration: 225 minutes
			The video chat ended.
			Nathan McKnight
February 10, 2020 2:58 PM			
	Lol it asked me to rate the call		
February 10, 2020 2:58 PM			
	You get five stars		
	Jo Ross		
February 10, 2020 2:59 PM			
			I also gave you full stars
February 10, 2020 2:59 PM			
February 10, 2020 2:59 PM			
			There aren't enough pepperoni in the world
			Nathan McKnight
February 10, 2020 3:41 PM			
	I'm sure there is somewhere		
	Jo Ross		
February 10, 2020 3:42 PM			
			I'll look around. Maybe there's one hiding somewhere
			Nathan McKnight
February 10, 2020 3:42 PM			
	May I point out that we spent the entire day on the phone? Everyone is home and I've literally done nothing but masturbate and video chat. I'm *not* complaining.		
February 10, 2020 3:42 PM			
	I'm kind of proud of it, actually.		
	Jo Ross		
February 10, 2020 3:49 PM			
			I feel accomplished
February 10, 2020 3:49 PM			
			Nathan McKnight

February 10, 2020 3:51 PM			
	Oh my. The cheese.		
	Jo Ross		
February 10, 2020 5:42 PM			
			Out of curiosity, if I were to make a video… Do you have any particular angle would like to request?
			Nathan McKnight
February 10, 2020 6:58 PM			
	Oh my. I get to pick?		
February 10, 2020 6:58 PM			
	I mean, I like all of your angles...		
	Jo Ross		
February 10, 2020 7:41 PM			
			I mean, I am very accommodating
			Nathan McKnight
February 10, 2020 7:43 PM			
	I am starting to think that you are.		
	Jo Ross		
February 10, 2020 7:44 PM			
			Just now starting?
February 10, 2020 7:45 PM			
			It's a journey
			Nathan McKnight
February 10, 2020 7:45 PM			
	What? I'm a cautious human.		
February 10, 2020 7:46 PM			
	I pick POV		
	Jo Ross		
February 10, 2020 7:46 PM			
			Your POV or mine?
			Nathan McKnight
February 10, 2020 7:48 PM			
	Hm, if I pick mine, that would be quite telling of where exactly you expect me to be...		
	Jo Ross		
February 10, 2020 7:51 PM			
			True.... and wouldn't you like to know.
February 10, 2020 7:51 PM			
			Of course, it would only be one place I might want you to be
February 10, 2020 7:51 PM			
			Perhaps I'll just send you a closeup of a pillow or a blindfold
			Nathan McKnight
February 10, 2020 8:08 PM			
	That wouldn't be very kind...		
	Jo Ross		
February 10, 2020 9:09 PM			
			Jo Ross

			Alright, well... you asked for it. I'll take your suggestions into consideration and try to make a video for you. Not sure I have a strong enough command of the medium to make something as lonely and artistically sound as yours (read: it'll probably be really gross)
February 10, 2020 9:09 PM			
			*lovely
February 10, 2020 9:12 PM			
			Oh... and that reminds me. Somebody told me you just might have a picture of me in a onesie
			Nathan McKnight
February 10, 2020 9:29 PM			
February 10, 2020 9:29 PM			
	Nathan McKnight		
	I can't believe I almost forgot!		
	Jo Ross		
February 10, 2020 11:04 PM			
February 10, 2020 11:11 PM			
			Oh, I need to add "almost forgot onesie pic"
			Nathan McKnight
February 10, 2020 11:29 PM			
	Oh my god.		
February 10, 2020 11:29 PM			
	I'm cracking up.		
February 10, 2020 11:30 PM			
	Nathan....		
February 10, 2020 11:30 PM			
	Your handwriting is absolutely horrid.		
	Jo Ross		
February 10, 2020 11:33 PM			
			Jo Ross
			My handwriting comes in many flavors.
			Nathan McKnight
February 10, 2020 11:33 PM			
	I'm afraid I'm going to have to say, this is really shoddy work.		
	Jo Ross		
February 10, 2020 11:33 PM			
			This version is "somebody might need to read this...but not at first glance"
February 10, 2020 11:33 PM			
			Oh really?
			Nathan McKnight
February 10, 2020 11:33 PM			
	What's that last thing there on the naughty side? It is the naughty side, isn't it?		

February 10, 2020 11:34 PM			
	I can't quite tell...		
February 10, 2020 11:34 PM			
	I only scored a seven on making you hard and not helping you out?		
	Jo Ross		
February 10, 2020 11:34 PM			
			Sins against man and nature
			Nathan McKnight
February 10, 2020 11:35 PM			
	Ah, thank you.		
	Jo Ross		
February 10, 2020 11:35 PM			
			Well, you did help me out several of those times.
			Nathan McKnight
February 10, 2020 11:35 PM			
	I'd call that a nine at least.		
	Jo Ross		
February 10, 2020 11:35 PM			
			Jo Ross
			Also, that's an 8 ...the entry itself counts as one
			Nathan McKnight
February 10, 2020 11:35 PM			
	You're going to need to redraft this whole thing.		
	Jo Ross		
February 10, 2020 11:36 PM			
			Well, that's a given
			Nathan McKnight
February 10, 2020 11:36 PM			
	This is unacceptable. C+ at best, really.		
	Jo Ross		
February 10, 2020 11:36 PM			
			Nothing is real until it's entered into a spreadsheet
February 10, 2020 11:36 PM			
			And my spreadsheet game is unreal
			Nathan McKnight
February 10, 2020 11:36 PM			
	Hm. I'm skeptical.		
	Jo Ross		
February 10, 2020 11:36 PM			
			You've doubted me before
February 10, 2020 11:36 PM			
			You should know better by now
February 10, 2020 11:37 PM			
			failed to learn lessons
			Nathan McKnight
February 10, 2020 11:37 PM			

	Just so you know, this is the part where I am agitating you entirely on purpose in order to make you want to cause me to whimper.		
February 10, 2020 11:37 PM			
	Also, this is the last reassurance you're getting from me. The training wheels are off.!		
February 10, 2020 11:38 PM			
	I absolutely know better.		
	Jo Ross		
February 10, 2020 11:38 PM			
			assumed i didn't understand what cogs were turning in your brain
			attempt to be thoughtful
			ok, that's one for, and one against...
			Nathan McKnight
February 10, 2020 11:39 PM			
	I'm so very sorry for babying you.		
February 10, 2020 11:39 PM			
	Although, technically, it is your fault I did.		
	Jo Ross		
February 10, 2020 11:40 PM			
			you won't be able to make me angry via text...
February 10, 2020 11:40 PM			
			nor in person, unless i've decided it's time to let you have what you're so desperately seeking
February 10, 2020 11:41 PM			
			and then the belt comes off
			Nathan McKnight
February 10, 2020 11:41 PM			
	I'm reading over this list, and I think that your grading scale is rigged. These are definitely weighted to suit your purposes.		
	Jo Ross		
February 10, 2020 11:42 PM			
			no... they were, but I crossed out "+10 for good measure"
February 10, 2020 11:42 PM			
			now, they are 100% objective fact
February 10, 2020 11:42 PM			
			Jo Ross
			i checked it on google
			Nathan McKnight
February 10, 2020 11:43 PM			
	The keeping you up late is far to severe.		
February 10, 2020 11:43 PM			
	That was a group project.		
	Jo Ross		
February 10, 2020 11:44 PM			

			I never said you couldn't add it to my naughty list...
February 10, 2020 11:44 PM			
			I hope you've been keeping track.
February 10, 2020 11:45 PM			
			Given your critique, I assume yours is masterfully kept and assiduously maintained.
			Nathan McKnight
February 10, 2020 11:52 PM			
	Ha! If you want the truth, mine is far less fair than yours, but perhaps much more fun.		
February 10, 2020 11:53 PM			
	I've just been assuming you're naughty since I introduced myself to you with glitter in your beard.		
	Jo Ross		
February 11, 2020 12:05 AM			
			Did you have any idea *how* naughty?
			Nathan McKnight
February 11, 2020 12:06 AM			
	Absolutely not, but I am still not sure I do.		
February 11, 2020 12:07 AM			
	The fact still remains to be seen if you are better at talking about it than you are at carrying out your claims.		
	Jo Ross		
February 11, 2020 12:13 AM			
			Oh... we'll see. I've already admitted to being a bit out of my wheelhouse when it comes to being angry and mean. But I'm a quick study.
February 11, 2020 12:14 AM			
			And no, you don't know how naughty I am. You've gotten a small taste of how I operate though.
			Nathan McKnight
February 11, 2020 12:14 AM			
	Oh I don't want you to necessarily be mean. I'm just warning you that you may have to force me to do whatever it is you want me to do.		
	Jo Ross		
February 11, 2020 12:15 AM			
			I'm looking forward to that.
			Nathan McKnight
February 11, 2020 12:16 AM			
	That's what you think. I'm conceited enough to say that I think I know how you operate slightly more than you think I do.		
February 11, 2020 12:16 AM			
	Ah! I know the word. It mean. Stern.		
February 11, 2020 12:16 AM			

	*not		
	Jo Ross		
February 11, 2020 12:17 AM			
			I'll grant that you have a unique and unexpected insight. And yet...
February 11, 2020 12:17 AM			
			I'm very imaginative.
			Nathan McKnight
February 11, 2020 12:17 AM			
	Also, I'd like to point out that the category of "cane through on video" got no points. I would like to request a recalculation of my grade.		
February 11, 2020 12:18 AM			
	Ugh *came.		
February 11, 2020 12:18 AM			
	...came.		
February 11, 2020 12:18 AM			
	Anyway, I think I deserve a re-evaluation.		
	Jo Ross		
February 11, 2020 12:22 AM			
			It's not a rating, it's number of instances.
			Nathan McKnight
February 11, 2020 12:22 AM			
	Fuck.		
	Jo Ross		
February 11, 2020 12:25 AM			
			Ok... it's back to grading for me.
February 11, 2020 12:25 AM			
			Sleep tight.
			Nathan McKnight
February 11, 2020 12:25 AM			
	Goodnight, Sir.		
	Jo Ross		
February 11, 2020 12:26 AM			
February 11, 2020 12:27 AM			
			!! forgot running down all my batteries
			Nathan McKnight
February 11, 2020 12:27 AM			
	I still think I deserve more points for getting you hard.		
	Jo Ross		
February 11, 2020 12:28 AM			
			After today, I'll consider it. But I'm being generous in my interpretation of "lending a hand".
			Nathan McKnight
February 11, 2020 12:30 AM			
	Goodnight.		

	Grade your papers. Give that poor girl a good grade.		
	Just so you know, next time I see you, I'm probably going to be slightly vicious if I get the chance. Casual in company, but if I catch you alone, you may want to brace yourself.		
	Jo Ross		
February 11, 2020 12:32 AM			
			Sleep on it, and name the date. I'm assuming a Saturday evening - Sunday morning thing. Maybe an AirBnB? Now off to bed with ye, little jackrabbit!
			Nathan McKnight
February 11, 2020 9:04 AM			
	Would you like a preview of me on a normal workday? It definitely falls under our previous topic of "contrast"		
	Jo Ross		
February 11, 2020 9:18 AM			
			Sure.
February 11, 2020 9:19 AM			
			Jo Ross
			Calling it a preview makes it sound like I'm going to be tagging along with you one of these days
			Nathan McKnight
February 11, 2020 9:21 AM			
	I assure you, you would not be interested		
February 11, 2020 9:21 AM			
	Jo Ross		
February 11, 2020 9:36 AM			
			I mean... I told you I'm interested in everything
February 11, 2020 9:37 AM			
			Not a speck of glitter. Disappointed
			Nathan McKnight
February 11, 2020 9:44 AM			
	As am I.		
February 11, 2020 1:10 PM			
	So, I was thinking. Did you already have plans to attend the enchanted creatures ball in May?		
February 11, 2020 1:11 PM			
	I believe it is on the ninth.		
	Jo Ross		
February 11, 2020 2:32 PM			
			It's on my radar, but hadn't taken the time to stop and make plans
			Nathan McKnight
February 11, 2020 2:38 PM			
	Well, if you have no prior engagements, I was hoping you might want to accompany me as my date.		
	Jo Ross		

February 11, 2020 2:44 PM

I would love to. I will be in NYC early in May, but I should be back before the 9th

Nathan McKnight

February 11, 2020 2:46 PM

Perfect. I will get another ticket. I was asked to share an air b&b and attend with a small group of other cuddlefish. Would you be interested in spending the night with me? I'm sure they won't mind if you join us, and I will double check if you are interested.

Jo Ross

February 11, 2020 3:05 PM

Aren't you sweet. I think I'm gonna like this mean thing if this is how it works

February 11, 2020 3:05 PM

I accept.

Nathan McKnight

February 11, 2020 3:42 PM

Nathan McKnight

Well, you just can't tell anyone I'm nice, and I won't tell anyone you know how to pretend to be mean.

February 11, 2020 3:49 PM

Pamela is adding you to the small group

Jo Ross

February 11, 2020 6:00 PM

Alrighty then

February 11, 2020 6:29 PM

Hey... so how much do I owe you for the tickets and the Airbnb?

Nathan McKnight

February 11, 2020 6:59 PM

I'm not sure, but however much it is, it's going to take me a while to come up with an imaginative enough method of repayment.

Jo Ross

February 11, 2020 7:00 PM

Jo Ross

Oh, i see. You're planning on attempting my process on it?

Nathan McKnight

February 11, 2020 7:04 PM

Nathan McKnight

I'm not sure if I have the organizational thought process required for that, but I will think of something. Or not. I asked you out on a date, therefore all I would like in return is your company.

Jo Ross

February 11, 2020 7:05 PM

Are you planning to go to Hump! Film Festival?

February 11, 2020 7:06 PM

			Aww. Can't wait till you show your bratty side on that date....
			Nathan McKnight
February 11, 2020 7:07 PM			
	I'm sure you'll probably see it before then		
	Jo Ross		
February 11, 2020 7:16 PM			
			If you're Lucy
February 11, 2020 7:16 PM			
			Or lucky
			Nathan McKnight
February 11, 2020 8:21 PM			
	Can I pick both?		
February 11, 2020 8:23 PM			
	However, for some reason I think there was a scheduling conflict, but I can not remember for sure. I will have to go through and double check. If there is not a conflict, then yes, I will absolutely be going.		
	I was hoping to go to Hump!		
	Jo Ross		
February 11, 2020 8:24 PM			
			Jo Ross
			Ok. Well, I don't know when we're planning on going, nor do I know what the Cuddlefish settles on. But let me know which night works for you and we'll figure it out
			Nathan McKnight
February 11, 2020 8:24 PM			
	Also, while we are chatting, I was thinking about how I had to cut our conversation short just as you'd brought up Liz, and it left me in a spot where I did not get a chance to properly acknowledge the topic.		
	Jo Ross		
February 11, 2020 8:25 PM			
			Jo Ross
			Because you got caught sticky handed...
			Nathan McKnight
February 11, 2020 8:26 PM			
	That being said, I think Liz is very cute, but I don't believe I've had a chance to really interact with her aside from being in her proximity at Princess and Dan's house. Perhaps we can remedy that issue?		
	I did.		
	Jo Ross		
February 11, 2020 8:27 PM			
			I'm sure we can hang out any time. You're both delightful people
February 11, 2020 8:28 PM			
			Hopefully, if not sober, you can join us for Hunp!
February 11, 2020 8:28 PM			

		*sooner
February 11, 2020 8:28 PM		
		*Hu.... oh, fuck it.
February 11, 2020 8:34 PM		
February 11, 2020 8:34 PM		
		Just what do you think you're doing??? I have *work* to do!
February 11, 2020 8:35 PM		
		Kelly and I are supposed to plan the next Sex On Tap.... if it doesn't happen, it's your fault
		Nathan McKnight
February 11, 2020 8:36 PM		
	What's that you say? I'm ruining your life?	
	Jo Ross	
February 11, 2020 8:36 PM		
		Jo Ross
		pout yes. *pout* and I like it :(
		Nathan McKnight
February 11, 2020 8:36 PM		
	Lol I seem to have gotten distracted replying while I was trying to reply.	
February 11, 2020 8:37 PM		
	The reply to that was supposed to just say "both"	
	Jo Ross	
February 11, 2020 8:39 PM		
		You are danger. Now I'm going to spend all evening distracted by the thought of hunping you
		Nathan McKnight
February 11, 2020 8:39 PM		
	Oh my. I can't wait to see what hunping is...	
February 11, 2020 9:26 PM		
	Just so you know, I've spent the past hour distracted by the thought of you being distracted by the thought of jumping me	
February 11, 2020 9:26 PM		
	*humping	
	Jo Ross	
February 11, 2020 10:30 PM		
		I'm beginning to suspect that your main kink is simply being lusted after…
February 11, 2020 10:39 PM		
		Oh Jesus
February 11, 2020 10:40 PM		
		I just picked up a vape I haven't used since... Masturbation Day

February 11, 2020 10:41 PM

I cringed

Nathan McKnight

February 11, 2020 11:31 PM

Me?? No.

February 11, 2020 11:32 PM

I'm too shy and picky for that to be my kink.

February 11, 2020 11:33 PM

Also... masturbation day

Yuck.

February 11, 2020 11:33 PM

That was yesterday.

February 11, 2020 11:34 PM

Unless you have an alternately appointed masturbation say I'm unaware of that was sometime last week .

February 11, 2020 11:36 PM

Oh wait. Or are you referring to... residue?

Jo Ross

February 11, 2020 11:36 PM

Oh right. That was yesterday

February 11, 2020 11:36 PM

Jo Ross

Yeah. It was really gunky

Nathan McKnight

February 11, 2020 11:37 PM

Ah. I thought you meant it was old and stale.

Jo Ross

February 11, 2020 11:37 PM

I actually graded until I had to go to work

February 11, 2020 11:37 PM

I've been up for about 40 hours

Nathan McKnight

February 11, 2020 11:38 PM

#adderall

Jo Ross

February 11, 2020 11:38 PM

Yeah, right?

February 11, 2020 11:38 PM

Had to get through about 16 students' assignments

February 11, 2020 11:39 PM

But I made it. Now, small dinner and first real sleep since 7am yesterday

Nathan McKnight

February 11, 2020 11:39 PM			
	That substance has gotten me through more adulting than growing up ever has.		
	Jo Ross		
February 11, 2020 11:39 PM			
			Yes! That's the problem. It's too good!
			Nathan McKnight
February 11, 2020 11:39 PM			
	Well, goodnight, Sir. I hope you sleep well.		
	Jo Ross		
February 11, 2020 11:39 PM			
			Jo Ross
			I mean, vyvanse is better
			Nathan McKnight
February 11, 2020 11:40 PM			
	Agreed		
	Jo Ross		
February 11, 2020 11:40 PM			
			I will sleep very soundly
			Nathan McKnight
February 11, 2020 11:40 PM			
	Jo Ross		
February 11, 2020 11:41 PM			
			Oh, your stale vape reminded me of the time I spilled Schmalz on a vape. Smoked menthol roasted chicken Juul for a week
February 11, 2020 11:42 PM			
			Alright, dinner accomplished, flirting attempted. Water. Toothbrush. Bed
February 11, 2020 11:42 PM			
			Night
February 11, 2020 11:44 PM			
			Also Nathan: "fuck you—you're not the boss of me"
			Nathan: "you're too old for this shit, Nathan."
			Nathan McKnight
February 12, 2020 12:17 AM			
	I just got out of the shower and was met by your "I'm going to bed but I'm never going to bed" texts, and Oh my, I like you.		
	Jo Ross		
February 12, 2020 4:38 PM			
			I think I might kind of like you too. Should we move in together right now, or wait a few days? And are our primaries invited? Because we're going to need at least at least a seven bedroom house, plus a guest bed or three.
			Nathan McKnight
February 12, 2020 5:23 PM			
	Nathan McKnight		

	I mean, Jason and I are starting a commune the second the kids are self sufficient. You and Liz can totally join. I'll save you guys a spot.		
	Jo Ross		
February 12, 2020 7:33 PM			
			Ok. Reservations for two and one small house cow.
			Nathan McKnight
February 12, 2020 7:35 PM			
	Oh my goodness YES. We *have* to have a cow.		
February 12, 2020 7:35 PM			
	Did you get any rest?		
	Jo Ross		
February 12, 2020 8:35 PM			
			I did. I managed to get two good nights (5+ hours) of sleep in a row
February 12, 2020 8:37 PM			
			Jo Ross
February 12, 2020 8:37 PM			
			There's your house cow
			Nathan McKnight
February 12, 2020 8:38 PM			
	Nathan McKnight		
	Impressive. You should be able to stay up for at least three days on that kind of rest.		
February 12, 2020 8:39 PM			
	That is my favorite part.		
	Jo Ross		
February 12, 2020 9:21 PM			
			Hahah. Yes! I never noticed
			Nathan McKnight
February 12, 2020 9:44 PM			
	I gave you that one		
	Jo Ross		
February 12, 2020 9:58 PM			
			My sincerest thanks
February 12, 2020 10:00 PM			
			And... I'm kinda shocked that you're a fellow nude accordionist... but somehow also not
			Nathan McKnight
February 13, 2020 5:06 AM			
	I sort of feel like you should've known, but also, how could you have?		
	Jo Ross		
February 13, 2020 8:59 AM			
			Jo Ross

			So, what do you listen to when you're on the road? Fair warning: If you say "accordion based experimental EDM yodeling podcasts" I'll just think you're trying to impress me and assume it's actually nonstop Pearl Jam.
			Nathan McKnight
February 13, 2020 9:10 AM			
	Friend and I have definitely collaborated to do 80s band covers accordion style		
February 13, 2020 9:11 AM			
	Jo Ross		
February 13, 2020 9:12 AM			
			I love that.
February 13, 2020 9:13 AM			
			For a long time, I've been trying to pitch the idea of an 80s rock caroling group. I've had no takers yet. But I think adding accordion to the mix might just make the difference
			Nathan McKnight
February 13, 2020 9:16 AM			
	I'd be on board		
	Jo Ross		
February 13, 2020 9:19 AM			
			Ok. Do you have musical ability? Because I don't
			Nathan McKnight
February 13, 2020 9:21 AM			
	I play the piano, so I can improv (poorly) enough to make it sound like music, and slowly figure out actual songs if given adequate time		
	Jo Ross		
February 13, 2020 9:22 AM			
			Nice
February 13, 2020 9:22 AM			
			The only music I've ever made, I composed visually on my computer without really knowing what it would sound like
			Nathan McKnight
February 13, 2020 9:23 AM			
	So, Half the fun of my job is the fact that I spend the majority of my day in rural Midwest America Bible belt settings. The stuff you see in greasy spoon diners and country truckstops is endlessly entertaining.		
February 13, 2020 9:23 AM			
	Jo Ross		
February 13, 2020 9:23 AM			
			Hahahah.
February 13, 2020 9:23 AM			
			I don't doubt that
			Nathan McKnight
February 13, 2020 9:23 AM			

Take this, for instance. You can get a special haircut at this truck stop. What makes it special? I don't know but I kind of want to find out

Jo Ross

February 13, 2020 9:23 AM

I'm really curious how special those haircuts are

Nathan McKnight

February 13, 2020 9:23 AM

Right??

February 13, 2020 9:24 AM

And for the low low price of $10 it would be stupid not to at least check one time

Jo Ross

February 13, 2020 9:24 AM

Jo Ross

You could prep for the next big party with a special haircut

February 13, 2020 9:24 AM

For ten bucks, you should buy two or three

Nathan McKnight

February 13, 2020 9:24 AM

I wonder if they sell gift cards

Jo Ross

February 13, 2020 9:25 AM

The gift that keeps on giving

February 13, 2020 9:26 AM

You should spend a year, only buying goods and services from questionable rural signs... then write a book about the experience

February 13, 2020 9:31 AM

Jo Ross

It's very simple... referring to figure 12.3, you can see that the stopping zone is behind the bus line, with also a gate that must stay. When the train comes you must behind. If the line. But never passing when it is gate.

Nathan McKnight

February 13, 2020 9:33 AM

I feel like by the end of that year, I would look very strange and I would definitely have gone against my dietary principles to the point of no return

February 13, 2020 9:34 AM

I knew all I needed to decipher that paragraph was a fresh set of eyes

Jo Ross

February 13, 2020 9:44 AM

You can call me fresh eyes if you like, but I think that description applies better to you ;)

Nathan McKnight

February 13, 2020 10:12 AM

	*swoon		
	Jo Ross		
February 13, 2020 10:12 AM			
			Desired effect accomplished
February 13, 2020 10:13 AM			
February 13, 2020 12:41 PM			
			Did you decided which showing of Hump! you can come to? If any?
			Nathan McKnight
February 13, 2020 1:57 PM			
	It looks like I am free on both days. Does a specific one work better for you two?		
	Jo Ross		
February 13, 2020 2:29 PM			
			Jo Ross
			I'll find out
			Nathan McKnight
February 13, 2020 3:12 PM			
	Briden just did a new poll in the group. Now that I'm looking at it and thinking about timing and such, If we go on Saturday it will probably be easier to coordinate since I'm working on Friday.		
	Jo Ross		
February 14, 2020 7:16 AM			
			So, hallmark doesn't have a Valentine's Day card for poly pervert pen pals...
			Nathan McKnight
February 14, 2020 7:40 AM			
	I'm pretty sure we get our own fake holiday, don't we?		
February 14, 2020 7:40 AM			
	Nathan McKnight		
	I pick summer solstice.		
February 14, 2020 7:41 AM			
	It seems the most likely day that I will be doing some sort of hedonistic poly thing.		
	Jo Ross		
February 14, 2020 7:52 AM			
			Isn't the ides of March some kind of baccanalia?
February 14, 2020 7:52 AM			
			Summer seems too far off
			Nathan McKnight
February 14, 2020 7:54 AM			
	You've misspelled your own fancy word. Tsk tsk. That's another tally on your naughty list.		
February 14, 2020 7:56 AM			
	Also, the Ides were traditionally the deadlines to pay off debts		

	Jo Ross		
February 14, 2020 7:56 AM			
			Jo Ross
			Oh no, don't punish me...
February 14, 2020 7:56 AM			
			Hahahaha
February 14, 2020 7:56 AM			
			Jo Ross
			That's perfect then!!
			Nathan McKnight
February 14, 2020 7:56 AM			
	Which seems ominous but also tempting..		
	Jo Ross		
February 14, 2020 7:56 AM			
			We'll have to compare lists and see who owes whom...
			Nathan McKnight
February 14, 2020 7:57 AM			
	Oh dear.		
February 14, 2020 7:57 AM			
	The ultimate disappointment: we fall even.		
	Jo Ross		
February 14, 2020 7:57 AM			
			Then we just have to take turns paying off the full amount
			Nathan McKnight
February 14, 2020 7:59 AM			
	Aw, Facebook just told me it's Liz's birthday! Damn. You have a pretty hefty day ahead of you, sir.		
	Jo Ross		
February 14, 2020 8:16 AM			
			Indeed!
February 14, 2020 8:16 AM			
			Are you guys doing anything special today?
February 14, 2020 8:19 AM			
			Ok... this is kind of perfect. We're tentatively planning a Sex On Tap bar crawl for St. Patrick's Day (it's kind of a tradition for SoT). And, that happens to be right around the time of Bacchanalia. So. Save the date.
February 14, 2020 8:20 AM			
			Jo Ross
			March 17th. It's a Tuesday, so maybe it shouldn't be too crazy a night... but who knows.
			Nathan McKnight
February 14, 2020 8:56 AM			
	We will tell each other happy Valentine's Day and give the kids some trinkets. Other than that we don't really celebrate it too seriously.		

February 14, 2020 8:57 AM

Nathan McKnight

I will mark my calendar for March 18 as a potential sick day.

Jo Ross

February 14, 2020 9:05 AM

Yeah, it's really only because Elizabeth birthday that we make it a little bit more special

February 14, 2020 11:21 AM

So... tell me something I don't know about you yet.

February 14, 2020 11:22 AM

Like... What's the thing you are most interested in and dying to have somebody to talk to about but nobody else seems to care?

February 14, 2020 11:22 AM

Or... What's your most embarrassing go-to fantasy?

February 14, 2020 11:23 AM

Or... What was the first movie you ever made out in?

Nathan McKnight

February 14, 2020 3:43 PM

My parents were terribly religious and protective, so I didn't go on a ton of dates. I was permitted to go to a Christian concert with friends and ended up being asked to leave for making out with a random guy

Hm. I do not remember the first movie I ever made out in, but I do have an amusing story that loosely follows that general theme..

Jo Ross

February 14, 2020 4:35 PM

Jo Ross

Hahah. My family was too embarrassed/too midwestern to tell me and my high school gf not to make out in the pews during service...

February 14, 2020 4:36 PM

I'm curious what Christian concert it was...

Nathan McKnight

February 14, 2020 4:36 PM

"We don't want to make a scene... but also... jesus."

You created a catch 22 they couldn't even acknowledge.

February 14, 2020 4:36 PM

Oh gosh, I have no idea. I definitely made out with someone at a Jars of Clay concert, though.

Jo Ross

February 14, 2020 4:37 PM

			Right! I need to start doing that consciously in other situations
February 14, 2020 4:37 PM			
			Lol. I definitely made out at a Christian concert or two.
			Nathan McKnight
February 14, 2020 4:38 PM			
	That sounds way creepier than it was. I was 17 and he was 19.		
	OH! I went down on my youth leader in the back of his car at church camp.		
	Jo Ross		
February 14, 2020 4:38 PM			
			Hahahaha.
February 14, 2020 4:38 PM			
			Well done
February 14, 2020 4:39 PM

			Nathan McKnight

			Also copped a feel that night (it was a lock-in) on a trip to the bowling alley. She was 17, and wise. I was 16 and had no experience
			Nathan McKnight
February 14, 2020 4:40 PM			
	I one had sex on the altar of a sanctuary.

February 14, 2020 4:40 PM

			Nathan McKnight
February 14, 2020 4:40 PM			
	Oh man. The lock-in. Aw. So weird.		
	Jo Ross		
February 14, 2020 4:40 PM			
			Impressed
February 14, 2020 4:41 PM			
			Lol. Why did they think a lock in was a good idea!?
			Nathan McKnight
February 14, 2020 4:41 PM			
	Let's take all of these sexually frustrated teenagers and lock them in this church overnight and give them pizza and surge.		

February 14, 2020 4:41 PM

Lol it sounds like the premise of a reality show.

Jo Ross

February 14, 2020 4:41 PM

I was about to say almost the same thing, but you hit the nail on the head way better than I would have

February 14, 2020 4:42 PM

Sounds like we need to write an elevator pitch

Nathan McKnight

February 14, 2020 4:42 PM

Nathan McKnight

Oh man. I think that would actually be a fantastic show. It would never fly, but it would be a hit. I'd watch that.

February 14, 2020 4:44 PM

90's Religious youth groups already have a weird vibe that people look back on with mixed feelings. Make it a reality show and add the lock in and you have a sure thing.

February 14, 2020 4:49 PM

I will probably see you at Ace of Cups. One of my close friends recently came out as trans and I told her I would take her to a few safer spaces, as she hasn't gone out publicly and has no idea where to start. So I will likely devote most of my attention to making sure she has fun, but I have to admit, I am going to have a difficult time... um... focusing.

Jo Ross

February 14, 2020 4:50 PM

Hahah. That's really awesome of you. I'll try not to tempt you, but.... my apartment is a five minute walk... just saying

Nathan McKnight

February 14, 2020 4:50 PM

Dear god.

February 14, 2020 4:50 PM

Why would you do that to me?

February 14, 2020 4:50 PM

Oh wait. Never mind. That is a ridiculous question.

Jo Ross

February 14, 2020 4:52 PM

Yes. You should be ashamed of yourself for asking that question. Bad girl. Bad, bad girl

Nathan McKnight

February 14, 2020 4:53 PM

Nathan McKnight

I should assume you are going to take any opportunity to torture me.

February 14, 2020 4:53 PM

Nathan McKnight

Either way, I'm stealing a kiss. If you'll allow it.

Jo Ross

February 14, 2020 4:53 PM

Jo Ross

Also, right now, I'm furiously texting with tech support about a POS printer error. So you're being slipped in under the radar right now

Nathan McKnight

February 14, 2020 4:54 PM

Nathan McKnight

Oh my. You're like a nerdy secret agent.

Jo Ross

February 14, 2020 4:57 PM

February 14, 2020 4:57 PM

...as i you didn't know your type

Nathan McKnight

February 14, 2020 4:58 PM

Mild mannered Nathan Bellomy gives way to glitter embellished Nathan McNight as the sun sets.

February 14, 2020 4:59 PM

His alter ego would never dream of colluding to lure a girl away from an 80's icon dance party... and yet, is he really texting IT? Gasp! He's NOT!

Jo Ross

February 14, 2020 5:03 PM

See, in not supposed to tell you this... but you're already privy to One or two of my other secrets, so I'll let you know… It's not about sunset. What's the gravitational pull of the moon.

February 14, 2020 5:03 PM

Jo Ross

On my penis

Nathan McKnight

February 14, 2020 5:03 PM

Oh really? I see.

February 14, 2020 5:03 PM

Ok by the way, that was great.

February 14, 2020 5:04 PM

Nathan McKnight

Like I'm actually impressed and highly entertained by that line.

February 14, 2020 5:05 PM

As you know, I have a deep appreciation for cheese.

February 14, 2020 5:08 PM

So, if we are divulging secrets, shall I tell you one of my classic most embarrassing moments?

Jo Ross

February 14, 2020 5:39 PM

Yes! How dare you even ask permission!

Nathan McKnight

February 14, 2020 6:05 PM

Hm. I will tell you if I see you tomorrow night. It makes a better in person bar story.

Jo Ross

February 14, 2020 6:21 PM

So... is it a boisterous, animated, pantomiming and doing silly accents bar story, or more of a sultry whisper in the ear bar story?

February 14, 2020 6:27 PM

Jo Ross

… Dammit, it should've been the gravitational *tug* of the moon!!!

February 14, 2020 6:28 PM

… And there's definitely a moon joke buried in there somewhere. So many missed opportunities!

Nathan McKnight

February 14, 2020 6:57 PM

Ah, The curse of higher intellect is seeing every missed opportunity. Don't feel too bad. You can't possibly catch them all in time.

Jo Ross

February 14, 2020 6:59 PM

L'espirit de l'escalier

Nathan McKnight

February 14, 2020 6:59 PM

			It's called halo halo. It's better than expected. I've always wanted to try it because it looks crazy. But I figured it would be underwhelming, given that it's made up of shaved ice, sweetened condensed milk, and variety of randomness, including (but not limited to) fpurple taro ice cream, flan, nata de coco, and a variety of sweetened beans.

February 15, 2020 5:39 AM

Luckily we were two blocks from a Tuffy, so we dropped the keys in the box and hopefully we'll get it fixed in the morning. Didn't want to wait for AAA, because we were planning to go home, curl up and watch Star Trek with a 30-year old bottle of Liz's dad's homemade wine.

Last year, we went to the climbing gym a movie, but on the way to the movie, this squirrel stopped on the curb, looked me in the eye, and dove right in front of my tire.

We try.

	I'm sitting here musing over the fact that you were like "I love mold" and my brain was automatically like "mmmm... mold..."		
	Jo Ross		
February 16, 2020 10:33 PM			

			Hah. I have to say, that's weirdly kind of a relief! There's nothing worse than seeing the look of revulsion on somebody's face when I talk about stinky cheese
February 16, 2020 10:33 PM			
			Jo Ross
			Ok, well... there *are* worse things
			Nathan McKnight
February 16, 2020 10:42 PM			
	Objectively, I know it's gross. It's just too good to care. And as soon as I wrote it out, I realized my stance on that probably applies to way more things in my life than just moldy cheese.

February 16, 2020 10:45 PM			
			So. Tell me something else gross and tasty/pretty/interesting/sexy...
			Nathan McKnight
February 16, 2020 10:57 PM			
	Hm. Camping. One of the specific things about camping that is enjoyable is being dirty and smelling like fire and not caring and eating and sleeping and having sex all while being significantly filthy.

Here goes nothing...

Nathan: Oh, you've been having sex with me for a while, and I just can't imagine how much the experience would have taken you to that level.

Nathan: Yeah, that's why you got to do it.

Nathan: I'm going to make sure you drink.

Nathan: I'm going to give you a drink , and I will drink something and get up.

If you were watching this and thinking, " Okay, I am just in bed, I am going to do this. So if I'm really fucking hungry, my body will be hard enough to let go.

Nathan: I am going to say this. And I am going to take the time to do something. I am going to say that you can masturb ate and not masturbate. You should have said that in front of you that you had sex with me. You don't have to. You can only masturbate at home and work at home or on my phone so I am going to make sure you keep the phone plugged. So that's a big part of the reason why I would give it a try.

Amanda: So what are you going to do?

Amanda: There is this whole thing in my mind that says, " Oh fuck, I'm a virgin but I didn't know it until I was in the shower I thought I was a slut because I didn't understand that.

Nathan: I mean, you want to feel yourself?

Nathan: The sexiest thing I know about sex is that every time you give it a look you start to lose control over how you act. You are going to feel like you can feel yourself.

Amanda: I really just did like watching the videos. I am going to give you some really good ones here.

Nathan: And when I was in the shower I thought it was a good idea to make some of these videos.

Nathan: I hope I can ’t say that I have a lot of things to do.

Amanda: I hope this was not a huge accident, but there is a sense of entitlement towards you.

Nathan: If I didn't have to watch the video then you might not even be able to masturbate.

Amanda : It seems you've been a bit of a slut since.

Amanda: Just like I wanted to kiss you

Amanda: No... I'm sorry I said it but this was me.

Nathan: I guess it doesn 't hurt to get on camera

Amanda: It's really amazing how long it took me to get fucked. I just tried to make sure I wouldn 't feel like I was fucked again. I was so happy that the last time. It was all on my first date.

Amanda: It's kind of like how I'm supposed to feel when I wake up at night.

Amanda: I was so glad I had my body control, and I thought it was an awesome day.

Nathan: I had to do my own thing, and then it was just like I was fucking ready for anything to happen.

Amanda: I could feel my dick.

Amanda: I could feel my dick. It was a massive penis, so I really had to be able to cum on myself.

Nathan: I had to just let my cock fly, and I started to cum.. but I couldn't stop it !

The whole thing was fucking great , because I had no idea what I was doing with it.

Amanda: It's like I was just trying to masturbate, and I felt like it was being fucked.

Nathan: I kept cumming

Amanda: I didn't have my dick on

Amanda: I couldn 't even stop sucking myself and I was totally fucking fucking horny

Amanda: I wanted to cum because I thought it was a good day

Amanda: I said it was my turn.

Amanda: I had to give a lot of my body control, so I kept cumming.

Amanda: I really felt sexy.

Nathan: I would get me in bed and watch my fucking pussy grow in the room, and I was pretty much on my knees doing this all day. I was really horny and wanted to cum, so I decided to get my dick on my back, and it was like it was fucking hot.

Amanda: I thought I was going to cum because I thought I was going to get a good erection.

Nathan: I was really horny and wanted to cum.

Negan: I am doing what I want to do.

Negan: It is hard to do it if I cannot give you what I want to do.

Amanda: You have to know what is going to happen to you and that your mom, who is your boyfriend, is also your father, and will be your sister.

Nathan: You can do it , and it may even be better for you as you don't want to be on the streets trying to find your mom , even if it is your fault.

Negan: You can do it on the spot , or you may need to take care of me in the next few weeks.

Amanda: Just ask yourself, can you do it?

Mari: You don' t have to be a doctor to tell me what you're doing.

Amanda: You may find it hard to tell me.

Amanda: You have to know what is wrong with me, you need to know what is going to happen to me.

Nathan: I have an idea for how you want to make it...

Amy: The choice is hard to make.

Nathan: You should know what it means, though. It is necessary to tell him what he is going to do to you and that he will probably be very upset about you.

Amanda: Just ask for your best friend to tell you everything you need to know about him and that he is going to be very upset about you because he is doing it.

Amanda: If you feel like you have something to say, it might be that you need to talk to a friend.

However, if you were to have your breasts exposed (i. e., if you did have anal sex with your fingers, or if your clitoris did not have your fingers), there is no one to ask.

Amanda: I have my head fully filled with pleasure .

Nathan: I will never masturbate again, because my brain is full.

Amanda: I have no control.

Nathan: I can do that.

Amanda: I really want to masturbate.

Nathan: I am not a virgin, but I like you to keep you from touching you, so if you want to get me off, then masturbate and cum on me, or have you cum on me, then masturbate to the floor, and cum on me.

Amanda: I would just want you to give me an erection to get my pussy to grow into an orgasm, so I can have sex with you and then masturbate for me.

Nathan: I have a beautiful woman who is my boyfriend, but she doesn 't want me to get pregnant, which is crazy.

Amanda: I have a very simple way to make me masturbate, if you're not careful.

Nathan: I could get my cock to hold my hand, but it didn't do that. You don't have the power to do that.

Amanda: I have ideas of how you might make me masturbate.

Nathan: I have a lot of ideas.

Amanda: I'm a girl, and I want you to be able to get me off my cock without your cock, so that you can give me a good orgasm without your penis and your cock, which is really fucking awesome.

Nathan: I'm just starting out.

Amanda: You can tell me how hot you are . I just can't even get your cock to keep you from touching you.

Nathan: My cock can't even feel you , I just feel my legs and I want to have sex with you.

Amanda: I'm getting jealous of you.

Nathan: You're so cute, I can't even see your breasts anymore.

Nathan: I can make you feel your body.

Amanda: I like what the sex is for, but there's nothing that I can do. I can only make your penis look like the size of my mouth.

Nathan: I really like how the penis is made , and the vagina is pretty amazing, and I like the shape of my penis.

Amanda: I like it as hell.

Nathan: It's like doing a movie, and then I see a movie called "Sexy on a Cocktail". It's funny.

Amanda: I want to have sex with my ass.

Nathan: I want you to have sex with my ass on my butt and I want to have sex with my ass on my ass.

Amanda: It's all pretty strong.

Nathan: You like how the skin feels?

Amanda: I know it's pretty much your penis that you want to get in my hand, and I can feel your chest.

Nathan: I think I know it's a good idea to make my penis look like it was on top of my dick.

Amanda: I don't have a penis, I 'm just like I like how you've fucked your penis' :P

Nathan: I mean , I just got to fuck my dick up and I want to have sex with my mouth.

Nathan: It's like trying to take your hand from your mouth to the anus, and then it'll hurt your ass, but it just makes you so tiny, it's gonna hurt your ass, so you can have sex , so you can do what I like to do and then I'll have to take my hand.

Amanda: We did it again.

Nathan: You know, just as we did that , we did it.

So I'll just take your penis and do what I like to do and then I'll have to take my hand to my lips , just like I said, "Oh, okay, we're getting into our first sex ... so you want me to have sex, so you can make a very real connection with me so you can talk to your mouth.

Amanda: Oh, yeah, so you just need to touch my nose, so I'll feel like I can touch the penis, and then I'll have to take your hand.

Nathan: The thing I do is take your fingers off your nose and make your hand so tiny it's gonna hurt your ass, that I might get sucked in the bath for a while , right?

It's a little like trying to take the bath after I got my finger out of my mouth.

Amanda: That sounds pretty awful, but it's something that can actually hurt me.

Nathan: I mean, yeah. I like that. I really want it to feel right right.

Amanda: I think if I had to make a very real, extremely intimate, emotionally intimate experience , I would probably have to look at this very deeply, very closely.

Nathan: It can make you feel very dirty for a while because I am like, "Oh, okay, I 'm okay with my penis, and I'm going to try and get this out of your head right now" It's all right.

Amanda: I think the most powerful thing about this toy is its ability to create a very intimate atmosphere, and then you have a little control over your genitals.

Nathan: Oh, yeah, that's amazing, I like that.

Amanda: So, that makes me feel dirty right?

Amanda: You're gonna get a little dirty.

Amanda: You can use it as a toy, like any child's toy.

Nathan: I feel a little dirty now.

Nathan: Just like that.

Amanda: It really comes from feeling like you're about to be a little bit dirty, right?

Nathan: So, I'm a little human , because I am so good at using my penis, I think.

Amanda: Oh, my God, I think I've done an amazing job of doing it.

Nathan: I'm the most talented kid I know.

Nathan: Just don't get me wrong.

Amanda: That is really what makes me so cool.

Nathan: I'm a good kid, so I have a lot of power , and I have that power.

Amanda: If you know something about me, you are going to be a very kind animal!

Nathan: The only thing that really matters is that you can use it as a toy.

Amanda: And yes, you know, I'm a little animal.

Nathan: I do like to think I’m an animal.

Nathan : This shit's all I can do is lick my anus and lick my dick , and let me fuck it up, and put it on the back of my vagina , or a little bit of the vagina and see if my penis would go down.

Nathan: So what do you mean by the word pussy?

Amanda: Do you remember that I was once called a mantis?

Amanda: My vagina is going to go, but I can't hold it , you know, and my dick will go up, but the vagina will go down.

Nathan: You just can’ t just suck it up, but I can do all the other things.

Amanda: The only thing that really matters is that you can use it as a toy.

Nathan: You are so cute.

Amanda: I like to be able to open the anus, and there are so many others I cannot have access to.

Amanda: Oh god, yes.

			Nathan: You're up. Lick your finger, insert it into a non-mouth orifice of your choice... and give me a closeup.
			Amanda: Dammit Wait, Are we playing under the rule of five total minutes for the question and the response?
			Nathan: Oh yeah!
			I'm really looking forward to seeing that.
			Amanda: I'm trying to make the balls feel really big..
			It has some unique uses like getting things out of your body when you're trying to get your hands on a ball that looks like a football ball.
			I like the idea of a creature that's super fast, and has a lot of tricks and uses.
			Nathan: Oh my goodness.
			Amanda: What did you think of it? How much was it worth to see this little creature?
			Nathan: And I thought that it would be an incredibly cute thing to see, especially in this game.
			It has a big, fast, and very powerful effect.
			So, this is one of my favorite tricks.
			Nathan: [laughs] So you're just kind of looking at all of these pictures. And how could you do that? So, there's a lot of different shapes out there.
			I think what happened to this little creature is a little weird, a little weird...
			Amanda: Well, I've been on the receiving end of some very nice, great ideas.
			Amanda: So, I 've decided to go for the second. It's just a quick, quick way to get to the front of your body in an instant!

Nathan: If you have your first choice right now, I'm going to pick one. You have to decide. That's how it works. Now, there are two possibilities... The first is that the first thing you see is the next thing you see. The second is that your next choice is that you can use your magic wand to take a look at your opponent. This is so simple that you can only guess what your opponent is looking at. This way, you could actually see that your opponent was looking at you with your magic wand. And so, now you can pick it up ! You can't see it, you have to use it, but that's not the way it works! You have to be able to pick it up by using it in your opponent's face, because it takes just a few seconds to come up with a strategy that lets you pick it up and make your opponent look like he was looking at you with the spell of the spell.

Amanda: Yes.

Well, this will be the hardest challenge you have ever done.

Nathan: So, here's why it works.

Amanda: You are going to win it, but you have to win it, and you have to lose.

Nathan: You have to play through it. The game is about getting better and better as the game evolves.

Nathan: This is how it works!

Amanda: Oh my God.

Nathan: You have to get used to it. If you want to get back to the game, go ahead and make sure that you play.

Amanda: You have to make sure that you have a team that can make it as fun as I am.

Nathan: I hope you enjoy. The challenge is... It's just a fun little surprise.

Nathan: I just can’t imagine.

Amanda: I think this will be the hardest.

But it's pretty darn fun.

Nathan: This is the game. It's a challenge and I don ’t know what that means.

Nathan: I'm looking forward to seeing you again soon.

I also love the feeling of having your dick out there and being at your side.

Amanda: It's cool.

Nathan: The idea of you being a human person is amazing.

Possum: It's a really nice little girl. I would love to see how you can come out in the public square, be the first to come out in public!

Amanda: I think it's very, very satisfying to say the least.

Amanda: That was the best I've had on a day.

Kissy: I really hope that you enjoy my work as a person!

My thoughts are with your dick.

Amanda: I'm going to try to put that in your head so that you don't get hurt from that.

Nathan: Just to make sure that your dick doesn't get on your dick.

Amanda: I was thinking that if I did something like this, it would come out on top of everyone else 's head.

Mate: I just wanted to put that on the front of my head so you wouldn't see anything in the way of people.

Amanda: Just to make sure you don't get the "I can't do it" message.

Amanda: The feeling of having a part in this is amazing.

Nathan: Oh my God , I'm gonna play it with you and enjoy it.

Nathan: Oh, yeah, so this is fun. I want to have a moment to play with you and enjoy it all.

Amanda: That's me.

So, I think you have the most fun, because, I think, you really are so damn cute.

And I think you did so well with that! And I really enjoy it, you know.

Nathan: Just a couple of weeks ago I did a demo of myself masturbating to myself.

Amanda: I'm not trying to do it in any way, and I 've just found my first time to play with you. So, let's make it easier for me. This is not exactly a perfect challenge, but I'm just sure there will be lots of time to do it for you to enjoy it.

Nathan: Ok. I can't believe what I do.

			Amanda: It's good to have the chance to play with your partner .
			Nathan: It's okay to do that because you like to push yourself hard I guess.

February 17, 2020 12:08 AM

Possum!?

Nathan McKnight

February 17, 2020 12:09 AM

I've given up whisper laughing. I've audibly laughed. Jason is probably in the other room trying to concentrate on being a functional adult while I, in contrast, am reading AI smut that was generated by real life smut, and I'm not in the least bit ashamed.

Jo Ross

February 17, 2020 12:09 AM

I think after all the shit we got up to in THAT scene, we're both waaaay beyond shame

February 17, 2020 12:10 AM

https://moodle.amnh.org/mod/forum/view.php?id=40663

Fucking Possum!!!??? << i need you to laugh at that. it's my favorite thing in the universe

February 17, 2020 12:10 AM

			Nathan McKnight
February 17, 2020 12:14 AM			
	it's so good. I stopped mid-read, partially bc I wanted to acknowledge the messages you were sending, but also bc I don't want it to be over.		
	Jo Ross		
February 17, 2020 12:14 AM			
			yeah. i needed a break
February 17, 2020 12:15 AM			
			it was hard enough to keep this from you for a whole two days... you can't even imagine the strain of avoiding reading it through
			Nathan McKnight
February 17, 2020 12:15 AM			
	I'm savoring it. Spreading it out over time. When did you do this?? How long have you been sitting on this gem?		
	Jo Ross		

February 17, 2020 12:15 AM

			Nathan McKnight
February 17, 2020 12:15 AM

	Ah. Endless grading.		
	Jo Ross		
February 17, 2020 12:21 AM			
			Nathan: I'm happy about it, yeah. But I mean, if I don't make it in a long period of time, there's a real chance it would get me to do that, I'll be mad at myself.
February 17, 2020 12:23 AM			
			i can't even see your breasts anymore :(
February 17, 2020 12:24 AM

			Amanda: You have to know what is going to happen to you and that your mom, who is your boyfriend, is also your father, and will be your sister.
			Huh.
			Nathan McKnight

February 17, 2020 12:32 AM			
February 17, 2020 12:33 AM

February 17, 2020 12:35 AM			
	I'm *not* complaining.		
	Jo Ross		
February 17, 2020 12:35 AM			
			I can't. Oh my fucking god. I can't start with the pirate conversation right now. Just imagine!

Jo Ross

with the back on the back and the butt on the ass

February 17, 2020 12:39 AM

wtf did we invent a.i. for if not this?

Nathan McKnight

February 17, 2020 12:40 AM

Do you realize how entertaining it is to think about the fact that our discussions began primarily comprised of scholarly topics, took a nosedive into blatant graphic pornography ridden banter, and then continued to devolve into juvenile dirty AI generated nonsense?

February 17, 2020 12:40 AM

I'm highly satisfied with the progression of this.

Jo Ross

February 17, 2020 12:40 AM

alright. i'm going back in for the end of the conversation. i'm both disappointed and relieved that it seems like the a.i. is running out of steam towerds the end there

Nathan McKnight

February 17, 2020 12:40 AM

Oh and cheese.

February 17, 2020 12:41 AM

Lol

Jo Ross

February 17, 2020 12:41 AM

...wait.... wait.... you know what we've cum back around to?

February 17, 2020 12:41 AM

hahah. and cheese

February 17, 2020 12:41 AM

...generative grammar! :o

Nathan McKnight

February 17, 2020 12:42 AM

I'm going to tell myself this was all an elaborately planned full circle you've created.

Jo Ross

February 17, 2020 12:42 AM

stop it!

February 17, 2020 12:42 AM

you really have to quit taking my thoughts

Nathan McKnight

February 17, 2020 12:42 AM

	I am not in the least bit disappointed that I gave you a free demand.		
February 17, 2020 12:42 AM			
	Absolutely not.		
	Jo Ross		
February 17, 2020 12:43 AM			
			seriously, it's like every fifth sentence, i have to stop in midstream because you beat me to it
February 17, 2020 12:43 AM			
			Nathan McKnight
February 17, 2020 12:43 AM			
	Oh trust me, I am aware. Well, perhaps not aware, but you've done it to me several times.		
	Jo Ross		
February 17, 2020 12:44 AM			
			let's do drugs together
			Nathan McKnight
February 17, 2020 12:44 AM

			Nathan McKnight
February 17, 2020 12:45 AM			
	Better make sure your other one is plugged in. You're going to be up all night grading.		
	Jo Ross		
February 17, 2020 12:45 AM			
			i don't even know where the other one is.
February 17, 2020 12:45 AM			
			Jo Ross
			probably stuck to something

	Jo Ross		
February 17, 2020 12:45 AM			
			i have to say. this is getting really weird. like. really
			Nathan McKnight

February 17, 2020 12:45 AM			
	Lol you should wash that.		
	Jo Ross		
February 17, 2020 12:46 AM			
			don't get me wrong, i love it
			Nathan McKnight
February 17, 2020 12:46 AM			
	What do you mean?		
	Jo Ross		
February 17, 2020 12:46 AM			
			just the bizarre circles this conversation has taken. the brain syndrome is ...
February 17, 2020 12:46 AM			
			... kind of hard for me to accept
			Nathan McKnight
February 17, 2020 12:46 AM			
	Expand		
	Jo Ross		
February 17, 2020 12:47 AM			
			but here we are
			Nathan McKnight
February 17, 2020 12:47 AM			
	Ah, because charming witty Nathan is having brain syndrome with someone? Gasp		
	Jo Ross		
February 17, 2020 12:47 AM			
			too many coincidences. too much mind reading.
February 17, 2020 12:47 AM			
			Well, let me say this... I've never met my equal in quite this manner before.
February 17, 2020 12:48 AM			
			I mean, i'm an old hat at weird conversations, as you might assume
			Nathan McKnight
February 17, 2020 12:49 AM			
	Well... En garde		
	Jo Ross		
February 17, 2020 12:49 AM			
			i'll make you gasp
February 17, 2020 12:49 AM			
			while laughing
February 17, 2020 12:49 AM			
			and cumming
			Nathan McKnight
February 17, 2020 12:50 AM			
	You have actually already done that.		
	Jo Ross		
February 17, 2020 12:50 AM			
			:)
			Nathan McKnight

February 17, 2020 12:50 AM			
	Slightly indirectly, but still...		
	Jo Ross		
February 17, 2020 12:50 AM			
			All in the grand plan
			Nathan McKnight
February 17, 2020 12:50 AM			
	I knew it		
	Jo Ross		
February 17, 2020 12:50 AM			
			ha. i knew you knew it
February 17, 2020 12:50 AM			
			...
February 17, 2020 12:50 AM			
			Jo Ross
			seee... i just typed what you're typing ^^^
			Nathan McKnight
February 17, 2020 12:51 AM			
	Nathan McKnight		
	Now that I've read all of the AI conversation my thoughts are actually turning to whatever plan you hatch up for your demand		
	Jo Ross		
February 17, 2020 12:51 AM			
			might as well just stop talking because you already know what i'm going to say
February 17, 2020 12:51 AM			
			i haven't even gotten quite to the end
			Nathan McKnight
February 17, 2020 12:51 AM			
	I don't know about that. You've surprised me a couple of times		
	Jo Ross		
February 17, 2020 12:51 AM			
			You don't say?
February 17, 2020 12:52 AM			
			oh jesus
February 17, 2020 12:52 AM			
			there.
February 17, 2020 12:52 AM			
			that's where
February 17, 2020 12:53 AM			
			if i dream up a demand inspired by the AI convo, god help us all
February 17, 2020 12:54 AM			
			Jo Ross
			"It was all on my first date." <<

			Nathan McKnight
February 17, 2020 12:56 AM			
	If I know you, you wouldn't dream of doing that.		
February 17, 2020 12:57 AM			
	You're going to carefully consider your demand, and wait until you've gathered additional resources from conversations and events, and then formulate a very specific demand that I will find terrible and wonderful all at the same time.		
February 17, 2020 12:57 AM			
	...if I know you, that is.		
	Jo Ross		
February 17, 2020 12:58 AM			
			Hmmm. Now, the trouble is... since you've got me pegged so well... i'm going to have to figure out how to both do exactly as you describe... and yet take it a step further.
			Nathan McKnight
February 17, 2020 12:59 AM			
	I knew you'd say that.		
	Jo Ross		
February 17, 2020 12:59 AM			
			but then, you already knew that
			Nathan McKnight
February 17, 2020 12:59 AM			
	Jo Ross		
February 17, 2020 12:59 AM			
			she's a quick draw, that one
February 17, 2020 12:59 AM			
			i raced to the return key but you beat me by a fraction of a second
			Nathan McKnight
February 17, 2020 12:59 AM			
	Okay, you're right. This is weird.		
	Jo Ross		
February 17, 2020 1:00 AM			
			so
February 17, 2020 1:00 AM			
			um
			Nathan McKnight
February 17, 2020 1:00 AM			
	Ha!		
	Jo Ross		
February 17, 2020 1:00 AM			
			hi, i'm nathan McKnight. nice to meet you.
February 17, 2020 1:00 AM			
			it's hard to put into words how pleased i am to make your acquaintance, ma'am
			Nathan McKnight
February 17, 2020 1:01 AM			

	I just pictured you doing your little “Who, me? Do I know you?” Thing from the bar.		
	Jo Ross		
February 17, 2020 1:01 AM			
			hahah
			Nathan McKnight
February 17, 2020 1:01 AM			
	So cute, by the way.		
	Jo Ross		
February 17, 2020 1:01 AM			
			why, thank you
February 17, 2020 1:01 AM			
			but i think you've got me in that dept
			Nathan McKnight
February 17, 2020 1:01 AM			
	Would you like to hear a secret?		
	Jo Ross		
February 17, 2020 1:01 AM			
			Jo Ross
			AND HOW!
February 17, 2020 1:02 AM			
			you know what we should do...
February 17, 2020 1:03 AM			
			something i've never done.
			Nathan McKnight
February 17, 2020 1:03 AM			
	Oh, my interest is piqued.		
February 17, 2020 1:03 AM			
	This, by default, has to be outlandish.		
	Jo Ross		
February 17, 2020 1:03 AM			
			...when, inevitably, we engage in some sort of honest to god sex act...
February 17, 2020 1:03 AM			
			oh, of course
			Nathan McKnight
February 17, 2020 1:03 AM			
	Uh huh...		
	Jo Ross		
February 17, 2020 1:04 AM			
			the very first time...
February 17, 2020 1:04 AM			
			just to keep it really weird
			Nathan McKnight
February 17, 2020 1:04 AM			
	Go on...		
	Jo Ross		
February 17, 2020 1:04 AM			

			...we should be tripping BALLS
			Nathan McKnight
February 17, 2020 1:04 AM			
	I have a bag of mushrooms in my dresser.		
February 17, 2020 1:04 AM			
	Does that work?		
	Jo Ross		
February 17, 2020 1:04 AM			
			i've got about ten tabs...
			Nathan McKnight
February 17, 2020 1:05 AM			
	Oh god.		
	Jo Ross		
February 17, 2020 1:05 AM			
			mmmm hmmm
February 17, 2020 1:05 AM			
			we might actually need supervision
			Nathan McKnight
February 17, 2020 1:05 AM			
	Ok, wanna hear a totally different secret than the one I was about to tell you?		
	Jo Ross		
February 17, 2020 1:05 AM			
			oh, i got it...
			Nathan McKnight
February 17, 2020 1:05 AM			
	I'm almost embarrassed		
	Jo Ross		
February 17, 2020 1:05 AM			
			wait. yes. sorry to derail
February 17, 2020 1:05 AM			
			*rail
			Nathan McKnight
February 17, 2020 1:05 AM			
	Jo Ross		
February 17, 2020 1:05 AM

February 17, 2020 1:06 AM			
			no, no, no... after you
			Nathan McKnight
February 17, 2020 1:06 AM			
	I've never actually done acid		
	Jo Ross		
February 17, 2020 1:06 AM

			Nathan McKnight
February 17, 2020 1:07 AM			
	My theory is that I've never had a bad trip on mushrooms, but I've heard of people having bad trips on acid, so I never bothered		
	Jo Ross		
February 17, 2020 1:07 AM			
			...eh. i've done a decent amount of shrooms. it's definitely possible to have a bad trip on shrooms
February 17, 2020 1:07 AM			
			i only tried acid at scorched this year
			Nathan McKnight
February 17, 2020 1:08 AM

February 17, 2020 1:09 AM			
			yes i would
February 17, 2020 1:11 AM			
			you know what i have, that i wouldn't dream of sharing with anyone because i've got so little, and it's so hard to find... but i would share it with you if you wanted to...

February 17, 2020 1:12 AM			
	Last night, when we were paying our bill at hound dogs, I realized I'd left my card with the bar at ace of cups. I went in to get it, and as I was waiting for the bartender to return, my gaze wandered over the crowd and settled on a very attractive human. You're pretty hot, Mr McKnight.		
February 17, 2020 1:12 AM			
	And what is that?		
	Jo Ross		
February 17, 2020 1:12 AM			
			yes
February 17, 2020 1:13 AM			
			wait... is that the whole story
February 17, 2020 1:13 AM			
			dmt
February 17, 2020 1:13 AM			
			you are also very attractive.
February 17, 2020 1:13 AM			
			very
			Nathan McKnight
February 17, 2020 1:14 AM			
	That is the whole story. It's not that exciting, but I saw you dancing with the girls and it just felt like a nice secret seeing you from far away.		
	Jo Ross		
February 17, 2020 1:14 AM			
			that kind of reads like an a.i. convo
February 17, 2020 1:14 AM			
			Jo Ross
February 17, 2020 1:14 AM			
			aww
			Nathan McKnight
February 17, 2020 1:15 AM

	Jo Ross		
February 17, 2020 1:15 AM			
			Why didn't you come over? :(
February 17, 2020 1:16 AM			
			didn't you see how pouty i looked in that picture i sent you from the back patio
			Nathan McKnight
February 17, 2020 1:16 AM			
	Bee was waiting and I'd had far too much to drink. Also, I quite like the manner in which we parted ways.		

	Jo Ross		
February 17, 2020 1:16 AM			
			:) I actually really appreciate that.
February 17, 2020 1:17 AM			
			I also had to make sure Liz was having a good time. And I *really* liked the way we parted.
			Nathan McKnight
February 17, 2020 1:18 AM			
	Yes, I'd thought about that when we were at the pizza place.		
February 17, 2020 1:18 AM			
	Ha! After you left, and I came back inside, Bee said, "I think that guy likes you"		
	Jo Ross		
February 17, 2020 1:18 AM			
			Well... here's an embarrassing non story...
February 17, 2020 1:18 AM			
			No! Him!?
			Nathan McKnight
February 17, 2020 1:19 AM			
	I did! I was like, "nah. You think he does? I doubt it."		
	Jo Ross		
February 17, 2020 1:19 AM			
			lol
			Nathan McKnight
February 17, 2020 1:19 AM			
	A non-story, you say?		
	Jo Ross		
February 17, 2020 1:20 AM			
			Well, when you went to hounddog's, but I didn't know it yet, I thought you were on your way out and i would try to catch you on your way out the door. I was kind of excited that i got to be the one to chas you out the door of the bar.
February 17, 2020 1:21 AM			
			But you weren't out there. And I was kicking myself for observing decorum by not

	Jo Ross		
February 17, 2020 1:22 AM			
			I know, right?
			Nathan McKnight
February 17, 2020 1:22 AM			

	I like it.		
	Jo Ross		
February 17, 2020 1:22 AM

	Jo Ross		
February 17, 2020 1:23 AM			
			one of these days i'll have to go through all the half-started videos and pics and whatnot that ended up on the editing room floor
February 17, 2020 1:23 AM			
			Oh, I'll bring the brat out in you.
			Nathan McKnight
February 17, 2020 1:24 AM			
	I've no doubt.		
February 17, 2020 1:24 AM

			Nathan McKnight
February 17, 2020 1:28 AM

February 17, 2020 1:29 AM			
	Endless Common vocabulary

	Jo Ross		
February 17, 2020 1:30 AM			
			And you know what... i don't think we ever even got to any of the items on my Grand List Of Everything That I Ever Have Or Ever Will Be Interested In.
February 17, 2020 1:31 AM			
			You'll never know if it's the real Nathan or... And you know what two things are if there is absolutely no way, even in principle, to tell the difference between them?
			Nathan McKnight
February 17, 2020 1:31 AM			
	Okay you spent the time to capitalize the proper words to make that an official title so I think I need to give that the reverence it deserves		
	Jo Ross		
February 17, 2020 1:31 AM			
			yes than you
			Nathan McKnight
February 17, 2020 1:31 AM			
	Exactly.		
	Jo Ross		
February 17, 2020 1:31 AM			
			i appreciate that
			Nathan McKnight
February 17, 2020 1:31 AM			
	Of course		
February 17, 2020 1:31 AM			
	Sir.		
	Jo Ross		
February 17, 2020 1:31 AM			
			Yes, little brat?
			Nathan McKnight
February 17, 2020 1:32 AM			
	Just making sure to add your title. It seemed like the right thing to do.		
	Jo Ross		
February 17, 2020 1:32 AM			
			You always do the right think, I can sense it in you.
			Nathan McKnight
February 17, 2020 1:33 AM			
	Absolutely not		
	Jo Ross		
February 17, 2020 1:33 AM			
			Especially when the right thing is really really wrong.
			Nathan McKnight
February 17, 2020 1:33 AM			
	Ok wait, yes. Yes I do.		

	Jo Ross		
February 17, 2020 1:33 AM			
			No you don't
February 17, 2020 1:33 AM			
			Or do you?
			Nathan McKnight
February 17, 2020 1:33 AM			
	I do when you put it that way.		
	Jo Ross		
February 17, 2020 1:33 AM			
			There's no way to know the difference
February 17, 2020 1:33 AM			
			um
February 17, 2020 1:33 AM			
			...
February 17, 2020 1:34 AM			
			i hate to break this to you, but looking over the last few minutes of conversation...
			Nathan McKnight
February 17, 2020 1:34 AM			
	Yes?		
	Jo Ross		
February 17, 2020 1:34 AM			
			we have become the a.i.
			Nathan McKnight
February 17, 2020 1:34 AM			
	Ha!		
February 17, 2020 1:34 AM			
	Perhaps that means we should put ourselves to bed.		
February 17, 2020 1:35 AM			
	A hard reset, so to speak.		
	Jo Ross		
February 17, 2020 1:35 AM			
			fine.
February 17, 2020 1:35 AM			
			>:(
February 17, 2020 1:35 AM			
			Jo Ross
			i'll reset you hard
February 17, 2020 1:35 AM			
			this is me throwing my keys down and stomping out the door to hitchhike home
			Nathan McKnight
February 17, 2020 1:36 AM			

I vote that the reason we sound like the a.i. Is that we don't have to speak in decipherable messages anymore. We have somehow compiled enough common vocabulary that we don't actually have to sound coherent to anyone else anymore.

February 17, 2020 1:36 AM

Tada

Jo Ross

February 17, 2020 1:36 AM

and *poof* it just happened

February 17, 2020 1:37 AM

			...and i like it that way.
			Nathan McKnight
February 17, 2020 1:41 AM			
	I'm rolling my eyes at you. So hard, in fact, that I feel like you should be able to sense that I'm doing it from where you sit.		
	Jo Ross		
February 17, 2020 1:41 AM			
			...yo'll never be able to type again because i'm going to beat you to every word from here on out
February 17, 2020 1:41 AM

February 17, 2020 1:41 AM

February 17, 2020 1:43 AM			
	Oh, you are very *very* successfully doing that.		
	Jo Ross		
February 17, 2020 1:44 AM			
			my keyboard actually locked up for a moment. i think my computer is really pissed at us for this conversation
			Nathan McKnight
February 17, 2020 1:44 AM			
	You'd better be careful how badly you make me want it, or you might accidentally end up with a good girl.		
February 17, 2020 1:44 AM			
	The AI has taken over.		
	Jo Ross		
February 17, 2020 1:44 AM			
			Nah. No chance.
			Nathan McKnight
February 17, 2020 1:44 AM			
	You're 100% correct		
	Jo Ross		
February 17, 2020 1:45 AM			
			You're such a good girl. Somebody is going to have to dirty you up a little.
February 17, 2020 1:47 AM			
			You know...
			Nathan McKnight
February 17, 2020 1:47 AM			
	I'm not sure that's possible, but by all means, do your worst.		
February 17, 2020 1:47 AM			
	I'll probably tease you and feign sleep...		
	Jo Ross		
February 17, 2020 1:47 AM			
			I am, with absolute certainty, going to make you tell me all of your secrets. Especially the ones you're really afraid to share. You've had the slightest taste of what i'm capable of. Wait until I'm really motivated.
			Nathan McKnight
February 17, 2020 1:47 AM			
	OooOOOooooo		

	Jo Ross		
February 17, 2020 1:48 AM			
			You should actually go to sleep.
February 17, 2020 1:48 AM			
			But leave your door unlocked.
			Nathan McKnight
February 17, 2020 1:48 AM			
	lol. Hm. This is true.		
	Jo Ross		
February 17, 2020 1:48 AM			
			And maybe take a good dose of molly right before you lay down.
			Nathan McKnight
February 17, 2020 1:49 AM			
	Speaking of, I believe you have a saga to finish...		
	Jo Ross		
February 17, 2020 1:49 AM			
			...oh, that's right
			Nathan McKnight
February 17, 2020 1:49 AM			
	I still haven't watched your video, by the way.		
	Jo Ross		
February 17, 2020 1:50 AM			
			the foregoing has made that seem like a looooong time ago
February 17, 2020 1:50 AM			
			Eh. It'll be anticlimactic i fear
			Nathan McKnight
February 17, 2020 1:50 AM			
	Yes, yes it has.		
February 17, 2020 1:50 AM			
	Really? Anticlimactic? I was actually thinking there might be a climax in there somewhere...		
	Jo Ross		
February 17, 2020 1:51 AM			
			Well. Maybe.
February 17, 2020 1:51 AM			
			You might miss it if you look away.
			Nathan McKnight
February 17, 2020 1:51 AM			
	You're wearing down my patience		
February 17, 2020 1:51 AM

February 17, 2020 1:53 AM			
			that's what she said?
February 17, 2020 1:53 AM			
			i think you just depleted all of my wit and charm
			Nathan McKnight
February 17, 2020 1:53 AM			
	In that case, recharge. Goodnight, dear.		
	Jo Ross		
February 17, 2020 1:54 AM			
			Yeah. Probably best if one's grader isn't too witty and charming.
			Nathan McKnight
February 17, 2020 1:55 AM			
	This might be presumptuous of me, but I actually think you don't run out.		
	Jo Ross

February 17, 2020 1:58 AM			
			This is actually just part of my master plan to defeat the powers that be as they try to eavesdrop on our conversation.
February 17, 2020 1:58 AM			
			They're like... what the fuck?
February 17, 2020 1:58 AM			
			...the circuitboards just melted from the power of nonsense.
			Nathan McKnight
February 17, 2020 1:59 AM			
	We've beaten the system. Finally.		

February 17, 2020 1:59 AM			
	Also, just so you know, you're ridiculously endearing. Dangerously so, actually.		
February 17, 2020 1:59 AM			
	You should stop.

February 17, 2020 2:01 AM			
	May I make a statement? One that is probably too much?		
	Jo Ross		
February 17, 2020 2:01 AM			
			Too much is always better than not enough
February 17, 2020 2:02 AM			
			^^^you definitely won't get that reference
			Nathan McKnight
February 17, 2020 2:04 AM			

	Anyway, Aside from Cherie, who is the one that introduced me to everyone in the group, and Jason, who came along with me as my primary, I have not engaged with any other people in our group, and I can say that I am highly satisfied with my choice thusfar.		
	It's Diamond Dogs.		
	Jo Ross		
February 17, 2020 2:04 AM			
			Hmmm. I can't say I hadn't wondered.
February 17, 2020 2:04 AM			
			Ditto.
February 17, 2020 2:05 AM			
			Well... depends what you mean by "engaged" but still
February 17, 2020 2:05 AM			
			And to think. We're just newbies
			Nathan McKnight
February 17, 2020 2:05 AM			
	It is fitting, I suppose.

February 17, 2020 2:05 AM

February 17, 2020 2:06 AM			
	Lol, well aren't you confident?		
	Jo Ross		
February 17, 2020 2:06 AM

February 17, 2020 2:06 AM

			before or after you two decided to give me shock treatment?

February 17, 2020 2:08 AM			
			i was kind of wondering where i stood with her, actually. it was nice to get a bit of a reset
			Nathan McKnight
February 17, 2020 2:10 AM			
	After we parted ways from the hotel, and you and I had previously had the conversation about her aversion to someone who had shown interest in me (which, after spending more time with everyone, I was *very* relieved I didn't jump into anything) I was speaking with her and said I had an interest in seeing you again.		
	Jo Ross		
February 17, 2020 2:11 AM			
			Remember when i was getting all tongue-tied trying to make sure i was differentiating between my interest in Cherie and my interest in you?
			Nathan McKnight
February 17, 2020 2:12 AM			
	A bit. That was also endearing.		
	Jo Ross		
February 17, 2020 2:12 AM			
			oh really?
			Nathan McKnight
February 17, 2020 2:12 AM			
	Absolutely		
	Jo Ross		
February 17, 2020 2:12 AM			
			you have strange tastes lol

			Nathan McKnight
February 17, 2020 2:14 AM			
	Was there more to this, or were you just reminiscing?		
	Jo Ross		
February 17, 2020 2:14 AM			
			Well... I just wanted to take this moment to say. I'm not quite sure what I'm trying to say. Just that I was mostly allaying my own fear that because she and I never quite clicked that you and i might not.
February 17, 2020 2:16 AM			
			Not that I was looking to click per se
February 17, 2020 2:18 AM			

			But each relationship is a different animal. I wasn't really confident that was true when I wrote it.
			Nathan McKnight
February 17, 2020 2:18 AM			
	I enjoy cherie's company quite a bit, however, we do not have a comfort level of communication that makes things feel natural and effortless. Just between you and I, I think her interests lie more with Jason than with myself, which I am okay with. That is an assumption on my part which might be inaccurate, but it is what I think. I like spending time with her, but I don't know how naturally comfortable she is with dating women.		
February 17, 2020 2:19 AM			
	That was redundant. Pardon my lack of synonyms.		
	Jo Ross		
February 17, 2020 2:20 AM			
			Your dearth of likewords, you mean.
			Nathan McKnight
February 17, 2020 2:20 AM			
	Nathan McKnight		
	That made it slightly worse, but yes, thank you.		
	Jo Ross		
February 17, 2020 2:20 AM			
			I hope it's not a breach of confidence to tell you she was saying to me at one point that she really wanted to be more into women.
			Nathan McKnight
February 17, 2020 2:21 AM			
	It's not. She is adorable in her transparency. It's quite clear that she *wants* to be more into women, but is still navigating that territory.

February 17, 2020 2:29 AM

Shit, basically everyone

February 17, 2020 2:29 AM

That depends on the story

February 17, 2020 2:29 AM

Now you have to go first

Jo Ross

February 17, 2020 2:30 AM

Mine's only mortifying. Not one for the ages.

Nathan McKnight

February 17, 2020 2:30 AM

Aww

February 17, 2020 2:30 AM

So, I'll be, like... 0.000323 pepperonis ahead

Nathan McKnight

February 17, 2020 2:31 AM

You're very meticulous, Mr Bellomy

Jo Ross

February 17, 2020 2:31 AM

Just you wait.

February 17, 2020 2:32 AM

So, my story first, eh? Yours'll be better no doubt, but...

Nathan McKnight

February 17, 2020 2:34 AM

Aaaand that made me (in the words of my AI self) want to masturbate and cum on me, then have you cum on me, then masturbate on the floor.

February 17, 2020 2:35 AM

Jesus our AI selves are fucking dirty

Jo Ross

February 17, 2020 2:35 AM

giggling hysterically

Nathan McKnight

February 17, 2020 2:35 AM

February 17, 2020 2:35 AM

February 17, 2020 2:36 AM			
			Jo Ross
			I don't know about your AI you, but my AI me is only barely as dirty as it gets.
			Nathan McKnight
February 17, 2020 2:36 AM			
	She's out of control		
February 17, 2020 2:36 AM			
	Oh really??		
	Jo Ross		
February 17, 2020 2:36 AM			
			Much less coherent and much more over-the-top though
February 17, 2020 2:36 AM			
			True dirtiness comes from precision control of ... well, everythingl
February 17, 2020 2:37 AM			
			You can't just throw cum all over the place and call it dirty.
			Nathan McKnight
February 17, 2020 2:37 AM			
	I'm actually really interested to find out. We've had all this talk, but I'm curious to see exactly what happens once things unfold		
	Jo Ross		
February 17, 2020 2:37 AM			
			I don't know... we'll have to see.
			Nathan McKnight
February 17, 2020 2:37 AM			
	Lol I'm cracking up at the prospect of months of pent up frustration finally being expended in six minutes of vanilla sex		
	Jo Ross		
February 17, 2020 2:38 AM			
			Lol.
February 17, 2020 2:38 AM			
			I'm okay with vanilla. I'm not okay with six minutes.
			Nathan McKnight
February 17, 2020 2:38 AM

Jo Ross

February 17, 2020 2:39 AM

I mean, we've set the expectations pretty high

Nathan McKnight

February 17, 2020 2:39 AM

Which makes the thought even more funny

February 17, 2020 2:39 AM

At this point, I'm not even sure I'd be upset over it

Jo Ross

February 17, 2020 2:39 AM

February 17, 2020 2:40 AM

Alright, I *must* go to bed. I don't know how I'm going to drive tomorrow

February 17, 2020 2:40 AM

I'm looking at three hours of sleep if I'm being generous

February 17, 2020 2:41 AM

Grade your papers! Poor gale.

Jo Ross

February 17, 2020 2:41 AM

Let's just accept we'll both actually be cowed entirely by the reputations we've built in each other's minds, and recognize that it might take a lot of work to find the right groove.

February 17, 2020 2:41 AM

(i mean, anything's possible)

February 17, 2020 2:42 AM

Jo Ross

I mean, I really don't care. We can just roll around and poke at random holes for all i care.

February 17, 2020 2:42 AM

Anyway... yes. Get your sleep

Nathan McKnight

February 17, 2020 2:42 AM

Speak for yourself, I'm clinging to my fabricated image

			If I were you, little rabbit, I'd be very very careful with this, because... the rabbit doesn't always make any kind of noise, and it gets a little hard to remember what the name of the rabbit was when it arrived. As for your response I don 't think it was just a question of whether it was a question of whether or not you were a human being. I'm sure your answer would be a lot more of a question of whether or not your cat was a human being! I can't really say anything about this or not but the answer is pretty straightforward. You have a few questions about your response, but I want to stress your own bottom line: what kind of cat is the rabbit in your mouth? You are one of the rabbits I know, not some human being; just a cat from a family I know (my guess is they' re both human beings), and you have a cute bunny.
			Nathan McKnight
February 17, 2020 7:05 AM			
	Also, you've sent me the link and I have the day off of work. By the time I'm done, it's going to be hard for this rabbit to remember what it's name was when it arrived.

	This morning he texted me and was like “I know you’re going to come in today. If you’re still dying, save your gas.” So... I may have taken advantage of the olive branch.		
	So, since I’ve been ill, I have gone into work every day anyway, and my boss has been like “Amanda. You’re dying. Go home.”		
	Oh you aren’t?? Hm.

February 17, 2020 11:25 AM

February 17, 2020 11:27 AM			
	Dammit I clicked on it		
February 17, 2020 11:28 AM

February 17, 2020 11:48 AM			
			Jo Ross

			I could use my demand for a porn link from you...
			Nathan McKnight
February 17, 2020 12:08 PM			
	I thought about sending you the porn I was watching, but I opted for this instead.		
	Jo Ross		
February 17, 2020 12:08 PM

	Jo Ross		
February 17, 2020 12:13 PM			
			Well... it's what, a 45 min drive?
			Nathan McKnight
February 17, 2020 12:13 PM			
	Speaking of bodily fluids. I'm a mess. Sad.		
	Jo Ross		
February 17, 2020 12:14 PM			
			Lemme see

February 17, 2020 12:17 PM			
	Good grief we're perverted.		
	Jo Ross		
February 17, 2020 12:17 PM			
			You know, I was thinking about greeting you at ace of cups with a hand down your panties..
February 17, 2020 12:17 PM			
			Maybe a lil
			Nathan McKnight
February 17, 2020 12:17 PM			
	I was thinking about doing something similar when I said goodbye at hound dogs		
	Jo Ross		
February 17, 2020 12:18 PM			
			I would be disappointed if that was the dirtiest thing you ever thought about
February 17, 2020 12:18 PM			
			You should have
			Nathan McKnight

February 17, 2020 12:18 PM

I think you know better than that

Jo Ross

February 17, 2020 12:19 PM

I'm curious what got you there today

Nathan McKnight

February 17, 2020 12:19 PM

Oh I'm not telling you that

February 17, 2020 12:19 PM

It wasn't anything on my phone screen though

Jo Ross

February 17, 2020 12:20 PM

Oh... alright

February 17, 2020 12:20 PM

On the screen in your head

Nathan McKnight

February 17, 2020 12:20 PM

Yes

Jo Ross

February 17, 2020 12:20 PM

Not even a hint

Nathan McKnight

February 17, 2020 12:20 PM

You've had lots of hints

February 17, 2020 12:22 PM

Oh! Did I tell you I ordered a wand?

Jo Ross

February 17, 2020 12:23 PM

Jo Ross

Wait.... an AI Wand?

February 17, 2020 12:27 PM

Also... did we settle on a date and time for Hump!?

Nathan McKnight

February 17, 2020 12:28 PM

Crap. Lol no I do t think we did

Jo Ross

February 17, 2020 12:30 PM

I think the one with the most votes was the 7th at 7:30

February 17, 2020 12:31 PM

Let me know, and I'll by your ticket

Nathan McKnight

February 17, 2020 12:33 PM

Let's go to that one since it has the potential to have the most fish in attendance.

February 17, 2020 12:34 PM

	You don’t have to buy my ticket. I think Jason is planning to attend, so I’ll have to get online and buy a ticket regardless. However, you may buy me a drink.		
February 17, 2020 12:36 PM			
	Now I’m going to inject the fact that I bought a wand back into the conversation because I am excited to talk about it. I have a deep appreciation for all things antique oddity, so my search for the device I wanted lead me to a specialty site based in California that takes the original antique stun machines used by doctors and rebuilds them into functional electro play kits.		
February 17, 2020 12:37 PM			
	*stim		
February 17, 2020 12:37 PM			
	Although I suppose stun works as well...		
February 17, 2020 12:38 PM			
	Jo Ross		
February 17, 2020 12:38 PM			
			Ooooo. This is a serious wand
			Nathan McKnight
February 17, 2020 12:38 PM			
	I’m so happy with my purchase and it hasn’t even arrived.		
	Jo Ross		
February 17, 2020 12:39 PM			
			So... think it’ll be here by mid March or so?
February 17, 2020 12:39 PM			
			Because there’s something we didn’t try...
			Nathan McKnight
February 17, 2020 12:40 PM			
	Before you hit me with your mind blowing idea, remember... fair is fair. Whatever you’re thinking is going to happen to both of us.		
	Jo Ross		
February 17, 2020 12:41 PM			
			It’s not mind blowing, just the next logical progression
			Nathan McKnight
February 17, 2020 12:41 PM			
	The next logical progression in self electrocution... go on.		
	Jo Ross		
February 17, 2020 12:42 PM			
			Well, we kissed, and that was nice ...so we might as well
			Nathan McKnight
February 17, 2020 12:43 PM			
	Yes?		
	Jo Ross		

February 17, 2020 12:43 PM			
			I even wrote the narrative e
			Nathan McKnight
February 17, 2020 12:44 PM			
	Ha! Of course you did. By all means, let's hear it.		
	Jo Ross		
February 17, 2020 12:45 PM			
			I'll tell you what, I won't make you go first. You're probably more sensitive down there than I am
February 17, 2020 12:46 PM			
			...actually, maybe we did do a little zap on the labs?
			Nathan McKnight
February 17, 2020 12:46 PM			
	This is going to be so fun		
February 17, 2020 12:46 PM			
	I'm grinning at the prospect while I play it out in my mind		
	Jo Ross		
February 17, 2020 12:46 PM			
			Like I said, I'm happy to be the Guinea pig
			Nathan McKnight
February 17, 2020 12:47 PM			
	I am happy to make you the guinea pig		
February 17, 2020 12:48 PM			
	Just so you know, Jason is going to be out of town for about a week in mid March, I believe.		
	Jo Ross		
February 17, 2020 12:49 PM			
			And Liz is not going to be in state for Enchanted Creatures
			Nathan McKnight
February 17, 2020 12:52 PM			
	How ever are we going to pass the time?		
	Jo Ross		
February 17, 2020 12:52 PM			
			Good question
February 17, 2020 12:52 PM			
			What aren't we going to do!
			Nathan McKnight
February 17, 2020 12:53 PM			
	Probably sleep		
	Jo Ross		
February 17, 2020 12:53 PM			
			Oh, for damned sure
February 17, 2020 12:53 PM			
			Do you think you could do me a small favor....
			Nathan McKnight

February 17, 2020 12:54 PM			
	Perhaps. If you ask nicely.		
	Jo Ross		
February 17, 2020 12:54 PM			
			Well, if you would be amenable to it, and if you have a nearby object of the approximate size and shape of a/my penis...
			Nathan McKnight
February 17, 2020 12:55 PM			
	Go on..		
	Jo Ross		
February 17, 2020 12:56 PM			
			I'm just getting very very close and it would be awfully nice to see you fallating
February 17, 2020 12:57 PM			
			I mean, outside of my head. And, of course, only if you do that sort of thing
February 17, 2020 12:58 PM			
			I suppose you would have to exercise your imagination of course
			Nathan McKnight
February 17, 2020 1:02 PM			
February 17, 2020 1:03 PM			
	Jo Ross		
February 17, 2020 1:06 PM			
			Mhhmmmmm
			Nathan McKnight
February 17, 2020 1:06 PM			
	Like that?		
	Jo Ross		
February 17, 2020 1:06 PM			
			Yes
February 17, 2020 1:07 PM			
			Why are you so fuckng hot
			Nathan McKnight
February 17, 2020 1:07 PM			
	Why are you?		
	Jo Ross		
February 17, 2020 1:09 PM			
			I don't know... but thank you for that. I'm going to get some use out of it
			Nathan McKnight
February 17, 2020 1:10 PM			
	I'm glad I could help		
	Jo Ross		
February 17, 2020 1:12 PM			
			Ok. I'm going to put the phone down for a few minutes. While I close my eyes and lay back, imaging you slowly and teasingly sucking my cock. If I may
			Nathan McKnight
February 17, 2020 1:14 PM			

	I'm filing that technique away for later use. Enjoy yourself.		
	Jo Ross		
February 17, 2020 2:52 PM			
			Thanks again
			Nathan McKnight
February 17, 2020 2:53 PM			
	I take it you were successful?		
	Jo Ross		
February 17, 2020 3:04 PM			
			Mm hmm
February 17, 2020 3:04 PM			
			After a couple interruptions
			Nathan McKnight
February 17, 2020 3:15 PM			
	I'm going to go out on a limb and say we still are nowhere near even		
	Jo Ross		
February 17, 2020 3:16 PM			
			So... you're winning?
			Nathan McKnight
February 17, 2020 3:17 PM			
	The competition for most interrupted orgasms? Yes. By quite a few points, I think.		
	Jo Ross		
February 17, 2020 3:18 PM			
			You're welcome
February 17, 2020 3:18 PM			
			But I was nice today
February 17, 2020 3:19 PM			
			I barely interrupted at all.
			Nathan McKnight
February 17, 2020 3:20 PM			
February 17, 2020 3:20 PM			
	Uh huh...		
February 17, 2020 3:22 PM			
	I just realized my horribly squandered opportunity to send the fellatio picture with that filter on it. Curses.		
	Jo Ross		
February 17, 2020 3:25 PM			
			Hahaha. That would have been amazing. But not nearly as good as the other one
			Nathan McKnight
February 17, 2020 3:26 PM			
	More lip would've been less good? I don't understand..		
February 17, 2020 3:27 PM			

	Why am I always covered in glitter? It's seriously everywhere.		
	Jo Ross		
February 17, 2020 3:34 PM			
			Jo Ross
February 17, 2020 3:35 PM			
February 17, 2020 3:37 PM			
			You have a point there
February 17, 2020 3:49 PM			
			Nathan McKnight
February 17, 2020 3:50 PM			
	Haaaayyyyy		
February 17, 2020 3:52 PM			
	Nathan McKnight		
	"Why are all of Nathan's partners so ...happy all of the time?"		
	Jo Ross		
February 17, 2020 4:01 PM			
			Nathan McKnight
February 17, 2020 4:33 PM			
	Nathan McKnight		
	Lol you like these filters way too much. You're worse than my 14 year old.		
	Jo Ross		
February 17, 2020 4:51 PM			
			I just discovered them. Therefore I must break them.
			Nathan McKnight
February 17, 2020 5:04 PM			
	Nathan McKnight		
February 17, 2020 5:04 PM			
	They *are* fun...		
February 17, 2020 5:06 PM			
	Nathan McKnight		
	Jo Ross		
February 17, 2020 5:46 PM			
February 17, 2020 5:55 PM			
			Nathan McKnight
February 17, 2020 6:27 PM			
	Ha! You're like Walter Matthau!		
February 17, 2020 7:13 PM			
	Nathan McKnight		
	You used the filters for the nude chat. This makes me illogically happy.		
February 17, 2020 7:15 PM			

	I want to reply “what’s new...” to pamela’s comment, but it would be lost on the group. Maybe.		
	Jo Ross		
February 17, 2020 7:23 PM			
			Like I said, we shall soon be isolated in a linguistic fortress of our own making. (i.e. we’re A.I., O.K.?)
February 17, 2020 7:24 PM			
			*should have been ‘an idiosyncratically generated linguistic fortress’
			Nathan McKnight
February 17, 2020 7:25 PM			
	I thought we already were... hence my dilemma.		
	Jo Ross		
February 17, 2020 7:26 PM			
			Yes, thence
			Nathan McKnight
February 17, 2020 7:44 PM			
	Thank you		
	Jo Ross		
February 18, 2020 7:05 AM			
			Imma say good morning, then not talk to you for a couple hours, otherwise I might not get any work done today. :)
February 18, 2020 9:36 AM			
			Did you get a chance to play with the AI writer
February 18, 2020 9:37 AM			
			The better question is whether you’ve done anything but
			Nathan McKnight
February 18, 2020 1:05 PM			
	I have refrained for the exact same reason you are refraining from talking to me for a couple of hours		
February 18, 2020 1:06 PM			
	I’m also trying to decide what conversation I should plug into it		
	Jo Ross		
February 18, 2020 1:21 PM			
			Hmmmm.... I’m definitely going to make some AI generated pirate jokes on the clock today
			Nathan McKnight
February 18, 2020 2:47 PM			
	If you care to send any of them my way it would be a breath of fresh air		
	Jo Ross		
February 18, 2020 4:09 PM

			Q: How many times did they have one?
			A: I can’t think of another one.
			Q: Did the pirate pay them, after all?
			A: No.
			Q: How long did they have a wedding?
			A: No.
			Q: Was there a B. [3] B&B and C, by the way, are the two of them to have a wedding?

			I'm finding that it has better luck if you paste a bunch of things in a particular format above and below, then start tabbing to have it make its guesses in the middle.

	Are you using this on your phone, or on your laptop? I clicked the link in my phone and it’s wonky and doesn’t seem to work quite right.		
	Jo Ross		
February 18, 2020 8:21 PM			
			Hmmm. Haven’t tried on the phone yet

	The notion that you looked up an additional pirate joke and then recorded it complete with filters and accent is exceedingly fun to think about		
February 18, 2020 8:26 PM			
	Also, you may be the only person I know who does most of their idle internet activities on their actual computer		
	Jo Ross		
February 18, 2020 8:26 PM			
			I mean... it’s an autopirate joke...

February 18, 2020 8:27 PM

Ah, but it makes sense. I pictured a very limber pirate holding his feet, impressive splits style in the shape of a Y

Jo Ross

February 18, 2020 8:28 PM

Lol. I'll take your word for it!

Nathan McKnight

February 18, 2020 8:28 PM

I'm kind of sad about the pirate jokes. We had such high hopes.

Jo Ross

February 18, 2020 8:28 PM

Ohhh... I get it

Nathan McKnight

February 18, 2020 8:28 PM

Yes! See??

Jo Ross

February 18, 2020 8:29 PM

I know I hold the firm belief that all of these jokes makes sense… But you're the only one who can actually explain them.

Nathan McKnight

February 18, 2020 8:29 PM

That's far too much pressure

Jo Ross

February 18, 2020 8:29 PM

*now

Nathan McKnight

February 18, 2020 8:29 PM

That's what she said

February 18, 2020 8:29 PM

Sorry. I'm 13

Jo Ross

February 18, 2020 8:30 PM

Sorry... it has been written. You are the key master

Nathan McKnight

February 18, 2020 8:30 PM

Dammit

February 18, 2020 8:30 PM

Are you sure that's what you want to use up your demand on?

Jo Ross

February 18, 2020 8:30 PM

Um... im not into tweens, so... that puts a bit of a damper on things

			I'm not demanding anything. Simply stating a Truth
			Nathan McKnight
February 18, 2020 8:31 PM			
	I just can't suppress the "that's what they said" line.		
	Jo Ross		
February 18, 2020 8:31 PM			
			I mean, if you're into age play, we can talk ;)
February 18, 2020 8:31 PM			
			She says a lot of things

February 18, 2020 8:31 PM			
	We are going to have nothing sacred left within weeks

February 18, 2020 8:32 PM

			You mean ... ago, right?
			Nathan McKnight
February 18, 2020 8:32 PM			
	We're going to burn through every horribly off color thing possible and be left with nothing		
	Jo Ross		
February 18, 2020 8:32 PM			
			We'll just have to invent new sacred cows to desecrate
February 18, 2020 8:33 PM			
			*also not into cow play... but you if you were, I'd humor you
February 18, 2020 8:33 PM			
			I mean.. I'd desecrate you
			Nathan McKnight
February 18, 2020 8:34 PM			
	I would never desecrate a cow. They are my favorite animal		
	Jo Ross		
February 18, 2020 8:35 PM			
			I generally wouldn't. Only by special request
February 18, 2020 8:40 PM			
			I think, with a little prodding, I can get the AI to generate some delightfully surreal pirate jokes that might almost sound like jokes. I think the issue is, with a regular conversation, weird non sequiturs and bizarre images are hilarious. But, jokes have such a proscribed form that violating our expectations so blatantly, the AI "jokes" just read as confusing.
February 18, 2020 8:42 PM			

			Either that, or the AI conversation was so much funnier because it was working with such great material in our real conversation.
			Nathan McKnight
February 18, 2020 9:11 PM			
	I vote that it's a mixture of both. I do like your theory though. Also, tell me what you think- I was considering taking the minutes from our last meeting and plugging that in.		
	Jo Ross		
February 18, 2020 9:27 PM			
			Hmmmm....
February 18, 2020 9:28 PM			
			For about half a second, I thought "Nah," but then I envisioned the possible results and laughed out loud
February 18, 2020 9:29 PM			
			That's actually a brilliant idea
			Nathan McKnight
February 18, 2020 10:27 PM			
	Well I guess I'm going to dust off my laptop so I can actually use this link. I just have to figure out a discreet way to transfer it to another room from our computer desk so Jason doesn't get an eyeful as I scroll up through our conversation looking for the link.		
	Jo Ross		
February 18, 2020 10:28 PM			
			Ha!
February 18, 2020 10:29 PM

February 18, 2020 10:33 PM			
	I'm going to do my best to see if it's possible.		
	Jo Ross		
February 18, 2020 10:56 PM

	Jo Ross

			Isn't it more fun when you never know if you've reached the end?
February 18, 2020 11:12 PM			
			I really hope this AI thing gets old quick, or I'm never going to get back to Gail. (She got an EE on her last assignment, btw)
			Nathan McKnight
February 18, 2020 11:12 PM			
	Aww, Well she can die happy now.		
February 18, 2020 11:15 PM			
	Do you know what's extremely amusing? Gail has no idea that her instructor stays up late at night talking to his... (insert whatever it is we're doing here) friend... about her efforts as a good natured inside joke of sorts.		
	Jo Ross		
February 18, 2020 11:16 PM			
			Lol. Actually, I was thinking, after the Red Roof Inn, that I should probably have changed her name to protect her identity. So... let's pretend that's what I did. "Gail" sounds like a made up name anyway.
			Nathan McKnight
February 18, 2020 11:17 PM			
	Gail it is. Pretend Gail. Gale.

	Jo Ross		
February 18, 2020 11:18 PM			
			No, I was grading myself there.
February 18, 2020 11:18 PM			
			Wait.. were you actually able to figure out how to apply that rubric entry?
			Nathan McKnight
February 18, 2020 11:18 PM			

	No, wait. I'm safe. I was already late back in 1998 so it's only 10%

February 18, 2020 11:18 PM

	That was close

			You got lucky this time.
February 18, 2020 11:19 PM

February 18, 2020 11:19 PM			
	Thanks for being so lenient.

			Don't thank me. Thank The Rubric.
			Nathan McKnight
February 18, 2020 11:20 PM

February 18, 2020 11:20 PM			
	Tada		
	Jo Ross		
February 18, 2020 11:20 PM			
			Only outside of the United States
			Nathan McKnight
February 18, 2020 11:21 PM			
	No, it clearly states that the study was published outside of the United States and is therefore unenforceable here.		
February 18, 2020 11:21 PM			
	Humph		
	Jo Ross		
February 18, 2020 11:21 PM			
			But The Rubric is not The Study.

			Nathan McKnight
February 18, 2020 11:22 PM			
	Are you sure? I thought I was the key master. The ultimate decipherer of the rubric. You said so.		
February 18, 2020 11:22 PM			
	Uh huh.		
	Jo Ross		
February 18, 2020 11:22 PM			
			There are no Rules, Amanda. None. And they keep changing. So, good luck.
February 18, 2020 11:23 PM			
			Do Not Make the Prediction: Named the model, "Bolleleman".
			Nathan McKnight
February 18, 2020 11:23 PM			
	Actually, you made me the key master, so technically, that's kind of up to me.		
	Jo Ross		
February 18, 2020 11:23 PM			
			Touché
February 18, 2020 11:23 PM			
			Ok... I'll submit to your rules :)
			Nathan McKnight
February 18, 2020 11:24 PM

			Exceeds Expectations: The method was described as a "perfect example" of "no-good" practices. The Use of "Good Practice" did not work and there were no questions posed .

February 18, 2020 11:24 PM			
	Although, *someone* wouldn't let me read it all, so I might be wrong.		
February 18, 2020 11:25 PM			
	Nathan McKnight		
	This conversation is so ridiculous and enjoyable.		
	Jo Ross		
February 18, 2020 11:25 PM			
			I think all of this counts as "no-good practice". I live for "no-good practice" :D
February 18, 2020 11:25 PM			
			Protestables: A question may have been misperceived, or misdirected. This one will make you more likely to get a question done.
			Nathan McKnight

February 18, 2020 11:26 PM

	Jo Ross		
February 18, 2020 11:26 PM

February 18, 2020 11:27 PM			
	I sound quite scratchy, but I don't feel like my death is quite as eminent		
	Jo Ross		
February 18, 2020 11:28 PM			
			So you should get healthy and join me
			Nathan McKnight
February 18, 2020 11:28 PM			
	Of course you are. You're apparently impervious to my germs.		
	Jo Ross		
February 18, 2020 11:28 PM			
			I'm pervious to your *something*

			Nathan McKnight
February 18, 2020 11:28 PM

February 18, 2020 11:28 PM			
	I feel awful over it.		
	Jo Ross		
February 18, 2020 11:28 PM			
			Aww.
February 18, 2020 11:29 PM			
			I mean, lots of people are sick. Maybe she got it from elsewhere
			Nathan McKnight
February 18, 2020 11:29 PM			
	I *did* warn her in advance before our date. I would have warned you as well, but you were an unexpected, although quite welcome, surprise.		
February 18, 2020 11:29 PM			
	Ehhh.... I doubt it.		
	Jo Ross		
February 18, 2020 11:30 PM			
			Worth it. I'm sure she feels the same. We *did* try to shock the germs out, after all
			Nathan McKnight
February 18, 2020 11:30 PM			
	I did my best. I fell short. I'll try harder next time.

February 18, 2020 11:33 PM

February 18, 2020 11:33 PM

I guess you should not have named the model "Bolleleman" That's your problem right there.

February 18, 2020 11:35 PM

Yeah. Like I say, I hope it gets old quick.

Nathan McKnight

February 18, 2020 11:35 PM

I feel like it's not going to.

Jo Ross

February 18, 2020 11:35 PM

Well, at least i don't have to be witty anymore

February 18, 2020 11:36 PM

Nathan McKnight

February 18, 2020 11:36 PM

Oh? Were you getting tired? Huh.

Nathan McKnight

February 18, 2020 11:37 PM

Ah, so there *is* a limit, then.

Jo Ross

February 18, 2020 11:37 PM

You'll have to push to find out

February 18, 2020 11:38 PM

That's the best thing about limits

Nathan McKnight

February 18, 2020 11:38 PM

An exhaustible supply...

February 18, 2020 11:38 PM

There's always a way to get out from under them

February 18, 2020 11:38 PM

February 18, 2020 11:38 PM

I suppose we'll find out, then.

	Jo Ross		
February 18, 2020 11:39 PM			
			So... you're planning to push the limits eh?
			Nathan McKnight
February 18, 2020 11:39 PM			
	Or not. Since you have the AI now. Lol		
	Jo Ross		
February 18, 2020 11:39 PM			
			Right!
			Nathan McKnight
February 18, 2020 11:39 PM			
	I thought I made that clear

	No?

			Clarity seems to have gone out the window several nights ago...

	Well. Just so you know, I've decided that I find you highly interesting and attractive, and my intentions are to exhaust your wit until you are quite speechless.		
	Jo Ross		
February 18, 2020 11:41 PM			
			I'll let you try

Lol. You didn't know you were an experiment in action?

February 18, 2020 11:52 PM

			Have you bought your tickets yet?
			Nathan McKnight
February 18, 2020 11:52 PM			
	No, but this was the prompt that has reminded me to do so.		
February 18, 2020 11:52 PM			
	Did you?		
	Jo Ross		
February 18, 2020 11:52 PM			
			Too late. I'm buying yours and jason's
			Nathan McKnight
February 18, 2020 11:52 PM			
	NO		
	Jo Ross		
February 18, 2020 11:53 PM			
			Give me one good reason
			Nathan McKnight
February 18, 2020 11:53 PM			
	Bc then we're going to have four tickets when I only needed two.		
	Jo Ross		
February 18, 2020 11:54 PM			
			Did you already?
			Nathan McKnight
February 18, 2020 11:54 PM			
	Yep		
	Jo Ross		
February 18, 2020 11:54 PM			
			I don't believe you
February 18, 2020 11:54 PM			
			You said you were buying Enchanted Creatures tickets for me... I owe you one
			Nathan McKnight
February 18, 2020 11:55 PM			
	I specifically told you you owed me nothing, actually.		
	Jo Ross		
February 18, 2020 11:55 PM			
			I want to though.
February 18, 2020 11:55 PM			
			Seriously. Did you actually buy them? Because if not, then I insist
February 18, 2020 11:57 PM			
			Please. Let me do this small favor. If you haven't bought them yet, don't.
			Nathan McKnight
February 18, 2020 11:59 PM			
	I am not sure why, but I don't usually let people pay for things.		
	Jo Ross		
February 18, 2020 11:59 PM			

			I know the feeling
February 18, 2020 11:59 PM			
			But make an exception
			Nathan McKnight
February 19, 2020 12:00 AM			
	I'll tell you what, you can buy me a drink.		
	Jo Ross		
February 19, 2020 12:00 AM			
			Well, I'll do that anyway
February 19, 2020 12:00 AM			
			I'd rather make you a drink actually
			Nathan McKnight
February 19, 2020 12:01 AM			
	Well then you can make me a drink.		
	Jo Ross		
February 19, 2020 12:01 AM			
			But still. Tell me, seriously whether you've bought tickets or not.
			Nathan McKnight
February 19, 2020 12:01 AM			
	Just so you know, I will be researching the most obscure drink order I can come up with.		
	Jo Ross		
February 19, 2020 12:01 AM			
			I expect no less
			Nathan McKnight
February 19, 2020 12:02 AM			
	And yes, I've bought tickets.		
	Jo Ross		
February 19, 2020 12:02 AM			
			Of course... for best results, you should just let me get to know your palate and see what i come up with
February 19, 2020 12:02 AM			
			Ok.
February 19, 2020 12:03 AM			
			I'll only buy two. But I've learned my lesson. Next time, I'm not telling you before I try to do something nice for you
			Nathan McKnight
February 19, 2020 12:04 AM			
	Honest answer because I've been drinking? That is usually the best tactic. I'm awful at two things, amongst others: favors and compliments.		
February 19, 2020 12:04 AM			
	Hm, this actually sounds more enjoyable than trying to stump you with a weird drink.		
	Jo Ross		
February 19, 2020 12:05 AM			

			Well, here's a favor... learn how to accept compliments. It was hard for me too. And it still is. But I've tried to just start saying "thank you"
			Nathan McKnight
February 19, 2020 12:05 AM			
	That is exactly what I do		
February 19, 2020 12:06 AM			
	Nathan McKnight		
	Think all of the rebuttals, but say “thank you”		
	Jo Ross		
February 19, 2020 12:06 AM			
			Well, the two are not mutually exclusive. But I don't think you can stump me.
			Nathan McKnight
February 19, 2020 12:07 AM			
	I’m actually a bit intrigued because you are so confident in your bartending abilities. Where did you tend bar?		
	Jo Ross		
February 19, 2020 12:08 AM			
			Oh, that's right, I forgot you also tended bar. I haven't tended anyplace exceptionally interesting, and I was only a bartender for three years. But I have a taste for the obscure, and a knack for learning, so...
February 19, 2020 12:10 AM			
			After I came back from NYC, I wanted to take a break from education, so I started bartending at a little hole in the wall on Parsons called Tatohead's. I took a side gig at the Torpedo Room (the bar at the Film Center) because the Tatoheads business model was bound to collapse at some point. And it did.
February 19, 2020 12:30 AM			
			Anyway, I’m not going to tell you that I can whip up an expertly made example of just any random obscure cocktail at the drop of a hat. Maybe if I’d worked at the Bottle Shop or something. But I have a pretty big repertoire compared to your average Colombus bartender. If you name a classic or pre-prohibition cocktail, or anything that’s enjoyed a moment in the sun in the last 40 years or so, there’s a decent chance that I can tell you at least a basic outline of the flavor profile and important ingredients.
			Nathan McKnight
February 19, 2020 12:46 AM			
	So, what is your favorite drink?		
February 19, 2020 12:46 AM			
	Just curious.		
	Jo Ross		
February 19, 2020 1:00 AM			

			A Bushwick—it's a newish spin on a Negroni. Genever, Dolin Blanc, Cynar, a little St-Germain and orange bitters. I like to garnish with pink peppercorns. I think the ratio isn't far off 1:1:1, but I've never been able to get it exactly right.
February 19, 2020 1:00 AM			
			How about you?
February 19, 2020 1:03 AM			
			That said, my favorite tends to be whatever I'm playing with at the moment. Trinidad Sour is up there too, but in a typical bar that doesn't specialize in fancy cocktails, I'll typically order a Manhattan or a Boulevardier.
February 19, 2020 1:04 AM			
			I was making Luxardo Sours a year or two ago. Those are amazing
February 19, 2020 1:04 AM			
			And I don't think I've ever heard of anybody else doing it
February 19, 2020 1:08 AM			
			But it's a shame, because it's an amazing drink. In fact, I think I'll make one right now

	My answer cannot even begin to be as in depth as yours. I usually opt for a Manhattan or an Old Fashioned. Although I do love a good Dirty Martini. I suppose I can't decide what my favorite is.		
February 19, 2020 7:53 AM			
	Nathan McKnight		
	This is not your average "I think I'll make myself a drink at 1:30 am" kind of drink. You realize this, correct?		
	Jo Ross		
February 19, 2020 8:34 AM			
			I'm no slouch
February 19, 2020 8:35 AM			
			How do you like your Old Fashioneds?
February 19, 2020 8:50 AM			

I was just looking on Instagram to see if anybody else had posted a Luxardo Sour. Only found one... guy sporting a trilby and a respectable handlebar mustache, pouring at some luxury spa resort in the Yucatán. He didn't post a recipe, but his was smoked. The one I made last night wasn't the way I usually make them, because I happened to be out of, of all things, ice. So, I shook it with frozen sour cherries. Ended up being too sweet, but I'll have to work on this method, because it looked great. I think this calls for a new name... got any suggestions?

That's my typical Luxardo Sour.

February 19, 2020 9:14 AM

You should know, by the way, that I'm not trying to impress you. I do sometimes make fancy cocktails in the wee hours. If you're going to do something you love, there's no reason to be half assed about it. I'll phone it in for work sometimes, but I hate to let myself down when it comes to appreciating the things I care about. :)

Nathan McKnight

February 19, 2020 6:27 PM

Well, I'm impressed anyway.

February 19, 2020 6:27 PM

So... guess what.

It CAME

February 19, 2020 6:27 PM

February 19, 2020 6:28 PM

I'm about to spend the night drinking and shocking myself for fun.

Jo Ross

February 19, 2020 7:17 PM

Jealous!

February 19, 2020 7:32 PM

So, should we set a date to hang out and shock one another—in more ways than one

Nathan McKnight

February 19, 2020 8:06 PM

I would like that. I know I have plans not this weekend, but the next one. Are you going to the birthday party on Friday?

Jo Ross

February 19, 2020 9:12 PM

			Is it Cherie's?
			Nathan McKnight
February 19, 2020 9:54 PM			
	I believe it was intended for both her and Liz.

February 19, 2020 9:59 PM			
			The bowling thing? It looks like Cherie cancelled it
			Nathan McKnight
February 19, 2020 10:02 PM			
	She cancelled the bike riding portion, to my knowledge. I believe the bowling and drinks afterward are still happening.

February 20, 2020 10:46 PM

But I can't.

Jo Ross

February 20, 2020 11:03 PM

I mean, they can know we had a conversation to which that's pertinent.

February 20, 2020 11:03 PM

It was just too perfect

Nathan McKnight

February 20, 2020 11:03 PM

It was.

February 20, 2020 11:03 PM

So, you want them to know?

Jo Ross

February 20, 2020 11:06 PM

I don't care either way—actually, maybe I kind of like that this is our secret lol—but it was just too good. So what if they know there's a buttception joke they don't get, they hardly know the full extent . But if it's a secret... just say the word.

Nathan McKnight

February 20, 2020 11:10 PM

It is not. At least, I don't care whether it is or not. To be honest, I would venture to guess some people are already aware. Not details, but Jason knows, Cherie knows, and Pamela knows, because I told her I was bringing you to the Enchanted Creatures thing so she could add you to the small group. She will probably tell (has told) Princess, so, a lot of people most likely know. I'm assuming Liz does.

February 20, 2020 11:10 PM

I was actually mostly asking because I didn't know if you would want people to know.

Jo Ross

February 20, 2020 11:27 PM

Yeah, Liz knows. So, at least 4-5 people "know" ...but what is it that they know?

February 20, 2020 11:28 PM

Hmmmm

February 20, 2020 11:28 PM

February 21, 2020 12:34 AM

Nathan McKnight

February 21, 2020 4:33 PM

If I had an instant answer for that, what would you even think to yourself?

Jo Ross

February 21, 2020 4:35 PM

You don't know your kisbet size? I don't know, but I'm thinking now that you aren't taking this serous like.

February 21, 2020 4:35 PM

*seriouslike

Nathan McKnight

February 21, 2020 4:38 PM

Nathan McKnight

Good thing you fixed that. I was very confused.

February 21, 2020 4:38 PM

I guess you'll have to take my measurements

Jo Ross

February 21, 2020 4:45 PM

Well, I've already sized you up...

February 21, 2020 5:07 PM

Nevertheless, I do plan on doing a millimeter by millimeter examination.

February 21, 2020 7:07 PM

February 21, 2020 7:08 PM

Jo Ross

Because apparently I have no sense of professional decorum, and the sense of humor of a five year old.... this is a guy I just interviewed

Nathan McKnight

February 21, 2020 7:15 PM

That's what you think

February 21, 2020 7:15 PM

Perfect

February 21, 2020 7:16 PM

You should absolutely hire him.

February 21, 2020 7:17 PM

Nathan McKnight

Due to me working and doing mom things, (my son had a dance he needed dropped off at tonight) we will be arriving late. If you don't mind, please keep me updated on the whereabouts of our humans in case I miss bowling altogether.

February 21, 2020 7:17 PM

I'm still wearing my bowling socks no matter what though

Jo Ross

February 21, 2020 7:17 PM

February 21, 2020 7:18 PM

I'll be sure to verify that

Nathan McKnight

February 21, 2020 8:24 PM

What is everyone's status? We are in the car and about 50 minutes away. Will we be in time for bowling?

February 21, 2020 8:25 PM

Welp, nevermind

Jo Ross

February 21, 2020 9:37 PM

No bowling! We're going to the space now

February 21, 2020 9:42 PM

Jo missed your call.

February 22, 2020 3:43 AM

February 22, 2020 9:59 AM

It was nice to see you last night.

February 22, 2020 10:00 AM

But I'm just dying to get you alone.

February 22, 2020 10:00 AM

			Where I can wrestle you into submission.
February 22, 2020 10:00 AM			
			And I want you to fight back.
February 22, 2020 10:02 AM			
			So that when I subject you to every manner of depravity... after you've fought hard to stop me....
February 22, 2020 10:02 AM			
			And failed
February 22, 2020 10:04 AM			
			You'll know I could do this to you at any moment.
February 22, 2020 10:06 AM			
			And you'd be powerless to stop me.
February 22, 2020 10:06 AM			
			From pushing you beyond any boundary you might think you have left.
February 22, 2020 10:09 AM			
			And when I finally make you cum
February 22, 2020 10:10 AM			
			To your quivering climax
February 22, 2020 10:10 AM			
			You'll feel so dirty, so used up and helpless
February 22, 2020 10:11 AM			
			That every time I see you thereafter, you won't be able to stop thinking about what boundary I might break next.
			Nathan McKnight
February 22, 2020 10:12 AM			
	Nathan McKnight		
	You're awful confident, sir		
	Jo Ross		
February 22, 2020 10:13 AM			
			And I'll know because, in a bar or a restaurant or a movie or at a party, when I sneak my hands into your panties, you will already be so wet that somebody will have to wipe up after you
February 22, 2020 10:13 AM			
			Good morning
February 22, 2020 10:16 AM			
			That is correct. And you know this is all true. Otherwise you wouldn't feel compelled to call me sir.
February 22, 2020 10:16 AM			

			Little rabbit
February 22, 2020 10:16 AM			
			Little fuckbunny
February 22, 2020 10:19 AM			
			I swear to god I will find whatever it is in you that makes you nervous. And prod at it until you beg me to do my worst
February 22, 2020 10:21 AM			
			If you aren't already slinking away to masturbate somewhere, you probably should
February 22, 2020 10:22 AM			
			And be sure to send me a pic
February 22, 2020 10:32 AM			
			Are you guys back home?
February 22, 2020 10:45 AM			
	We are still at pamelas		
February 22, 2020 10:45 AM			
	I'm sitting in a pile reading quietly to myself.		
February 22, 2020 10:46 AM			
	It was very good to see you last night as well		
February 22, 2020 10:46 AM			
			What'cha reading about? :)
February 22, 2020 10:46 AM			
	The things someone is going to do to me		
February 22, 2020 10:46 AM			
			We're planning to grab brunch soon
February 22, 2020 10:47 AM			
			Oh, and what are you most afraid they'll do?
February 22, 2020 10:48 AM			
	I would be stupid to tell you lol		
February 22, 2020 10:48 AM			
			Anyway, if any/all of the crew are down for brunch, we're going to be at the First Watch on campus about 1130
February 22, 2020 10:48 AM			
	We're going to fox		
February 22, 2020 10:48 AM			
			Where's that?
February 22, 2020 10:48 AM			

			The fox in the snow?
February 22, 2020 10:49 AM			
	Yes		
February 22, 2020 10:49 AM			
			That's a great coffee shop, but we need real food
February 22, 2020 10:49 AM			
			But you know you want to...
February 22, 2020 10:50 AM			
			*switch responses
February 22, 2020 10:50 AM			
	Why are you *so* charming?		
February 22, 2020 10:50 AM			
			Is that what you call this?
February 22, 2020 10:51 AM			
	Absolutely		
February 22, 2020 10:51 AM			
	So you guys are at first watch at 11:30?		
February 22, 2020 10:51 AM			
			Yep
February 22, 2020 10:51 AM			
			At high and 10th or thereabouts
February 22, 2020 10:55 AM			
	We might come over there, but Briden is pretty dead set on fox and snow.		
February 22, 2020 10:58 AM			
			Ok. I'd love to join you there, but I need more than a pastry
February 22, 2020 11:02 AM			
			Though their pastries really are excellent. And they make the best espresso and cappuccino in town
February 22, 2020 11:04 AM			
	I've been told there's an excellent egg sandwich in my future		
February 22, 2020 11:07 AM			
			Mmm. That sounds goo
February 22, 2020 11:07 AM			
			D

February 22, 2020 11:09 AM			
			Anyway, I hope to see you soon. If you guys feel like catching a movie today… You know where to go!
February 22, 2020 11:11 AM			
			Also... my office has a good view... and the door locks.
February 22, 2020 11:17 AM			
	Hmm.... I'll remember that		
February 22, 2020 12:29 PM			
			So, we both had a busy week, and I'm kind of missing our conversations from the past few weeks.... shall we start a new one?
February 22, 2020 1:12 PM			
	Absolutely yes, please.		
February 22, 2020 1:12 PM			
			:)
February 22, 2020 1:12 PM			
			Ok... how shall we begin?
February 22, 2020 1:13 PM			
			Or have we finally run out of things to say?
February 22, 2020 1:13 PM			
	Hm... I wonder what ever will happen once we finally do run out of things to say?		
February 22, 2020 1:15 PM			
			Heavens, I don't know. But I know that, whatever it is....
February 22, 2020 1:15 PM			
			You'll be powerless to stop me.
February 22, 2020 1:16 PM			
	You'll be powerless to stop yourself		
February 22, 2020 1:16 PM			
			Utterly
February 22, 2020 1:16 PM			
	Ok, writing prompt		
February 22, 2020 1:16 PM			
			Uncontrollable
February 22, 2020 1:16 PM

Woodworking. Go

February 22, 2020 1:17 PM

I certainly hope so

February 22, 2020 1:17 PM

Hmmmm... Liz's brother makes really nice cutting boards. Um... not sure what else i've got on woodworking. Something will come to me...

February 22, 2020 1:17 PM

Tell me your thoughts on wood

February 22, 2020 1:17 PM

Going against the grain.

February 22, 2020 1:17 PM

February 22, 2020 1:17 PM

Currently going into woodcraft

February 22, 2020 1:17 PM

Jason looks especially tall there

February 22, 2020 1:20 PM

Do you guys have a specific project in mind?

February 22, 2020 1:22 PM

I'm staining the baseboards rainbow colors

February 22, 2020 1:22 PM

With glitter, obviously.

February 22, 2020 1:22 PM

awesome

February 22, 2020 1:22 PM

your place sounds like a wonderland

February 22, 2020 1:23 PM

i'm hoping to do something spectacular with my office when we get moved into the new place

February 22, 2020 1:27 PM

My house looks like a circus inside

February 22, 2020 1:27 PM

And who's the ring master?

February 22, 2020 1:27 PM

https://www.arworkshop.com/event/?loc=pickerington&ev=150715

Speaking of woodworking, I was looking for things to do in Pickerington... for... reasons. And I came across this...

February 22, 2020 1:30 PM

I know that place!

February 22, 2020 1:30 PM

Nathan McKnight

If I can get Mitch to give me his coat, I'll be the ringmaster

February 22, 2020 1:31 PM

Yes! That reminds me… I need to start shopping for cool jackets

February 22, 2020 1:31 PM

And leather shorts

February 22, 2020 1:35 PM

We should definitely check out Doolin's bar...

February 22, 2020 1:36 PM

February 22, 2020 2:26 PM

Nathan McKnight

I actually love Doolins, and the reviews are not wrong

February 22, 2020 2:30 PM

I would absolutely love to see you in some leather shorts

February 22, 2020 2:35 PM

Nothing wrong with a good hole in the wall.

February 22, 2020 2:36 PM

I was wearing leather undies last night! It was just too cold to takeoff my pants

February 22, 2020 2:36 PM

February 22, 2020 2:36 PM

February 22, 2020 2:37 PM

I love it! Though I baby birded exactly 0 grapes

February 22, 2020 2:37 PM

February 22, 2020 2:38 PM

Lol, um... you did take off your pants. Briefly.

February 22, 2020 2:38 PM

February 22, 2020 2:38 PM

"Hey Amanda, come hither..."

February 22, 2020 2:38 PM

I did?

February 22, 2020 2:38 PM			
	Get it? Briefly?		
February 22, 2020 2:38 PM			
			Bazing!
February 22, 2020 2:39 PM			
	Lol well, you tried. We talked you out of it. Once you realized you had to take your shoes off, you were more easily convinced to give up.		
February 22, 2020 2:39 PM			
			Ah, now i recall!
February 22, 2020 2:39 PM			
	You forgot to say please		
February 22, 2020 2:40 PM			
	Aw last night was so fun.		
February 22, 2020 2:41 PM			
	You were adorable. We made out in the bathroom.		
February 22, 2020 2:47 PM			
			Bitte
February 22, 2020 2:49 PM			
			It was. And we did. But *somebody* felt the need to cut that short. I hope we were r being rude? You looked fantastic, by the way. I mean, you always do... but rolling a little bit, I was feeling rather entranced by your face on the few times I got to see it up close.
February 22, 2020 2:52 PM			
			I went to ask Liz if she minded us making out, and when I turned around, you were making out with Patrick. (Not that there's anything wrong with that!) Just felt like I was waiting in line. I' m like.... when's it my turn to make out with you!!? *pout* Next time, I'll make min reservations early.
February 22, 2020 2:52 PM			
			*my
February 22, 2020 3:00 PM			
			And speaking of entrancing...
February 22, 2020 3:00 PM			
February 22, 2020 3:01 PM			
			Who is that butt!?
February 22, 2020 3:07 PM			
	I have no idea.		

February 22, 2020 3:09 PM			
			Me either, but if I ever get my hands on that....

February 23, 2020 6:13 PM			
			Brace yourself
February 23, 2020 6:14 PM			
			Unless you'd like to be braced
February 23, 2020 6:14 PM			
			By me
February 23, 2020 6:14 PM			
			Hard
February 23, 2020 7:20 PM			
	Can I not pick both?		
February 23, 2020 7:37 PM			
			Say please
February 23, 2020 7:37 PM			
			Say thank you
February 23, 2020 7:37 PM			

			And say a word you don’t know. When those conditions have been met, you can brace and be braced
February 23, 2020 8:04 PM			
			Anyway... so as to get back to talking... how about a game of ask me anything?
February 23, 2020 8:59 PM			
	I would never dream of receiving without saying please and thank you!		
February 23, 2020 9:00 PM			
	Also, I would love to play that game. Shall I go first, or would you like to?		
February 23, 2020 9:42 PM			
			Hmmm... do I want to set the tone? Or should I let you? I'll defer to you.
February 23, 2020 9:43 PM			
			*and a word you don't know — or a word I don't know...
February 23, 2020 10:13 PM			
	But how could I possibly tell you a word I don’t know?		
February 23, 2020 10:13 PM			
	And.... *is* there a word you don’t know?		
February 23, 2020 10:14 PM			
	Sidebar conversation: I had a very direct conversation with Jason about us seeing each other and asked his thoughts or if he had any issues with it.		
February 23, 2020 10:42 PM			
			Jo Ross
			There are plenty of words I don't know. Like... sprankle. And polgysmarmery.
February 23, 2020 10:42 PM			
			What did he say?
February 23, 2020 10:43 PM			
			So... do you have a question?
February 23, 2020 10:48 PM			
	What kind of person are you in a crisis situation? Do you panic, or take control?		
	Hm... I do. I would like to start with a pragmatic question and work forward from there.		
February 23, 2020 10:48 PM			

	He said no. So I guess we will just have to be friends and talk.		
February 23, 2020 10:51 PM			
	I'm totally kidding. He likes you quite a bit and very assertively told me he was happy about it.		
February 23, 2020 10:52 PM			
			That's a great question. I generally can make decisions that need to be made in the moment. But I tend to reflect whoever I'm with. If I need to be the level-headed one, I will. But I'm happy to follow the lead of somebody else I trust.
February 23, 2020 10:53 PM			
	So not reflect, but compliment.		
February 23, 2020 10:53 PM			
			I don't know if I'll allow take-backs... I'll have to consider...
February 23, 2020 10:54 PM			
			That's the better word, I suppose.
February 23, 2020 10:54 PM			
			How about yourself?
February 23, 2020 10:54 PM			
	Are you using that as your question?		
February 23, 2020 10:55 PM			
February 23, 2020 10:55 PM			
			Oh, definitely not.

Ha! We are going to singlehandedly make it sentient

February 23, 2020 10:58 PM

Do we have that power? can we make other things sentient too?

February 23, 2020 10:58 PM

I have *so* many snappy responses to that question....

February 23, 2020 10:58 PM

Wait, is that your question?

No, that's a direct response

February 23, 2020 11:08 PM

Exactly.

February 23, 2020 11:09 PM

Ok, so... What's the motivation behind asking me the question you led with?

February 23, 2020 11:09 PM

Isn't that the most egregious of offenses?

February 23, 2020 11:09 PM

Jo Ross

I've done egregiouser.

February 23, 2020 11:09 PM

Is that your question?

February 23, 2020 11:09 PM

Yes it is

February 23, 2020 11:09 PM

I'm sure you have. I hope you do.

February 23, 2020 11:10 PM

I'm afraid you'll be disappointed by my response, in which case I'll allow you to rescind your question and ask a different one.

February 23, 2020 11:10 PM

I commit more egregiouser crimes against the language in my sleep.

February 23, 2020 11:11 PM

The answer is, I don't remember.

February 23, 2020 11:11 PM

You could make something up

February 23, 2020 11:11 PM

Oh my. Do you talk in your sleep?

February 23, 2020 11:11 PM

			Or... you could tell me the picture that comes to mind
February 23, 2020 11:11 PM			
	I considered doing that, but it felt wrong.		
February 23, 2020 11:11 PM			
			Well... I've been known to fall asleep during conversation, and continue the conversation.
February 23, 2020 11:12 PM			
			Is that your question?
February 23, 2020 11:12 PM			
	Yes.		
February 23, 2020 11:12 PM			
	I hope beyond hope that you do that.		
February 23, 2020 11:12 PM			
			There's only one way to make that happen
February 23, 2020 11:12 PM			
	Talk in your sleep. It's ridiculously entertaining, and also endearing		
February 23, 2020 11:12 PM			
	Stop being so...		
February 23, 2020 11:13 PM			
			How egregious is too egregious?
February 23, 2020 11:13 PM			
	That doesn't exist.		
February 23, 2020 11:13 PM			
			Hmmmm. Awfully confident, aren't we?
February 23, 2020 11:13 PM			
	Well, not for you at least. But you have special privileges.		
February 23, 2020 11:13 PM			
			Jo Ross
			I feel special.
February 23, 2020 11:14 PM			
	I'm so glad.		
February 23, 2020 11:14 PM			
			But you're really putting yourself out there. It's like a dare.
February 23, 2020 11:14 PM			
	I have a safe word if I need it		

February 23, 2020 11:15 PM			
	Would you like to hear a secret?		
February 23, 2020 11:15 PM			
			Yes, please
February 23, 2020 11:15 PM			
	Oh, good boy		
February 23, 2020 11:15 PM			
	I've never used it.		
February 23, 2020 11:15 PM			
			Jo Ross
February 23, 2020 11:16 PM			
	I believe it is your turn, Sir.		
February 23, 2020 11:16 PM			
			Oh god. I really admire your bravery.
February 23, 2020 11:16 PM			
			I need a moment
February 23, 2020 11:17 PM			
	Well. I think if I recall you like a challenge.		
February 23, 2020 11:17 PM			
			You seem to think you're a challenge. Pfff
February 23, 2020 11:17 PM			
	I think if I weren't, I wouldn't have your attention.		
February 23, 2020 11:18 PM			
			Well... you wouldn't have my sustained attention.
February 23, 2020 11:18 PM			
			No. I take that back.
February 23, 2020 11:18 PM			
	I thought there were no take backs?		
February 23, 2020 11:18 PM			
			If you were less of a challenge, but just as interesting, yes. You would have my attention
February 23, 2020 11:18 PM			
			I mean... I said I would consider it.
February 23, 2020 11:18 PM			
			Now that it's my take-back, I've decided
February 23, 2020 11:19 PM			
			It is allowed

February 23, 2020 11:19 PM			
	So you've come to the conclusion that they are allowed?		
February 23, 2020 11:19 PM			
	Ah.		
February 23, 2020 11:19 PM			
			For me
February 23, 2020 11:19 PM			
	Point of order! No fair.		
February 23, 2020 11:19 PM			
			I don't make the rules for you.
February 23, 2020 11:19 PM			
			Not tonight, anyway
February 23, 2020 11:20 PM			
	So, your previous comment is null, then.		
February 23, 2020 11:20 PM			
	About considering take backs for me		
February 23, 2020 11:20 PM			
			I'm committing to nothing.
February 23, 2020 11:21 PM			
	Lol you sound like a politician		
February 23, 2020 11:21 PM			
			I mean, if I told you all the rules, how could I keep you on your toes?
February 23, 2020 11:21 PM			
	But you said you didn't make them!		
February 23, 2020 11:21 PM			
			That sounds like a rule to me...
February 23, 2020 11:21 PM			
	Gasp! Wait... are you... trying to mess with me?		
February 23, 2020 11:22 PM			
			Poorly, yes
February 23, 2020 11:22 PM			
	You know... I believe it is your turn.		
February 23, 2020 11:22 PM			
	You're taking an awfully long time....		
February 23, 2020 11:22 PM			

	Yawn		
February 23, 2020 11:23 PM			
			Ok. If you had $784 to spend on a one-way plane ticket to anywhere, where would it be?
February 23, 2020 11:23 PM			
			You have to depart tonight.
February 23, 2020 11:25 PM			
			https://www.kayak.com/explore/CMH-anywhere?budget=470
February 23, 2020 11:26 PM			
			Correction: https://www.kayak.com/explore/CMH-anywhere?budget=790
February 23, 2020 11:27 PM			
			Also, it doesn't have to be one-way... but if you were going to go somewhere tonight without any plan to come back... where would it be?
February 23, 2020 11:28 PM			
	Are you amending the question by making it more general?		
February 23, 2020 11:29 PM			
			No, I'm just making it so you have to make fewer clicks to get the answer
February 23, 2020 11:29 PM			
	With the original restrictions, Morocco. Generalizations included, Varanasi.		
February 23, 2020 11:29 PM			
			Morocco is a great choice
February 23, 2020 11:29 PM			
			Varanasi... is that india?
February 23, 2020 11:29 PM			
	Yes.		
February 23, 2020 11:29 PM			
			Why Varanasi?
February 23, 2020 11:29 PM			
	Good job.		
February 23, 2020 11:30 PM			
			I know my geography pretty well
February 23, 2020 11:30 PM			
			(with the exception of Ohio geography)
February 23, 2020 11:31 PM			

			Jo Ross
			You'll have to excuse me for a moment while I attend to my laundry...
February 23, 2020 11:31 PM			
	It is the religious capital of the country. While I find religion ridiculous, I find the concept of foreign religions fascinating, and would love to see the temples and the Ganges, and visit during Holi.		
February 23, 2020 11:31 PM			
			♥
February 23, 2020 11:32 PM			
			I made a trip to Trinidad and Tobago once, specifically to attend Holi.
February 23, 2020 11:32 PM			
			(They call it Pagwa there)
February 23, 2020 11:32 PM			
			I swear, Amanda. you dig through my trash to figure out what I'm interested in so that you can throw it back at me, right?
February 23, 2020 11:34 PM			
	Ugh. I am exceedingly envious. Full disclosure: be never been out of the country. Well, besides Canada, but I don't really count that. India is the place that I would go if I could. I think it is the most culturally shocking choice I could make, so I would use up my travel opportunity on it if I could only pick one place.		
February 23, 2020 11:34 PM			
			Did I mention I'm practically a practicing hindu?
February 23, 2020 11:34 PM			
			*not really... but also, kinda
February 23, 2020 11:35 PM			
	You did not. But now I'm more smitten than I was. Stop it.		
February 23, 2020 11:35 PM			
			From everybody I talk to, I hear India is an experience, rather than a vacation
February 23, 2020 11:35 PM			
			awww
February 23, 2020 11:35 PM			
			I can picture your smitten look
February 23, 2020 11:35 PM			
			Jo Ross
			I too, am smut

February 23, 2020 11:35 PM

;)

February 23, 2020 11:36 PM

But you knew that

February 23, 2020 11:36 PM

And India is very high on my list

February 23, 2020 11:36 PM

Yes, same. The main reason I have t gone is because everyone says you need at least a month to really experience it, and I've never had the time. When I go, I'd like to make it count. And I will go.

February 23, 2020 11:36 PM

Religion, language, culture, art... they do everything TO THE MAX

February 23, 2020 11:36 PM

Nathan McKnight

I'm kind of obsessed with it, actually.

February 23, 2020 11:37 PM

It's like the rest of us "humans" have barely gotten beyond one god... and they've got fractal gods-within-gods

February 23, 2020 11:37 PM

Lingustically, too

February 23, 2020 11:37 PM

I've studied the gods and traditions more than any other culture.

February 23, 2020 11:37 PM

They do!

February 23, 2020 11:37 PM

And they do it all so... beautifully.

February 23, 2020 11:38 PM

Sigh.

February 23, 2020 11:38 PM

Question: Do you know The Teaching Company's Great Courses series?

February 23, 2020 11:38 PM

Now I'm dreaming about India.

February 23, 2020 11:38 PM

I don't

February 23, 2020 11:38 PM

			*beautifully!!!!
February 23, 2020 11:38 PM			
			Do you like long lectures...
February 23, 2020 11:38 PM			
	If they are engaging, yes.		
February 23, 2020 11:39 PM			
	The subject matter is always important		
February 23, 2020 11:39 PM			
			Well, I'd look into the Great Courses if I were you. Do you have Audible?
February 23, 2020 11:39 PM			
	Not yet, but I'm a matter of seconds, probably.		
February 23, 2020 11:39 PM			
	*in		
February 23, 2020 11:39 PM			
			Yes. You need to.

February 23, 2020 11:40 PM			
	Well, would you look at that. I have it!		
February 23, 2020 11:41 PM			
	I like the fact that you excused yourself to tend to laundry and promptly let it go to the wayside. Go check on your laundry and think of a question to ask me.		
February 23, 2020 11:41 PM			
			It was one of my favorite. One of the reasons I developed ain interest in world religions
February 23, 2020 11:41 PM			
			Yes sir
February 23, 2020 11:42 PM			
			I'll warn you--we're talking ten hour lecture series... and there are hundreds of them. so you might not have any time for anything else ever again.
February 23, 2020 11:42 PM			
			Jo Ross
			brb

February 23, 2020 11:42 PM

Gah! It says it's $90

No...

February 23, 2020 11:43 PM

Oh. Okay.

You sent a link.

February 23, 2020 11:47 PM

Ok. I have it on stack.

February 23, 2020 11:48 PM

So... how did you get to be so interesting?

February 23, 2020 11:48 PM

Is that your question?

February 23, 2020 11:48 PM

Sure

February 23, 2020 11:48 PM

Do you want the honest answer?

February 23, 2020 11:48 PM

I want lies. All lies

February 23, 2020 11:49 PM

That's a lie

February 23, 2020 11:49 PM

I want you to bear your soul

February 23, 2020 11:49 PM

*among other things

February 23, 2020 11:49 PM

Ah, well, if you want lies, it is because I was in the circus.

February 23, 2020 11:49 PM

lol

February 23, 2020 11:49 PM

We're you a dwarf or a Siamese twin?

February 23, 2020 11:49 PM

			*were
February 23, 2020 11:50 PM			
	Of course not. Clearly, I was a contortionist.		
February 23, 2020 11:50 PM			
			That sound
February 23, 2020 11:50 PM			
	And a fire swallower.		
February 23, 2020 11:50 PM			
	Obviously.		
February 23, 2020 11:50 PM			
			I was a fire breather
February 23, 2020 11:51 PM			
			^not a lie
February 23, 2020 11:51 PM			
			I mean, I dabbled
February 23, 2020 11:51 PM			
	Well, we make a better pair than expected.		
February 23, 2020 11:51 PM			
			Jo Ross
			Oh? You expected less?
February 23, 2020 11:51 PM			
	I actually had no expectations whatsoever. That has changed.		
February 23, 2020 11:52 PM			
			Jo Ross
			Actually, yes... Exceeds Expectations+
February 23, 2020 11:52 PM			
			Now you have way too high expectations, for sure
February 23, 2020 11:52 PM			
	Ha! Same.		
February 23, 2020 11:52 PM			
	Well. Maybe.		
February 23, 2020 11:52 PM			
			We'll see
February 23, 2020 11:53 PM			
	Oh no. what if we end up having egregious sex?		
February 23, 2020 11:53 PM			

What if it just awful?

February 23, 2020 11:53 PM

It's*

February 23, 2020 11:53 PM

Honestly, I'd hope we could work at it

February 23, 2020 11:54 PM

Patience... I suspect you're going to take some time to figure out fully

February 23, 2020 11:54 PM

Or not

February 23, 2020 11:54 PM

February 23, 2020 11:54 PM

It's a mystery

February 23, 2020 11:56 PM

We'll never know....

February 23, 2020 11:56 PM

Jo Ross

I mean, I've never wanted such awful sex so badly...

February 23, 2020 11:56 PM

Do you want it badly?

February 23, 2020 11:56 PM

No.

February 23, 2020 11:56 PM

I want it well.

February 23, 2020 11:56 PM

I want it as hell.

February 23, 2020 11:56 PM

Goodly

February 23, 2020 11:56 PM

Fick

February 23, 2020 11:57 PM

Might have woken Liz up

February 23, 2020 11:57 PM

Ah. The common vernacular.

February 23, 2020 11:57 PM

I like it.

February 23, 2020 11:57 PM			
	So much.		
February 23, 2020 11:57 PM			
			Uncommon
February 23, 2020 11:57 PM			
	Yes!		
February 23, 2020 11:57 PM			
	The truthful answer to your question was that if I am the slightest bit interesting, it is likely because I was somewhat of a vagabond in my twenties. My family is pretty well off, and I disliked it, so I left and picked living in compromising environments that were more interesting to me.		
February 23, 2020 11:57 PM			
			Oh wow, that's quite a backstory
February 23, 2020 11:58 PM			
	Is it?		
February 23, 2020 11:58 PM			
			Well, my imagination just filled with all sorts of adventures
February 23, 2020 11:58 PM			
			So.... you better live up to the hype. I
February 23, 2020 11:58 PM			
	If you're thinking outlandish things, They probably aren't too far off.		
February 23, 2020 11:59 PM			
			I hope not. I want to hear all about it. But I think that's a face-to-face conversation
February 23, 2020 11:59 PM			
	Oh really? What are my standards? I need a clear outline so I can properly gauge my obligations.		
February 24, 2020 12:00 AM			
			No, I'll just spring obligations upon you at my slightest whim
February 24, 2020 12:00 AM			
	Actually, that is as in-depth as I usually get. I might talk more on it, but it's rare.		
February 24, 2020 12:00 AM			
			Really? Why so?
February 24, 2020 12:00 AM			

	Well, we're awful confident, aren't we?		
February 24, 2020 12:01 AM			
			I didn't say I'd succeed
February 24, 2020 12:01 AM			
			Just that I would spring things on you
February 24, 2020 12:02 AM			
	Hm. I'm not sure. I'd venture to guess you could probably get something out of me in the right setting.		
February 24, 2020 12:02 AM			
	If you really wanted to.		
February 24, 2020 12:02 AM			
			Well... I'll have to consider the stakes I need to set to make sure that happens
February 24, 2020 12:03 AM			
	Lol you do have your one demand. But... do you really want to waste that on conversation?		
February 24, 2020 12:03 AM			
			Nope
February 24, 2020 12:03 AM			
	Good.		
February 24, 2020 12:03 AM			
			So... your turn?
February 24, 2020 12:05 AM			
	I think it's yours. I asked what my required standards were, but you didn't really go into depth.		
February 24, 2020 12:05 AM			
	You can if you'd like, though.		
February 24, 2020 12:06 AM			
			Hmmmm. No. I won't hold you to any standards.
February 24, 2020 12:06 AM			
	Would you like me to change my question?		
February 24, 2020 12:07 AM			
			No... I think I just answered it
February 24, 2020 12:07 AM			
	In that case, it is your turn.		
February 24, 2020 12:10 AM			

			Ok. Here's a question... when and if we manage to get some alone time, do you have any specific plans for how to use it?
February 24, 2020 12:10 AM			
	Absolutely.		
February 24, 2020 12:12 AM			
			Interesting. I wonder what happens if our plans are mutually contradictory
February 24, 2020 12:13 AM			
	I have my doubts that they will be, but based on our interactions, even if they don't line up, we will still enjoy ourselves.		
February 24, 2020 12:13 AM			
			I mean, I think I'd certainly enjoy whatever evolves
February 24, 2020 12:13 AM			
	When can we see each other?		
	It's my turn.		
February 24, 2020 12:14 AM			
			I don't have to get up in the morning...
February 24, 2020 12:14 AM			
			;)
February 24, 2020 12:14 AM			
	Well, you are a lucky man.		
February 24, 2020 12:14 AM			
			In many ways
February 24, 2020 12:15 AM			
	Had I known that, I might've loitered around the bar a bit longer.		
February 24, 2020 12:15 AM			
			I'm free Sundays and Mondays. Most weekday nights.
February 24, 2020 12:15 AM			
			:)
February 24, 2020 12:15 AM			
			I might even consider taking a vacation day or two if that helps
February 24, 2020 12:15 AM			
	So, not this weekend, but next weekend, would you like to make plans?		
February 24, 2020 12:16 AM			
			I would like that very much

February 24, 2020 12:16 AM

Based on your schedule, I'm thinking Saturday night might be a good night.

February 24, 2020 12:17 AM

Works for me

February 24, 2020 12:17 AM

I mean, I'm going to have to shuffle around quite a few things here....

February 24, 2020 12:17 AM

Clear out a lot of very important engagements...

February 24, 2020 12:17 AM

You don't have to bend over backwards

February 24, 2020 12:17 AM

I mean.

February 24, 2020 12:17 AM

I can.

February 24, 2020 12:17 AM

Well...

February 24, 2020 12:18 AM

If you want.

February 24, 2020 12:18 AM

I do

February 24, 2020 12:18 AM

Well then, it looks like I'm free.

February 24, 2020 12:18 AM

Ok. How long do I get?

February 24, 2020 12:18 AM

How long would you like?

February 24, 2020 12:19 AM

I'm not going to answer that

February 24, 2020 12:20 AM

So. Are we renting an Airbnb in Cbus, or am I coming down to Pickeringcaster?

February 24, 2020 12:20 AM

Well, we *should* put a cap on it. Because if we don't, we may end up doing things that aren't allowed until the ides.

February 24, 2020 12:20 AM

TRUE

February 24, 2020 12:20 AM			
	An air b&b is going to be torture no matter where we rent it.		
February 24, 2020 12:21 AM			
			Although I'm savoring the idea of a night/weekend of teasing
February 24, 2020 12:21 AM			
	I'll look and see what's going on where.		
February 24, 2020 12:21 AM			
			Hands only, you know
February 24, 2020 12:21 AM			
	Right, right.		
February 24, 2020 12:21 AM			
	Ugh.		
February 24, 2020 12:21 AM			
	Torture.		
February 24, 2020 12:22 AM			
			Are you looking for an event to go to?
February 24, 2020 12:22 AM			
	That depends on what you'd like.		
February 24, 2020 12:23 AM			
			We mentioned a place
February 24, 2020 12:23 AM			
	Pick a vibe and I'll look into that thing.		
February 24, 2020 12:23 AM			
	The bar you'd mentioned?		
February 24, 2020 12:23 AM			
			Yes
February 24, 2020 12:23 AM			
	In that case, you can be in charge.		
February 24, 2020 12:23 AM			
	I'm not familiar with where we'd be going.		
February 24, 2020 12:24 AM			
			We could start with a cocktail bar or two, if that sounds good. And if you find an event you want to check out, we'll go from there
February 24, 2020 12:25 AM			
			And... I suppose I have to have you home by Monday....

February 24, 2020 12:26 AM

Send me the names of the locations, and I'll see what's going on in the area. Although if we get an air b&b, I'll probably forego whatever event we settle on due to extenuating circumstances.

February 24, 2020 12:26 AM

I hope you don't mind if I have to cancel.

February 24, 2020 12:26 AM

Oh?

February 24, 2020 12:28 AM

I mean, the event. It might get cut short... because I might have, um. Other things that I'd prefer to be doing.

February 24, 2020 12:28 AM

Or not doing. Because restraint.

February 24, 2020 12:29 AM

Jo Ross

Well... then I'll go ahead and pick an Airbnb right away

February 24, 2020 12:29 AM

So much restraint.

February 24, 2020 12:29 AM

So much restraint

February 24, 2020 12:29 AM

How do I have this much?! I didn't even know I possessed it!

February 24, 2020 12:30 AM

Don't worry... we're both REALLY GOOD at controlling ourselves

February 24, 2020 12:30 AM

I'm grateful for it but at the same time, I'm not!

February 24, 2020 12:30 AM

What's the worst that could happen

February 24, 2020 12:30 AM

Is that your question?

February 24, 2020 12:30 AM

...

February 24, 2020 12:30 AM

I need clarity.

February 24, 2020 12:30 AM

		If you have an answer
February 24, 2020 12:30 AM		
	The worst? Or the best?	
February 24, 2020 12:32 AM		
		No decision on that has to be made at the moment. It'll be the best of times and the worst of times
February 24, 2020 12:32 AM		
		In a good way
February 24, 2020 12:34 AM		
		Well... this might be the most shocking thing I have ever said to you, but... I think I need to get some sleep soon
February 24, 2020 12:34 AM		
	You and I are dangerous medicine. I am beginning to suspect we're both secretly a mess and it's too much fun to resist. We just recently decided we needed a monitor, and now we're making full plans to go out unsupervised.	
February 24, 2020 12:35 AM		
	I was just thinking the same thing. Goodnight.	
February 24, 2020 12:35 AM		
		Maybe
February 24, 2020 12:35 AM		
		Goodnight.
February 24, 2020 12:36 AM		
		If it all goes off the rails... well... I don't know. I'm going to *try* to be good.
February 24, 2020 12:36 AM		
		In very naughty ways
February 24, 2020 9:38 AM		
	After the weekend that we had, going back to my work week is like walking out of other world	
February 24, 2020 9:43 AM		
	Speaking of weekends, if we do something the weekend after this coming weekend, I think we may be limited to Friday only. That is the weekend of Hump!!	
February 24, 2020 9:43 AM		
	Saturday night you and I will both be busy watching porn with all of our friends	
February 24, 2020 10:36 AM		
		Oh, that's right. Are you busy that Sunday? We could have a lazy Sunday hang.

February 24, 2020 10:40 AM

If we did Friday, I could potentially take Saturday off. Maybe we could go to Otherworld and find some little hidey hole to just sit and talk.

February 24, 2020 10:46 AM

We could do that. If it ends up not being possible for any reason, Sunday would also work. We just couldn't let ourselves get home too late

February 24, 2020 10:50 AM

Well, I'm flexible. I think I'd prefer Friday-Saturday, so we don't feel like we've got a big time crunch.

February 24, 2020 10:52 AM

I would as well. Also, curling up in the corner of a busy dreamscape with you sounds fantastic.

February 24, 2020 10:53 AM

Right? I kind of want to try to solve the puzzle... but I suspect I'll be more interested in solving some other puzzles.

February 24, 2020 10:54 AM

Since you've been there multiple times, maybe you've figured it all out?

February 24, 2020 10:59 AM

I have not tried. Every time I go, I've brought someone with me who has never been, and the prospect of solving the puzzle seems as though it would take away from them absorbing the experience in a free range manner

February 24, 2020 11:01 AM

Well, we can play it by ear.

February 24, 2020 11:02 AM

The same applies in this instance. I'd much prefer to focus on you as opposed to focusing on the puzzle. Since we are on the subject, Jason and I had plans this weekend, however we are kicking around the idea of incorporating a group get together into our Saturday night. We haven't decided yet for sure though. Otherworld is having a dance party.

February 24, 2020 11:03 AM

I think he has taken an interest in Pamela, and his motivation may lie in trying to facilitate seeing her again soon.

February 24, 2020 11:03 AM

That is just speculation though

February 24, 2020 11:07 AM			
			Ok. So... pencil in Friday/Saturday?
February 24, 2020 11:10 AM			
	March 6th, yes.		
February 24, 2020 11:15 AM			
			Ok, Friday the 6th it is.
February 24, 2020 11:31 AM			
			So... are you saying you're secretly a mess? Define "mess"
February 24, 2020 11:31 AM			
	It's not really a secret, I guess		
February 24, 2020 11:31 AM			
			Messy... for sure
February 24, 2020 11:31 AM			
			:)
February 24, 2020 11:31 AM			
	Always		
February 24, 2020 11:31 AM			
	All of the time		
February 24, 2020 11:31 AM			
	And uncoordinated.		
February 24, 2020 11:32 AM			
			I'm uncoordinated, but I like to think I recover well
February 24, 2020 11:33 AM			
	You do, I've seen it		
February 24, 2020 11:33 AM			
	It's wonderful to watch		
February 24, 2020 11:33 AM			
			I'll make you messy
February 24, 2020 11:33 AM			
	Don't threaten me with a good time, McKnight		
February 24, 2020 11:34 AM			
			Ross, you've got some nerve making demands. I'll give you a good time whenever it suits me
February 24, 2020 11:35 AM			
	I am completely within my rights to make demands! If I recall I have exactly one free demand, and I believe you got as carried away as to offer blanket consent		

February 24, 2020 11:35 AM

Ha!

February 24, 2020 11:35 AM

I also have this weird little stick man in my pocket for some reason

February 24, 2020 11:36 AM

It came from my altar. You're now subject to my voodoo

February 24, 2020 11:37 AM

So that's why I've been thinking about kissing you since yesterday… Black magic.

February 24, 2020 11:37 AM

Yes. That is the reason. Lol

February 24, 2020 11:38 AM

February 24, 2020 11:38 AM

It's actually mostly Liz's altar. But we share it

February 24, 2020 11:38 AM

So may I ask why you were carrying it around in your pocket yesterday?

February 24, 2020 11:39 AM

Why do you think?

February 24, 2020 11:39 AM

And also what it represented, when you put it there, if anything?

February 24, 2020 11:40 AM

It represents mystery. Specifically, harnessing mystery

February 24, 2020 11:40 AM

Well, if you're getting at what I think you're getting it, you're going to need more sticks

February 24, 2020 11:40 AM

Wait. I take that back. You could probably get a harness on me pretty easily

February 24, 2020 11:40 AM

You're saying you're hard to harness?

February 24, 2020 11:40 AM

Lol

February 24, 2020 11:41 AM

I hope it's not *too* easy

February 24, 2020 11:41 AM

			Jo Ross
			I'll remember to bring my climbing harness
February 24, 2020 11:43 AM			
	You know, you just made me think of something that hadn't crossed my mind before. There are a lot of people in our group that do climbing. I wonder if anyone is in need of a climbing harness and helmet? I have like 30 of them and I'm too lazy to list them online for sale, but I would happily give them away to the group		
February 24, 2020 11:44 AM			
			How old?
February 24, 2020 11:44 AM			
			Also, do you climb?
February 24, 2020 11:45 AM			
			Also also... 30!??
February 24, 2020 11:46 AM			
	They are new. They've never been opened. And I wouldn't say that I do, but I have. When I worked for the school district, the board waste money like nobody's business to meet grant requirements and such. They throw away more weird odds and ends than you can imagine, and in the summer I was the maintenance crew supervisor. They would give us Trailers filled with all sorts of things and tell us to make them disappear. The helmets and harnesses disappeared into my garage.		
February 24, 2020 11:47 AM			
	As did quite a few climbing holds		
February 24, 2020 11:47 AM			
			Nice. So, most of them are probably kids' harnesses, but I bet they'll fit some of us
February 24, 2020 11:47 AM			
	I just haven't found a permanent wall face worthy of attaching them to yet		
February 24, 2020 11:48 AM			
	Exactly. However, I believe the sizing goes all the way up to an extra large so they would fit probably most of us		
February 24, 2020 11:48 AM			
	We would also still fall into the weight limits of the equipment I believe		
February 24, 2020 11:48 AM			
			I've wanted to build a climbing wall for some time. I'm told OutHerSpace has a few on the outside wall

February 24, 2020 11:50 AM

Well if you would like to build a climbing wall, and you Think of a place that is accessible for us, you are welcome to use what I have. It would be nice if we had a common place where we could rehome all of the equipment and mount the holds so everyone could have access to them when they want it and just leave the equipment in that space.

February 24, 2020 11:51 AM

I mean, it sounds like with the equipment you've got, we'd be well on our way to a proper facility

February 24, 2020 11:57 AM

Nathan McKnight

What in the world makes you think I'm interested in "proper"?

February 24, 2020 11:57 AM

Well, with the exception of grammar, of course.

February 24, 2020 12:01 PM

Well... when it comes to climbing safety, proper is super sexy. We'll have to disagree on the grammar question, as I come from more of a linguistics background and "proper" is kind of a meaningless term. In all other ways... I'd be happy to indulge you in impropriety

February 24, 2020 12:03 PM

Fine, safety first and impropriety later

February 24, 2020 12:09 PM

Unless we're following burn rules: Always remember—safety third

February 24, 2020 12:11 PM

I just realized... we're going to a burn together at some point. Right?

February 24, 2020 12:11 PM

I would certainly hope so

February 24, 2020 12:11 PM

Why do you ask it like that?

February 24, 2020 12:12 PM

Just the thought of being at a burn with you seems pretty magical. But I'm not sure we actually have any solid plans to be at any particular burn

February 24, 2020 12:14 PM

So, if I may ask... are you planning go to Lakes of Fire and/or Scorched? Or something else?

February 24, 2020 12:16 PM

Well, I'm in the lottery for lakes, which is the one I actually wanted to go to, but I may reluctantly switch to scorched because of pride. I'm definitely going to one of them, though. I missed mosaic, so I'm pretty hell bent on making it to the next one.

February 24, 2020 12:18 PM

Same. If we get into lakes, might skip scorched. But I'd certainly like to make sure we don't end up going to different burns.

February 24, 2020 12:18 PM

That would be tragic.

February 24, 2020 12:19 PM

Scorched was a lot of fun, but it's the only "real" burn I've been to, so i really don't know how to judge

February 24, 2020 12:20 PM

I've never been to one. Are you planning to go to Adams party?

February 24, 2020 12:21 PM

When is it?

February 24, 2020 12:21 PM

Hm... let me look it up.

February 24, 2020 12:25 PM

It is March 20

February 24, 2020 12:26 PM

He's having a Microburn to kick off burn season

February 24, 2020 12:31 PM

I'll definitely try to make it

February 24, 2020 12:32 PM

I know it's a private event he created, I can't figure out how to access the group of people who have already been invited at the moment. Check your events and see if you have one and if not I can add you

February 24, 2020 12:33 PM

Jo Ross

Found it

February 24, 2020 12:35 PM

Also, didn't you say there's an Enchanted Creature Ball group? I'm not seeing it.

February 24, 2020 12:36 PM

Pamela said she invited you. I believe it's called "enchanted creatures go to the ball together"

February 24, 2020 12:38 PM

You're on the list of invited people. It's on May 9

February 24, 2020 12:43 PM

Ok. I'll find it

February 24, 2020 12:44 PM

You know, it really is surprising to me how quickly I fell into this group. Just a weird thought as I'm interacting in the group chat.

February 24, 2020 12:46 PM

Jo Ross

I felt the same way. You mean the Cuddlefish as a whole, right? Actually though, I was just chatting with Kelly and Dan... Liz and I have been in the group for almost a year now. Doesn't feel like that long!

February 24, 2020 12:47 PM

Oh wow. This feels wrong... but I'm buying it. Gotta come up with a crazy drink to put them on...

February 24, 2020 12:47 PM

February 24, 2020 12:47 PM

And yes, that is what I was referring to. Believe it or not, I'm actually terribly antisocial.

Yeah, I think I started spending time with everyone at the start of summer during the planning stages of mosaic. I guess it has been a little while. Weird.

February 24, 2020 12:47 PM

Same!

February 24, 2020 12:50 PM

I feel like I'm the instigator, and Liz is on friendship maintenance duty. I just always have something I feel pressed for time on. But the Cuddlefish always bring it. They always show up for friends, and I want to do my part. Plus... it's never ever been awkward or dull when I've made it out to things, so I've been far more social than my usual M.O.

February 24, 2020 12:53 PM

I'm happy to take risks, talk to strangers, and make friends, but don't usually spend much time on the follow up. So, I know lots of people but I'm only really close with a precious few. But we've covered this I think

February 24, 2020 12:55 PM

Sometimes it is really weird talking to you. I have had actual conversations with Jason outlining that description Word for Word. Jason does extremely well at maintaining friendships, or I do not. I meet people and I interact with people well on an initial basis and have no problem making friends, but often the mental energy that it takes to maintain those friendships consistently is just not a quality I possess. Luckily for me, Jason usually does very well at that part

February 24, 2020 1:06 PM

Jo Ross

Wondering what it is we're going to violently disagree on... kind of excited to find out.

I mean, this is what I've gathered so far... you grew up a rich girl in Baltimore and hit the road at some point... then you were a circus clown/dwarf/fire swallower/Siamese twin, had kids, grew antlers, drove a bus(?) then a truck, moved to back and forth between Lancastrington and Pickeringville, painted with a nonogenarian, did some woodworking, collected lots of stuff, and stalked me on Facebook until I took the bait... I'm pretty sure that's 100% accurate and complete. But just to be sure... me your life story so far. Start with your earliest recorded ancestors. Please and thank you.

Yeah, weird is right. I'm so curious to get some idea as to how we ended up with such a similar outlook on so many things. I don't think we've had very similar life experiences, but maybe I'm wrong.

February 24, 2020 1:15 PM

I do, kind of, have a woodworking adjacent story now that I think about it...

February 24, 2020 1:22 PM

Nathan McKnight

I feel like we need to take a moment to really appreciate how great that paragraph was that you just wrote

February 24, 2020 1:36 PM

Nathan McKnight

But yes, we seem to have quite a few similarities. To the point where it freaks me out a little. It is also made even more weird by the fact that you are the only person in the group I'd really chosen to interact with in a direct level aside from group things, and we appear to be quite alike.

February 24, 2020 1:37 PM

Also, how did you compile my entire life story so accurately? There's nothing left to tell!

February 24, 2020 1:45 PM

Lol. Ah, well... I guess the mystery is gone now.

February 24, 2020 1:45 PM

Drat. Guess I won't be needing this stick...

February 24, 2020 1:45 PM

Sigh.

February 24, 2020 1:45 PM

You know what I'm going to say to that

February 24, 2020 1:46 PM

Ha!

February 24, 2020 1:46 PM

No no, I need that stick

February 24, 2020 1:46 PM

I mean, I'll take it.

February 24, 2020 1:46 PM

I'll let you hold it for a while longer I guess

February 24, 2020 1:47 PM

Just as a novelty? You know, since the mystery is gone.

February 24, 2020 1:47 PM

To make me feel good about myself?

February 24, 2020 1:47 PM

We'll just have to generate new mysteries

February 24, 2020 1:47 PM

I'd say based on our behavior amongst the group we may have done that for a few people

February 24, 2020 1:48 PM

I'm sure our absence was noticed.

February 24, 2020 1:48 PM

Which I oddly like

February 24, 2020 1:48 PM

Also... i'm pretty sure you didn't know anything about me when you decided to interact. I certainly didn't know anything about you. Other than the obvious

February 24, 2020 1:48 PM

You think?

February 24, 2020 1:49 PM

I mean, random connections and such seem pretty much par for the course for this group

February 24, 2020 1:50 PM

That's why I thought it odd that this unfolded the way it did. I met you, didn't know you, but for some reason I was like "I'll piiiiick... that one"

February 24, 2020 1:52 PM

Lol. For some reason

February 24, 2020 1:52 PM

Yes. Some reason

February 24, 2020 1:52 PM

It's a mystery

February 24, 2020 1:52 PM

I mean, there was an obvious reason, but..

February 24, 2020 1:52 PM

You know

February 24, 2020 1:53 PM

To be sure, there are a lot of interesting people in the group. And I've interacted with many of them conversations and such. But nobody has been quite as much of a surprise as you

February 24, 2020 2:00 PM

And there are plenty of very attractive people in the group as well.

February 24, 2020 2:00 PM

Nathan McKnight

Well you are my crash course, so I guess I started at the pinnacle, then?

February 24, 2020 2:01 PM

Yes, everyone is actually quite attractive, honestly. You, however, happen to tick off quite a few boxes. For me, anyway.

February 24, 2020 2:04 PM

I'm happy to tick your boxes. You tick mine as well. I'd make a bulletted list, but I think you'd be bashful to read it

February 24, 2020 2:06 PM

Knowing your level of creativity, you're probably not wrong

February 24, 2020 2:06 PM

I'll tick your box..

February 24, 2020 2:14 PM

Hey, did you say you didn't like rum?

February 24, 2020 2:18 PM

No

February 24, 2020 2:25 PM			
			Good. So, tell me more about your palate for liquor
February 24, 2020 2:36 PM			
	I'm not a huge fan of sweet drinks. There are a few exceptions, but I prefer to taste my alcohol		
February 24, 2020 2:37 PM			
	Can we overlap two discussions? I was hoping you could give me some suggestions on something.		
February 24, 2020 2:38 PM			
	I have a special appreciation for good whiskey, and I love martinis. I also really like drinks that incorporate all of juice and pickle juice		
February 24, 2020 2:38 PM			
	I'm using voice dictation because I'm driving a semi down 71, so pardon my spelling and grammar errors		
February 24, 2020 2:40 PM			
			Ok
February 24, 2020 2:41 PM			
			Don't crash
February 24, 2020 2:41 PM			
	You can't tell me what to do		
February 24, 2020 2:41 PM			
			Please
February 24, 2020 2:41 PM			
	Fine		
February 24, 2020 2:41 PM			
			Ok. Gin martini or vodka
February 24, 2020 2:41 PM			
	Vodka. Jen is not my favorite, although I will definitely drink it		
February 24, 2020 2:42 PM			
	I think I was going to ask you if you could give me some suggestions on, as well the theme of the party was with perked my interest in at the most, now that we are going, I'm having a really difficult time figuring out what my costume is going to be for the enchanted creatures ball		
February 24, 2020 2:44 PM			
			Oh, right. You had suggested a theme.
February 24, 2020 2:46 PM			

I suppose I could just be a fairy. Seems a bit lackluster though

February 24, 2020 2:47 PM

Jo Ross

No, we can do better. I need to go down a Wikipedia hole.

February 24, 2020 2:48 PM

I'll get back to you

February 24, 2020 2:48 PM

Nathan McKnight

Stop copying me! I'm already halfway down it

February 24, 2020 2:49 PM

I say we foster an opportunity to further freak ourselves out and we can both go down the hall and once we've settled on what we think is a good idea, we can share our choices and see how closely they line up

February 24, 2020 2:51 PM

Initially I was thinking something along the line of a Midsummer nights dream, but I gave up on that

February 24, 2020 2:51 PM

All of that

February 24, 2020 2:52 PM

I really like that you like games.

February 24, 2020 2:56 PM

I only really like games where the rules are made up by the players as they go

February 24, 2020 2:56 PM

I mean, or games or came out and then… And I love trivia

February 24, 2020 2:56 PM

*Are OK now and then

February 24, 2020 2:57 PM

Nathan McKnight

The games I'm referring to are the ones that we play as we go and come up with on the spot. I believe half of our interactions we have made into games

February 24, 2020 2:57 PM

Although I do find games interesting. I actually once co-taught An anthropology of games class

February 24, 2020 2:58 PM

			I know what you meant lol. I'm just giving you a TMI. As I do
February 24, 2020 3:01 PM			
	I disagree with that terminology		
February 24, 2020 3:01 PM			
			Made a drink last night by the way. Apparently, I'm into the fru fru drinks lately. I need to clear out the freezer and make some ice so I don't have to shake everything with frozen cherries… But it came out pretty good nonetheless. Probably just a tad sweet for your tastes
February 24, 2020 3:02 PM			
February 24, 2020 3:02 PM			
			Yeah? I kind of gleaned you were an info junkie like me, so... never fear.
February 24, 2020 3:05 PM			
	For some reason, I tend to do and absorb everything in excess.		
February 24, 2020 3:05 PM			
	Tell me about your drink		
February 24, 2020 3:11 PM			
			Yes, infosponges of the world unite. That's what I like about you. Definitely the only thing.
February 24, 2020 3:11 PM			
			This message was unsent
February 24, 2020 3:14 PM			
	I mean, it's really the only quality I possess. That's it. That's all.		
February 24, 2020 3:14 PM			
	You removed a message?!		
February 24, 2020 3:14 PM			
			Oops... made a typo in my insta post
February 24, 2020 3:14 PM			
February 24, 2020 3:14 PM			
			Fixed
February 24, 2020 3:15 PM			
	Gods forbid...		
February 24, 2020 3:15 PM			
			I mean, I gotta be on guard with grammar girl here
February 24, 2020 3:15 PM			

			Wouldn't wanna make you think I'm some kind of ungrammatical heathen
February 24, 2020 3:15 PM			
	Okay, I actually want to drink that thing.		
February 24, 2020 3:16 PM			
	Nathan McKnight		
	Well, I already think you're a heathen, so you'd better be quite careful. You don't have much further left to go.		
February 24, 2020 3:16 PM			
			It was pretty good. But, I'll need to tweak it a bit
February 24, 2020 3:16 PM			
			So, I haven't hit rock bottom yet
February 24, 2020 3:17 PM			
			Honestly, I'm not especially impressed with the flavor of most ramos fizz drinks. But the presentation is outstanding, especially if you can get it to set properly
February 24, 2020 3:18 PM			
			This one got a bit of the muffin top going on
February 24, 2020 3:18 PM			
	Lol, I have decided that you and I are *not* the same kind of bartender.		
February 24, 2020 3:19 PM			
			Lol. What kind of bartender would you describe yourself as?
February 24, 2020 3:20 PM			
	Nathan McKnight		
	A seedy hole in the wall bartender		
February 24, 2020 3:20 PM			
			Heathen, yes… Ungrammatical, impossible.
February 24, 2020 3:20 PM			
			I mean, I started out as a seedy hole in the wall bartender
February 24, 2020 3:22 PM			
			I can definitely see you behind the bar, earning tips based on your looks and your bratty behavior. One of my favorite kinds of bartenders by the way…
February 24, 2020 3:24 PM			
			You know, bartending is a very portable skill. You could travel around the world that way.
February 24, 2020 3:24 PM			

		You could certainly make a better Manhattan than the one I had in Bali!
February 24, 2020 3:34 PM		
		Hey! We should bartend together. Next time there's a cuttlefish event that needs a bar, we should step up
February 24, 2020 3:53 PM		
	I did alright. Snappy comebacks will get you far.	
February 24, 2020 3:54 PM		
	Hm, I don't know, you're quite intimidating.	
February 24, 2020 3:54 PM		
		True. Wit and snarks and looks are a deadly combo
February 24, 2020 3:54 PM		
		Oh, come on
February 24, 2020 3:55 PM		
		I could say the same about to
February 24, 2020 3:55 PM		
		*you
February 24, 2020 3:55 PM		
	I'm being completely facetious. Of course I would. You can make complicated drinks garnished with galangal, and I'll make well vodka tonics with lipstick marks still on the glass.	
February 24, 2020 3:56 PM		
		Jo Ross
		That's more like it
February 24, 2020 3:57 PM		
		Anyway, I'm used to working with totally inexperienced bartenders.
February 24, 2020 3:57 PM		
		you and I would run a bar like a well oiled machine
February 24, 2020 3:57 PM		
	I do like the sound of that.	
February 24, 2020 3:57 PM		
		I'll oil your machine
February 24, 2020 3:57 PM		
	I was waiting for that.	
February 24, 2020 3:57 PM		
	Still waiting, actually	

February 24, 2020 3:57 PM

I know. I had to rush to

February 24, 2020 3:58 PM

Hmmm... Not too much longer now

February 24, 2020 3:58 PM

I don't know. Are you sure you want to? We've built it up so much...

February 24, 2020 3:59 PM

Maybe we should just, you know, let it be an idea we had.

February 24, 2020 3:59 PM

Are we still talking about the bartending now?

February 24, 2020 3:59 PM

Ha!

February 24, 2020 4:03 PM

I mean, look... i'm pretty sure we'll have fun, even if we don't live up to the heights of athletic prowess we've come to expect… just curling up and talking would be rather lovely. If there's more, there's more. I generally feel it's best to work up to the more exotic adventures. But if there's something that's make a break for you, let me know and I'll see what I can do

February 24, 2020 4:03 PM

*make or break

February 24, 2020 4:08 PM

Nathan McKnight

I actually really like that. Personally, I foresee us attacking the first opportunity we have to be alone together, but I will absolutely be looking forward to curling up and talking. I like being stationary in places that have lots of activity going on around me and just observing people, and if I have someone pleasant who I enjoy spending time with to observe people with and talk to while that is happening it is even better. It is one of my favorite things to do.

February 24, 2020 4:12 PM

Jo Ross

Oh, now I have to be "pleasant". You're really putting the pressure on.

February 24, 2020 4:12 PM

Actually, I prefer doing my writing in an environment with a lot of things going on around me. Makes me feel less holed up and alone

February 24, 2020 4:13 PM

Nathan McKnight

	You must not know all of the things that I personally deem to be pleasant or you'd be thrilled to be pleasant. Practically *begging* to be pleasant.		
February 24, 2020 4:14 PM			
			Hmmm. I think I have an idea what you're referring to
February 24, 2020 4:15 PM			
	Nathan McKnight		
	I don't think you know how much I anticipate finding out just how polite and desperate I can convince you to be.		
February 24, 2020 4:16 PM			
	It's actually making me uncharacteristically impatient.		
February 24, 2020 4:18 PM			
			I'm curious to find out as well… To be honest, I'm having a hard time imagining myself taking it seriously as a dominatrix. But I reserve judgment. I believe in you! ;)
February 24, 2020 4:18 PM			
			*you
February 24, 2020 4:20 PM			
	I'm definitely not a dominatrix.		
February 24, 2020 4:20 PM			
	I also don't necessarily expect that from you.		
February 24, 2020 4:21 PM			
	I'm trying to think of a good descriptive phrase for what I'm referring to		
February 24, 2020 4:21 PM			
	Oh! I think I know…		
February 24, 2020 4:22 PM			
	Nathan McKnight		
	It's a "mystery"		
February 24, 2020 4:23 PM			
			Well, let's say this… we'll suspend our expectations Going in, but with the understanding that we are both amenable to various… Games
February 24, 2020 4:24 PM			
	That seems fair.		
February 24, 2020 4:25 PM			

As far as what I'm referring to and the behavior that I had in mind when I was talking about just how polite I could cause you to be, it felt more along the lines of being a brat than being any sort of a dominatrix.

February 24, 2020 4:26 PM

*fell

February 24, 2020 4:26 PM

I suspect that once the ball is rolling, we might find that our past play experience will leave us unprepared for whatever ridiculousness we come up with in the moment

February 24, 2020 4:26 PM

Gotcha

February 24, 2020 4:26 PM

Nathan McKnight

Whatever it is, I do so hope that it is ridiculous.

February 24, 2020 4:27 PM

We'll find out

February 24, 2020 4:28 PM

If we decide to put together an event with a smaller group this coming Saturday evening at other world, would you and Liz be interested in attending? I would just add you to the event and let you decide, but you won't actually check it.

February 24, 2020 4:29 PM

Jo Ross

I mean, this is definitely going to be the greatest sex either of us have ever or will ever have… And if it's even a shade less, I don't know if I'll ever be able to talk to you again

February 24, 2020 4:30 PM

I would, and I'm sure Liz would as well

February 24, 2020 4:30 PM

Nathan McKnight

Likewise. But also, I'm fully expecting that every sequential Time after that be better than the time before

February 24, 2020 4:30 PM

Jo Ross

You said it's a dance party, right? We're both into that, as I'm sure you've noticed. What's the music?

February 24, 2020 4:31 PM

So. If it isn't, then I don't really see any point in continuing to converse

February 24, 2020 4:31 PM

I see we are planning ahead!

February 24, 2020 4:31 PM

Jo Ross

* a head

February 24, 2020 4:31 PM

I believe it's house music

February 24, 2020 4:31 PM

Ok

February 24, 2020 4:31 PM

Speaking of music… That's something I don't know about you yet

February 24, 2020 4:31 PM

Are you on Spotify?

February 24, 2020 4:33 PM

What album or song has been in your frequent rotation for the longest?

February 24, 2020 4:33 PM

I'm kind of hoping we have very different taste in music

February 24, 2020 4:33 PM

Hm. I really like rainbow kitten surprise. I'm almost embarrassed to admit it, but I also really like Billie Eilish quite a bit

February 24, 2020 4:33 PM

That way, it's a learning

February 24, 2020 4:34 PM

Would you like to hear a story about my past?

February 24, 2020 4:34 PM

Hmmm. I don't know rainbow kitten surprise. I'll agree, Billie Eilish is good.

February 24, 2020 4:34 PM

I would

February 24, 2020 4:34 PM

Nathan McKnight

Just a moment. I will send you a song, and then I will write you a story.

February 24, 2020 4:34 PM

I have very little embarrassment for my musical

February 24, 2020 4:34 PM

tastes

February 24, 2020 4:34 PM

I think that applies to quite a few of your other tastes as well

February 24, 2020 4:34 PM

:D

Jo sent an attachment.

February 24, 2020 4:38 PM

This is good

February 24, 2020 4:38 PM

It is one of my current favorites

February 24, 2020 4:39 PM

All of their stuff is excellent. Confession: I am sort of obsessed with music.

February 24, 2020 4:39 PM

February 24, 2020 4:39 PM

Me too.

February 24, 2020 4:40 PM

Nathan McKnight

You would be hard-pressed to get me to do it in front of you, but i sing. Are used to sing with a live band here and there in bars

February 24, 2020 4:41 PM

I wish desperately that I could play the guitar, but I just don't have the time to learn. I decided I was going to do it, so I went out and bought a Martin guitar and a marshal amp and got everything I needed to have a little set up. That was probably five years ago and all I've ever done is let people who know how to play it use it when they come to my house

February 24, 2020 4:41 PM

Jo Ross

Me and Liz sing when we're alone. I just don't have the confidence in my voice to do in front of people though lol

February 24, 2020 4:41 PM

Not even karaoke most the time

February 24, 2020 4:41 PM

Yeah, I have a guitar that my dad gave me years ago… I tried to learn a little bit but just don't have the patience

February 24, 2020 4:42 PM			
			I think I would be good at piano. I may have to pick up a keyboard sometime. That way, I can practice with earphones in
February 24, 2020 4:42 PM			
	Yeah, if I went to a karaoke thing I would probably end up singing. Alcohol and watching other people sing Makes me a little more apt to do it in front of people I know. When I used to play out it wasn't a big deal because I didn't know anybody		
February 24, 2020 4:42 PM			
			Did I tell you about singing at the bowling alley??
February 24, 2020 4:42 PM			
	No!		
February 24, 2020 4:42 PM			
February 24, 2020 4:42 PM			
	That was an accidental thumbs up		
February 24, 2020 4:42 PM			
			I will only except international thumbs from you
February 24, 2020 4:43 PM			
	Just assume that all of the thumbs ups are accidental. For some reason I can't stop doing it		
February 24, 2020 4:43 PM			
	Thank you		
February 24, 2020 4:45 PM			
			Anyway, we were singing Rocky horror songs on the way to the alley, as we do… And When I went to the restroom, I guess I was still singing under my breath when I was washing my hands. And this guy came in, I think he was singing something at the urinal too... and I said what are you singing, man? I told him Rocky horror, and he asked which song, I said over at the Frankenstein place… And then I had to actually seeing a few lines because he didn't recognize it at first
February 24, 2020 4:45 PM			
	Nathan McKnight		

So, the story that I was going to tell you was one that I thought of because you brought up songs. When I was younger, my parents were extremely religious. So when I was in seventh grade, I was on the bus, and Sean Emz Wyler had his portable CD player and he had a crush on me so he let me listen to it on the way home. When I put the headphones on, I had never actually heard real music. I had only heard church hymns and Christian music that my mother listened to. I know the first rock song that I ever heard, and it was smells like teen Spirit by Nirvana. So that is actually probably my favorite song

February 24, 2020 4:45 PM

Jo Ross

*He said, what are you singing man?

February 24, 2020 4:48 PM

That's amazing. I was into hard rock and metal—GnR, Metallica, the Misfits, stuff like that—when smells like teen Spirit came out. It change the landscape overnight. All of my favorite bands were just gone under the wave of grunge.

February 24, 2020 4:48 PM

I was a hardcore victim of the grunge movement. Army issued EVERYTHING.

February 24, 2020 4:49 PM

Lol. Yes! A friend gave me a cassette copy of Nevermind, And it was just flooring

February 24, 2020 4:50 PM

Nathan McKnight

Hackey sack, skateboards, mushroom necklace, Grateful Dead, music music music, angst, and so. Much. Weed.

February 24, 2020 4:50 PM

Jo Ross

February 24, 2020 4:50 PM

I mean, this is me in 1992... To tell you where I was musically

February 24, 2020 4:51 PM

Nathan McKnight

I'll dig up one of me. Let me see if it's even available in my collection of photos. You might end up getting a picture of an actual picture later tonight if I don't find one

February 24, 2020 4:51 PM

I never got into grateful dead, actually. Though I think I would probably like them if I took the time

February 24, 2020 4:51 PM

Oh, I didn't really get into them either. Just... bears.

February 24, 2020 4:51 PM

Lol

February 24, 2020 4:51 PM

Hahah. Bears

February 24, 2020 4:52 PM

I suppose I must've been kind of attracted by the skulls myself

February 24, 2020 4:52 PM

Nathan McKnight

I mean the bears were like the bat signal to attract others to you. I still needed the bears even though I didn't need the music

February 24, 2020 4:52 PM

The picture of your vagabond life is starting to come together

February 24, 2020 4:53 PM

Shit.

February 24, 2020 4:53 PM

I went to college with a guy who decided to get his geology degree for the sole reason that Jerry Garcia died

February 24, 2020 4:55 PM

Nathan McKnight

Also, I didn't actually grow up rich. We were extremely poor throughout most of my childhood, but my father Was very frugal, and he managed to secure his career Employment on the coattails of the time when sticking with a job through retirement paid off. The combination of those two things meant that right around the time I was 15 or 16 Our house had two kitchens in it

February 24, 2020 4:55 PM

Nathan McKnight

He was unfortunately also a very abusive human. I moved out the day that I turned 18 and that is most of the reason that I married a preacher

February 24, 2020 4:56 PM

Jo Ross

			My early musical tastes were mostly shaped by my mom and her siblings record collections… Jim crochet, Aerosmith, The Rolling Stones. But MTV was big when I was a kid— back when it was all music videos all the time… My mom didn't have cable, or collar TV for that matter, but every weekend I go to grandmas house and watch MTV all day long with my uncles—and so all that 80s pop and rock is in my bones.
February 24, 2020 4:57 PM			
			Wow
February 24, 2020 4:57 PM			
			Well, at least he was a pious influence, I suppose!
February 24, 2020 5:01 PM			
	He definitely was that.		
February 24, 2020 5:01 PM			
			At least your soul is saved
February 24, 2020 5:02 PM			
			Jo Ross
			I like to say I excepted Jesus twice, and only rejected and once… So I'm good to go
February 24, 2020 5:02 PM			
	Nathan McKnight		
	I used to sneak and watch MTV before my parents would return from work after school once we got cable. That was right around the time I was probably 15 or so		
February 24, 2020 5:02 PM			
	Did I tell you the story about my baptism?		
February 24, 2020 5:02 PM			
			No!!
February 24, 2020 5:02 PM			
			Was it full body??
February 24, 2020 5:03 PM			
	So my first husband was not only a preacher, he was a preacher at the church that is actually a cult. The church of Christ has a lot of very strict rules and requirements and he was a preacher of that religious affiliation.		
February 24, 2020 5:03 PM			
			Oh shit. What kind of church?
February 24, 2020 5:04 PM			
			Oh, UCC?
February 24, 2020 5:05 PM			

Nathan McKnight

When we got married, he preached at a very small country church in Kentucky and I have never sat well with religion, but one night after a very long discussion he convinced me to “be saved“. One of their beliefs is that even if you say of things and believe all the things, if you don’t actually have a full body baptism before you die you still go to hell. So it was about 1 o’ clock in the morning in January and the temperatures were single digits, and he drove me to the church in the middle of the night and when they opened up the baptismal it was so cold the surface was frozen and they had to break the ice before I was baptized in it.

February 24, 2020 5:06 PM

We were Methodist, and we look down on the weird charismatics. The Baptists across the street. We had very sensible baptisms of babies, so nobody has to remember them.

February 24, 2020 5:06 PM

Lol well I remember mine. It had exactly two dead mice floating in it as well. It was truly magical.

February 24, 2020 5:06 PM

Wow

February 24, 2020 5:07 PM

Jo Ross

So.... I guess I’ll have to be careful since I’m treading on holy ground…

February 24, 2020 5:07 PM

Was it just on the forehead, or all in?

February 24, 2020 5:10 PM

Nathan McKnight

Oh it was a full immersion. Held under for a couple seconds.

February 24, 2020 5:11 PM

I’ve also been baptized in two other churches, and a cow trough in a barn. Tada!

February 24, 2020 5:12 PM

Religion is so weird.

February 24, 2020 5:13 PM

Speaking of music, I also love the Deftones. I’m going to see them in August. I’ve already secured my tickets.

February 24, 2020 5:13 PM

I’m resisting the urge to send you a windfall of Spotify links.

February 24, 2020 5:14 PM			
			A cow what??
February 24, 2020 5:14 PM			
			Give in to the urge
February 24, 2020 5:14 PM			
	You know... the big metal troughs for water for farm animals		
February 24, 2020 5:14 PM			
			Jo Ross
			All of the urges
February 24, 2020 5:14 PM			
	Are you telling me to fart in front of you?		
February 24, 2020 5:14 PM			
	Because we are not there		
February 24, 2020 5:15 PM			
			Oh lol! So, is the cow trough better or worse than the dead mice?
February 24, 2020 5:15 PM			
	It's probably on par		
February 24, 2020 5:15 PM			
			I mean, you've already peed in front of me
February 24, 2020 5:15 PM			
	Huh... I forgot about that.		
February 24, 2020 5:15 PM			
			That's a pretty big step for a first date actually
February 24, 2020 5:15 PM			
			Pretty soon, I'll be holding your hair while you puke
February 24, 2020 5:16 PM			
	Lol we were all just hanging out casually chatting while I peed. What is wrong with me?		
February 24, 2020 5:16 PM			
	Oh I don't puke.		
February 24, 2020 5:16 PM			
			That's a good policy
February 24, 2020 5:16 PM			
			What's your name on Spotify?
February 24, 2020 5:16 PM			
	I mean, I did when I had the flu, but never from intoxicants.		

February 24, 2020 5:16 PM

I'm embarrassed to admit I have opinions on how best to vomit

February 24, 2020 5:16 PM

Really? Please share with the group.

February 24, 2020 5:17 PM

Ice cream. That's the way to go… It's still cold coming up

February 24, 2020 5:17 PM

Oooh, you're a smart puker.

February 24, 2020 5:17 PM

Nathan McKnight

You have a technique in place. So I'm guessing I might be holding your hair then.

February 24, 2020 5:17 PM

Jo Ross

Well, the very best way to throw up is as the MDMA is kicking in, and you have to purge yourself of all the alcohol

February 24, 2020 5:18 PM

Ok you have numerous techniques in place. I'm definitely holding your hair.

February 24, 2020 5:18 PM

No, I rarely need to anymore. I'm pretty good at pacing myself for the most part. In German, they call it Zwischenwasser: In between water

February 24, 2020 5:19 PM

Not in less I grow it out to 1992 levels

February 24, 2020 5:19 PM

*unless

February 24, 2020 5:19 PM

Jo Ross

Fucking Siri

February 24, 2020 5:19 PM

Fine. I'll awkwardly pat your back and bring you water.

February 24, 2020 5:20 PM

February 24, 2020 5:20 PM

OK, I'm gonna stop correcting my mistakes now. Anything that I say that is nonstandard, Of color, confusing, ridiculous, or otherwise questionable… Is definitely Siri's fault

February 24, 2020 5:20 PM			
	My name in my profile is Jo, but my username reflects as that nonsense.		
February 24, 2020 5:20 PM			
	Noted.

			Ok. Anyway, they're an icelandic band. that one album is amazing, in my opinion. it's been in my rotation constantly for... god, twenty years. i can't believe it's been that long. they changed their lineup a lot, so most of their other stuff is different. Well, this is a cover of one of those songs, and i think it's amazingly beautiful

Lol I'm watching bible bending while I field (what I hope is) a minor crisis.

February 24, 2020 8:42 PM

Everything ok?

February 24, 2020 9:09 PM

Maybe? I am just trying to help out a family member who is slightly compulsive, and he is currently being... compulsive.

February 24, 2020 9:10 PM

Ok. In a dangerous way?

February 24, 2020 9:11 PM

Eh... it's a long story, but no, not currently. My cousin is schizophrenic. So he is having a bit of a difficult time. He was in the process of driving here from SC...

February 24, 2020 9:13 PM

Tada. More life history.

February 24, 2020 9:19 PM

It just keeps going

February 24, 2020 9:22 PM

Well, in the meantime, I've added some songs to the playlist. I hope you like some of them.

February 24, 2020 9:22 PM			
			Is he still driving up?
February 24, 2020 9:30 PM			
	No, I've talked him down. He's a good kid. He is actually my favorite.		
February 24, 2020 9:30 PM			
	He's heading back home now.		
February 24, 2020 9:38 PM			
			Your good deed for the day
February 24, 2020 9:38 PM			
			You'll have to balance that out by doing a little evil
February 24, 2020 9:39 PM			
	Can I do extra evil? Like as an elective?		
February 24, 2020 9:40 PM			
			Yeah, but if you do too much, you'll have a goodness deficit
February 24, 2020 9:40 PM			
			I mean, if you want to keep things balanced
February 24, 2020 9:40 PM			
	Psh, I've had a goodness deficit for at least twenty years mows

February 24, 2020 9:41 PM			
			So, how'd you get the name Mouse? Is that just a Facebook thing, or does it extend to real life?
February 24, 2020 9:42 PM			
	Um, it extends to real life. It's an old joke. Country mouse. Aka: me. I've always been an out of towner.		
February 24, 2020 9:42 PM			
			Ahh
February 24, 2020 9:42 PM			
			Apart from my time in NYC, I've always been a Columbusite
February 24, 2020 9:43 PM			
			I'm loving this Gwenno, btw

February 24, 2020 9:43 PM

I actually have another name that I am called more than that, but it did not carry over into the group because most (all) of the people latched onto me through Facebook, which reflects my name as Amanda

February 24, 2020 9:43 PM

Hmmm. And that is?

February 24, 2020 9:44 PM

Do I get to know your secret True Name?

February 24, 2020 9:45 PM

Jo Ross

Also liking the dubstep aspects of this MISSIO.

February 24, 2020 9:46 PM

Isn't she great? She's Cornish.

February 24, 2020 9:46 PM

Welsh, I read...

February 24, 2020 9:46 PM

Hm. I was going to offer it up freely, but now...

February 24, 2020 9:46 PM

Hmmm... what must I pay?

February 24, 2020 9:47 PM

Lol, both.

February 24, 2020 9:47 PM

Also... a clarification from earlier: Blanket consent = what you can do *to* me. One Demand = what you can ask *of* me...

February 24, 2020 9:47 PM

I might want to really consider this question before I answer. What would you be willing to pay?

February 24, 2020 9:48 PM

Oh I like that.

February 24, 2020 9:48 PM

I mean, I'd offer you a second demand. But I don't know if knowing your True Name is really that valuable...

February 24, 2020 9:48 PM

February 24, 2020 10:02 PM			
	Ah, but my nickname *is* a real name. It's my middle name.		
February 24, 2020 10:02 PM

February 24, 2020 10:02 PM

February 24, 2020 10:05 PM			
			What did i say?
February 24, 2020 10:05 PM			
			You were going to say I don't think we can what?
February 24, 2020 10:05 PM			
	We both remarked about the cuteness of the name. By the time I'd sent mine and read yours, it had already happened.		
February 24, 2020 10:05 PM			
			haahahah
February 24, 2020 10:06 PM

You're fucking with me and you knew, didn't you

February 24, 2020 10:09 PM

I didn't. I guessed, correctly, as it happens

February 24, 2020 10:09 PM

You heard Jason call me jo

February 24, 2020 10:09 PM

nope

February 24, 2020 10:09 PM

does he call you that

February 24, 2020 10:09 PM

February 24, 2020 10:09 PM

February 24, 2020 10:09 PM

February 24, 2020 10:09 PM

Ya think?!

February 24, 2020 10:10 PM

Here's a weird story...

February 24, 2020 10:11 PM

Several years ago, I was going out with a girl named Megan King, and I went out with another girl around the same time, whose name Gwenn King, who's dad's last name was McKnight.

February 24, 2020 10:11 PM

*non-story

February 24, 2020 10:12 PM

	That *is* weird.		
February 24, 2020 10:12 PM			
	I dated a McKnight.		
February 24, 2020 10:12 PM			
	Briefly.		
February 24, 2020 10:12 PM			
			Two...
February 24, 2020 10:13 PM			
	Ha! I guess the story does need updated.		
February 24, 2020 10:13 PM			
	Non-story		
February 24, 2020 10:13 PM			
			I don't think I've gone out with another Amanda
February 24, 2020 10:13 PM			
	But have you gone out with an Amanda Jo Mouse?		
February 24, 2020 10:13 PM			
			Nor a Jo
February 24, 2020 10:13 PM			
			Yes. Twice
February 24, 2020 10:13 PM			
			but i didn't think it was worth commenting on
February 24, 2020 10:13 PM			
	WEIRD.		
February 24, 2020 10:14 PM			
			OMG Liz's middle name is WEIRD.
February 24, 2020 10:14 PM			
			ALL CAPS
February 24, 2020 10:14 PM			
			With a period
February 24, 2020 10:14 PM			
			boop
February 24, 2020 10:14 PM			
February 24, 2020 10:15 PM			
	To all of that.		
February 24, 2020 10:17 PM			

			Jo Ross
			My ex's name was (and, I presume, still is) Daisy Elizabeth Coulton Tainton. And she went by every variant possible. Liz Tainton, Daisy Beth, Elizabeth Coulton, Daisy Coulton... etc. It was so hard picking up mail for her. And she got a lot of packages shipped to her.
February 24, 2020 10:24 PM			
	At least she was getting full use out of all of those names...		
February 24, 2020 10:25 PM			
			She got full use out of a lot of things. You can find her on YouTube taxidermy channels if you're so inspired.
February 24, 2020 10:25 PM			
	Oh wow! Was she any good? ...at taxidermy.		
February 24, 2020 10:26 PM			
			She specializes in insect taxidermy, but I think she's probably expanded since then
February 24, 2020 10:27 PM			
			Did you ever see the show Obscura?
February 24, 2020 10:27 PM			
			Actually, that's probably right up your alley.
February 24, 2020 10:28 PM			
			She was a bug pinner at the museum. Spent four(?) years pinning a single genus.
February 24, 2020 10:28 PM			
			Fun fact: Alfred Kinsey (the Alfred Kinsey, of the Kinsey Report) started out as an entomologist, and we have all of his collections.
February 24, 2020 10:29 PM			
	I haven't, but based on this conversation, I would.		
February 24, 2020 10:32 PM			
			Sorry, the show was called Oddities. There's a shop in Manhattan called Obscura. Purveyors of... oddities.
February 24, 2020 10:35 PM			
			And they had a reality TV show for a while. All Daisy's friends.
February 24, 2020 10:37 PM			
	I believe I may have seen that. Maybe.		
February 24, 2020 10:38 PM			
			It was a fun show

February 24, 2020 10:38 PM			
			So... Amanda Jo Ross.... is it just "Jo" or is that short for something?
February 24, 2020 10:38 PM			
			Don't say Joseph
February 24, 2020 10:40 PM			
	Lol no. Close call, but no.		
February 24, 2020 10:40 PM			
	It is Amanda Jo Ross		
February 24, 2020 10:41 PM			
			Hi, Amanda Jo Ross... I'm Nathan Joseph Bellomy.
February 24, 2020 10:42 PM			
			Now, the True Names have been exposed.
February 24, 2020 10:43 PM			
	I feel so... vulnerable.		
February 24, 2020 10:43 PM			
			Just you wait
February 24, 2020 10:43 PM			
	Promises promises. How do I know you’re not all talk?		
February 24, 2020 10:44 PM			
			But isn't the talk pretty good?
February 24, 2020 10:44 PM			
	You *are* quite eloquent.		
February 24, 2020 10:44 PM			
	The talk is exceedingly entertaining.		
February 24, 2020 10:44 PM			
			I elegant is being a;cause me study the thinguistifsts.
February 24, 2020 10:45 PM			
	I had to physically squint to comprehend that. I’m actually kind of proud that I deciphered it.		
February 24, 2020 10:46 PM			
			I wouldn't have thrown it at you had I not thought you were capable.
February 24, 2020 10:47 PM			
	I feel like me reading that and you writing it relinquishes us of all further need to clarify our typos. We will, but only because we are snobs.		

February 24, 2020 10:47 PM

	Aw, I snorbited my smoke		
February 24, 2020 10:48 PM			
			Maybe I'll switch to scots for the rest of my conversation with you. Just to keep you on your toes
February 24, 2020 10:48 PM			
			lol
February 24, 2020 10:49 PM			
			If I can have this level of physical effect from approximately 39½ miles... just imagine...
February 24, 2020 10:49 PM			
	Oh my...		
February 24, 2020 10:49 PM			
			Mmm hmmm
February 24, 2020 10:50 PM			
			You're pretty damned entertaining yourself, you know
February 24, 2020 10:50 PM			
	By the way, while you’re being quite physically effective in this space, you are simultaneously getting a cork shot at your ass in another space.		
February 24, 2020 10:50 PM			
	So. Double entertainment on my end.		
February 24, 2020 10:50 PM			
			Did a pic get posted of me without my consent?
February 24, 2020 10:51 PM			
			I'll double entertain you.
February 24, 2020 10:51 PM			
	It may have.		
February 24, 2020 10:51 PM			

	I knew that was coming.		
February 24, 2020 10:51 PM			
			...
February 24, 2020 10:51 PM			
			i know
February 24, 2020 10:51 PM			
	The comment, and possibly the double entertainment.		
February 24, 2020 10:52 PM			
	There's another joke in here		
February 24, 2020 10:53 PM			
			Where!??
February 24, 2020 10:53 PM			
			Jo Ross
February 24, 2020 10:55 PM			
			I'll put another joke in there
February 24, 2020 10:55 PM			
	In where?		
February 24, 2020 10:55 PM			
			I'll put another joke in where
February 24, 2020 10:57 PM			
	Exactly		
February 24, 2020 10:57 PM			
			I'll... um... exactly your... um... thing
February 24, 2020 10:57 PM			
			So. Good playlist.
February 24, 2020 10:58 PM			
	OooOOooo. Hot.		
February 24, 2020 10:59 PM			
	Did you listen to some of it? I only bombarded you with nine million songs.		
February 24, 2020 10:59 PM			
			Rawr
February 24, 2020 10:59 PM			
	Ha! Did you just rawr at me?		
February 24, 2020 10:59 PM			
	Okay, Tiffany.		

February 24, 2020 11:00 PM			
			Yeah, I'm listening to it now. I approximately matched your number of songs, then stopped because I didn't want to intimidate you ;)
February 24, 2020 11:00 PM			
			Jo Ross
			I'll okay tiffany you
February 24, 2020 11:00 PM			
	Please do. Tiffany is hot.		
February 24, 2020 11:00 PM			
	High maintenance, but it's worth it.		
February 24, 2020 11:00 PM			
			This tiffany?
February 24, 2020 11:00 PM			
February 24, 2020 11:01 PM			
	Bahahaha		
February 24, 2020 11:01 PM			
	Yes. That one.		
February 24, 2020 11:01 PM			
			Agreed
February 24, 2020 11:01 PM			
	I'd hit it.		
February 24, 2020 11:01 PM			
			So, tell me Amanda Jo Ross... what would you do to 80s pop icon, Tiffany?
February 24, 2020 11:01 PM			
	Oh god, what wouldn't I do?		
February 24, 2020 11:02 PM			
	Probably anything she'd let me. With enthusiastic consent, of course.		
February 24, 2020 11:02 PM			
	Those bangs...		
February 24, 2020 11:02 PM			
			Bangs indeed
February 24, 2020 11:02 PM			
	Bangs for days.		
February 24, 2020 11:03 PM			
			I think....
February 24, 2020 11:03 PM			

	Yes?		
February 24, 2020 11:03 PM			
			...we're alone now.
February 24, 2020 11:03 PM

February 24, 2020 11:06 PM			
			I haven't rolled rick in ages.
February 24, 2020 11:07 PM			
	Nathan!! CONSENT!		
February 24, 2020 11:07 PM			
			Thank you for the opportunity

February 24, 2020 11:07 PM			
			:D
February 24, 2020 11:08 PM			
			I pre-empted your empty threat
February 24, 2020 11:08 PM			
	So, one of my obscure interests include midnight graffiti. One of my friends and I came up with a plan to develop a QR code to tag buildings with that rick rolled anyone who took the time to scan them.		
February 24, 2020 11:09 PM			
			Ohhhh... me likey
February 24, 2020 11:09 PM			
	Thank you, thank you.		
February 24, 2020 11:09 PM			
	But now that I've been Rick rolled, the pain is fresh. I don't know if I can do it anymore.

February 25, 2020 12:45 AM

Goodnight.

February 25, 2020 12:47 AM

But try. I'm going to do some grading. I will certainly not sleep tonight.

February 25, 2020 12:48 AM

Go easy on Gail.

February 25, 2020 12:48 AM

Haahhaha. Gail's going to get all the pent up tension from your brinksmanship

February 25, 2020 12:49 AM

Oh my. Do you think she can take that?

February 25, 2020 12:50 AM

In my mind Gail is a mousy girl with very large glasses who is slightly bewildered at all social situations.

February 25, 2020 12:51 AM

Ok. No. I'm talking again. I have to force myself to sleep.

February 25, 2020 12:51 AM

You do.

February 25, 2020 12:51 AM

February 25, 2020 8:12 AM

To be fair, the longer you watch it loop, the more unsettling it becomes

February 25, 2020 8:12 AM

It's still not as bad as that Pikachu, though.

February 25, 2020 11:41 AM

Sorry, the pikachu is indeed disturbing.....

February 25, 2020 11:42 AM

February 25, 2020 11:42 AM

Better?

February 25, 2020 11:44 AM

Nathan McKnight

February 25, 2020 11:44 AM

I searched "lick" to get that one. But the other results were all equally fantastic in their own way

February 25, 2020 11:45 AM

Jo Ross

Amanda! I'm at work. Jean

February 25, 2020 11:45 AM

Jeesh

February 25, 2020 11:54 AM

When are you off?

February 25, 2020 12:40 PM

Six or seven most likely

February 25, 2020 12:45 PM

Why do you ask?

February 25, 2020 12:45 PM

Also... something has changed. Well, something *else*.

February 25, 2020 12:46 PM

February 25, 2020 12:51 PM

What is that?

February 25, 2020 12:53 PM

Nathan McKnight

Just trying to gauge the window of time I will have to send you smut before you get off work after I get home

February 25, 2020 12:56 PM

Based on your sexy hippo, I'm going to guess it is not a bad thing?

February 25, 2020 12:57 PM

The rules

February 25, 2020 12:58 PM

Oh really? Would you care to give me an outline?

February 25, 2020 1:05 PM

February 25, 2020 1:05 PM

There's a few outlines

February 25, 2020 1:06 PM

I believe that's a donkey

February 25, 2020 1:06 PM

That is absolutely not a donkey

February 25, 2020 1:06 PM

100% a sexy hippo

February 25, 2020 1:07 PM

I am very interested in hearing about these rules.

February 25, 2020 1:07 PM

I mean, they're fairly closely related.

February 25, 2020 1:08 PM

That's true. I think they can actually mate. I believe when hippos and donkeys get together they make mules

February 25, 2020 1:09 PM

Well... speaking of mating...

February 25, 2020 1:09 PM

Nathan McKnight

I went to point out my deep appreciation for you putting a sexy spin on hippos and mules having sex

February 25, 2020 1:09 PM

*oh, you were asking about mules, not rules... my mistake

February 25, 2020 1:10 PM

If you don't tell me whatever it is you're not telling me I'm going to die

February 25, 2020 1:11 PM

Might die... but just a little death

February 25, 2020 1:11 PM

A very small death

February 25, 2020 1:11 PM

Petite, as it were

February 25, 2020 1:12 PM

My head is going to explode

February 25, 2020 1:12 PM

Ok, I should get back to work

February 25, 2020 1:12 PM

Mine might

February 25, 2020 1:12 PM

You are so mean to me.

February 25, 2020 1:12 PM

Bully

February 25, 2020 1:12 PM

I guess it's not a rule change per se

February 25, 2020 1:12 PM

More of a timeline change

February 25, 2020 1:13 PM

*nor a mule change

February 25, 2020 1:13 PM

How am I supposed to follow the rules if I don't know them?

February 25, 2020 1:14 PM

Well, it seems as though mid March has arrived early this year

February 25, 2020 1:16 PM

The groundhog saw it's shadow?

February 25, 2020 1:16 PM

Spring is coming early?

February 25, 2020 1:16 PM

Spring has arrived

February 25, 2020 1:18 PM

Little bunny

February 25, 2020 1:31 PM

Oh my

February 25, 2020 1:31 PM

So... on the 6th... does that mean I should extend my plans?

February 25, 2020 1:32 PM

Well, that's up to you

February 25, 2020 1:33 PM

Regardless of what additional plans you would or wouldn't like to make, you're on the hook to curl up in a corner with me no matter what

February 25, 2020 1:36 PM

February 25, 2020 1:37 PM

Yes. Exactly like that.

February 25, 2020 3:19 PM

Nathan McKnight

Just so you know, "never gonna give you Up" has been playing in an endless loop in my head all day. I blame you for the fact that is stuck in my mind. I blame you for a lot of other thoughts that are stuck in my mind as well, but I am thinking them all with the Rick roll as background music

February 25, 2020 3:25 PM

Hahah. But you got me back because now I'm going to have it in my head

February 25, 2020 3:26 PM

Oh, I'm going to get you back. Don't worry.

February 25, 2020 3:27 PM

I am a firm believer in exponential paybacks. I always try to make sure they are at least two times worse than the original offense.

February 25, 2020 4:51 PM

Nathan McKnight

I just scrolled up through our messages to get to the music you sent so I could listen to some of it, and consequently rehashed our entire conversation. I found it so endearing that I'm messaging you to tell you about it, even though it means I'll have to rehash it again when it skips back to the bottom when I sent it. Darn it. I guess I'll just have to scroll through it again.

February 25, 2020 5:06 PM

Ah... well, that would be logarithmic, not exponential, my friend.

February 25, 2020 5:07 PM

I know you're going back over the rick roll over and over again…

February 25, 2020 5:07 PM

Ha! Thanks Facebook!

February 25, 2020 5:08 PM

Jo Ross

February 25, 2020 5:08 PM

Good suggestion!

February 25, 2020 5:08 PM

I did the same last night actually. Partly out of disbelief

February 25, 2020 5:09 PM

It took me a good hour to get to my grading

February 25, 2020 5:10 PM

So, um.... forgive me if I'm moving too fast, but it's about time We exchange phone numbers?

February 25, 2020 5:11 PM

Huh... Weird. You see, I already have your phone number

February 25, 2020 5:11 PM

Apparently moving fast is pretty standard for you? You gave me your phone number about five private messages into our initial conversation.

February 25, 2020 5:11 PM

I just haven't texted yet

February 25, 2020 5:11 PM

So let me get this straight. Are you asking me for my phone number?

February 25, 2020 5:12 PM

I suppose I can give it to you. If you say please.

February 25, 2020 6:22 PM

I'm requesting it, if you please. And no, I really don't think twice about giving my number out… but I wouldn't begrudge anyone having more particular criteria.

February 25, 2020 6:22 PM

And, actually I don't think I want to switch to telephone on a regular basis because I'm having too much fun here. Still, it might come in handy

February 25, 2020 6:23 PM

I was actually just looking for things to tease you about. But you already know that.

February 25, 2020 6:24 PM

You were WHAT!!!!!?????? HOW. DARE. YOU!

February 25, 2020 6:24 PM

I know, I know. I'm ashamed.

February 25, 2020 6:24 PM

That's I, it's log*roll for you

February 25, 2020 6:25 PM			
	So... if I give you my telephone number, are you going to actually *call* me?		
February 25, 2020 6:25 PM			
			Jo Ross
			*arithmicrick
February 25, 2020 6:25 PM			
	Lol, Are you alright?		
February 25, 2020 6:27 PM			
	Ahem. Anyway, if I give you my phone number, are you just going to text me “hey”, or are you actually going to call me? With your voice.		
February 25, 2020 6:27 PM			
			Oh. I see how it is.
February 25, 2020 6:27 PM			
	How what is??		
February 25, 2020 6:28 PM			
	I don’t know why, but this exchange is particularly amusing to me.		
February 25, 2020 6:29 PM			
			You making demands, a simple hi not good enough for you. I’ll have you know my hi is hand crafted from only the finest vine-ripened h and I
February 25, 2020 6:30 PM			
	Huh... I just like your voice.		
February 25, 2020 6:30 PM			
	I have a recording of it around here somewhere...		
February 25, 2020 6:32 PM			
			And just like that, the snark vanishes.....
February 25, 2020 6:32 PM			
			Now I’m blushing
February 25, 2020 6:32 PM			
			Seriously though, I am terrible about calling people on the phone. I really don’t like talking on the phone. But, for you…
February 25, 2020 6:32 PM			
			I mean, you should just be aware of what a burden it was for me to give you my phone number in the first place
February 25, 2020 6:32 PM			
	I mean, I don’t want to force your hand. Or... well... your voice.		

February 25, 2020 6:32 PM

Oh really??

February 25, 2020 6:32 PM

And I'm willing to make sacrifices

February 25, 2020 6:33 PM

A burden!

February 25, 2020 6:33 PM

....

February 25, 2020 6:33 PM

Are you...

February 25, 2020 6:33 PM

Okay?

February 25, 2020 6:33 PM

February 25, 2020 6:35 PM

OK… So who or what do we sacrifice?

February 25, 2020 6:36 PM

Nice! That's some real Paleolithic calendrage right there

February 25, 2020 6:42 PM

Ugh. I tried to scroll up to compare what you sent me to the original phone number you sent, but I don't have the ability. There's too much.

February 25, 2020 6:43 PM

Nathan McKnight

Do you have any innocence left? We could sacrifice that.

February 25, 2020 6:43 PM

February 25, 2020 6:47 PM			
	I have comebacks for that, but they are all too immature.		
February 25, 2020 6:47 PM

February 25, 2020 6:50 PM		
	We are going to inadvertently screw ourselves talking about it so much. It's going to start popping up in all of our advertisements. We will die with it running in an endless loop in our brains.	
February 25, 2020 6:51 PM

			Well, they dissolve it in water, like tea. Sometimes they add spices or fruit or alcohol (aguadiente— do you like anise— pretty sure I know the answer to that)... and then you Drop a couple slices of cheese in it, let it melt, fish it out with a fork and eat it or put it on little yeasty bun
March 6, 2020 1:09 PM

That is actually a pretty sure thing that will happen. Especially if we make it to a burn or festival together. I do henna, and I have these high quality art markers that I draw on people with. The result is quite nice.

March 28, 2020 4:49 PM			
	There's decorations on the porch. Well, at the moment the porch is a wreck. Rolls of carpet everywhere from redoing the floors.		
March 28, 2020 4:50 PM			
	And yes. The quarters on the mantle. I realize you're leaving an offering, but why quarters, specifically? Is that standard?		
March 28, 2020 6:02 PM			
			Well, it started out because I had a cup of foreign coins on the mantle, and I would put them in places where the images made sense as reminders of something I wanted to take into account for the day. But quarters are so much easier to come by, and they have a wide diversity of images.

March 28, 2020 6:26 PM

You say prayers about me?

March 28, 2020 6:26 PM

I didn't know that.

March 28, 2020 6:47 PM

Not exactly prayers. Meditations maybe. Setting intentions or focus.

March 28, 2020 7:02 PM

I see. Hm. I do that often, but not as part of any religious practice. Although, since doing DMT, I have been feeling like maybe I should consider being more mindful of things I cannot see. It has definitely changed my perspective.

March 28, 2020 7:06 PM

I've considered returning to Buddhist practices, or getting back into witchcraft. It just seems weird to "pick" a religion at this age.

March 28, 2020 7:12 PM

I'm not religious at all, really. I'm almost anti-religious. No, I really pretty much am anti-religious. But I don't feel like investing a lot of energy in discouraging or putting down religion very often. I think there are good people doing that work, and it's a valuable service. I put my time in the trenches before we had anybody speaking from a real platform of consequence. It was important for all of us to be seen, to represent. Back then. But times have changed, it's no longer my burden to bear because others are doing it.

March 28, 2020 7:13 PM

That said, my views have changed. What I understand religion to be has dramatically shifted.

March 28, 2020 7:15 PM

My understanding of the proposes, uses, and consequences of religion have broadened dramatically.

March 28, 2020 7:15 PM

My anti-religious fervor has become much more nuanced. In some ways, it has deepened, but in most ways it has softened.

March 28, 2020 7:19 PM

I'm indifferent to religion. I think it's good that people who need it have something that gives them peace in the face of death, but I see it used to manipulate so many weak minded people in so many different ways that I have a resentment of it.

March 28, 2020 7:19 PM

What's your kindle email again? Did you get the book I already sent you?

However, having had my opinions on reality and things that cannot be seen tested, I think there might be a value in the acknowledgement of... things on the other side of the veil?

March 28, 2020 7:22 PM

Jo Ross

Agreed. Although I generally think people would be better off without irrational beliefs about things, including death. It's goofy to say, but the song Imagine really does say it well... imagine how people might behave differently if they accepted fully that this was their one shot. There's a good Modest Mouse song that explored a similar sentiment. I think it's called One Chance.

March 28, 2020 7:22 PM

I agree about the other side of the veil.... but

March 28, 2020 7:24 PM

Whatever that is on the other side, I'm unwilling to accept is outside of our own rationalist-empiricist metaphysics. Which, to me, takes it outside the realm of religion.

March 28, 2020 7:29 PM

But that's the thing. It made me realize that the capabilities of my mind are far more than what I imagined. So who is to say what religion or spirituality even is? Perhaps it's us. Just the untapped part of us that we are unable to realize just yet. And the realization comes after death?

March 28, 2020 7:29 PM

I don't know. That all sounds crazy.

March 28, 2020 7:30 PM

	Either way, it just made me think that there is value in being mindful of the concept of things that cannot be proven

January 22, 2021 1:25 AM			
	Hm. I have my burner phone hooked up to my apps and every time you message me back it dings kind of loud in the other room. Let's text instead.		
January 22, 2021 1:25 AM			
			Lol. Ok. I was doing that anyway
January 22, 2021 10:28 PM			
			So, if you don't mind me asking... why are you getting the burner phone back out?
January 22, 2021 10:28 PM			
	I'm using it as a business phone line for the shop		
January 22, 2021 10:29 PM			
			Dude. They should get you a cellphone
January 22, 2021 10:29 PM			
			Actually, never mind. Good thought
January 22, 2021 10:29 PM			
	I was talking about the antique shop. The other company is already getting me one		
January 22, 2021 10:30 PM			
			Ahhhh
January 22, 2021 10:30 PM			
			Yeah, the fucking boss in that antique shop better get you a goddamn phone ;)

			Ok. I won't push my luck. I won't push my luck. Just wanted to say there's nothing especially bad in the several text messages I fired off, apart from a little self loathing at the beginning and asking if you were going to be up late. I figure you'll be tripping or sleeping. But if not, I'd love to chat

	You're lucky I'm bored.

January 22, 2021 11:43 PM

January 22, 2021 11:44 PM

January 22, 2021 11:47 PM

January 22, 2021 11:48 PM

January 22, 2021 11:48 PM

January 22, 2021 11:48 PM			
			It's up to you. I'll try to give you whatever options you want, and see if you come around
January 22, 2021 11:48 PM			
			Yeah?
January 22, 2021 11:49 PM			
	When you messaged Jason, we were both sitting in the conference room at work at the manager's meeting.		
January 22, 2021 11:49 PM			
			Oh
January 22, 2021 11:49 PM			
	He texted me a screenshot of your message.		
January 22, 2021 11:49 PM			
			Ok
January 22, 2021 11:50 PM			

			I figured it might be something like that. And I figured you might give him a heads up I might contact him
January 22, 2021 11:52 PM			
			I didn't really think about the fact that you'd be at work. Thought if he checked, he'd just wait and text back later
January 22, 2021 11:52 PM			
	I did not do that		
January 22, 2021 11:52 PM			
			Ok
January 22, 2021 11:52 PM			
	I did ask him if he had heard from you a couple of days ago.		
January 22, 2021 11:53 PM			
	He said no in a way that had implied that he was feeling negatively about not having heard from you and you having just kinda disappeared after living with him for almost a year.		
January 22, 2021 11:54 PM			
	Then today, when you sent that, and he forwarded it to me, I don't d not acknowledge it.		
January 22, 2021 11:54 PM			
	*did not		
January 22, 2021 11:55 PM			
			Did he say anything about it?
January 22, 2021 11:55 PM			
January 22, 2021 11:56 PM			
	Sort of? Things have been really weird over the course of maybe the past week and a half.		
January 22, 2021 11:57 PM			
			Yeah
January 22, 2021 11:57 PM			
			That makes sense.
January 22, 2021 11:57 PM			
	No. I mean with Jason's behavior. I have been trying to just observe and ignore it, but it is becoming difficult		
January 22, 2021 11:57 PM			
			I don't know why, but I kind of imagined things would be more normal there without me.
January 23, 2021 12:00 AM			

	So, when you moved out initially, he was very nice and in a good mood. It was likely the result of him feeling like he should try to be kind and attentive because I was such a mess, accompanied by what I would guess were positive feelings about having me to himself and being able to capitalize on all of my attention because I was both undistracted by the presence of another partner, as well as I credibly sad and insecure .		
January 23, 2021 12:01 AM			
			That also makes sense
January 23, 2021 12:02 AM			
	During the week that you were in Florida, I was attempting to do the ignoring you thing, and had anticipated not speaking to you anymore. Once I couldn't feel the angry stuff anymore, though, and we began talking again, he noticed that we were chatting. I believe his observation has been met with growing anxiety over the past couple of weeks due to the nature and frequency of our conversations.		
January 23, 2021 12:03 AM			
			I see
January 23, 2021 12:05 AM			
			I wrote several things before I decided to send what I sent.
January 23, 2021 12:06 AM			
			So, my interaction with you is making him a nervous wreck and it's probably not nice to keep it up....
January 23, 2021 12:06 AM			
	I am about to fire one of my employees probably sometime next week. Today after not voicing any thoughts on the message you sent, other than asking if he planned to call you or text you back, I suggested asking you if you'd like to come and work for me until your found something, and his response was neither thrilled, or anything else.		
January 23, 2021 12:08 AM			
			My presence there always made him a nervous wreck and I feel bad about it.
January 23, 2021 12:14 AM			
	I told him that he had acted hurt and bothered by your lack of communication and sudden and complete disappearance with him after us all living together for so long. Then the fact that you'd written him, and he flipped things and decided he was also bothered by that as well.		

	Then tonight at home, I asked him again if he'd planned to speak to you and he said no. He said he doesn't know what to say. I kind of gave him shit earlier tonight, though.		
January 23, 2021 12:15 AM			
	Also sorry that took 900 messages		
January 23, 2021 12:16 AM			
			It's fine. And I can't blame him
January 23, 2021 12:17 AM			
	For the past week or so, though, he reverted back to what's now kinda the "old Jason"		
January 23, 2021 12:17 AM			
			I always thought our relationship would eventually evolve into a supportive one.
			You've expressed envy for the connection Amanda and I seem to have, and I do think it is very unique. Not something I'd ever find with anybody else. But I never told you how I envied your ability to be an anchor that I've been in no state of mind to be. It's something I strive for, but you seem to be naturally grounded in a way that makes your relationship with Amanda solid and enduring through difficulty whereas I have always struggled with worries about the durability of our connection.
			I've always found you to be an extremely intelligent, knowledgeable, interesting, and above all very, very thoughtful human being. Those are the kinds of people I like to surround myself with. I'd like to think I have some of those qualities. When I'm at my best anyway. But your practical knowledge and self discipline or things that I've always lacked and admired in others.
			You've said occasionally that I'm not a person you'd choose to spend time with, and I took that to mean that you didn't like me and didn't like having me around. Maybe I misinterpreted, but it's alright if do you feel that way. I really haven't been good company. But I think, when I'm not at my worst, I'm a pretty easy guy to get along with, and you seem like the kind of person I'd really click with if circumstances had been different. I do feel like we had something of a camaraderie, even though things were very complicated on an emotional level.
			These are some of the things I was going to send him… But they sounded like bullshit. They're not, they're all true. But they sounded like bullshit. And I don't think it matters what I say to him anyway.
January 23, 2021 12:19 AM			

			So, the right thing for me to do is to leave you guys alone and let you have the old Jason back and let him have the old Amanda back it's selfish of me to do anything else. I don't now what I'm going to do. I'm not OK, and I don't see a way out.
January 23, 2021 12:27 AM			
			Anyway, I think that's probably the truth. And I only said it because I figured you would if I didn' t. And I've been in the car heading towards you. Just leaving Outerbelt now. I was going to drop off the things I got for you on the porch or in the garage, Which ever you prefer. And I was going to ask if you would come out to see me, promising to try to hold it together and not make you use any of your spoons, and try to be like friends. But I understand if you don't want that. It's pretty manipulative, I guess. I just hope you want to see me as much as I want to see you. And hope you can't resist the temptation. After everything you just said, that makes it even worse for me to do this, but if you tell me too, I'll turn back now.I'm just having a really hard time because I'm starting to see how unfixable it is.
January 23, 2021 12:32 AM			
			When I lied about the guys, I felt bad I wanted to come clean, but I didn't think it would destroy our relationship, when I did the meth, I really didn't think about much of anything, least of all that I might result in losing you. And when I got mad and said all the things I said. I thought that I could convince myself that I wanted to lose you, And even that I was doing some goodbye saying some things but I really believed, at least some of them. I didn't want to leave, but when I did, I thought that doing what you told me to do was the best way to keep you as a friend, and maybe make up with you at some point. But all of those things just dug deeper and deeper. And I suppose I don't have a right to feel crushed… Or, I don't have a right to put that burden on you. But I just can't believe it's over, and I can't believe it's my doing.
January 23, 2021 12:37 AM			
			I keep trying to figure out a way to change it. I don't really believe I can. Not any more really. I don't know if I have the will power to stop trying. But the text I sent to Jason was designed for him to be able to say that things were better without me there, so if that's what he said, I would know he was telling me that he wouldn't go along with me coming back. And I didn't know what I would do if that's what he said
January 23, 2021 12:52 AM			
			I'm sitting at Speedway, trying to will myself to do the right thing or to do the wrong thing. I feel self-conscious sitting here, so I'm going to find an empty parking Lot to park in until I decide or you decide.

January 23, 2021 1:05 AM			
			If I parked somewhere like walkers shoes, will you come out and see me? Even if it is just tell me to get lost?
January 23, 2021 1:23 AM			
			I'm leaving your stuff in the cinder block under the back of the camper. I won't come any closer. I don't know how long I'm gonna sit out here, it might be a while, maybe, until I close myself that you're not gonna come see me

			I'm going to walk around outside a little bit. I won't get close to the house. It's probably too cold to stay out very long. Probably go over and look at the apartments across the street, see if there's still a dark hiding spot
January 23, 2021 1:42 AM			
			Yeah, it's way too fucking cold to do this.I can't believe I'm doing this anyway. I haven't pulled this kind of shit since high school. I'm sorry I fucked your life up. I'm sorry I fucked my life up. I'll be OK I guess. I miss you so bad. I know I give you a lot of reasons to think you don't really know me. But I think you do know me really well.

I really am still deeply in love. And I really can't believe any of this. I guess I'll try to keep talking to you. I don't know what to expect.

	Yes, I was going to explain my blood level stuff but I didn't give her enough to tell you that my body is not producing and replenishing a protein that's necessary for your blood to carry the nutrients to the rest of your body. February 19, 2022 7:09 AM			

	So, give or take, four.		
February 19, 2022 7:09 AM			
	Not really a negative thing I don't think		
February 19, 2022 7:10 AM			
			well, four in base ten. what about vigidecimal or hex?
February 19, 2022 7:10 AM			
	I am still confused about what option I chose before but knew my options. I like options. I want both.		
February 19, 2022 7:10 AM

February 19, 2022 7:10 AM

February 19, 2022 7:11 AM

	In that case I absolutely picked option one before hearing the options.		
February 19, 2022 7:11 AM			
			it's an easy word to search for, as it only apparently has arisen in three messenger conversations ov mine ever
February 19, 2022 7:11 AM			
	If I recall correctly, I also used my unconditional demand within just a couple hours of having been given it		
February 19, 2022 7:12 AM			
			but that's how you miss the dessert options
February 19, 2022 7:12 AM			
			mm hmm
February 19, 2022 7:12 AM			
			and so did i
February 19, 2022 7:12 AM			
	Not if you're doing it right. Because you just pick dessert first		
February 19, 2022 7:13 AM			
			but desert is general. if you haven't seen what's on offer, you won't know what to pick. only one or six or so can be the best one
February 19, 2022 7:13 AM			
			of all desserts
February 19, 2022 7:13 AM			
	If you're picking "both", it doesn't matter because you get them all		
February 19, 2022 7:13 AM			
	Both. All.		
February 19, 2022 7:13 AM			
			naughty. switching base systems again. both only equals all in base 32
February 19, 2022 7:14 AM			
	I'm telling you, I've been using this system for a while. I have it pretty sorted out to the point where I definitely wouldn't be functioning under the premise if I was going through life and missing the best of all the desserts all willy-nilly all the time.		
February 19, 2022 7:14 AM			
	Oh man.		
February 19, 2022 7:14 AM			

	I found one of the songs.		
February 19, 2022 7:14 AM			
			if you wanted both to equal all, both you would have so. boththough... that would complicate both of evertything i suspect
February 19, 2022 7:15 AM			
			yeh?
February 19, 2022 7:15 AM			
			*both you would have had to do is say so.
February 19, 2022 7:15 AM			
	So, sometimes, there are songs that I hear that I really want to send you, and then send you follow ups to sending them telling you to actually listen to them because they're ones that I feel like you'll like more than average amounts of like.		
February 19, 2022 7:16 AM

	Even though I always did worry that it floated a little too far above the ground to be sustainable, for a minute that seemed a lot longer, our existence had a euphoric halo around it that feels like the memory of waking up at camp in the spring on the day that it was raining and not quite warm in the morning, but you could smell the ground again, and the dampness in the wood from the cabins with screen windows. And it had that energy you get when you're in a place that you went to experience some thing new and different, but you know that you'll have to go back to your every day routine. Those are all my favorite memories. The ones that feel "new old". Poignant I guess. And that song sounds the way those memories feel, and that's the way all of our memories feel to me.		

	song makes me think of you. I'm not sure why. I know that the topic is not necessarily as generalized as my attempted analyzation is about to make it sound, but it seems like the more time passes, the more it seems like the parts of our relationship I retain when I think about it are snippets of a year where I felt like I got plucked from the earth and dropped into somewhere else. I felt like I got to spend a moment with myself and I version of my life that I'm at seems like it didn't really even exist. Like somebody took the template out of it and tailored a companion for me to have some sort of very precious simulated experience with, and that the purpose behind it wasn't necessarily to build some thing that I got to keep and carry around with me. But rather, the purpose was that I would know what certain things felt like that I had never been able to know before. And those things were the things I was allowed to keep. Sort of like your space cats from your dream.

	That's my analogy. As far as everything else goes, we just spun our atoms faster than everybody else. I think we used them up,is all. At least that's as deep into the reasons as I'd care to speculate, because none of the other stuff matters to me. The thing that scared me the most about what happened was that we got so many beautiful souvenirs, and you're the only person that I can look at them with, and I thought that you might spend the time that we have to admire them focused on ones that we didn't get instead. I like the ones that I have. If I get more, I will be happy about that because we tend to make really good souvenirs. But I don't expect that I'll be able to collect any that are better than the ones we've made, and I certainly haven't seen anyone else with ones that are better than ours. even if none of them look the way I pictured they would, and even if I never get a single one more, I still can't believe how amazing the ones that I did get are. I know I'm speaking in metaphors, but quite literally Nathan, I never dreamed that I would have anything as irreplaceable and intricate and authentic as what we made. I don't care if they have sharp parts. I will still hold them tighter than I should, and refuse to pick up other shiny things that don't have a single prickly part, because they aren't half as beautiful, and when I look at them, I can't see my reflection. That's why I can listen to all the songs.		
February 19, 2022 10:44 AM			

	I'll send you a song. It gets best right around the 2 minute mark, I believe.

			Hm. I thought you were saying one thing, then I thought you were saying another thing, and then you said that's why you can listen to the songs. So. If you let me, I'll probably keep trying to send you shiny bits one way or another. Some relics, some new maybe. I'm sure they'll have sharp edges at times, but I'd rather make some of them less sharp, or just get used to the cuts and scars and deal with it. I'm really happy to be talking to you. If it makes you happy too. I don't want any more hurt for either of us. If you wanna go to summer camp again, I'm in. If you don't, I get it. But I hope we can tromp through the creek once in a while at least. If there's a way to help that happen, let me know. Even if it can't or you don't want to, I'm still pretty eager to lend a hand if I can. Money, kidneys, sexual favors, web design, memes, book suggestions, doily knitting (i'd have to learn first)... whatever. You're the comforting, fascinating thing that feels like it's supposed to be somewhere around. You hate asking for things but I hope you do. Or at least blink twice if you'd let me try to lend a hand somehow and not throw a punch if I try without a request. I think I'm better at boundaries now a little.
February 19, 2022 11:01 AM			
	I don't know what I'm doing. I'm terribly unhappy. But it's not because of you, or Jason, or even Addison. It is because I did something that I don't only do, and I made the mistake of telling myself that the book would never be over and I would never have to come home from camp. And that is nobody's fault but my own. It doesn't mean that I'm never going to go to summer camp again it doesn't mean that there won't be any sequels it just means that I quit my job and sold my house and threw out all my other books, and I need to figure out how to sort all of that out.		

	When I finished The dark tower series, I felt like I woke up from another life or something and looked around kind of lost like, “now what am I going to do with myself?” I figured no book would ever be as good as that one. I was legitimately sad. I felt like there was a whole different person in another world I left behind and everything I read for a while felt flat. But then, about six months after I had read the last one, he wrote another one and released it. Obviously, he did finish the whole series, writing three more books to do it, I believe, and I read them all. they weren’t quite the same as the originals, but they still had that comforting feel of getting to go back and visit the story that I had been so sad leaving behind when I thought it was over, that it made the disappointment easier to let go of.		
	I don’t know why I called you today. I felt like it, I guess. I know you know how I feel and I know that you know the reasons we both wander through our destroyed houses thinking about each other. I don’t know how to fix it because I don’t feel it’s fixable. I feel that it is something I miss horribly and don’t know if I’ll ever recover from. It certainly won’t be replaced.		
	I am going to try to clean up the living room a little and change my clothes and try to wrap my mind around the idea of leaving the house and picking up Addison. Which I honestly at the moment don’t know how I am going to do. I’m going to fuck it up, because it’s already fucked up. If you’d like to continue texting we can, and if I can call you back and you want me to, I will. But I might not be able to because I suspect that I’ll be swept up into the rest of this day.

			Alright. If you feel like living another Stephen King book, you've got a card for this library. Carrie sounds interesting... or maybe not that one? Maybe a choose your own adventure sci-fi where you always end up getting frozen in liquid nitrogen on page 34. Or a dirty comic book novel... nasty like R. Crumb. But with hotter characters. If you've got too much paperwork to take away from for side reading, you're still welcome to sit in the library and use the internet sometime.
February 19, 2022 11:10 AM			

			Also... that's a good song
February 19, 2022 11:18 AM			
			I don't know if it was a mistake to try to hold on, I tend to think it's just that the liquid nitrogen pours in on page four and I don't know whether or not the author gave me a choice B that I missed somewhere along the way. But that first readthrough was a pretty fun romp and I wouldn't mind pulling it out of the mud puddle and seeing if some of the surviving pages were worth reading. Or even just dry it out and make it a discussion piece for the few who appreciate it. Anyway, you're fun. Even when you're feeling pretty run down. I liked the way we talked when you called--ahem--last night, not today ;) I might actually be able to listen to the songs some more now. That's a nice present. Thanks. Try and relax if you can. Maybe that'll make you feel up to seeing Addie.

	Something has to have happened with him that was like, a drug problem or some weird thing. I'd feel bad for him or give him the benefit of the doubt if he hadn't acted like such a condescending dick to me treating me like I was a fuckin idiot, but he was an asshole through the whole thing, so fuck him. I'm suing him for legal malpractice as soon as I know how my case turns out. I'm asking for everything back that I spent on him, as well as whatever I spend on this attorney, (which I won't get) and depending on the outcome, I'm suing him for damages incurred by making me look bad in court and fucking up my case to the point where I'm paying this attorney extra because of the position it's put me in having to find someone to take on my case and prepare for fuckin trial in a two week time period.

	Yep I'm just going to continue calling until I Can see your head. I want attention.		
February 23, 2022 7:18 AM			
	You missed a video chat with Jo.		
February 23, 2022 7:19 AM			
	Sad.		
February 23, 2022 2:05 PM			
			I woke up and saw nine message notifications from you and it made me smile
February 23, 2022 2:07 PM			
			I was definitely going to invest in some large scale prints. Julianne uses a service for her portraits that seems fairly affordable. Oddly enough, it's out of Akron Ohio
February 23, 2022 2:07 PM			
			What was your photography idea that you mentioned?
February 23, 2022 8:45 PM			
			...I think I might have figured out the voices vs head issue...
February 24, 2022 4:03 AM			

	That actually does not surprise me. I would imagine goods and services run a lower cost due to the lower economic Standards and the fact that it is, for the most part, an archaic snapshot of what had been anticipated a possible industrial hub. They probably still have mom and pop shops with the means to do all sorts of shit that's actually really cool, and barely the demand unless they do it cheap enough that people will travel or send away for the service		
February 24, 2022 4:03 AM			
	I'm sorry?		
February 24, 2022 4:03 AM			
			Are you though?
February 24, 2022 4:04 AM			
	Sometimes, yes. Sometimes I am incredibly sorry and it feels like it's never going to go away.		
February 24, 2022 4:04 AM			
	Well that Was uncalled for. Pardon me. Lol		
February 24, 2022 4:04 AM			
			yeeh. same.
February 24, 2022 4:04 AM			
			You're uncalled for
February 24, 2022 4:05 AM			
	You're absolutely correct about that. It's my specialty.		
February 24, 2022 4:05 AM			
			Special tea? Hallucinogenic I hope
February 24, 2022 4:08 AM			
			So... apart from the last part, how was the visit with Addie?
February 24, 2022 4:09 AM			

	I was thinking that you should find all sorts of different sizes of lenses, and all of them can be varying magnification levels as well. I think that they may actually create a more interesting effect if you also placed some so that instead of magnifying they actually make things look slightly smaller. Then you could be very picky about which sorts of images you put in the actual frame, and you could either make sure to fill the whole thing, or I suppose you can do it the way you have the ones you sent me, however if you were to make the image one that had very small components, or with the lenses turned to minimize things perhaps put a larger scale image that was more easily distinguishable as you slid the lens over it to make parts of it smaller. You could then possibly find a curved glass pane like the very old ones that I have on those portraits from the 1800s and the kind a used to do the Momento Mori plaques that they fill with flowers and locks of hair and hankercheifs and personal effects like that…		
February 24, 2022 4:11 AM			
	Then, you could think of inventive ways to affix The lens in between the images in the glass in ways that would make it so that you could direct it around on the actual picture as you wanted. Then you'd be able to emphasize different people or things in the pictures, which would allow you to have new art based on just moving to Lynn's around to inspect different details that were not easily distinguishable unless you had picked to look at that spot with the lens. That's probably not worded very coherently.		
February 24, 2022 4:13 AM			
	I was thinking if you found a way to weld or drill some thing such as say, radio antennas in such a way that you could push the lines around so that the antennas word telescopically retract or expand, And also keep the lens held in place once you had decided they liked where it was. I guess however adjustable it was and however many anchor points he would need would depend mostly on how articulated the antennas were.		
February 24, 2022 4:14 AM			
			Good ideas. I may do some similar stuff. At the moment, I just have a random assortment of lenses, so they're all different sizes and magnifications. I'm a little hesitant to incorporate them into anything since they're fun to play with when taking photos. But I think frames like this could fetch a good price if anybody could put their own photos in them. As for making the images smaller, it would require concave lenses I don't have. The plano-convex ones enlarge in both directions.
February 24, 2022 4:15 AM			
			Ohhh, that's a cool idea.

February 24, 2022 4:15 AM			
			There are a few ways that come to mind to make the angle adjustible.
February 24, 2022 4:16 AM			
			One of the cool things about them as they are now, which is hard to tell from a still picture, is that the image moves and distort as you view from different angles.
February 24, 2022 4:18 AM			
	You could probably also do it with plenty of different kinds of ribbon and cord or tiny pole chains from old crucifixes or you could take old winding keys set an a like the Jack-in-the-Box style and go to the really old antique music boxes or photographs and attach them on the inside to some sort of inter-wound cable and run it through casters at each corner or something.		
February 24, 2022 4:19 AM			
	Basically There are almost infinite ways you could attach it. Even if he just ran a track around the edge of the frame so that it could spin around like a googly eye or spirograph or some thing on some ball bearings		
February 24, 2022 4:19 AM			
			That would be cool
February 24, 2022 4:20 AM			
			At the moment, I'm just using what I have and trying to make a series that has some cohesion. The whole "eyeball" frame thing seems pretty reproducible and infinitely variable
February 24, 2022 4:20 AM			
			Gotta come up with a pithy name that fits the sort of classy look
February 24, 2022 4:21 AM			
			like "Gaze Frames" or something
February 24, 2022 4:21 AM			

People would pay a lot of money for those because they are an actual repetitive product, but each one of them is completely individual and different from the others, and made with materials that are “Upcycled” which yuppie bitches love that Upcycled shit. You could specialize them and take requests and do different themed ones and you could list each individual component and where it came from on a certificate of authenticity which would also make people much more inclined to pay out the ass if you could track down the source of as many as a little bits and pieces as you could. If there is a shoelace in it that came from a union workers work issued Shu from the coal mines of South Harlan, can you put that in there. And it’s made of a bunch of little tiny things like that and if you big ones too, so I was going to pay your shit ton of money for that thing

February 24, 2022 4:22 AM

EXACTLY!

February 24, 2022 4:22 AM

It is a photoscope.

February 24, 2022 4:22 AM

Obviously.

February 24, 2022 4:22 AM

Oh... the provenance thing is a great idea

February 24, 2022 4:23 AM

It was what I had planned to do with my curiosity cabinets when o had originally intended to attempt them.

February 24, 2022 4:23 AM

Hmmm... photoscope sounds more techy to me. I feel like these'll appeal to a more fru fru crowd

February 24, 2022 4:23 AM

Yeah, I kept thinking of your curios when I was playing around with this idea

February 24, 2022 4:24 AM

Hm. Jason is awake. I’m going to hang out with him for a bit. If you are up in a short while, I might call. If you’d like
